FOR

TO BE HELD ON DECEMBER 15, 2006**

INTRODUCTION

Your proxy is solicited by the Board of Directors of PacificNet Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders to be held on December 15, 2006, at 1:00 p.m. (Beijing Time), at the Company's executive offices located at Room 2309, Building A, TimeCourt, No.6 Shuguang Xili, Chaoyang District, Beijing, China 100028 and at any adjournment thereof (the "Annual Meeting"), for the following purposes:

1. To elect seven (7) directors to the Board of Directors of the Company to serve until the next annual meeting of stockholders and until their successors are duly elected and qualified;
2. To ratify the appointment of Clancy and Co., P.L.L.C. as the Company's independent auditors;
3. To consider and act upon a proposal to amend the Company's 2005 Stock Option Plan (the "Plan"); and
4. To transact any other business as may properly be presented at the Annual Meeting or any adjournment or postponement thereof.

The Board of Directors has set October 26, 2006 as the record date (the "Record Date") to determine those holders of Common Stock, who are entitled to notice of, and to vote at, the Annual Meeting. The Company expects that the Notice of Annual Meeting, Proxy Statement and form of proxy will first be mailed to stockholders on or about November 17, 2006.

GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE?

You can vote your shares of Common Stock if our records show that you owned the shares on the Record Date. As of the close of business on the Record Date, a total of 11,671,836 shares of Common Stock were outstanding and are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one (1) vote on matters presented at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope.

The enclosed proxy, when properly signed and returned to the Company, will be voted by the proxy holders at the Annual Meeting as directed by the proxy. Proxies which are signed by stockholders but which lack any such specification will be voted in favor of the proposals set forth in the Notice of Annual Meeting.

WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

The matters described in this proxy statement are the only matters we know of that will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. A proxy card may be revoked by a stockholder at any time before its exercise at the Annual Meeting by giving Mike Fei, our Secretary, a written notice revoking your proxy card, or a duly executed proxy bearing a later date, or by attendance at the Annual Meeting and electing to vote in person.

CAN I VOTE IN PERSON AT THE ANNUAL MEETING RATHER THAN BY COMPLETING THE PROXY CARD?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

HOW ARE VOTES COUNTED?

We will hold the Annual Meeting if holders of a majority of the shares of Common Stock entitled to vote in person or by proxy either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

The election of directors under proposal 1 will be by the affirmative vote of a plurality of the shares of Common Stock represented in person or by proxy at the Annual Meeting. Proposals 2 and 3 shall be approved upon the affirmative vote of a majority of the shares of Common Stock represented in person or by proxy at the Annual Meeting. An abstention with respect to Proposal 2 or Proposal 3, will have the effect of a vote "AGAINST" such proposal. Unless otherwise stated, the enclosed proxy will be voted in accordance with the instructions thereon.

Brokers holding shares of the Company's Common Stock in street name who do not receive instructions are entitled to vote on the election of Directors and the ratification of the Company's independent auditors. "Broker non-votes" where a broker submits a proxy but does not have authority to vote a customer's shares on any non-routine proposal, such as the amendment to the Plan, would not be considered entitled to vote on that proposal and therefore, will have no legal effect on the vote of that particular matter.

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this.

BOARD AND COMMITTEE MEETINGS

The Board of Directors held seven meetings during 2005. No director attended fewer than 75% of the meetings of the Board and any committee of which the director was a member.

The Board of Directors has a Nominating Committee, an Audit Committee, and a Compensation Committee. The Board of Directors encourages all of its members to attend the Company's annual meeting, whether in person or by telephone conference call, so that each director may listen to any concerns that stockholders may have that are raised at an annual meeting. Continued lack of attendance at annual meetings without a valid excuse will be considered by the Nominating Committee when determining those Board members who will be recommended to the Board of Directors for re-election. Two of the Board members attended the 2004 Annual Meeting held on December 30, 2005.

NOMINATING COMMITTEE

At a board of directors meeting on September 23, 2005, the Board of Directors approved a Nominating Committee, adopted a Nominating Committee Charter, and elected two independent directors, Mr. Michael Ha and Mr. Tao Jin, to serve on the Nominating Committee. The Nominating Committee Charter is not available on the Company's website.

A copy of the Nominating Committee Charter was included in the proxy statement for the Annual Meeting held on December 30, 2005.

PROCESS FOR IDENTIFYING AND EVALUATING NOMINEES FOR DIRECTORS

The Nominating Committee will accept recommendations for potential nominees for director from any reasonable source, including current Board members, officers, stockholders, employees, professional search firms or other persons. Anyone wishing to recommend an individual for the Board of Directors should forward the name, address and biographical information of a potential nominee to the Nominating Committee of the Board of Directors of PacificNet Inc, c/o PacificNet Beijing office: Room 2309, Building A, TimeCourt, No.6 Shuguang Xili, Chaoyang District, Beijing, China 100028 The Nominating Committee will evaluate a potential nominee by personal interview, such interview to be conducted by one or more members of the Nominating Committee, and/or any other method the Nominating Committee deems appropriate, which may, but need not, include a questionnaire. The Nominating Committee may solicit or receive information concerning potential nominees from any source it deems appropriate. The Nominating Committee need not engage in an evaluation process unless (i) there is a vacancy on the Board of Directors, (ii) a director is not standing for re-election, or (iii) the Nominating Committee does not intend to recommend the nomination of a sitting director for re-election.

