The Company will not file the Amended Articles or effect the reverse split until at least twenty (20) days after the filing and mailing of this Information Statement to its shareholders. The Company will bear the entire cost of furnishing this Information Statement. It will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Company's common stock held of record by them.

There were 6,690,000 shares of Common Stock issued and outstanding on the record date. The Company anticipates that this Information Statement will be mailed on or about _____, 2009 to all shareholders of record as of the record date.

APPROVAL OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION***Description of the Amended Articles and Reasons for the Amendment***

The Amended Articles make one change to the Company's Articles of Incorporation the change of the Company's name to "Iveda Corporation." The primary reason for the proposed name change was to comply with the terms of the Corporation's Merger Agreement (the "Merger Agreement"), dated January 8, 2009 with IntelSight, Inc., a Washington corporation dba Iveda Solutions ("Iveda"), Charmed Homes Subsidiary, Inc., a Nevada corporation and a wholly owned subsidiary of the Company ("Merger Sub"), and two major Company shareholders. A copy of the Merger Agreement is attached to this Information Statement as Appendix B.

Under the Merger Agreement, the Company and Iveda have agreed, subject to the satisfaction or waiver of the closing conditions set forth in the Merger Agreement, to engage in a merger (the "Merger") whereby the Merger Sub will merge with and into Iveda, and as a result Iveda will become a wholly-owned subsidiary of the Company. As part of the Merger, Iveda's stock and derivative securities will be exchanged for stock and derivative securities of the Company at a ratio of one share of the Company's common stock for each one share held in Iveda immediately prior to the Merger closing.

Iveda provides remote video monitoring services and currently has clients in Arizona and California. The Company offers a proactive security solution using network cameras, a real-time Internet-based surveillance system, and a remote monitoring facility with trained intervention specialists. Based in Mesa, Arizona, Iveda's core monitoring service offers private and public entities what management believes to be a more affordable, reliable, and effective security solution than either security guards or closed circuit television on-site monitoring.

Prior to the Merger, the Company will engage in a 2 for 1 reverse split to reduce the number of outstanding shares of its common stock, and the two major shareholders of the Company will sell 5 million pre-reverse split shares of the Company's common stock to Iveda.

The parties have until February 28, 2009 to close the proposed Merger, at which time either party may terminate the Merger Agreement. The Merger Agreement may also be terminated in the event it fails to receive the approval of holders of a majority of the outstanding Iveda voting stock when submitted to the shareholders for approval, or if greater than 1% of the outstanding Iveda voting stock dissents from the Merger.

Following the Merger, the Merger Sub will cease to exist, and Iveda will be a direct, wholly-owned subsidiary of the Company. The Company's current officers and directors will resign as of the closing, and the directors of the Company will be David Ly, Greg Omi, Jody Bisson, and one additional director to be appointed by Iveda and the officers of the Company will be David Ly, President and CEO, Bob Brilon, CFO and Treasurer, and Luz Berg, Secretary and Senior VP of Operations & Marketing each of these individuals is a current officer and/or director of Iveda. The closing will not occur until the Company and Iveda file Articles of Merger with the States of Washington and Nevada, which will not occur until after the approval of the Iveda shareholders has been obtained and following applicable waiting periods required by SEC regulations (for the reverse split and name change of the Company) and Washington law (as Iveda intends to solicit consents in lieu of holding a special meeting of its shareholders to approve the Merger).

As part of the Merger, the Corporation has agreed to change its name to "Iveda Corporation" and the Amended Articles will accomplish this. The Corporation intends to wait until the closing of the Merger to file the Amended Articles, and in the event the Merger does not close, the Corporation will keep its existing name.

After the filing of the Amended Articles with the Secretary of State of the State of Nevada, the Company will cease use of the name Charmed Homes Inc. The Company will then use the name Iveda Corporation.

