S-1

PLAN OF DISTRIBUTION

We have entered into a sales agency agreement with UBS Warburg LLC under which we may issue and sell up to \$100,000,000 of shares of common stock from time to time through UBS Warburg, as our exclusive sales agent. The sales, if any, of common stock made under the sales agency agreement will be made only by means of ordinary brokers' transactions on the New York Stock Exchange.

UBS Warburg will sell the shares of common stock subject to the sales agency agreement on a daily basis or as otherwise agreed upon by us and UBS Warburg. We will designate the maximum amount of shares of common stock to be sold by UBS Warburg on a daily basis or otherwise as we and UBS Warburg agree. Subject to the terms and conditions of the sales agency agreement, UBS Warburg will use its reasonable efforts to sell all of the designated shares of common stock. We may instruct UBS Warburg not to sell shares of common stock if the sales cannot be effected at or above the price designated by us in any such instruction. Our company or UBS Warburg may suspend the offering of shares of common stock upon proper notice and subject to other conditions.

UBS Warburg will provide written confirmation to us following the close of trading on the New York Stock Exchange each day in which shares of common stock are sold under the sales agency agreement. Each confirmation will include the number of shares sold on that day, the net proceeds to us and the compensation payable by us to UBS Warburg in connection with the sales.

The compensation to UBS Warburg for sales of common stock will equal a fixed commission rate of 2.0% of the gross sales price of any shares sold. The remaining sales proceeds, after deducting any transaction fees imposed by any governmental or self-regulatory organization in connection with the sales, will equal our net proceeds for the sale of the shares.

Settlement for sales of common stock will occur on the third business day following the date on which any sales are made in return for payment of the net proceeds to us. There is no arrangement for funds to be received in an escrow, trust or similar arrangement.

On or prior to the second business day after the end of each calendar week during which sales of common stock were made by UBS Warburg, we will file a prospectus supplement with the SEC under the applicable paragraph of Rule 424(b) of the Securities Act of 1933. We will also deliver to the New York Stock Exchange the number of copies of the prospectus supplements that are required by the exchange. The prospectus supplements will include the dates covered, the number of shares of common stock sold through UBS Warburg, the net proceeds to us and the compensation payable by us to UBS Warburg in connection with the sales of common stock. UBS Warburg will act as sales agent on a reasonable

Edgar Filing: PPL CORP - Form 424B5

efforts basis.

In connection with the sale of the common stock on our behalf, UBS Warburg may be deemed to be an "underwriter" within the meaning of the Securities Act of 1933, and the compensation of UBS Warburg may be deemed to be underwriting commissions or discounts. We have agreed to provide indemnification and contribution to UBS Warburg against certain

S-2

civil liabilities, including liabilities under the Securities Act. UBS Warburg may engage in transactions with, or perform other services for, us in the ordinary course of business.

If either PPL or UBS Warburg has reason to believe that the exemptive provisions set forth in Rule 101(c)(1) of Regulation M under the Securities Exchange Act of 1934 are not satisfied, that party will promptly notify the other and sales of common stock under the sales agency agreement will be suspended until that or other exemptive provisions have been satisfied in the judgment of PPL and UBS Warburg.

The offering of common stock pursuant to the sales agency agreement will terminate upon the earlier of (1) the sale of all shares of common stock subject to the agreement or (2) termination of the sales agency agreement. The sales agency agreement may be terminated by either party in its sole discretion at any time.

VALIDITY OF COMMON STOCK

Our legal counsel, Simpson Thacher & Bartlett, New York, New York, will pass upon certain legal matters in connection with the offered common stock. Simpson Thacher & Bartlett will rely on the opinion of Michael A. McGrail, Esq., Senior Counsel of PPL Services Corporation, a subsidiary of PPL Corporation, as to matters involving the law of the Commonwealth of Pennsylvania. UBS Warburg LLC is being represented by Sullivan & Cromwell, New York, New York.

We have not included or incorporated by reference any separate financial statements of PPL Capital Funding herein. We do not consider those financial statements to be material to holders of the Debt Securities or Subordinated Debt Securities because (1) PPL Capital Funding was formed for the primary purpose of providing financing for PPL Corporation and its subsidiaries, (2) PPL Capital Funding does not currently engage in any independent operations and (3) PPL Capital Funding does not currently plan to engage, in the future, in more than minimal independent operations. Accordingly, we do not expect PPL Capital Funding to file those reports.

We do not expect the Trust to file periodic reports under Sections 13 and 15(d) of the Exchange Act.

PPL CORPORATION

PPL Corporation is a holding company with headquarters in Allentown, Pennsylvania. Its principal subsidiaries include:

- PPL Electric Utilities Corporation ("PPL Utilities"), which provides electricity delivery service in eastern and central Pennsylvania;
- PPL Energy Funding Corporation ("Energy Funding"), a holding company for PPL Corporation's unregulated business;
- PPL EnergyPlus, LLC ("EnergyPlus"), which sells energy and energy services in deregulated markets;
- PPL Generation, LLC ("PPL Generation"), which owns and operates all of PPL Corporation's U.S. generation facilities, including those generating facilities previously owned by PPL Utilities;
- PPL Montana Holdings, LLC, which holds, through subsidiaries, investments in electricity generation and related assets in Montana;
- PPL Montana, LLC, which generates electricity for wholesale and retail customers in Montana and the Northwest;
- PPL Global, LLC ("PPL Global"), an international independent power company which develops and acquires U.S. and international energy projects and which owns international energy projects;
- PPL Gas Utilities Corporation, which provides natural gas distribution, transmission and storage services and sells propane;
- PPL Spectrum, Inc., which markets energy-related products and services;
- PPL Capital Funding, which engages in financing for PPL Corporation and its subsidiaries;
- H.T. Lyons, Inc., McClure Company, McCarl's Inc., Burns Mechanical, and Western Mass. Holdings, Inc., which are mechanical contracting and engineering firms; and
- PPL Transition Bond Company, LLC (a special purpose subsidiary of PPL Utilities), formed to issue transition bonds under the Pennsylvania Electricity Generation and Customer Choice and Competition Act ("Customer Choice Act").

CORPORATE REALIGNMENT

Prior to July 1, 2000, PPL Utilities had been an integrated public utility which engaged in the generation, transmission and distribution of electricity in its franchised territory in eastern and central Pennsylvania, and which also engaged in wholesale energy marketing in the United States and Canada. PPL Utilities also engaged in retail energy marketing in newly deregulated markets through EnergyPlus, which had been a wholly-owned subsidiary of PPL Utilities.

