RESULTS OF OPERATIONS

Three months ended December 31, 2004.

Edgar Filing: OMNI MEDICAL HOLDINGS INC - Form 10QSB

During the quarterly period ended December 31, 2004, we recorded revenue of \$414,411, a 14% increase from revenue of \$363,476 in the quarter ended December 31, 2003.

Cost of sales totaled \$310,213, versus \$242,119 in the third fiscal quarter of 2003. This increase is due to higher expenses and lower operating margins of McCoy Business Services. McCoy is engaged in providing medical transcription services and was acquired December 1, 2003.

During the third fiscal quarter of 2004, we recorded general and administrative expenses of \$243,384. These expenses totaled \$275,703 in the year-ago period.

Interest expense was \$16,389 and \$8,750 for the three-month period ended December 31, 2004, and December 31, 2003, respectively.

For the three-month period ended December 31, 2004, we incurred a loss from continuing operations of \$249,402, as compared to a loss of \$163,096 for the three-month period ended December 31, 2003.

During the three months ended December 31, 2004, we had an unrealized loss on investments of \$161,327, which gave us a total comprehensive loss of \$410,729.

The reasons for the fluctuations from the three months ended December 31, 2003, to the three months ended December 31, 2004, are as discussed below under the subheading "Nine months ended December 31, 2004."

Nine months ended December 31, 2004.

Our revenue totaled \$1,221,915 in the nine months ended December 31, 2004, as compared to revenue of \$743,315 in the prior year period. This increase of approximately 64% is principally due to our acquisition of Medical Billing Management, Inc. ("MBM") on May 30, 2003 and McCoy Business Services on December 1, 2003.

Cost of sales also rose significantly, to \$842,946 in the current period, from \$446,593 in the nine months ended December 31, 2004. Again, this increase is principally the result of our acquisitions.

General and administrative expenses totaled \$752,942 in the nine month period ended December 31, 2004. These expenses were \$585,250 in the year-ago period. This increase is primarily due to our acquisitions, as well as increases in consulting services fees.

During the nine month periods ended December 31, 2004, and 2003, interest expense totaled \$46,745 and \$26,728, respectively.

Net loss during the nine months ended December 31, 2004, was \$520,149, versus \$348,732 in the period ended December 31, 2003.

During the quarter ended December 31, 2004, we had an unrealized loss on investments of \$161,327, for a total comprehensive loss of \$681,476.

CAPITAL RESOURCE REQUIREMENTS

LIQUIDITY

As of December 31, 2004, Omni's working capital deficit was \$428,638. Our cash at December 31, 2004 was \$16,420.

We currently have a commitment under an Employment Agreement with one

Edgar Filing: OMNI MEDICAL HOLDINGS INC - Form 10QSB

of the former owners of McCoy through November 30, 2005, guaranteeing annual compensation of \$30,000 plus a performance based bonus. We currently lease office space under an operating lease for \$6,000 per month, which terminates July 31, 2006.

Effective October 1, 2003, Omni entered into an Employment Agreement with Arthur D. Lyons, its chief executive officer and president through December 31, 2008. The agreement provides compensation at an annual base salary of \$150,000 and increases to \$180,000 annually the first month Omni's gross revenue exceeds \$450,000 in a month. The Agreement also provides for a \$75,000 bonus to be paid as of February 1, 2004, and awards stock options based upon revenue targets. As of December 31, 2004, no stock options have been earned under the Agreement. We have been paying Mr. Lyons' salary since March, 2004. His salary for the period from October, 2003, through February, 2004, has been paid through the issuance of "unregistered" and "restricted" shares of our common stock. See Part II, Item 2 of this Quarterly Report.

During December 2003, Omni entered into a Loan Agreement and Security Agreement with Presidential Financial Corporation allowing the Company to borrow up to 80% of its accounts receivable or \$300,000, whichever is less. The loan is secured by accounts receivable and other tangible assets of Omni and accrues interest at prime plus 2%. As of December 31, 2004 \$71,606 was owed on the line of credit.

Item 3. Controls and Procedures.

As of the end of the period covered by this Quarterly Report, we carried out an evaluation, under the supervision and with the participation of our President and Treasurer, of the effectiveness of our disclosure controls and procedures. Based on this evaluation, our President and Treasurer concluded that our disclosure controls and procedures are effective in timely alerting them to material information required to be included in our periodic Securities and Exchange Commission reports. It should be noted that the design of any system of controls is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote. In addition, we reviewed our internal controls over financial reporting, and there have been no changes in our internal controls or in other factors in the last fiscal quarter that has materially affected or is reasonably likely to materially affect our internal control over financial reporting.