Edgar Filing: Charmed Homes Inc. - Form PRER14C

NRS 78.390 provides that every amendment to the Company's Articles of Incorporation shall first be adopted by the resolution of the Board of Directors and then be subject to the approval of shareholders entitled to vote on any such amendment. Under the Company's Articles of Incorporation and Bylaws now in effect, an affirmative vote by shareholders holding shares entitling them to exercise at least a majority of the voting power is sufficient to amend the Company's Articles of Incorporation. NRS 78.320 provides that, unless otherwise provided in the Company's Articles of Incorporation or the Bylaws, any action required or permitted to be taken at a meeting of the shareholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by shareholders holding the voting power required to take such action at a meeting. The Company's Articles of Incorporation and Bylaws permit the taking of action by written consent. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the amendment described herein as early as possible in order to accomplish the purposes described above, the Company's Board of Directors voted to utilize the written consent of the holders of a majority of the Company's voting stock. NRS 78.320 provides that in no instance where action is authorized by written consent need a meeting of shareholders be called or notice given.

Pursuant to NRS 78.385, NRS 78.390 and the Company's current Articles and Bylaws, the affirmative vote of the holders of a majority of the Company's outstanding voting stock is sufficient to amend the Company's Articles of Incorporation as described above, which vote has been obtained by written consent of the Consenting Shareholders.

Effective Date

Under applicable federal securities laws, the Amended Articles cannot be effective until at least 20 calendar days after this Information Statement is distributed to the Company's shareholders. The Amended Articles will become effective upon filing with the Secretary of State of Nevada. It is anticipated that the foregoing will take place 20 calendar days after this Information Statement is mailed to the Company's shareholders, subject to change to a later date based on when the Merger closes.

Dissenters' Rights of Appraisal

The Nevada Revised Statutes do not provide for appraisal rights in connection with the above-described amendment to the Company's Articles of Incorporation.

APPROVAL OF THE REVERSE STOCK SPLIT

General

The Board of Directors and Consenting Shareholders have approved a reverse stock split of our common stock at a ratio of one-for-two. Pursuant to the reverse split, each outstanding two shares of common stock will be combined into and become one share of common stock, without any change in the number of authorized shares of our common stock.

As of December 5, 2008, we had 6,690,000 shares of common stock issued and outstanding. Based on the number of shares of our common stock issued and outstanding as of December 5, 2008 (the record date for the reverse split under applicable Nevada law), immediately following the completion of the reverse stock split, we would have 3,345,000 shares of common stock issued and outstanding.

Purpose of the Reverse Split

The primary purpose for effecting the reverse split is to comply with the terms of the proposed Merger as described above.

However, even in the event that the Merger does not occur, the Board believes that the reverse split is in the best interests of the Company and its shareholders, as it will provide additional flexibility for any future merger, exchange or acquisition. A reverse stock split may also have a favorable effect on the trading price of our common stock on the OTC Bulletin Board.

In evaluating whether or not to authorize the reverse split, in addition to the considerations described above, the Board of Directors also took into account various negative factors associated with a reverse stock split. These factors include:

Edgar Filing: Charmed Homes Inc. - Form PRER14C

- the negative perception of reverse stock splits held by some investors, analysts and other stock market participants;
- the fact that the stock price of some companies that have effected reverse stock splits has subsequently declined back to pre-reverse stock split levels;
- the adverse effect on liquidity that might be caused by a reduced number of shares outstanding; and
- the costs associated with implementing a reverse stock split.

Shareholders should recognize that if a reverse stock split is effected, they will own a fewer number of shares than they currently own (a number equal to the number of shares owned immediately prior to the reverse stock split divided by two). The reverse stock split may not increase the per share price of our common stock in proportion to the reduction in the number of shares of our common stock outstanding or result in a permanent increase in the per share price (which depends on many factors, including our performance, prospects and other factors that may be unrelated to the number of shares outstanding).

If the per share price of our common stock declines following the reverse split, the percentage decline as an absolute number and as a percentage of our overall market capitalization may be greater than would occur in the absence of a reverse stock split. Furthermore, the liquidity of our common stock could be adversely affected by the reduced number of shares that would be outstanding after the reverse stock split. In addition, the reverse stock split will likely increase the number of shareholders who own odd lots (less than 100 shares). Shareholders who hold odd lots typically will experience an increase in the cost of selling their shares, as well as possible greater difficulty in effecting such sales.