Edgar Filing: PPL CORP - Form 424B5

As a result of federal and state legislation and regulatory initiatives, the electric utility industry, including PPL Utilities, has experienced and will continue to experience a significant increase in the level of competition in the energy supply market. At the federal level, the Energy Policy Act of 1992 created a new class of independent power producers to promote competition in the electric energy market for bulk power, and the Federal Power Act was amended to provide open access to electric transmission systems for wholesale

5

transactions. In addition, the Customer Choice Act was enacted in Pennsylvania to restructure the state's electric utility industry in order to create retail access to a competitive market for generation of electricity.

On July 1, 2000, PPL Corporation and PPL Utilities completed a corporate realignment in order to effectively separate PPL Utilities' regulated transmission and distribution operations from its recently deregulated generation operations and better position the companies and their affiliates in the new competitive marketplace. As part of the corporate realignment, PPL Utilities transferred its generating assets to PPL Generation. PPL Utilities also transferred its wholesale energy marketing assets to EnergyPlus, and subsequently transferred its interest in EnergyPlus to Energy Funding. PPL Utilities retained its electric transmission and distribution businesses. PPL Global also transferred its U.S. electric generating subsidiaries to PPL Generation as part of the realignment; PPL Global retains its international electric generation and distribution assets, and will continue to acquire and develop power projects in the United States and internationally. The corporate realignment followed receipt of various regulatory approvals, including approvals of the Pennsylvania Public Utility Commission, the Federal Energy Regulatory Commission and the Nuclear Regulatory Commission.

HOLDING COMPANY STRUCTURE

PPL Corporation conducts its operations primarily through PPL Utilities and PPL Corporation's other wholly-owned subsidiaries, and substantially all of PPL Corporation's consolidated assets are held by PPL Utilities and these other subsidiaries. Accordingly, PPL Corporation's cash flow, its ability to pay dividends on its capital stock and its ability to meet its obligations under the Securities Guarantees are largely dependent upon the earnings of PPL Utilities and the other subsidiaries and the distribution or other payment of such earnings to PPL Corporation in the form of dividends, loans or advances or repayment of loans and advances from PPL Corporation. The subsidiaries are separate and distinct legal entities and have no obligation to pay any amounts due on any Securities (except for the Securities issued by such subsidiaries) or to make any funds available for such payment.

Because PPL Corporation is a holding company, its obligations under the Securities Guarantees will be effectively subordinated to all existing and future liabilities of its subsidiaries. Therefore, PPL Corporation's rights and the rights of its shareholders and creditors, including rights of a holder of any Security under a Securities Guarantee, to participate in the assets of any subsidiary in the event that such a subsidiary is liquidated or reorganized, will be subject to the prior claims of such subsidiary's creditors. To the extent that PPL Corporation may itself be a creditor with recognized claims against any such subsidiary, PPL Corporation's claims would still be effectively subordinated to any security interest in, or mortgages or other liens on, the assets of the subsidiary and would be subordinated to any indebtedness or other liabilities of the subsidiary senior to that held by PPL Corporation. Although certain agreements to which PPL Corporation and its subsidiaries are parties limit the ability to incur additional indebtedness, PPL Corporation and its

Edgar Filing: PPL CORP - Form 424B5

subsidiaries retain the ability to incur substantial additional indebtedness and other liabilities.

The information above concerning PPL Corporation and its subsidiaries is only a summary and does not purport to be comprehensive. In addition, certain statements regarding PPL Corporation and its affiliates contained or incorporated by reference in this prospectus are "forward-looking statements" within the meaning of the securities laws. Although PPL Corporation believes that the expectations reflected in such statements are reasonable, it can give no assurance that such expectations will prove to have been correct. For additional information concerning PPL Corporation and its subsidiaries, including certain assumptions, risks and uncertainties involved in the forward-looking statements contained or incorporated by reference in this prospectus, you should refer to the information described in "Where You Can Find More Information."

PPL Corporation's offices are located at Two North Ninth Street, Allentown, Pennsylvania 18101-1179 and its telephone number is (610) 774-5151.

6

PPL CAPITAL FUNDING

PPL Capital Funding's offices are located at Two North Ninth Street, Allentown, Pennsylvania 18101-1179 and its telephone number is (610) 774-5151.

PPL CAPITAL FUNDING TRUST I

The Trust is a statutory business trust created under Delaware law under a trust agreement which is to be amended pursuant to an Amended and Restated Trust Agreement (as so amended, the "Trust Agreement") among PPL Corporation, The Chase Manhattan Bank as the Property Trustee, Chase Manhattan Bank USA, National Association, as Delaware Trustee and two employees of PPL Corporation as Administrative Trustees. The Trust exists only to issue and sell its Preferred Trust Securities and Common Trust Securities, to acquire and hold the Subordinated Debt Securities as trust assets and to engage in activities incidental to the foregoing. All of the Common Trust Securities will be owned by PPL Corporation. The Common Trust Securities will represent at least 3% of the total capital of the Trust. Payments will be made on the Common Trust Securities pro rata with the Preferred Trust Securities, except that the Common Trust Securities' right to payment will be subordinated to the rights of the Preferred Trust Securities if there is a default under the Trust Agreement resulting from an event of default under the Subordinated Indenture (as defined herein). The Trust has a term of approximately 40 years, but may dissolve earlier as provided in the Trust Agreement. The Trust's business and affairs will be conducted by its Administrative Trustees, as set forth in the Trust Agreement. The office of the Delaware Trustee in the State of Delaware is 1201 Market Street, 9th Floor, Wilmington, Delaware 19801. The Trust's offices are located at Two North Ninth Street, Allentown, PA 18101-1179, and the telephone number is (610) 774-5151.

USE OF PROCEEDS

Unless we indicate differently in the applicable prospectus supplement, the net proceeds from the sale of the Debt Securities, Subordinated Debt Securities and/or the Preferred Trust Securities will be loaned to PPL Corporation and/or its subsidiaries. PPL Corporation and/or its subsidiaries are expected to use

Edgar Filing: PPL CORP - Form 424B5

the proceeds of such loans, and the proceeds of any other Securities, for general corporate purposes, including investing in unregulated business activities and reducing short-term debt incurred to provide interim financing for such purposes.

RATIOS OF EARNINGS TO FIXED CHARGES AND EARNINGS TO FIXED CHARGES AND PREFERRED DIVIDENDS

The following table sets forth PPL Corporation's ratio of earnings to fixed charges and ratio of earnings to fixed charges and preferred dividends for the periods indicated:

	TWELVE MONTHS ENDED	YEAR ENDED DECEMBER 31,			
	SEPTEMBER 30, 2000 (A)	1999 (A)	1998 (A)	1997	1996
Ratio of earnings to fixed charges.....	2.98	2.98	3.48	3.33	3.43
Ratio of earnings to fixed charges and preferred dividends (b).....	2.76	2.72	3.12	2.94	2.88

(a) 2000, 1999 and 1998 net income excludes extraordinary items. For purposes of these ratios, earnings for the year ended December 31, 1998 exclude an extraordinary charge of \$948 million (after tax) associated with PPL Utilities' restructuring proceedings before the Pennsylvania Public Utility Commission and the Federal Energy Regulatory Commission. See PPL Corporation's reports on file with the SEC pursuant to the Exchange Act as described under "Where You Can Find More Information" for more information.