QUALIFICATIONS OF CANDIDATES

A nominee to the Board of Directors must have such experience in business or financial matters as would make such nominee an asset to the Board of Directors and may, under certain circumstances, be required to be "independent", as such term is defined in the Nasdaq Marketplace Rules and applicable SEC regulations. The Board of Directors may consider those factors it deems appropriate in evaluating director nominees, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience. Depending upon the current needs of the Board, certain factors may be weighed more or less heavily. In considering candidates for the Board, they evaluate the entirety of each candidate's credentials and do not have any specific minimum qualifications that must be met by a nominee. They will not evaluate candidates differently based on who has made the recommendation.

PROCESS FOR SENDING COMMUNICATIONS TO THE BOARD OF DIRECTORS.

The Board of Directors maintains a process for stockholders to communicate with the Board. Stockholders wishing to communicate with the Board or any individual director must mail a communication addressed to the Board or the individual director to the Board of Directors, c/o PacificNet Beijing office: Room 2309, Building A, TimeCourt, No.6 Shuguang Xili, Chaoyang District, Beijing, China 100028 or send an e-mail to BoardofDirectors@PacificNet.com. Any such communication must state the number of shares of common stock beneficially owned by the stockholder making the communication. All of such communications will be forwarded to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is clearly of a marketing nature or is unduly hostile, threatening, illegal, or similarly inappropriate, in which case we have the authority to discard the communication or take appropriate legal action regarding the communication.

AUDIT COMMITTEE

The Board of Directors adopted a written charter for the Audit Committee. The Audit Committee's charter states that the responsibilities of the Audit Committee shall include: nominating the Company's independent auditors and reviewing any matters that might impact the auditors' independence from the Company; reviewing plans for audits and related services; reviewing audit results and financial statements; reviewing with management the adequacy of the Company's system of internal accounting controls, including obtaining from independent auditors management letters or summaries on such internal accounting controls; determining the necessity and overseeing the effectiveness of the internal audit function; reviewing compliance with the U.S. Foreign Corrupt Practices Act and the Company's internal policy prohibiting insider trading in its Common Stock; reviewing compliance with the SEC requirements for

financial reporting and disclosure of auditors' services and audit committee members and activities; reviewing related-party transactions for potential conflicts of interest; and reviewing with corporate management and internal and independent auditors the policies and procedures with respect to corporate officers' expense accounts and perquisites, including their use of corporate assets. The Audit Committee met four times during 2005.

The Board of Directors has established an audit committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The members of the Audit Committee are Messrs. Tao Jin, Jeremy Goodwin, and Peter Wang, each of whom are independent as defined in The Nasdaq National Market listing standards currently in effect. None of the Audit Committee members is a current officer or employee of the Company or any of its affiliates.

The Board of Directors has determined that all of the members of the audit committee qualify as an "audit committee financial expert" under the Securities and Exchange Commission's definition.

REPORT OF THE AUDIT COMMITTEE (1)

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the committee are "independent" as required by applicable listing standards of the Nasdaq National Market. The Committee operates pursuant to a Charter that was approved by the Board in fiscal 2000. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of this oversight function, the Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, *Communication With Audit Committee*, as currently in effect. Finally, the Committee has received written disclosures and the letter from the independent auditors required by Independence Standard Board Standard No. 1, *Independence Discussions With Audit Committees*, as currently in effect, and has considered whether the provision of non-audit services by the independent auditors to the Company is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the reports, review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2005, as filed with the Securities and Exchange Commission.

COMPENSATION COMMITTEE

The Compensation Committee's charter states that it is the responsibility of the Compensation Committee to make recommendations to the Board of Directors with respect to all forms of compensation paid to our executive officers and to such other officers as directed by the Board and any other compensation matters as from time to time directed by the Board. Our stock option plan, however, is currently administered by the full Board of Directors. The Compensation Committee met one time during 2005. Our compensation committee currently consists of Messrs. Jeremy Goodwin, Michael Chun Ha, Tao Jin, and Peter Wang, who are all independent directors.

CODE OF ETHICS

On May 14, 2003, we adopted a code of ethics that applies to our Chief Executive Officer and Chief Financial Officer, and other persons who perform similar functions. Our Code of Ethics is intended to be a codification of the business and ethical principles which guide us, and deter wrongdoing, to promote honest and ethical conduct, to avoid conflicts of interest, and to foster full, fair, accurate, timely and understandable disclosures, compliance with applicable governmental laws, rules and regulations, the prompt internal reporting of violations and accountability for adherence to this Code.

Name/Principal Position	Number of Securities	Percent of Total	Exercise of	Expiration Date	Potential Realizable Value At Assumed Annual Rates of Stock Price Appreciation For Option Term (3)	
					5% (\$)	10% (\$)
Individual Grants						

	Underlying Options/SARs Granted (1)	Options/SARs Granted to Employees In Fiscal Year (2)	Base Price

In the event of a change in control of the Company, the options will be substituted by the successor corporation or will fully vest and become exercisable for a period of fifteen days.

(2) Based on an aggregate of 2,000,000 shares subject to options granted to our employees in 2005.

(3) Potential realizable values are computed by (a) multiplying the number of shares of Common Stock subject to a given option by the exercise price, (b) assuming that the aggregate stock value from that calculation compounds at the annual 5% or 10% rate shown in the table for the entire four-year term of the option and (c) subtracting from that result the aggregate option exercise price. The 5% and 10% assumed annual rates of stock price appreciation are mandated by the rules of the SEC and do not represent our estimate or projection of future Common Stock prices.

AGGREGATED OPTION EXERCISES DURING 2005 FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES

The following table sets forth information for our executive officers relating to the number and value of securities underlying exercisable and unexercisable options they held at December 31, 2005 and sets forth the number of shares of Common Stock acquired and the value realized upon exercise of stock options held as of December 31, 2005 by our named executive officers.