The Board of Directors considered all of the foregoing factors, and determined that the reverse stock split is in the best interest of the Company and its shareholders.

Principal Effects of the Reverse Split

General

Our common stock is currently registered under the Exchange Act, and we are subject to the periodic reporting and other requirements of the Exchange Act. The reverse stock split will not affect the registration of our common stock under the Exchange Act.

Number of Shares of Common Stock and Corporate Matters

When implemented, the reverse split will have the following effects on the number of shares of common stock:

- each two shares of our common stock owned by a shareholder immediately prior to the reverse stock split would become one share of common stock after the reverse stock split;
- the number of shares of our common stock issued and outstanding would be reduced from 6,690,000 shares to 3,345,000 shares; and
- the number of authorized shares of our common stock would remain at 200 million shares.

Schedule 14C

4

1/27/2009

After effectuating the reverse split, we will have approximately 196,655,000 shares of authorized but unissued shares of common stock. The authorized and unissued and unreserved shares would be available from time to time for corporate purposes including issuances upon the closing of the Merger, raising additional capital by means of sales of stock or securities convertible into common stock, acquisitions of companies or assets, or other strategic transactions. If we issue additional shares, the ownership interests of holders of our common stock may be diluted.

The reverse stock split will affect all of our common shareholders uniformly and will not change the proportionate equity interests of our common shareholders, nor will the respective voting rights and other rights of shareholders be altered.

Fractional Shares

If the reverse stock split results in some shareholders receiving fractional shares, fractional shares will be issued. The Company will not make any cash payments in lieu of the issuance of fractional shares.

Effect on Shares Held in Street Name

Edgar Filing: Charmed Homes Inc. - Form PRER14C

We intend to treat shareholders holding our common stock in "street name," through a bank, broker, or other nominee, in the same manner as registered shareholders whose shares are registered in their names when effecting the reverse stock split. Banks, brokers, or other nominees will be instructed to effect the reverse stock split for their beneficial holders holding our common stock in "street name." However, these banks, brokers, or other nominees may have different procedures than registered shareholders for processing the reverse stock split. If you hold your shares with a bank, broker or other nominee, and if you have any questions in this regard, we encourage you to contact your nominee.

Effect on Registered "Book-Entry" Shareholders

Our registered shareholders may hold some or all of their shares electronically in book-entry form. These shareholders will not have share certificates evidencing their ownership of our common stock. They are, however, provided with a statement reflecting the number of shares registered in their accounts.

- If you hold registered shares in a book-entry form, you do not need to take any action to receive your post-reverse stock split shares.
- If you are entitled to post-reverse stock split shares, a transaction statement will automatically be sent to your address of record indicating the number of shares you hold.

Effect on Registered Certificated Shares

Some registered shareholders hold all their shares in certificate form or a combination of certificate and book-entry form. If any of your shares are held in certificate form, you will receive a transmittal letter from our transfer agent as soon as practicable after the effective date of the reverse stock split. The letter of transmittal will contain instructions on how to surrender your certificate(s) representing your pre-reverse stock split shares to the transfer agent. Upon receipt of your share certificate, you will be issued the appropriate number of shares electronically in book-entry form. No new shares in book-entry form will be issued to you until you surrender your outstanding certificate(s), together with the properly completed and executed letter of transmittal, to the transfer agent. At any time after receipt of your statement reflecting the number of shares registered in your book-entry account, you may request a share certificate representing your ownership interest.

Accounting Matters

The reverse stock split will not affect the par value of the Company's common stock. As a result, the stated capital attributable to the Company's common stock on the Company's balance sheet will be reduced proportionately based on the reverse stock split ratio, and the additional paid-in capital account will be credited

Schedule 14C

5

1/27/2009

with the amount by which the stated capital is reduced. Prior periods' per share net income or loss and net book value amounts will be restated because there will be fewer shares of our common stock outstanding.