(b) Includes distributions on company-obligated mandatorily redeemable preferred securities of subsidiary trusts holding solely company debentures.

7

DESCRIPTION OF PPL CORPORATION'S CAPITAL STOCK

The description below is a summary of certain provisions of PPL Corporation's capital stock. The Pennsylvania Business Corporation Law and the Restated Articles of Incorporation and By-laws of PPL Corporation determine the rights and privileges of holders of PPL Corporation's capital stock. We encourage you to read such documents, which have been filed with the SEC, and the Pennsylvania law for more information regarding such capital stock.

AUTHORIZED CAPITAL

The authorized capital stock of PPL Corporation consists of 390,000,000 shares of Common Stock, par value \$.01 per share and 10,000,000 shares of Preferred Stock, par value \$.01 per share.

COMMON STOCK

As of December 31, 2000, 145,041,342 shares of Common Stock were issued and outstanding. The outstanding Common Stock is, and the Common Stock offered hereby when issued and paid for will be, fully paid and non-assessable.

Edgar Filing: PPL CORP - Form 424B5

Dividends. Dividends on the Common Stock will be paid if, when and as determined by the Board of Directors of PPL Corporation out of funds legally available for this purpose. The rate and timing of future dividends will depend upon the future earnings and financial condition of PPL Corporation and its subsidiaries and upon other relevant factors affecting PPL Corporation's dividend policy which PPL Corporation cannot presently determine. As a practical matter, the ability of PPL Corporation to pay dividends will be governed by the ability of PPL Corporation's operating subsidiaries to pay dividends to PPL Corporation. To date, the funds required by PPL Corporation to enable it to pay dividends on its Common Stock have been derived predominantly from dividends paid by PPL Utilities to PPL Corporation. In the future, dividends from subsidiaries other than PPL Utilities will also be a source of funds for dividend payments by PPL Corporation. The subsidiaries' ability to pay dividends to PPL Corporation will be subject to the prior rights of the holders of such subsidiaries' outstanding debt and preferred securities, the availability of earnings and the needs of their businesses. See "PPL Corporation--Holding Company Structure." The restrictions on the payment of dividends contained in PPL Utilities' Amended and Restated Articles of Incorporation and in its first mortgage bond indenture do not currently limit the amount of regular quarterly dividends PPL Utilities pays on its common stock.

Voting Rights. Holders of Common Stock are entitled to one vote for each share held by them on all matters presented to shareowners. Pursuant to PPL Corporation's Articles of Incorporation, the holders of Common Stock will not have cumulative voting rights in the election of directors. PPL Corporation's bylaws provide for a classified board of directors consisting of three classes as nearly equal in number as may be. Each class holds office until the third year following the election of such class, and no director may be removed except for cause upon a two-thirds vote of all outstanding shares. PPL Corporation's bylaws also provide for certain notice requirements for shareowner nominations and proposals at annual meetings and preclude shareowners from bringing business before any special meeting. PPL Corporation's Articles of Incorporation and certain provisions of Pennsylvania law would require a supermajority vote of holders or a majority vote of disinterested directors to approve certain business combinations and other major transactions involving PPL Corporation.

Liquidation Rights. After satisfaction of the preferential liquidation rights of any Preferred Stock, the holders of the Common Stock are entitled to share, ratably, in the distribution of all remaining net assets.

Preemptive and Other Rights. The holders of Common Stock do not have preemptive rights as to additional issues of Common Stock or conversion rights. The shares of Common Stock are not subject to redemption or to any further calls or assessments and are not entitled to the benefit of any sinking fund provisions.

8

PREFERRED STOCK

PPL Corporation's Board of Directors is authorized, without further shareowner action, to divide the Preferred Stock into one or more classes or series and to determine the designations, preferences, limitations and special rights of any class or series including, but not limited to, the following:

(a) the rate of dividend, if any;

(b) the rights, if any, of the holders of shares of the series upon voluntary or involuntary liquidation, dissolution or winding up of PPL Corporation;

Edgar Filing: PPL CORP - Form 424B5

(c) the terms and conditions upon which shares may be converted into shares of other series or other capital stock, if issued with the privilege of conversion;

(d) the price at and the terms and conditions upon which shares may be redeemed; and

(e) the voting rights, if any.

No shares of Preferred Stock have been issued. The applicable prospectus supplement will describe the terms of any Preferred Stock.

Unless otherwise provided in the applicable prospectus supplement, holders of Preferred Stock will not have any preemptive rights to subscribe for or purchase any additional shares of the capital stock of PPL Corporation, or other securities or other right or option to purchase shares of capital stock.

CERTAIN TAX MATTERS

In the opinion of counsel for PPL Corporation, the Common Stock and Preferred Stock are exempt from existing personal property taxes in Pennsylvania.

LISTING

The outstanding shares of Common Stock are, and the shares offered hereby will be, listed on the New York and Philadelphia Stock Exchanges.

TRANSFER AGENTS AND REGISTRARS

The Transfer Agents and Registrars for the Common Stock are PPL Utilities and Norwest Bank Minnesota, N.A., St. Paul, Minnesota.

DESCRIPTION OF STOCK PURCHASE CONTRACTS AND STOCK PURCHASE UNITS

PPL Corporation may issue Stock Purchase Contracts representing contracts obligating holders to purchase from PPL Corporation, and PPL Corporation to sell to the holders, a specified number of shares of Common Stock at a future date or dates. The price per share of Common Stock and number of shares of Common Stock may be fixed at the time the Stock Purchase Contracts are issued or may be determined by reference to a specific formula set forth in the Stock Purchase Contracts. The Stock Purchase Contracts may be issued separately or as a part of other Stock Purchase Units that consist of (a) a Stock Purchase Contract or (b) a Stock Purchase Contract and debt securities or preferred trust securities of third parties (including, but not limited to, Debt Securities, Subordinated Debt Securities, Preferred Trust Securities or United States Treasury securities), that would secure the holders' obligations to purchase the Common Stock under the Stock Purchase Contracts. The Stock Purchase Contracts may require PPL Corporation to make periodic payments to the holders of the Stock Purchase Units or vice-versa. These payments may be unsecured or prefunded on some basis. The Stock Purchase Contracts may require holders to secure their obligations thereunder in a specified manner.

The applicable prospectus supplement will describe the terms of any Stock Purchase Contracts or Stock Purchase Units.

DESCRIPTION OF THE DEBT SECURITIES

Edgar Filing: PPL CORP - Form 424B5

The following description sets forth certain general terms and provisions of PPL Capital Funding's unsecured debt securities, consisting of notes or debentures, that we may offer by this prospectus ("Debt Securities"). We will describe the particular terms of Debt Securities, and provisions that vary from those described below, in one or more prospectus supplements.