Tony Tong, CEO	6,000	\$29,700	145,000	66,000	\$677,650	\$12,120

(1) The "Value Realized" is based on the closing price of our Common Stock as quoted on NASDAQ on the date of exercise, minus the per share exercise price, multiplied by the number of shares issued upon exercise of the option.

(2) The value of unexercised in-the-money options is calculated based on the difference between the closing price of \$6.77 per share as quoted on NASDAQ on December 31, 2005, and the exercise price for the shares, multiplied by the number of shares underlying the option. The actual value of unexercised options fluctuate depending on the price of our Common Stock.

PROPOSAL 3
PROPOSAL TO AMEND THE PACIFICNET
2005 STOCK OPTION PLAN

PacificNet is seeking approval of its stockholders to amend its 2005 Stock Option Plan (the "Plan"). The purposes of the Plan are to (i) promote the interests of the Company by affording an incentive to certain employees to remain in the employ of the Company and to use their best efforts in its behalf, and (ii) aid the Company in attracting, maintaining, and developing capable management personnel of a caliber required to insure the Company's continued success, by means of offering to such persons an opportunity to acquire or increase their proprietary interest in the Company through the granting of options to purchase the Company's common stock, and the granting of other forms of equity-based compensation, pursuant to the terms of the Plan.

Description of the Proposed Amendments to the Plan

The following summary of the proposed amendments to the Plan, is qualified in its entirety by reference to the Company's full text of the amended Plan as it appears as Annex II to this Proxy Statement. The amended 2005 Plan provides for the grant by the Company to any director, officer, employee and consultant of awards to purchase up to an aggregate of 2,000,000 shares of Common Stock. The 2005 Plan may be administered by the Board of Directors or a committee of the Board of Directors (in either case, the "Committee"), which has complete discretion to select the persons who will receive awards under the Plan and to establish the terms and conditions of each award.

Material Amendments to the Plan

The Board of Directors has approved the following material amendments to the Plan to:

- (1) allow for the grant of stock appreciation rights, or SARs, to eligible persons under the Plan;
- (2) limit the number of awards that can be granted to an eligible person under the Plan, in any calendar year, to grants covering no more than 500,000 shares of common stock; and
- (3) update the Plan to comply with changes to Sections 409A and 162(m) of the Internal Revenue Code of 1986, as amended, and applicable authorities promulgated thereunder, that have been enacted since the Plan was approved by the Company's stockholders

Stock Appreciation Rights. The Plan has been amended to allow for the grant of stand-alone SARs and stapled SARs as follows:

"11. STOCK APPRECIATION RIGHTS. Two types of Stock Appreciation Rights ("SARs") shall be authorized for issuance under the Plan: (1) stand-alone SARs and (2) stapled SARs. The Grant Agreement awarding an SAR shall be in such form and shall contain such terms and conditions as the Administrator shall deem appropriate and shall not include terms which cause the Grant to be considered nonqualified deferred compensation subject to the provisions of Section 409A of the Code. The terms and conditions of Stock Appreciation Right Grant Agreements need not be identical, but each Grant Agreement shall include (through incorporation of provisions hereof by reference in the Grant Agreement or otherwise) the substance of each of the following provisions:

- (a) Stand-alone SARs. Stand-alone SARs shall cover a specified number of underlying Shares of Common Stock and shall be redeemable upon such terms and conditions as the Administrator may establish. Upon redemption of the stand-alone SAR, the Holder shall be entitled to receive a distribution from the Company in an amount equal to the excess of (i) the aggregate Fair Market Value on the redemption date of the Shares of Common Stock underlying the

redeemed right over (ii) the aggregate base price of such underlying Shares at the time of Grant. The distribution shall be in cash or stock as specified in the Grant Agreement unless distribution in stock is necessary to avoid application of Code Section 409A, in which case the distribution shall be in stock. The number of shares of Common Stock underlying each stand-alone SAR and the base price of such Shares shall be determined by the Administrator in its sole discretion at the time the stand-alone SAR is granted. In no event, however, may the base price be less than one hundred percent (100%) of the Fair Market Value of the underlying Shares of Common Stock on the grant date.

(b) Stapled SARs. Stapled SARs shall only be granted concurrently with an Option to acquire the Same number of shares of Common Stock as the number of such shares underlying the stapled SARs. Stapled SARs shall be redeemable upon such terms and conditions as the Administrator may establish and shall grant a holder the right to elect among (i) the exercise of the concurrently granted Option for Shares of Common Stock, whereupon the number of Shares subject to the stapled SARs shall be reduced by an equivalent number, (ii) the redemption of such stapled SARs in exchange for a distribution from the Company in an amount equal to the excess of the Fair Market Value on the redemption date of the number of vested Shares which the holder redeems over the aggregate exercise/base price for such vested Shares, whereupon the number of shares of Common Stock subject to the concurrently granted Option shall be reduced by any equivalent number, or (iii) a combination of (i) and (ii). The distribution under alternative (ii) shall be in cash or stock as specified in the Grant Agreement unless distribution in stock is necessary to avoid application of Code Section 409A, in which case the distribution shall be in stock. The exercise/base price of such Shares shall be determined by the Administrator at the time the Option and Stapled SAR is granted; however, in no event, may the exercise/base price be less than one hundred percent (100%) of the Fair Market Value of the underlying Shares on the grant date.

(c) No Shareholder or Secured Rights. The Holder of an SAR shall have no rights of a stockholder with respect to Shares covered by the SAR unless and until the SAR is exercised and Shares are issued to the Holder. Prior to receipt of a cash distribution or Shares pursuant to an SAR, such Grant shall represent an unfunded unsecured contractual obligation of the Company and the Company shall be under no obligation to set aside any Shares or other assets to fund such obligation. Prior to vesting and exercise, the Holder shall have no greater claim to the Common Stock underlying such SAR or any other assets of the Company than any other unsecured general creditor and such rights may not be sold, pledged, assigned or transferred in any manner other than by will or by the laws of intestate succession.

