Part II - Rules 12b-25(b) and (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate.)

The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable (a) effort or expense.

The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the (b) prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and

(c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

Part III - Narrative

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

DXP's director of tax resigned at the end of 2016. DXP's manager of public reporting resigned during March 2017. These departures combined with an effort to expand and enhance our controls, procedures and documentation related to income taxes resulted in a delay in the completion of the Quarterly Report on Form 10-Q for the three months ended March 31, 2017. As a result, the Company is unable to file its Quarterly Report on Form 10-Q (including its financial statements) for the three months ended March 31, 2017 (the "Form 10-Q") in a timely manner without reasonable effort and expense. The Company expects to be able to file the Form 10-Q for the three months ended March 31, 2017 within the allotted extension time.

Part IV - Other Information

1. Name and telephone number of person to contact in regard to this notification

2. Have all other periodic reports required under section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed?

Yes No

If answer is no, identify report(s).

Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company presently expects that the results of operations to be included in the Form 10-Q will reflect significant changes in operations from the prior year. The Company currently anticipates that its financial statements to be included in its Form 10-Q will report 6% to 10% declines in sales and gross profit for the three months ended March 31, 2017 compared to the same period in 2016. The Company expects operating income for the three months ended March 31, 2017 to be in the range of \$6 million to \$8 million.