Potential Anti-Takeover Effect

The proportion of unissued authorized shares to issued shares could, under certain circumstances, have an anti-takeover effect. For example, the issuance of a large block of common stock could dilute the stock ownership of a person seeking to effect a change in the composition of the Board of Directors or contemplating a tender offer or other transaction for the combination of the Company with another company. However, the reverse stock split proposal is not being proposed in response to any effort of which we are aware to accumulate shares of common stock or obtain control of the Company, other than the proposed Merger.

Procedure for Effecting Exchange of Stock Certificates

The Company's transfer agent, Securities Transfer Corporation, will act as exchange agent for purposes of implementing the exchange of stock certificates or updating ownership amounts, the latter for those "book entry" shareholders, and is referred to as the "exchange agent." As soon as practicable after the effective time of the reverse split, a letter of transmittal will be sent to shareholders of record as of December 5, 2008 for purposes of surrendering to the exchange agent certificates representing pre-reverse stock split shares in exchange for certificates representing post-reverse stock split shares in accordance with the procedures set forth in the letter of transmittal. No new certificates will be issued to a shareholder until such shareholder has surrendered such shareholder's outstanding certificate(s), together with the properly completed and executed letter of transmittal, to the exchange agent. From and after the effective time, any certificates formerly representing pre-reverse stock split shares which are submitted for transfer, whether pursuant to a sale, other disposition or otherwise, will be exchanged for certificates representing post-reverse stock split shares. **SHAREHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD**

Edgar Filing: Charmed Homes Inc. - Form PRER14C

NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO. For shareholders who hold registered shares in a book-entry form, at the effective time, the transfer agent will update your ownership amounts on our books and a transaction statement will automatically be sent to your address of record indicating the number of shares you hold. No action need be taken to receive your post-reverse stock split shares.

No Appraisal Rights

Under the laws of Nevada, shareholders will not be entitled to exercise appraisal rights in connection with the reverse stock split.

United States Federal Income Tax Consequences

IN ACCORDANCE WITH 31 C.F.R. § 10.35(B)(5), THE DISCUSSION OF THE TAX ASPECTS PROVIDED HEREIN HAS NOT BEEN PREPARED, AND MAY NOT BE RELIED UPON BY ANY PERSON, FOR PROTECTION AGAINST ANY FEDERAL TAX PENALTY. EACH SHAREHOLDER SHOULD SEEK ADVICE BASED ON THE PROSPECTIVE SHAREHOLDER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

The following is a summary of the material United States federal income tax consequences of the reverse stock split applicable to beneficial holders of shares of our common stock. This summary addresses only such shareholders who hold their pre-reverse stock split shares as capital assets and will hold the post-reverse stock split shares as capital assets. This discussion does not address all United States federal income tax considerations that may be relevant to particular shareholders in light of their individual circumstances or to shareholders that are subject to special rules, such as financial institutions, tax-exempt organizations, insurance companies, dealers in securities, and foreign shareholders. The following summary is based upon the provisions of the Internal Revenue Code of 1986, as amended, applicable Treasury Regulations thereunder, judicial decisions and current administrative rulings, as of the date hereof, all of which are subject to change, possibly on a retroactive basis. Tax consequences under state, local, foreign, and other laws are not addressed herein. Each shareholder should consult its tax advisor as to the particular facts and circumstances which may be unique to such shareholder and

Schedule 14C

6

1/27/2009

also as to any estate, gift, state, local or foreign tax considerations arising out of the reverse stock split. The Company has not and will not seek a ruling from the Internal Revenue Service regarding the United States federal income tax consequences of the reverse split. Therefore, the income tax consequences discussed below are not binding on the Internal Revenue Service and there can be no assurance that such income tax consequences, if challenged, would be sustained.