Limitation on number of Awards. Among other things, in order for the grant of stock options and SARs to qualify as performance-based compensation and be excluded from the Company’s corporate income tax deduction cap of \$1,000,000 per year for its Named Executive Officers, as set forth in Section 162(m) of the Code, the stockholders must approve the maximum number of shares of common stock that can be issued to any one person under the Plan in any calendar year. The Company has added Section 5(b) to the Plan to provide no Service Provider or Employee shall be granted, in any calendar year, options or SARs covering more than 500,000 shares.

Compliance with recently enacted applicable laws. The Plan has been amended to comply with Section 409A of the Code, which amendments included, without limitation, adding a new Section 4(d) as follows:

“(d) Notwithstanding any other provision of the Plan, the Administrator shall have no authority to issue or amend a Grant under the Plan under terms and conditions which would cause such Grant to be considered nonqualified “deferred compensation” subject to the provisions of Code Section 409A. Accordingly, by way of example but not limitation, no Options or Stock Appreciation Rights shall be issued with an exercise or base price below Fair Market Value on the date of Grant and no Grant Agreement shall provide for any deferral feature constituting a deferral of compensation under Section 409A of the Code.”

Federal Income Tax Consequences.

The following is a general summary of the federal income tax consequences under current tax law of stock options. It does not purport to cover all of the special rules, including special rules relating to participants subject to Section 16(b) of the Exchange Act and the exercise of an SAR.

Stock Appreciation Rights. Generally, no taxable income is realized upon the grant of an SAR. Upon exercise, the holder of the SAR is taxed at ordinary income tax rates on the amount of any cash and the fair market value of any stock received.

APPENDIX I

**PACIFICNET INC.
AUDIT COMMITTEE CHARTER
AS AMENDED NOVEMBER 25, 2002**

1 RESPONSIBILITY

The PacificNet Inc. (“PacificNet”) Audit Committee (“Committee”) was established to assist the Board of Directors in carrying out its oversight responsibilities that relate to PacificNet’s accounting and financial reporting processes, audits of PacificNet’s financial statements, internal controls, and compliance with laws, regulations and ethics. This policy reaffirms that the Committee’s duties are oversight in nature and that the primary responsibility for financial reporting, internal control, and compliance with laws, regulations, and ethics standards rests with PacificNet’s executive management and that PacificNet’s external auditors are responsible for auditing PacificNet’s financial statements. The foregoing notwithstanding, the Committee, in its capacity as the Audit Committee of the Board of Directors, has direct responsibility for the appointment, compensation and oversight of the work of any registered public accounting firm employed by PacificNet (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Committee does not provide any expert or special assurances as to PacificNet’s financial statements or any professional certification as to the external auditors work.

The Committee has the power to conduct or authorize investigations into any matters within the Committee’s scope of responsibilities and to establish procedures concerning the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and confidential, anonymous employee submissions of concerns regarding questionable accounting or auditing matters. The Committee is empowered to retain independent counsel, accountants, or others to assist it in the conduct of any investigation. The President, the Chief Financial Officer or the Corporate Secretary of PacificNet shall provide, or arrange to provide, such other information, data and services as the Committee may request. The Committee shall conduct such interviews or discussions as it deems appropriate with personnel of PacificNet, and/or others whose views would be considered helpful to the Committee.

The Committee’s prior approval is required for all auditing services and non-audit services. However, in the event the aggregate amount of non-audit services constitutes 5% or less of the total revenues paid by PacificNet to its external auditor during the fiscal year in which non-audit services are provided, and PacificNet did not recognize that these services were non-audit services at the time of the engagement and the Committee is promptly notified of this fact by PacificNet; provided the Committee (or one or more members of the Committee who are also members of the Board of Directors to whom approval authority has been delegated by the Committee) approves such non-audit services prior to their completion.

The Committee believes its policies and procedures should remain flexible in order to best react to changing conditions and that the following duties of the Committee are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances:

1 Financial Reporting

Committee procedures shall include:

1 Selection of Outside Auditors

The Committee has the ultimate authority and responsibility to select, evaluate, and where appropriate, replace the outside auditor. The outside auditors are ultimately accountable to the Audit Committee and the entire Board for such

auditors' review of the financial statements and controls of PacificNet. On an annual basis, the Audit Committee should review and discuss with the auditors all significant relationships they have with PacificNet to determine their independence. The Committee shall submit its recommended appointment (or reappointment) or termination of outside auditors to the Board of Directors.

I-1

The Committee's review shall include:

- Review and prior approval of all audit services and non-audit services. (In the event the Committee approves an audit service within the scope of an auditor's engagement, that audit service shall be deemed to have been pre-approved.)
- Opinions on the performance of the outside auditors by appropriate management.
- Inquiring if the outside auditors face any significant litigation or disciplinary actions by the Securities and Exchange Commission ("Commission") or others.
- Inquiring whether the chief executive officer of PacificNet's outside auditors was employed by a registered independent public accounting firm and participated in any capacity in PacificNet's audit during the one-year period preceding the commencement of an audit of PacificNet.
- Receiving from the auditors, on a periodic basis, a formal written statement delineating all relationships between the auditors and PacificNet consistent with Independence Standards Board Statement 1 ("ISB No. 1");
- Obtaining written disclosure from the outside auditors describing all relationships between the outside auditors and PacificNet that bear on independence and objectivity.
- Discussing auditor independence with its outside auditors and recommending that the Board of Directors take appropriate action regarding any independence issues.
- Discussing with PacificNet's Chief Executive Officer and Chief Financial Officer certifications in PacificNet's periodic reports concerning disclosures of significant control deficiencies and any fraud by management.
- Auditor engagement letters and estimated fees.
- Consideration of the report of the outside auditors' latest peer review conducted pursuant to a professional quality control program.
- Review of management's letter of representation and consideration of any significant operational or reporting issues that may affect the financial statements.
- Review of proposed non-audit services and consideration of the possible effect that these services could have on the

independence of the outside auditors.

