PROXY STATEMENT

SOLICITATION OF PROXIES

The Board of Directors of SI Technologies, Inc. (the "Company"), is soliciting the enclosed proxy for use at the Annual Meeting of Shareholders of the Company to be held on Thursday, December 12, 2002, at 2:00 p.m. local time, at 14192 Franklin Avenue, Tustin, California. Whether or not you plan to attend the meeting, you are requested to date, sign and return the proxy to the Company as promptly as possible. The shares represented by proxies will be voted in accordance with the Board of Directors' recommendations unless the proxy indicates otherwise. Any shareholders giving a proxy may revoke it at any time prior to its use by filing with the Secretary of the Company a written revocation of a proxy bearing a later date, or by voting in person at the meeting. The costs of the solicitation will be paid by the Company. In addition to the solicitation of proxies by the use of the mail, directors, officers and employees of the company may solicit proxies personally, or by other appropriate means. The Company may also request banks, brokerage houses, and other custodians, nominees or fiduciaries holding stock in their names for others, to send proxy materials and to obtain proxies from their principals, and the Company will reimburse them for their expenses in doing so.

The approximate date on which this proxy statement and the form of proxy is first being sent or given to the shareholders is November 8, 2002.

The Company's Annual Report for the fiscal year ended July 31, 2002 (the "Annual Report"), is being mailed concurrently with this proxy statement. Brokerage houses, custodians, nominees, and others may obtain additional copies of the Annual Report or this proxy statement by request to the Company.

VOTING RIGHTS

As of October 21, 2002, there were 3,579,935 shares of the Company's common stock outstanding. The Company has only one class of equity security outstanding. Each share is entitled to one vote. The Board of Directors has set the close of business on October 21, 2002 as the record date for determining those shareholders entitled to vote at the annual meeting.

Each share of the Company's Common Stock outstanding on the record date is entitled to one vote per share at the fiscal year 2002 annual meeting of stockholders. Under Delaware law and the Company's certificate of incorporation, if a quorum is present at the meeting, the six (6) nominees for election as directors who receive the greatest number of votes cast for the election of directors at the meeting by the shares present in person or represented by proxy at the meeting and entitled to vote shall be elected directors. In the election of directors, any action other than a vote for a nominee will have the practical effect of voting against the nominee. Abstention from voting will have the practical effect of voting against any other matter submitted to a vote at the meeting since it is one less vote for approval. Broker nonvotes on one or more matters will have no impact on such matters since they are not considered "shares present" for voting purposes.