Subject to the statements made above, the United States federal income tax consequences of the reverse stock split may be summarized as follows:

- The reverse stock split would qualify as a tax-free recapitalization under the Internal Revenue Code. Accordingly, a shareholder will not recognize any gain or loss for United States federal income tax purposes as a result of the receipt of the post-reverse stock split common stock pursuant to the reverse stock split.
- The shares of post-reverse stock split common stock in the hands of a shareholder will have an aggregate basis for computing gain or loss on a subsequent disposition equal to the aggregate basis of the shares of pre-reverse split common stock held by the shareholder immediately prior to the reverse stock split.
- A shareholder's holding period for the post-reverse stock split common stock will include the holding period of the pre-reverse split common stock exchanged.

Vote Required

NRS 78.2055 provides that any decrease in the number of issued and outstanding shares of stock without a corresponding decrease in the number of authorized shares of stock shall first be adopted by the resolution of the Board of Directors and then be subject to the approval of shareholders entitled to vote on any such amendment. Under the Company's Articles of Incorporation and Bylaws now in effect, an affirmative vote by shareholders holding shares entitling them to exercise at least a majority of the voting power is sufficient to approve the reverse stock split. NRS 78.320 provides that, unless otherwise provided in the Company's Articles of Incorporation or the Bylaws, any action required or permitted to be taken at a meeting of the shareholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by shareholders holding the voting power required to take such action at a meeting. The Company's Articles of Incorporation and Bylaws permit the taking of action by written consent. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the reverse stock split described herein as early as possible in order to accomplish the purposes described above, the Company's Board of Directors voted to utilize the written consent of the holders of a majority of the Company's voting stock. NRS 78.320 provides that in

no instance where action is authorized by written consent need a meeting of shareholders be called or notice given.

Pursuant to NRS 78.2055 and the Company's current Articles and Bylaws, the affirmative vote of the holders of a majority of the Company's outstanding voting stock is sufficient to approve the reverse stock split as described above, which vote has been obtained by written consent of the Consenting Shareholders.

Effective Date

Under applicable federal securities laws, the reverse split cannot be effective until at least 20 calendar days after this Information Statement is distributed to the Company's shareholders.

Summary of the Terms of the Merger

The Merger and the Merger Agreement

Iveda and Charmed have agreed to combine their companies under the terms of a Merger Agreement between the companies. A copy of the Merger Agreement is attached to this Information Statement as Appendix B. Under the terms of the Merger Agreement, the Merger Sub, a wholly-owned subsidiary of Charmed, will merge with and into Iveda, and Iveda will be the surviving entity and a wholly-owned subsidiary of Charmed. Upon completion of the Merger, holders of Iveda common stock will be entitled to receive one share of Charmed common stock for each share of Iveda common stock they hold at that time. Holders of options or warrants to

purchase Iveda common stock will be issued an option or warrant to purchase one share of Charmed common stock in exchange for the cancellation of each option or warrant to purchase one share of Iveda common stock owned by the option and warrant holders.

Charmed shareholders will continue to own their existing shares of Charmed common stock after the Merger. It is a condition to the Merger that (i) Ian Quinn and Kevin Liggins, Charmed's major shareholders, officers and directors, sell 5,000,000 shares of their pre-reverse split Charmed common stock to Iveda, resulting in approximately 1,690,000 shares of common stock remaining outstanding; and (ii) Charmed complete a reverse stock split, which will result in every two shares of common stock being combined into one share of common stock, resulting in Charmed's shareholders owning approximately 845,000 shares of common stock of the post-Merger company. Charmed's common stock is listed solely on the Over-the-Counter Bulletin Board as of the date of this Information Statement, a market with very limited liquidity and minimal listing standards. Charmed and its counsel have advised Iveda and its counsel that no vote of the Charmed shareholders is required to approve the merger, but Charmed has already obtained the approval of its shareholders for the reverse stock split as described above.

Parties to the Merger

Iveda

IntelaSight, Inc. was incorporated in Washington in January 2005, and began operations at that time. It conducts business under the name Iveda Solutions.

Iveda provides remote video monitoring services and currently has clients in Arizona and California. Iveda offers a proactive security solution using network cameras, a real-time Internet-based surveillance system, and a remote monitoring facility with trained intervention specialists. Based in Mesa, Arizona, Iveda's core monitoring service offers private and public entities what management believes to be a more affordable, reliable, and effective security solution than either security guards or closed circuit television ("CCTV") on-site monitoring. Iveda has provided security solutions to 27 customers, with over 248 cameras installed, 75 of which are being monitored and 4 hosted by Iveda in 15 properties, as of the date of this Information Statement.