- Facilitating and maintaining an open avenue of communication with PacificNet's outside auditors.
- Ensuring the Committee is informed in a timely manner by PacificNet's outside auditors of (1) all critical accounting policies and practices the outside auditors intend to use for the audit; (2) discussion with PacificNet's management of all alternative treatments of financial information within generally accepted accounting principles ("GAAP"), the ramifications of the use thereof and the outside auditors' preferred treatment; and (3) other material written communications between the outside auditors and PacificNet's management to include any management letter or schedule of audit adjustments.

2 Meeting with PacificNet's general counsel, if any, and outside counsel when appropriate, to discuss legal matters that may have a significant impact on PacificNet's financial statements.

I-2

3 Regarding PacificNet's financial statements, the Committee will:

- Review PacificNet's audited annual financial statements and outside auditors' opinions with respect to the statements, including the nature of any changes in accounting principles or their application.
- Review PacificNet's interim quarterly financial statements and outside auditors' views with respect to the statements, including the nature of any changes in accounting principles or their application.
- Review significant accounting policies, policy decisions and changes, along with significant accounting, reporting or operational issues.
- Review the financial statements to be issued with management and with the outside auditors to determine whether the outside auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders prior to the release of the quarterly financial report to shareholders.
- Make a recommendation to the Board of Directors regarding the inclusion of interim and annual financial statements in PacificNet's SEC filings based on its review of such financial statements with management and the outside auditors.
- Ensure that management maintains reliability and integrity of accounting policies and financial reporting and that management establishes and maintains processes to assure adequate systems of internal control.
- Disclose in PacificNet's annual proxy or information statement, the existence of the Committee and the Committee charter and the extent to which the Committee has satisfied its responsibilities during the prior year in compliance with its charter.
- Disclose the Committee's approval of any non-audit services in PacificNet's periodic reports filed with the Commission.
- Review the management letter issued by the outside auditors and management's response.
- Review fees paid for audit and consulting services, respectively.

- 4 Annually review and examine those matters which relate to a financial review of PacificNet's Investment Policies.**
- 5 Submit findings of importance, conclusions, recommendations, and items that require follow-up or action to the Board of Directors.**
- 6 Annually review and update the Audit Committee Charter and submit the Charter to the full Board of Directors for approval.**
- 7 Maintain minutes or other records of meetings and activities of the Committee.**

I-3

2

Monitoring of Internal Controls

The Committee is responsible for obtaining and understanding PacificNet's key financial reporting risk areas and internal control structure. The Committee monitors the internal control process by reviewing information provided in the Business Conduct Questionnaire and Annual Certification reporting made by each PacificNet employee, discussions with the chief financial and accounting officers and such other persons as the Committee deems appropriate, and discussions with and reports issued by outside auditors.

3

Compliance with Laws, Regulations, and Ethics

The Committee shall review reports and other information to gain reasonable assurance that PacificNet is in compliance with pertinent laws and regulations, is conducting its affairs ethically, and is maintaining effective controls against conflict of interest and fraud.

Committee procedures shall include:

- 1 Review PacificNet's policies relating to compliance with laws, regulations, ethics, and conflict of interest.**
- 2 Review significant cases of conflict of interest, misconduct, or fraud and the resolution of such cases.**
- 3 Review PacificNet's policies and processes for compliance with U.S. and foreign country export control's, laws and regulations.**
- 4 Review PacificNet's policies and processes for compliance with the Foreign Corrupt Practices Act and the USA Patriot Act.**
- 5 Review compliance reports received from regulators and consider legal and regulatory matters that may have a material impact on the financial statements.**
- 6 Review outside auditors' reports that relate to the monitoring of compliance with PacificNet's policies on business ethics.**
- 7 Review policies and procedures covering officers' expense accounts and perquisites, including their use of corporate assets, and consider the results of any review of these areas by internal or outside auditors.**
- 8 Review the disclosure included in PacificNet's periodic reports concerning whether at least one member of the Committee is a "financial expert" (as defined in Part III below) and, if no member of the Committee is a "financial expert", why no such expert has been appointed to the Committee.**

2 OVERSIGHT OF OUTSIDE AUDITOR FUNCTIONS

The Committee shall schedule meetings as necessary to receive and discuss reports from staff, other committees, and consultants. Particular emphasis will be given by the Committee to significant control deficiencies, and actions taken by management to correct them. The Committee may request through the Chief Financial Officer that the outside auditors perform special studies, investigations, or other services in matters of interest or concern to the Committee.

The Committee's oversight of outside audit coverage is covered under section I.A. above.