We may issue the Debt Securities from time to time in the future in one or more series. We will issue the Debt Securities and the guarantee or guarantees of PPL Corporation relating thereto (the "Guarantee" or "Guarantees") under the Indenture, dated as of November 1, 1997 (as such indenture has been and may be supplemented, the "Indenture"), among PPL Capital Funding, PPL Corporation and The Chase Manhattan Bank, as trustee (the "Trustee").

The Indenture is filed as an exhibit to the registration statement. The Indenture and its associated documents contain the full legal text of the matters described in this section. Because this section is a summary, it does not describe every aspect of the Debt Securities or the Indenture. This summary is subject to and qualified in its entirety by reference to all the provisions of the Indenture, including definitions of certain terms used in the Indenture. We also include references in parentheses to certain sections of the Indenture. Whenever we refer to particular sections or defined terms of the Indenture in this prospectus or in a prospectus supplement, such sections or defined terms are incorporated by reference herein or in the prospectus supplement. This summary also is subject to and qualified by reference to the description of the particular terms of your securities described in the applicable prospectus supplement or supplements. The Indenture has been qualified under the Trust Indenture Act, and you should refer to the Trust Indenture Act for provisions that apply to the Debt Securities.

GENERAL

We may issue an unlimited amount of Debt Securities or other securities under the Indenture. The Debt Securities and all other debt securities issued previously or hereafter under the Indenture are collectively referred to herein as the "Indenture Securities."

The Debt Securities will be unsecured and unsubordinated obligations of PPL Capital Funding, and by the Guarantees will be unconditionally guaranteed by PPL Corporation as to payment of principal and any interest and premium. See "--PPL Corporation Guarantees."

Prior to the issuance of each series, certain aspects of the particular Debt Securities have to be specified in a supplemental indenture, in a board resolution of PPL Capital Funding, or in one or more officer's certificates of PPL Capital Funding pursuant to a supplemental indenture or a board resolution. We refer you to the applicable prospectus supplement(s) for a description of the following terms of the series of Debt Securities:

- (a) the title of such Debt Securities;
- (b) any limit upon the principal amount of such Debt Securities;
- (c) the date or dates on which principal will be payable or how to determine such dates;
- (d) the rate or rates or method of determination of interest; the date from which interest will accrue; the dates on which interest will be payable ("Interest Payment Dates"); and any record dates for the interest payable on such Interest Payment Dates;
- (e) any obligation or option of PPL Capital Funding to redeem,

Edgar Filing: PPL CORP - Form 424B5

purchase or repay Debt Securities, or any option of the Holder to require PPL Capital Funding to redeem or repurchase Debt Securities, and the terms and conditions upon which such Debt Securities will be redeemed, purchased or repaid;

(f) the denominations in which such Debt Securities will be issuable (if other than denominations of \$1,000 and any integral multiple thereof);

10

(g) whether such Debt Securities are to be issued in whole or in part in the form of one or more global Debt Securities and, if so, the identity of the depositary for such global Debt Securities; and

(h) any other terms of such Debt Securities.

(See Section 301.)

PPL CORPORATION GUARANTEES

PPL Corporation will unconditionally guarantee the payment of principal of and any interest and premium on the Debt Securities, when due and payable, whether at the stated maturity date, by declaration of acceleration, call for redemption or otherwise, in accordance with the terms of such Debt Securities and the Indenture. The Guarantees will remain in effect until the entire principal of and any premium and interest on the Debt Securities has been paid in full or otherwise discharged in accordance with the provisions of the Indenture. (See Article Fourteen.) The Guarantees will be unsecured debt of PPL Corporation, not subordinated by their terms to any other obligations of PPL Corporation. See "PPL Corporation--Holding Company Structure," above, however, with regard to the effect of the holding company structure on the status of PPL Corporation's obligations compared to obligations of its subsidiaries.

PAYMENT OF DEBT SECURITIES

INTEREST

Unless we indicate differently in a prospectus supplement, we will pay interest on each Debt Security on each Interest Payment Date by check mailed to the person in whose name such Debt Security is registered (the registered holder of any Indenture Security being called a "Holder" in this prospectus) as of the close of business on the regular record date relating to such Interest Payment Date, except that interest payable at maturity (whether at stated maturity, upon redemption or otherwise, "Maturity") will be paid to the person to whom principal is paid.

However, if we default in paying interest on a Debt Security, we will pay defaulted interest in either of the two following ways:

(a) We will first propose to the Trustee a payment date for such defaulted interest. Next, the Trustee will choose a Special Record Date for determining which Holders are entitled to the payment. The Special Record Date will be between 10 and 15 days before the payment date we propose. Finally, we will pay such defaulted interest on the payment date to the Holder of the Debt Security as of the close of business on the Special Record Date.

(b) Alternatively, we can propose to the Trustee any other lawful manner of payment that is consistent with the requirements of any securities exchange on which such Debt Securities are listed for trading.

Edgar Filing: PPL CORP - Form 424B5

If the Trustee thinks the proposal is practicable, payment will be made as proposed.

(See Section 307.)

PRINCIPAL

Unless we indicate differently in a prospectus supplement, we will pay principal of and any interest and premium on the Debt Securities at Maturity upon presentation of the Debt Securities at the office of The Chase Manhattan Bank in New York, New York, as our Paying Agent. Any other Paying Agent initially designated for the Debt Securities of a particular series will be named in the applicable prospectus supplement.

In our discretion, we may change the place of payment on the Debt Securities, and may remove any Paying Agent and may appoint one or more additional Paying Agents (including PPL Capital Funding, PPL Corporation or any affiliate of either of them). (See Section 602.)

11

FORM; TRANSFERS; EXCHANGES

Unless otherwise indicated in a prospectus supplement, the Debt Securities will be issued:

- (a) only in fully registered form;
- (b) without interest coupons; and
- (c) in denominations that are integral multiples of \$1,000. (See Section 302.)

You may have your Debt Securities divided into Debt Securities of smaller denominations (of at least \$1,000) or combined into Debt Securities of larger denominations, as long as the total principal amount is not changed. This is called an "exchange."

You may exchange or transfer Debt Securities at the office of the Trustee. The Trustee acts as our agent for registering Debt Securities in the names of holders and transferring debt securities. We may appoint another agent or act as our own agent for this purpose. The entity performing the role of maintaining the list of registered holders is called the "Security Registrar." It will also perform transfers.

In our discretion, we may change the place for registration of transfer of the Debt Securities and may remove and/or appoint one or more additional Security Registrars (including PPL Capital Funding, PPL Corporation or any affiliate of either of them). (See Sections 305 and 602.)

