Item 5. Other events.

On September 12, 2002, the Company requested a hearing before a NASDAQ Listing Qualifications Panel in order to appeal a NASDAQ Staff Determination indicating that, in association with its recent private placement of \$3.525 million to accredited investors, the Company does not comply with the shareholder approval provisions set forth in Marketplace Rules 4350(i)(1)(B) and 4350(i)(1)(D)(ii), and that the Company's securities are subject to delisting from the NASDAQ Small Cap Market on September 13, 2002. The Staff Determination found that certain provisions of the placement documents as drafted required shareholder approval prior to finalization of the placement, and that other provisions provided for prohibited alternative outcomes should shareholder approval not be granted.

1

In light of the Company's request, the delisting of the Company's securities will be stayed pending the Panel's decision. There can be no assurance that the Panel will grant the Company's request for continued listing.