3

COMMITTEE MEMBERSHIP

The Committee shall be composed of three or more Directors, each of whom shall be independent. To be considered independent, a Committee member may not (other than in his capacity as a member of the Committee, the Board or another committee of the Board) accept any consulting, advisory or other compensatory fee from PacificNet or be an affiliated person of PacificNet or any of its subsidiaries. Each member shall comply with the requirements promulgated by The Nasdaq Stock Market, Inc. and the Commission, and shall be free of any relationship that, in the opinion of the Board of Directors, would interfere with his or her exercise of independent judgment. All members of the Committee will have a general understanding of basic finance practices and accounting practices and policies, and at least one member must have the requisite accounting or related financial management expertise to be deemed a “financial expert”, as that term is defined by the Commission, having through education and experience as a public accountant, or auditor or a principal financial officer, comptroller or principal accounting officer or a position performing similar functions, an understanding of GAAP and financial statements, experience in the preparation or auditing of financial statements of generally comparable issuers and the application of such principles in connection with the accounting for estimates, accruals and reserves, and experience with internal accounting controls and an understanding of audit committee functions. The Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by PacificNet or an outside consultant. The Chairman and other members of the Committee shall be appointed by the Board of Directors.

Vacancies occurring in the Committee may be filled by appointment of the Chairman of the Board, but no member of the Committee shall be removed except by vote of a majority of Directors present at any regular or special meeting of the Board.

The Secretary of the Committee shall be appointed by the majority vote of the Committee. The Secretary of the Committee shall prepare minutes of the meetings, maintain custody of copies of data furnished to and used by the Committee, and generally assist the Committee in connection with preparation of agendas, notices of meetings and otherwise.

4

CONDUCT OF BUSINESS

All meetings require the presence of a majority of the members of the Committee to conduct business. Each Committee member shall have one vote. All actions or determinations by the Committee must be by majority vote of the members present. The Board of Directors shall have overall authority over all Committee actions.

5

COMPENSATION

The compensation of members of the Committee may be determined from time to time by resolution of the Board of Directors. Members of the Committee shall be reimbursed for all reasonable expenses incurred in attending such meetings.

6

TIME AND PLACE OF MEETINGS

Committee meetings shall be held quarterly or more frequently as necessary at an agreed upon location. The Committee may ask members of management or others to attend the meeting and to provide pertinent information as necessary. As part of its job to foster open communication, the Audit Committee should meet at least annually with management, the director of the internal auditing department and the outside auditors separately to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately. In addition, the Audit Committee or at least its Chairperson should meet with the outside auditors and management quarterly to review PacificNet’s financial statements consistent with the Audit Committee’s duties and responsibilities set forth herein.

7 PRESENTATION OF REPORTS TO THE BOARD OF DIRECTORS

The Committee shall make an annual presentation to the Board of Directors within three months after the receipt of the outside auditors opinion on PacificNet's financial statement. The presentation shall provide an overview of the Committee's activities, findings of importance, conclusions, recommendations, and items that require follow-up or action by the Board. Presentations may be made at more frequent intervals if deemed necessary by the Committee or as requested by the Board of Directors.

3. STOCK SUBJECT TO THE PLAN. Subject to the provisions of Section 12 of the Plan, the maximum aggregate number of Shares which may be subject to Grants under the Plan is 2,000,000 shares. The Shares may be authorized but unissued, or reacquired Common Stock. If a Grant expires or becomes unexercisable without having been exercised in full, the unpurchased Shares which were subject thereto shall become available for future grant or sale under the Plan (unless the Plan has terminated). However, Shares that have actually been issued under the Plan, upon exercise of a Grant, shall not be returned to the Plan and shall not become available for future distribution under the Plan.

4. ADMINISTRATION OF THE PLAN.

(a) ADMINISTRATOR. The Plan shall be administered by the Board or a Committee appointed by the Board, which Committee shall be constituted to comply with Applicable Laws.

(b) POWERS OF THE ADMINISTRATOR. Subject to the provisions of the Plan and, in the case of a Committee, the specific duties delegated by the Board to such Committee, and subject to the approval of any relevant authorities, the Administrator shall have the authority in its discretion:

(i) to determine the Fair Market Value in compliance with Applicable Laws;

(ii) to select the Service Providers to whom Grants may from time to time be granted hereunder;

(iii) to determine the number of Shares to be covered by each such award granted hereunder;

(iv) to approve forms of Grant Agreements for use under the Plan;

(v) to determine the terms and conditions, of any Grant hereunder. Such terms and conditions include, but are not limited to, the exercise or base price, the time or times when Grants may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option, SAR or the Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vi) to determine whether and under what circumstances an Option may be settled in cash under subsection 9(e) instead of Common Stock;

(vii) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(viii) to allow Optionees to satisfy withholding tax obligations by electing to have the Company withhold from the Shares to be issued upon exercise of an Option that number of Shares having a Fair Market Value equal to the amount required to be withheld. The Fair Market Value of the Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by Optionees to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;

(ix) to construe and interpret the terms of the Plan and awards granted and pursuant to the Plan.

(c) Effect of Administrator's Decision. All decisions, determinations and interpretations of the Administrator shall be final and binding on all Holders of Grants.

(d) Notwithstanding any other provision of the Plan, the Administrator shall have no authority to issue or amend a Grant under the Plan under terms and conditions which would cause such Grant to be considered nonqualified

“deferred compensation” subject to the provisions of Code Section 409A. Accordingly, by way of example but not limitation, no Options or Stock Appreciation Rights shall be issued with an exercise or base price below Fair Market Value on the date of Grant and no Grant Agreement shall provide for any deferral feature constituting a deferral of compensation under Section 409A of the Code.