Except as otherwise provided in a prospectus supplement, there will be no service charge for any transfer or exchange of the Debt Securities, but you may be required to pay a sum sufficient to cover any tax or other governmental charge payable in connection therewith. We may block the transfer or exchange of (a) Debt Securities during a period of 15 days prior to giving any notice of redemption or (b) any Debt Security selected for redemption in whole or in part, except the unredeemed portion of any Debt Security being redeemed in part. (See Section 305.)

REDEMPTION

Edgar Filing: PPL CORP - Form 424B5

We will set forth any terms for the redemption of Debt Securities in a prospectus supplement. Unless we indicate differently in a prospectus supplement, and except with respect to Debt Securities redeemable at the option of the Holder, Debt Securities will be redeemable upon notice by mail between 30 and 60 days prior to the redemption date. If less than all of the Debt Securities of any series or any tranche thereof are to be redeemed, the Trustee will select the Debt Securities to be redeemed. In the absence of any provision for selection, the Trustee will choose a method of random selection as it deems fair and appropriate. (See Sections 403 and 404.)

Debt Securities will cease to bear interest on the redemption date. PPL Capital Funding will pay the redemption price and any accrued interest once you surrender the Debt Security for redemption. (See Section 405.) If only part of a Debt Security is redeemed, the Trustee will deliver to you a new Debt Security of the same series for the remaining portion without charge. (Section 406.)

We may make any redemption at the option of PPL Capital Funding conditional upon the receipt by the Paying Agent, on or prior to the date fixed for redemption, of money sufficient to pay the redemption price. If the Paying Agent has not received such money by the date fixed for redemption, PPL Capital Funding will not be required to redeem such Debt Securities. (See Section 404.)

EVENTS OF DEFAULT

An "Event of Default" occurs with respect to Indenture Securities of any series if

(a) we do not pay any interest on any Indenture Securities of the applicable series within 30 days of the due date;

(b) we do not pay principal or premium on any Indenture Securities of the applicable series on its due date;

12

(c) we remain in breach of a covenant (excluding covenants solely applicable to a specific series) or warranty of the Indenture for 90 days after we receive a written notice of default stating we are in breach and requiring remedy of the breach; the notice must be sent by either the Trustee or Holders of 25% of the principal amount of Indenture Securities of the affected series; the Trustee or such Holders can agree to extend the 90-day period and such an agreement to extend will be automatically deemed to occur if we are diligently pursuing action to correct the default;

(d) the Guarantees on any Indenture Securities of the applicable series

(1) cease to be effective (except in accordance with their terms),

(2) are found in any judicial proceeding to be unenforceable or invalid, or

(3) are denied or disaffirmed (except in accordance with their terms);

(e) we file for bankruptcy or certain other events in bankruptcy, insolvency, receivership or reorganization occur; or

Edgar Filing: PPL CORP - Form 424B5

(f) any other Event of Default specified in the prospectus supplement occurs.

(See Section 801.)

No Event of Default with respect to the Debt Securities necessarily constitutes an Event of Default with respect to the Indenture Securities of any other series issued under the Indenture.

REMEDIES

ACCELERATION

Any One Series. If an Event of Default occurs and is continuing with respect to any one series of Indenture Securities, then either the Trustee or the Holders of 25% in principal amount of the outstanding Indenture Securities of such series may declare the principal amount of all of the Indenture Securities of such series to be due and payable immediately.

More Than One Series. If an Event of Default occurs and is continuing with respect to more than one series of Indenture Securities, then either the Trustee or the Holders of 25% in aggregate principal amount of the outstanding Indenture Securities of all such series, considered as one class, may make such declaration of acceleration. Thus, if there is more than one series affected, the action by 25% in principal amount of the Indenture Securities of any particular series will not, in itself, be sufficient to make a declaration of acceleration.

(See Section 802.)

RESCISSION OF ACCELERATION

After the declaration of acceleration has been made and before the Trustee has obtained a judgment or decree for payment of the money due, such declaration and its consequences will be rescinded and annulled, if

- (a) we pay or deposit with the Trustee a sum sufficient to pay
 - (1) all overdue interest;
 - (2) the principal of and any premium which have become due otherwise than by such declaration of acceleration and overdue interest thereon;
 - (3) interest on overdue interest to the extent lawful; and
 - (4) all amounts due to the Trustee under the Indenture; and

13

(b) all Events of Default, other than the nonpayment of the principal which has become due solely by such declaration of acceleration, have been cured or waived as provided in the Indenture.

(See Section 802.) For more information as to waiver of defaults, see "--Waiver of Default and of Compliance" below.

CONTROL BY HOLDERS; LIMITATIONS

Subject to the Indenture, if an Event of Default with respect to the

Edgar Filing: PPL CORP - Form 424B5

Indenture Securities of any one series occurs and is continuing, the Holders of a majority in principal amount of the outstanding Indenture Securities of that series will have the right to

- (a) direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or

- (b) exercise any trust or power conferred on the Trustee with respect to the Indenture Securities of such series.

If an Event of Default is continuing with respect to more than one series of Indenture Securities, the Holders of a majority in aggregate principal amount of the outstanding Indenture Securities of all such series, considered as one class, will have the right to make such direction, and not the Holders of the Indenture Securities of any one of such series. These rights of Holders to make direction are subject to the following limitations:

- (a) the Holders' directions may not conflict with any law or the Indenture; and

- (b) the Holders' directions may not involve the Trustee in personal liability where the Trustee believes indemnity is not adequate.

The Trustee may also take any other action it deems proper which is consistent with the Holders' direction. (See Sections 812 and 903.)

In addition, the Indenture provides that no Holder of any Indenture Security will have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture for the appointment of a receiver or for any other remedy thereunder unless

- (a) that Holder has previously given the Trustee written notice of a continuing Event of Default;

- (b) the Holders of 25% in aggregate principal amount of the outstanding Indenture Securities of all affected series, considered as one class, have made written request to the Trustee to institute proceedings in respect of that Event of Default and have offered the Trustee reasonable indemnity against costs and liabilities incurred in complying with such request; and

- (c) for 60 days after receipt of such notice, the Trustee has failed to institute any such proceeding and no direction inconsistent with such request has been given to the Trustee during such 60-day period by the Holders of a majority in aggregate principal amount of outstanding Indenture Securities of all affected series, considered as one class.

Furthermore, no Holder will be entitled to institute any such action if and to the extent that such action would disturb or prejudice the rights of other Holders. (See Sections 807 and 903.)

However, each Holder has an absolute and unconditional right to receive payment when due and to bring a suit to enforce that right. (See Sections 807 and 808.)

NOTICE OF DEFAULT

The Trustee is required to give the Holders of the Indenture Securities notice of any default under the Indenture to the extent required by the Trust Indenture Act, unless such default has been cured or waived; except that in the case of an Event of Default of the character specified above in clause (c) under "Events of Default," no such notice shall be given to such Holders until at

Edgar Filing: PPL CORP - Form 424B5

least 75 days after the occurrence thereof.