Iveda has recently opened its reseller distribution channel. Without active solicitation, Iveda has already signed a net eight resellers and six independent agents in 2008 and expects to partner with more in 2009. These resellers and agents will assist Iveda in its marketing and customer service activities.

Management projects a 3-year window of opportunity to get a first mover's advantage in the real-time video surveillance market. Management believes that Iveda remains the only company providing **real-time** video surveillance in the United States as of the date of this Information Statement. Integrators and central monitoring companies, Iveda's closest competitors, provide monitoring services based on electronic alarm triggers which generate a response time of often 6-10 minutes or more. Iveda's real-time monitoring provides immediate response capabilities. Iveda has already received local publicity for stopping crimes in progress. Since January 2005, Iveda has raised approximately \$3.2 million, which has been used to initiate and fund operations. As Iveda has high fixed capital and operating costs that can be moderated only through increases in its customer monitoring services, Iveda needs to continue to raise capital to increase its marketing budget and obtain significant additional customers to offset its fixed costs.

Charmed Homes Inc.

Charmed previously engaged in the construction and marketing of custom homes in the Calgary area in Alberta, Canada. During 2008, Charmed completed construction of its first such home and sold this home. Due to downturns in the housing market in Calgary and a lack of available funding, Charmed decided to cease operations following the sale of this single home.

Charmed was organized under Nevada law in 2006, its executive offices are located at 60 Mt. Kidd Point SE, Calgary, Alberta, Canada T2Z 3C5 and its telephone number is (403) 831-2202. Charmed has no operations as of the date of this Information Statement.

Schedule 14C

1/27/2009

Recommendation of the Charmed Board of Directors

After careful consideration, the Charmed Board of Directors unanimously determined that the Merger is advisable, and is fair to and in the best interests of Charmed and its shareholders, and unanimously approved the Merger Agreement.

Directors and Executive Officers of Charmed Following the Merger

Following the Merger, the directors of Charmed will be David Ly (Chairman), Greg Omi, Jody Bisson and one additional director that will be appointed by Mr. Ly, Mr. Omi and Ms. Bisson. The executive officers will be David Ly, President and Chief Executive Officer, Bob Brilon, Treasurer and Chief Financial Officer, and Luz Berg, Secretary and Senior VP of Operations & Marketing.

What is Needed to Complete the Merger?

Several conditions must be satisfied or waived before we complete the Merger, including those summarized below:

- the sale of 5 million pre-reverse split Charmed shares to Iveda by Ian Quinn and Kevin Liggins;
- completion of a 1:2 reverse stock split by Charmed;
- filing of all required tax returns by Charmed;
- Charmed must have no liabilities and no assets;
- adoption of a stock option plan by Charmed that is substantially similar to the existing Iveda option plan and authorization of warrants by Charmed with substantially similar terms to the existing Iveda warrants; and
- Charmed and its officers and directors must be current on all required filings with the SEC.

Iveda is Prohibited from Soliciting Other Offers

The Merger Agreement contains provisions that prohibit Iveda from taking any action to solicit, initiate or encourage any other person to acquire a controlling interest in Iveda or substantially all of its assets.

Iveda and Charmed May Terminate the Merger Agreement Under Specified Circumstances

Under circumstances specified in the Merger Agreement, either Iveda or Charmed may terminate the Merger Agreement if:

Accounting Treatment of the Merger

Following the guidance of the United States Securities and Exchange Commission (SEC) Training Manual, 2000 Ed. (Division of Corporation Finance) *Accounting Disclosure Rules and Practices, 2000 Edition*, the merger will be accounted for by a recapitalization of equity.

Description of the Merger

The following is a description of the material aspects of the Merger, including the Merger Agreement. While we believe that the following description covers the material terms of the Merger, the description may not contain all of the information that is important to you. We encourage you to read carefully this entire Information Statement, and the attached Merger Agreement, for a more complete understanding of the Merger.