II-3

5. ELIGIBILITY.

(a) Nonstatutory Stock Options and Stock Appreciation Rights may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

(b) Each Option shall be designated in the Grant Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 5(b), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(c) No Service Provider or Employee shall be granted, in any calendar year, Options or Stock Appreciation Rights covering more than 500,000 Shares. The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 12. For purposes of this Section, if an Option is canceled or modified in the same calendar year it was granted (other than in connection with a transaction described in Section 12), the canceled or modified Option shall be counted against the limit set forth in this Section. For this purpose, if the exercise price of an Option is reduced, the transaction shall be treated as a cancellation of the Option and the grant of a new Option. For purposes of this section, if a Stock Appreciation Right is canceled or its base price reduced, the canceled or modified Stock Appreciation Right shall be counted against the limit set forth in this section. For this purpose, if the base price of the Stock Appreciation Right is reduced, the transaction shall be treated as a cancellation of the Stock Appreciation Right and the grant of a new Stock Appreciation Right.

(d) Neither the Plan nor any Grant shall confer upon any Holder any right with respect to continuing the Holders's relationship as a Service Provider with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate such relationship at any time, with or without cause.

6. TERM OF PLAN. The Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten (10) years unless sooner terminated under Section 15 of the Plan.

7. TERM OF GRANT. The term of each Grant shall be stated in the Grant Agreement; provided, however, that the term shall be no more than ten (10) years from the date of grant thereof. In the case of an Incentive Stock Option granted to an Optionee who, at the time the Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Grant Agreement.

8. OPTION EXERCISE PRICE AND CONSIDERATION.

(a) The per share exercise price for the Shares to be issued upon exercise of an Option shall be such price as is determined by the Administrator, but shall be subject to the following:

(i) In the case of an Incentive Stock Option

(A) granted to an Employee who, at the time of grant of such Option, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) granted to any other Employee, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Stock Option

II-4

(A) granted to a Service Provider who, at the time of grant of such Option, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) granted to any other Service Provider, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(iii) Notwithstanding the foregoing, Options may be granted with a per Share exercise price other than as required above pursuant to a merger or other corporate transaction in compliance with Applicable Laws.

(b) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator at the time of grant. Such consideration may consist of (1) cash, (2) check, (3) promissory note, (4) other Shares which (x) in the case of Shares acquired upon exercise of an Option, have been owned by the Optionee for more than six months on the date of surrender, and (y) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised, (5) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan, or (6) any combination of the foregoing methods of payment. In making its determination as to the type of consideration to accept, the Administrator shall consider if acceptance of such consideration may be reasonably expected to benefit the Company.

9. EXERCISE OF OPTION.

(a) Procedure for Exercise; Rights as a Shareholder. Any Option granted hereunder shall be exercisable according to the terms hereof at such times and under such conditions as determined by the Administrator and set forth in the Grant Agreement. Except in the case of Options granted to Officers, Directors and Consultants, Options shall become exercisable at a rate of no less than 20% per year over five (5) years from the date the Options are granted. Unless the Administrator provides otherwise, vesting of Options granted hereunder shall be tolled during any unpaid leave of absence. An Option may not be exercised for a fraction of a Share. An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Grant Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Grant Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 12 of the Plan. Exercise of an Option in any manner shall result in a decrease in the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) Termination of Relationship as a Service Provider. If an Optionee ceases to be a Service Provider, such Optionee may exercise his or her Option within such period of time as is specified in the Grant Agreement (of at least thirty (30) days) to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of the Option as set forth in the Grant Agreement). In the absence of a specified time in the Grant Agreement, the Option shall remain exercisable for three (3) months following the Optionee's termination. If, on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(c) Disability of Optionee. If an Optionee ceases to be a Service Provider as a result of the Optionee's Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Grant Agreement (of at least six (6) months) to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Grant Agreement). In the absence of a specified time in the Grant Agreement, the Option shall remain exercisable for twelve (12) months following the Optionee's termination. If on the date of termination, the Optionee is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(d) Death of Optionee. If an Optionee dies while a Service Provider, the Option may be exercised within such period of time as is specified in the Grant Agreement (or at least six (6) months) to the extent that the Option is vested on the date of death (but in no event later than the expiration of the term of such Option as set forth in the Grant Agreement) by the Optionee's estate or by a person who acquires the right to exercise the Option by bequest or inheritance. In the absence of a specified time in the Grant Agreement, the Option shall remain exercisable for twelve (12) months following the Optionee's termination. If, at the time of death, the Optionee is not vested as to the entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(e) Application to Incentive Stock Options. In the case of an Incentive Stock Option, if the specified exercise period after termination of employment exceeds limitations specified in Code Section 422, such Incentive Stock Option shall automatically cease to be treated as an Incentive Stock Option and shall be treated for federal income tax purposes as a Non-Qualified Stock Option from and after the day which exceeds three (3) months following such termination, or such other applicable limitation.

(f) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares, an Option previously granted, based on such terms and conditions, in compliance with Applicable Laws, as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

10. NON-TRANSFERABILITY OF OPTIONS. The Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee.

11. STOCK APPRECIATION RIGHTS. Two types of Stock Appreciation Rights (“SARs”) shall be authorized for issuance under the Plan: (1) stand-alone SARs and (2) stapled SARs. The Grant Agreement awarding an SAR shall be in such form and shall contain such terms and conditions as the Administrator shall deem appropriate and shall not include terms which cause the Grant to be considered nonqualified deferred compensation subject to the provisions of Section 409A of the Code. The terms and conditions of Stock Appreciation Right Grant Agreements need not be identical, but each Grant Agreement shall include (through incorporation of provisions hereof by reference in the Grant Agreement or otherwise) the substance of each of the following provisions:

(a) Stand-alone SARs. Stand-alone SARs shall cover a specified number of underlying Shares of Common Stock and shall be redeemable upon such terms and conditions as the Administrator may establish. Upon redemption of the stand-alone SAR, the Holder shall be entitled to receive a distribution from the Company in an amount equal to the excess of (i) the aggregate Fair Market Value on the redemption date of the Shares of Common Stock underlying the redeemed right over (ii) the aggregate base price of such underlying Shares at the time of Grant. The distribution shall be in cash or stock as specified in the Grant Agreement unless distribution in stock is necessary to avoid application of Code Section 409A, in which case the distribution shall be in stock. The number of shares of Common Stock underlying each stand-alone SAR and the base price of such Shares shall be determined by the Administrator in its sole discretion at the time the stand-alone SAR is granted. In no event, however, may the base price be less than one hundred percent (100%) of the Fair Market Value of the underlying Shares of Common Stock on the grant date.