14

(See Section 902.) The Trust Indenture Act currently permits the Trustee to withhold notices of default (except for certain payment defaults) if the Trustee in good faith determines the withholding of such notice to be in the interests of the Holders.

We will furnish the Trustee with an annual statement as to the compliance by PPL Capital Funding with the conditions and covenants in the Indenture. (See Section 605.)

WAIVER OF DEFAULT AND OF COMPLIANCE

The Holders of a majority in aggregate principal amount of the outstanding Indenture Securities of any series may waive, on behalf of the Holders of all Indenture Securities of such series, any past default under the Indenture, except a default in the payment of principal, premium or interest, or with respect to compliance with certain provisions of the Indenture that cannot be amended without the consent of the Holder of each outstanding Indenture Security. (See Section 813.)

Compliance with certain covenants in the Indenture or otherwise provided with respect to Indenture Securities may be waived by the Holders of a majority in aggregate principal amount of the affected Indenture Securities, considered as one class. (See Section 606.)

CONSOLIDATION, MERGER AND CONVEYANCE OF ASSETS AS AN ENTIRETY; NO FINANCIAL COVENANTS

Subject to the provisions described in the next paragraph, each of PPL Capital Funding and PPL Corporation will preserve its corporate existence. (See Section 604.)

PPL Capital Funding and PPL Corporation have each agreed not to consolidate with or merge into any other entity or convey, transfer or lease its properties and assets substantially as an entirety to any entity unless

(a) the entity formed by such consolidation or into which PPL Capital Funding or PPL Corporation, as the case may be, is merged or the entity which acquires or which leases the property and assets of PPL Capital Funding or PPL Corporation, as the case may be, substantially as an entirety is an entity organized and existing under the laws of the United States of America or any State thereof or the District of Columbia, and expressly assumes, by supplemental indenture, the due and punctual payment of the principal, premium and interest on all the outstanding Indenture Securities (or the Guarantees endorsed thereon, as the case may be) and the performance of all of the covenants of PPL Capital Funding or PPL Corporation, as the case may be, under the Indenture, and

(b) immediately after giving effect to such transactions, no Event of Default, and no event which after notice or lapse of time or both would become an Event of Default, will have occurred and be continuing. (See Section 1101.)

The Indenture does not prevent or restrict:

(a) any consolidation or merger after the consummation of which PPL Capital Funding or PPL Corporation would be the surviving or resulting

Edgar Filing: PPL CORP - Form 424B5

entity; or

(b) any conveyance or other transfer, or lease, of any part of the properties of PPL Capital Funding or PPL Corporation which does not constitute the entirety, or substantially the entirety, thereof. (See Section 1103.)

Neither the Indenture nor the Guarantee contains any financial or other similar restrictive covenants.

15

MODIFICATION OF INDENTURE

Without Holder Consent. Without the consent of any Holders of Indenture Securities, PPL Capital Funding, PPL Corporation and the Trustee may enter into one or more supplemental indentures for any of the following purposes:

- (a) to evidence the succession of another entity to PPL Capital Funding or PPL Corporation; or
- (b) to add one or more covenants of PPL Capital Funding or PPL Corporation or other provisions for the benefit of the Holders of all or any series or tranche of Indenture Securities, or to surrender any right or power conferred upon PPL Capital Funding or PPL Corporation; or
- (c) to add any additional Events of Default for all or any series of Indenture Securities; or
- (d) to change or eliminate any provision of the Indenture or to add any new provision to the Indenture that does not adversely affect the interests of the Holders; or
- (e) to provide security for the Indenture Securities of any series; or
- (f) to establish the form or terms of Indenture Securities of any series or tranche or any Guarantees as permitted by the Indenture; or
- (g) to provide for the issuance of bearer securities; or
- (h) to evidence and provide for the acceptance of appointment of a separate or successor Trustee; or
- (i) to provide for the procedures required to permit the utilization of a noncertificated system of registration for any series or tranche of Indenture Securities; or
- (j) to change any place or places where
 - (1) we may pay principal, premium and interest,
 - (2) Indenture Securities may be surrendered for transfer or exchange, and
 - (3) notices and demands to or upon PPL Capital Funding or PPL Corporation may be served; or
- (k) to cure any ambiguity, defect or inconsistency or to make any other changes that do not adversely affect the interests of the Holders in

Edgar Filing: PPL CORP - Form 424B5

any material respect.

If the Trust Indenture Act is amended after the date of the Indenture so as to require changes to the Indenture or so as to permit changes to, or the elimination of, provisions which, at the date of the Indenture or at any time thereafter, were required by the Trust Indenture Act to be contained in the Indenture, the Indenture will be deemed to have been amended so as to conform to such amendment or to effect such changes or elimination, and PPL Capital Funding, PPL Corporation and the Trustee may, without the consent of any Holders, enter into one or more supplemental indentures to effect or evidence such amendment.

(See Section 1201.)

With Holder Consent. Except as provided above, the consent of the Holders of at least a majority in aggregate principal amount of the Indenture Securities of all outstanding series, considered as one class, is generally required for the purpose of adding to, or changing or eliminating any of the provisions of, the Indenture pursuant to a supplemental indenture. However, if less than all of the series of outstanding Indenture Securities are directly affected by a proposed supplemental indenture, then such proposal only requires the consent of the Holders of a majority in aggregate principal amount of the outstanding Indenture Securities of all directly affected series, considered as one class. Moreover, if the Indenture Securities of any series have been issued in more than one tranche and if the proposed supplemental indenture directly affects the rights of the Holders of Indenture Securities of one or more, but less than all, of such tranches, then such proposal only requires the consent of the Holders of a majority in aggregate principal amount of the outstanding Indenture Securities of all directly affected tranches, considered as one class.

16

However, no amendment or modification may, without the consent of the Holder of each outstanding Indenture Security directly affected thereby,

- (a) change the stated maturity of the principal or interest on any Indenture Security (other than pursuant to the terms thereof), or reduce the principal amount, interest or premium payable or change the currency in which any Indenture Security is payable, or impair the right to bring suit to enforce any payment;

- (b) reduce the percentages of Holders whose consent is required for any supplemental indenture or waiver or reduce the requirements for quorum and voting under the Indenture; or

- (c) modify certain of the provisions in the Indenture relating to supplemental indentures and waivers of certain covenants and past defaults.

A supplemental indenture which changes or eliminates any provision of the Indenture expressly included solely for the benefit of Holders of Indenture Securities of one or more particular series or tranches will be deemed not to affect the rights under the Indenture of the Holders of Indenture Securities of any other series or tranche. (See Section 1202.)