General Terms of the Transaction

On January 8, 2009, InteloSight, Inc., Charmed Homes Inc., Charmed Homes Subsidiary, Inc. (the "Merging Companies"), and certain major shareholders of Charmed Homes Inc. signed the Merger Agreement. In general, the Merger Agreement will result in Iveda shareholders becoming shareholders of Charmed (holding approximately ninety-one percent (91%) of the total of approximately 11.4 million Charmed shares of common stock outstanding after completion of the Merger, not including the 2.5 million post-reverse split Charmed shares that will be owned by Iveda following the sale by Quinn and Liggins). The Merger Agreement will also result in the holders of options and warrants to purchase Iveda common stock becoming holders of options and warrants to purchase Charmed common stock. The continuing Charmed shareholders will hold 845,000 shares of Charmed common stock or approximately 9% of the Charmed common stock outstanding after the Merger. Following the Merger, holders of all Iveda securities combined, on a fully diluted basis, will own approximately 93% of the outstanding securities of Charmed. All of the share numbers in this paragraph may change if Iveda sells securities after the date of the Merger Agreement, which may occur.

When the Merger is completed, InteloSight, Inc. will become a wholly-owned subsidiary of Charmed, and will continue its operations as a Washington corporation. Charmed will change its name to Iveda Corporation, a Nevada corporation, and will act as a holding corporation for InteloSight, Inc.

The securities to be issued in connection with the Merger have not been registered under the Act and their resale will be restricted. The securities to be issued will be "restricted securities," as that term is defined in Rule 144 promulgated under the Act, and may not be sold or transferred without an effective registration statement under the Act, or pursuant to an exemption from registration under the Act, the availability of which is to be established to the satisfaction of Charmed.

Background and Reasons for the Offer and Subsequent Merger

Charmed has recently discontinued its homebuilding operations in Canada, and the Board of Directors and major shareholders of Charmed decided to begin looking for a company to merge with Charmed as a way to provide shareholders with a possible way to recover a portion of their equity investment in Charmed. At the same time, the Iveda Board of Directors began investigating ways to obtain additional financing for Iveda's operations and additional liquidity for existing Iveda investors. The two companies were introduced through a registered broker-dealer with a view to a possible merger between them.

After considering the possible Merger with Iveda, the Charmed Board of Directors has determined that the Merger is advisable, and is fair to and in the best interests of Charmed and its shareholders, and unanimously approved the Merger Agreement. In reaching its decision, the Charmed Board of Directors identified several reasons for, and potential benefits to Charmed and its shareholders of, the Merger. Charmed believes there are a number of potential benefits of the proposed Merger, including, among others:

- Gaining an operating subsidiary; and
- Pursuing a business opportunity with the potential for increasing revenues in a recessionary environment and leaving a rapidly declining real estate market.

After considering the possible Merger with Charmed, the Iveda Board of Directors has determined that the Merger is advisable, and is fair to and in the best interests of Iveda and its shareholders, and unanimously approved the Merger Agreement. In reaching its decision, the Iveda Board of Directors identified several reasons for, and potential benefits to Iveda and its shareholders of, the Merger. Iveda believes there are a number of potential benefits of the proposed Merger, including, among others:

- Retention of control of Iveda by current management and shareholders, who have developed a marketing strategy they believe is vital to Iveda's future products and roll-out of existing products;
- Anticipated broker support of the surviving corporation;
- Iveda becoming a wholly-owned subsidiary of a publicly traded corporation should make it easier for Iveda to raise needed capital as investors are more likely to invest in companies with more liquid securities;
- Greater credibility in the market with potential purchasers of Iveda's services; and
- Potential for more favorable long term debt financing.