(b) Stapled SARs. Stapled SARs shall only be granted concurrently with an Option to acquire the same number of shares of Common Stock as the number of such shares underlying the stapled SARs. Stapled SARs shall be redeemable upon such terms and conditions as the Administrator may establish and shall grant a holder the right to elect among (i) the exercise of the concurrently granted Option for Shares of Common Stock, whereupon the number of Shares subject to the stapled SARs shall be reduced by an equivalent number, (ii) the redemption of such stapled SARs in exchange for a distribution from the Company in an amount equal to the excess of the Fair Market Value on the redemption date of the number of vested Shares which the holder redeems over the aggregate exercise/base price for such vested Shares, whereupon the number of shares of Common Stock subject to the concurrently granted Option shall be reduced by any equivalent number, or (iii) a combination of (i) and (ii). The distribution under alternative (ii) shall be in cash or stock as specified in the Grant Agreement unless distribution in stock is necessary to avoid application of Code Section 409A, in which case the distribution shall be in stock. The exercise/base price of such Shares shall be determined by the Administrator at the time the Option and Stapled SAR is granted; however, in no event, may the exercise/base price be less than one hundred percent (100%) of the Fair Market Value of the underlying Shares on the grant date.

(c) No Shareholder or Secured Rights. The Holder of an SAR shall have no rights of a stockholder with respect to Shares covered by the SAR unless and until the SAR is exercised and Shares are issued to the Holder. Prior to receipt of a cash distribution or Shares pursuant to an SAR, such Grant shall represent an unfunded unsecured contractual obligation of the Company and the Company shall be under no obligation to set aside any Shares or other assets to fund such obligation. Prior to vesting and exercise, the Holder shall have no greater claim to the Common Stock underlying such SAR or any other assets of the Company than any other unsecured general creditor and such rights may not be sold, pledged, assigned or transferred in any manner other than by will or by the laws of intestate succession.

12. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, MERGER OR ASSET SALE.

(a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each outstanding Grant, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Grants have yet been made or which have been returned to the Plan upon cancellation or expiration of a Grant, as well as the price per share of Common Stock covered by each such outstanding Grant, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company. The conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option.

(b) **Dissolution or Liquidation.** In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Holder as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Holder to have the right to exercise his or her Option or SAR until fifteen (15) days prior to such transaction as to all of the Stock covered thereby, including Shares as to which the Grant would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any Shares purchased upon exercise of a Grant shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, a Grant will terminate immediately prior to the consummation of such proposed action.

(c) **Merger or Asset Sale.** In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, each outstanding Grant shall be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Grant, the Holder shall fully vest in and have the right to exercise the Grant as to all of the covered stock, including Shares as to which it would not otherwise be vested or exercisable. If a Grant becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify the Holder in writing or electronically that the Grant shall be fully exercisable for a period of fifteen (15) days from the date of such notice, and the Grant shall terminate upon the expiration of such period. For the purposes of this paragraph, the Grant shall be considered assumed if, following the merger or sale of assets, the option or right confers the right to purchase or receive, for each Share of covered stock subject to the Grant immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Grant, for each Share of covered stock subject to the Grant, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

13. **TIME OF GRANTS.** The date of a Grant shall, for all purposes, be the date on which the Administrator makes the determination awarding such Grant, or such other date as is determined by the Administrator in accordance with Applicable Laws. Notice of the determination shall be given to each Employee to whom a Grant is made within a reasonable time after the date of such Grant.

14. **AMENDMENT AND TERMINATION OF THE PLAN.**

(a) **Amendment and Termination.** The Board may at any time amend, alter, suspend or terminate the Plan.

(b) **Shareholder Approval.** The Board shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) **Effect of Amendment or Termination.** No amendment, alteration, suspension or termination of the Plan shall impair the rights of any outstanding Grant Holder, unless mutually agreed otherwise between the Holder and the Administrator, which agreement must be in writing and signed by the Holder and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Grants granted under the Plan prior to the date of such termination.

15. **CONDITIONS UPON ISSUANCE OF SHARES.**

(a) **Legal Compliance.** Shares shall not be issued pursuant to the exercise of a Grant unless the exercise of such Grant and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) **Investment Representations.** As a condition to the exercise of a Grant, the Administrator may require the person exercising such Grant to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

16. **INABILITY TO OBTAIN AUTHORITY.** The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

17. **RESERVATION OF SHARES.** The Company, during the term of this Plan, shall at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

18. **SHAREHOLDER APPROVAL.** The Plan shall be subject to approval by the shareholders of the Company within twelve (12) months after the date the Plan is adopted. Such shareholder approval shall be obtained in the degree and manner required under Applicable Laws.

19. **INFORMATION TO OPTIONEES AND PURCHASERS.** The Company shall provide to each Holder and to each individual who acquires Shares pursuant to the Plan, not less frequently than annually during the period such Holder or purchaser has one or more Grants outstanding, and, in the case of an individual who acquires Shares pursuant to the Plan, during the period such individual owns such Shares, copies of annual financial statements. The Company shall not be required to provide such statements to key employees whose duties in connection with the Company assure their access to equivalent information.