MISCELLANEOUS PROVISIONS

The Indenture provides that certain Indenture Securities, including those for which payment or redemption money has been deposited or set aside in trust as described under "--Satisfaction and Discharge" below, will not be deemed to be "outstanding" in determining whether the Holders of the requisite principal

Edgar Filing: PPL CORP - Form 424B5

amount of the outstanding Indenture Securities have given or taken any demand, direction, consent or other action under the Indenture as of any date, or are present at a meeting of Holders for quorum purposes. (See Section 101.)

PPL Capital Funding or PPL Corporation will be entitled to set any day as a record date for the purpose of determining the Holders of outstanding Indenture Securities of any series entitled to give or take any demand, direction, consent or other action under the Indenture, in the manner and subject to the limitations provided in the Indenture. In certain circumstances, the Trustee also will be entitled to set a record date for action by Holders. If such a record date is set for any action to be taken by Holders of particular Indenture Securities, such action may be taken only by persons who are Holders of such Indenture Securities on the record date. (See Section 104.)

SATISFACTION AND DISCHARGE

Any Indenture Securities or any portion will be deemed to have been paid for purposes of the Indenture, and at PPL Capital Funding's election, our entire indebtedness will be satisfied and discharged, if there shall have been irrevocably deposited with the Trustee or any Paying Agent (other than PPL Capital Funding or PPL Corporation), in trust:

- (a) money sufficient, or
- (b) in the case of a deposit made prior to the maturity of such Indenture Securities, non-redeemable Government Obligations (as defined in the Indenture) sufficient, or
- (c) a combination of (a) and (b), which in total are sufficient,

to pay when due the principal of, and any premium, and interest due and to become due on such Indenture Securities or portions thereof on and prior to the maturity thereof.

(See Section 701.)

The Indenture will be deemed satisfied and discharged when no Indenture Securities remain outstanding and when we have paid all other sums payable by us under the Indenture. (See Section 702.)

17

All moneys we pay to the Trustee or any Paying Agent on Debt Securities which remain unclaimed at the end of two years after payments have become due will be paid to or upon the order of PPL Capital Funding. Thereafter, the Holder of such Debt Security may look only to us for payment thereof. (See Section 603.)

RESIGNATION AND REMOVAL OF THE TRUSTEE; DEEMED RESIGNATION

The Trustee may resign at any time by giving written notice thereof to us.

The Trustee may also be removed by act of the Holders of a majority in principal amount of the then outstanding Indenture Securities of any series.

No resignation or removal of the Trustee and no appointment of a successor trustee will become effective until the acceptance of appointment by a successor trustee in accordance with the requirements of the Indenture.

Edgar Filing: PPL CORP - Form 424B5

Under certain circumstances, we may appoint a successor trustee and if the successor accepts, the Trustee will be deemed to have resigned.

(See Section 910).

GOVERNING LAW

The Indenture, the Debt Securities and the Guarantees provide that they are to be governed by and construed in accordance with the laws of the State of New York.

DESCRIPTION OF THE TRUST SECURITIES

The Trust may issue Preferred Trust Securities and Common Trust Securities under the Trust Agreement. These Trust securities will represent undivided beneficial interests in the assets of the Trust. Selected provisions of the Trust Agreement are summarized below. This summary is not complete. The form of Trust Agreement was filed with the SEC and you should read the Trust Agreement for provisions that may be important to you. The Trust Agreement will be qualified as an indenture under the Trust Indenture Act. You should also refer to the Trust Indenture Act for provisions that apply to the Preferred Trust Securities. Wherever particular defined terms of the Trust Agreement are referred to, such defined terms are incorporated herein by reference.

GENERAL

The Preferred Trust Securities and Common Trust Securities issued by the Trust will be substantially the same except that, if there is an Event of Default under the Trust Agreement, as described below, that results from an Event of Default under the Subordinated Indenture, the rights of the holders of the Common Trust Securities to payment of distributions and upon liquidation or redemption will be subordinated to the rights of the holders of the Preferred Trust Securities. All of the Common Trust Securities of the Trust will be owned by PPL Corporation.

PPL Corporation will fully and unconditionally guarantee payments due on the Preferred Trust Securities through a combination of the following:

- (a) PPL Corporation's guarantee of PPL Capital Funding's obligations under the Subordinated Debt Securities (the "Subordinated Guarantee");
- (b) the rights of holders of Preferred Trust Securities to enforce those obligations;
- (c) PPL Corporation's agreement to pay the expenses of the Trust; and
- (d) PPL Corporation's guarantee of payments due on the Preferred Trust Securities to the extent of the Trust's assets (the "Preferred Securities Guarantee").

18

The Trust will use the proceeds from the sale of the Preferred Trust Securities and Common Trust Securities to purchase Subordinated Debt Securities from PPL Capital Funding. The Subordinated Debt Securities will be guaranteed by PPL Corporation pursuant to the Subordinated Guarantee described below. The Subordinated Debt Securities will be held in trust for the benefit of holders of the Preferred Trust Securities and Common Trust Securities.

A prospectus supplement relating to the Preferred Trust Securities will

Edgar Filing: PPL CORP - Form 424B5

include specific terms of those securities and of the Subordinated Debt Securities. For a description of some specific terms that will affect both the Preferred Trust Securities and the Subordinated Debt Securities and your rights under each, see "Description of the Subordinated Debt Securities" below.

DISTRIBUTIONS

The only income of the Trust available for distribution to the holders of Preferred Trust Securities will be payments on the Subordinated Debt Securities. If neither PPL Capital Funding nor PPL Corporation makes interest payments on the Subordinated Debt Securities, the Trust will not have funds available to pay distributions on Preferred Trust Securities. The payment of distributions, if and to the extent the Trust has sufficient funds available for the payment of such distributions, is guaranteed on a limited basis by PPL Corporation as described under "Description of the Preferred Securities Guarantee."

So long as no Event of Default under the Subordinated Indenture has occurred and is continuing, PPL Capital Funding may extend the interest payment period from time to time on the Subordinated Debt Securities for one or more periods. As a consequence, distributions on Preferred Trust Securities would be deferred during any such period. Interest would, however, continue to accrue. During any extended interest period, or for so long as an "Event of Default" under the Subordinated Indenture resulting from a payment default or any payment default under the Preferred Securities Guarantee has occurred and is continuing, PPL Corporation may not:

- (a) declare or pay any dividend or distribution on its capital stock, other than dividends paid in shares of capital stock of PPL Corporation;

- (b) redeem, purchase, acquire or make a liquidation payment with respect to any of its capital stock;

- (c) pay any principal, interest or premium on, or repay, repurchase or redeem any debt securities that are equal or junior in right of payment with the Subordinated Guarantees; or

- (d) make any payments with respect to any guarantee of debt securities by PPL Corporation if such guarantee is equal or junior in right of payment to the Subordinated Guarantees.