In reaching their decisions to approve the Merger Agreement, the Iveda and Charmed Boards of Directors consulted with Iveda and Charmed's management, outside legal counsel regarding the legal terms of the Merger, and financial advisors regarding the financial aspects of the Merger. The factors that the Iveda and Charmed Boards of Directors considered in reaching their determination included, but were not limited to, the following:

- the strategic benefits of the Merger;
- information concerning Iveda's and Charmed's respective businesses, prospects, financial performance and condition, operations, technology, management and competitive position, including, with respect to Charmed, public reports filed with the Securities and Exchange Commission;
- management's view of the financial condition, results of operations and businesses of Iveda and Charmed before and after giving effect to the Merger;
- current financial market conditions and historical market prices, volatility and trading information with respect to the common stock of Charmed;
- the relationship between the pre-Merger and projected post-Merger market value of the common stock of Charmed and the consideration to be paid to shareholders of Charmed in the Merger;
- their belief that the terms of the Merger Agreement are reasonable;
- a comparison of management's view of the prospects of Iveda and Charmed with and without the Merger;
- other strategic alternatives for Iveda and Charmed, including the potential to enter into strategic relationships and alliances with third parties;
- an assessment of market demands and future customer requirements, and the associated development resources needed to satisfy these requirements;
- the effect of the Merger on Iveda's customers, suppliers and employees;
- the results of the due diligence investigations of Charmed and Iveda; and

unavailability of private equity and venture capital financing.

Federal Income Tax Considerations

The following discussion summarizes the material Federal income tax consequences of the Merger. The discussion does not address all aspects of Federal income taxation that may be relevant to particular shareholders and may not be applicable to shareholders who are not citizens or residents of the United States, or who will acquire their Charmed shares pursuant to the exercise or termination of employee stock options or otherwise as compensation, nor does the discussion address the effect of any applicable foreign, state, local or other tax laws. Except as otherwise noted, this discussion assumes that shareholders hold their Iveda shares as capital assets within the meaning of Section 1221 of the Code. EACH SHAREHOLDER SHOULD CONSULT HIS OR HER OWN TAX ADVISOR AS TO THE PARTICULAR TAX CONSEQUENCES TO HIM OR HER OF THE MERGER, INCLUDING THE APPLICABILITY AND EFFECT OF FOREIGN, STATE, LOCAL AND OTHER TAX LAWS.

In the opinion of Iveda's counsel, the Merger of the Merger Sub with and into Iveda pursuant to which the shareholders of Iveda will exchange their shares for shares of Charmed will, under current law, constitute a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and Charmed, Charmed Homes Subsidiary, Inc. and Iveda will each be a party to the reorganization within the meaning of Section 368(b) of the Code. In rendering such opinion, counsel has relied upon written representations and covenants of Charmed and Iveda. No ruling has been sought from the Internal Revenue Service as to the Federal income tax consequences of the Merger, and the opinion of counsel set forth below is not binding on the Internal Revenue Service or any court.

As a tax-free reorganization, the Merger will have the following Federal income tax consequences for Charmed, Iveda, and the shareholders of Iveda:

1. No gain or loss will be recognized by holders of Iveda shares as a result of the exchange of such shares for Charmed shares pursuant to the Merger, except that gain or loss will be recognized on the receipt of cash, if any, received in lieu of fractional shares. Any cash received by a shareholder of Iveda in lieu of a fractional share will be treated as received in exchange for such fractional share, and any gain or loss recognized as a result of the receipt of such cash will be capital gain or loss equal to the difference between the cash received and the portion of the shareholder's basis in the Iveda shares allocable to such fractional share interest.

2. The tax basis of the Charmed shares received by each shareholder of Iveda will equal the tax basis of such shareholder's Iveda shares (reduced by any amount allocable to fractional share interests for which cash is received) exchanged in the Merger.

3. The holding period for the Charmed shares received by each shareholder of Iveda will include the holding period for the Iveda shares of such shareholder exchanged in the Merger.

4. Neither Iveda nor Charmed will recognize gain or loss as a result of the Merger.

Accounting Treatment of the Merger

The Merger will be accounted for by a recapitalization of equity, and, as a result, subsequent financial statements will only reflect Iveda's past results.

Appraisal Rights

No appraisal or dissenters rights will be available for Charmed shareholders as a result of the Merger.