Before an extension period ends, PPL Capital Funding may further extend the interest payment period. No extension period as further extended may exceed 20 consecutive quarters. After any extension period and the payment of all amounts then due, PPL Capital Funding may select a new extended interest payment period. No interest period may be extended beyond the maturity of the Subordinated Debt Securities.

REDEMPTION

Whenever Subordinated Debt Securities are repaid, whether at maturity or earlier redemption, the Property Trustee will apply the proceeds to redeem a like amount of Preferred Trust Securities and Common Trust Securities.

Preferred Trust Securities will be redeemed at the redemption price plus accrued and unpaid distributions with the proceeds from the contemporaneous redemption of Subordinated Debt Securities. Redemptions of the Preferred Trust Securities will be made on a redemption date only if the Trust has funds available for the payment of the redemption price plus accrued and unpaid distributions.

Holders of Preferred Trust Securities will be given not less than 30 nor more than 60 days' notice of any redemption. On or before the redemption date,

Edgar Filing: PPL CORP - Form 424B5

the Trust will irrevocably deposit with the paying agent for

19

Preferred Trust Securities sufficient funds and will give the paying agent irrevocable instructions and authority to pay the redemption price plus accrued and unpaid distributions to the holders upon surrender of their Preferred Trust Securities. Distributions payable on or before a redemption date will be payable to the holders on the record date for the distribution payment. If notice is given and funds are deposited as required, then on the redemption date all rights of holders of the Preferred Trust Securities called for redemption will cease, except the right of the holders to receive the redemption price plus accrued and unpaid distributions, and the Preferred Trust Securities will cease to be outstanding. No interest will accrue on amounts payable on the redemption date. In the event that any date fixed for redemption of Preferred Trust Securities is not a business day, then payment will be made on the next business day, except that, if such business day falls in the next calendar year, then payment will be made on the immediately preceding business day. No interest will be payable because of any such delay. If payment of Preferred Trust Securities called for redemption is improperly withheld or refused and not paid either by the Trust or by PPL Corporation pursuant to the Preferred Securities Guarantee, distributions on such Preferred Trust Securities will continue to accrue to the date of payment. The actual payment date will be considered the date fixed for redemption for purposes of calculating the redemption price plus accrued and unpaid distributions.

Subject to applicable law, including United States federal securities law, PPL Corporation or its affiliates may at any time and from time to time purchase outstanding Preferred Trust Securities by tender, in the open market or by private agreement.

If Preferred Trust Securities are partially redeemed on a redemption date, a corresponding percentage of the Common Trust Securities will be redeemed. The particular Preferred Trust Securities to be redeemed will be selected not more than 60 days prior to the redemption date by the Property Trustee by such method as the Property Trustee shall deem fair, taking into account the denominations in which they were issued. The Property Trustee will promptly notify the Preferred Trust Security registrar in writing of the Preferred Trust Securities selected for redemption and, where applicable, the partial amount to be redeemed.

SUBORDINATION OF COMMON TRUST SECURITIES

Payment of distributions on, and the redemption price, plus accrued and unpaid distributions, of, the Preferred Trust Securities and Common Trust Securities shall be made pro rata based on the liquidation preference amount of such securities. However, if on any distribution payment date or redemption date an event of default under the Trust Agreement resulting from an event of default under the Subordinated Indenture has occurred and is continuing, no payment on any Common Trust Security shall be made until all payments due on the Preferred Trust Securities have been made. In that case, funds available to the Property Trustee shall first be applied to the payment in full of all distributions on, or the redemption price plus accrued and unpaid distributions of, Preferred Trust Securities then due and payable.

If an event of default under the Trust Agreement results from an event of default under the Subordinated Indenture, the holder of Common Trust Securities cannot take action with respect to the Trust Agreement default until the effect of all defaults with respect to Preferred Trust Securities has been cured,

Edgar Filing: PPL CORP - Form 424B5

waived or otherwise eliminated. Until the event of default under the Trust Agreement with respect to Preferred Trust Securities has been cured, waived or otherwise eliminated, the Property Trustee shall, to the fullest extent permitted by law, act solely on behalf of the holders of Preferred Trust Securities and not the holders of the Common Trust Securities, and only holders of Preferred Trust Securities will have the right to direct the Property Trustee to act on their behalf.

LIQUIDATION DISTRIBUTION UPON DISSOLUTION

The Trust shall dissolve and shall be liquidated by the Property Trustee on the first to occur of:

- (a) the expiration of the term of the Trust;
- (b) the bankruptcy, dissolution or liquidation of PPL Corporation;
- (c) the redemption of all of the Preferred Trust Securities;

20

(d) the entry of an order for dissolution of the Trust by a court of competent jurisdiction; and

- (e) the election of PPL Corporation at any time.

If a dissolution of the Trust occurs, the Trust will be liquidated by the Property Trustee as expeditiously as the Property Trustee determines to be appropriate. If a dissolution of the Trust occurs other than by redemption of all the Preferred Trust Securities, the Property Trustee will provide for the satisfaction of liabilities of creditors, if any, and distribute to each holder of the Preferred Trust Securities and Common Trust Securities a proportionate amount of Subordinated Debt Securities. If a distribution of Subordinated Debt Securities is determined by the Property Trustee not to be practical, holders will be entitled to receive, out of the assets of the Trust after adequate provision for the satisfaction of liabilities of creditors, if any, an amount equal to the aggregate liquidation preference of the Preferred Trust Securities plus accrued and unpaid distributions thereon to the date of payment. If this liquidation distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate liquidation distribution, then the amounts payable by the Trust on the Preferred Trust Securities shall be paid on a pro rata basis. PPL Corporation, as holder of the Common Trust Securities, will be entitled to receive distributions upon any dissolution pro rata with the holders of the Preferred Trust Securities, except that if an Event of Default (or event that, with the lapse of time or giving of notice, would become such an Event of Default) has occurred and is continuing under the Subordinated Indenture, the Preferred Trust Securities will have a preference over the Common Trust Securities.

EVENTS OF DEFAULT; NOTICE

Any one of the following events will be an event of default under the Trust Agreement whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body:

- (a) the occurrence of an Event of Default as described in the Subordinated Indenture;
- (b) default by the Trust in the payment of any distribution when it

Edgar Filing: PPL CORP - Form 424B5

becomes due and payable, and continuation of that default for a period of 30 days;

(c) default by the Trust in the payment of any redemption price, plus accrued and unpaid distributions, of any Preferred Trust Security or Common Trust Security when it becomes due and payable;

(d) default in the performance, or breach, in any material respect, of any covenant or warranty of the trustees under the Trust Agreement which is not dealt with above, and the continuation of that default or breach for a period of 90 days after written notice to the Trust and PPL Corporation by the holders of Preferred Trust Securities having at least 25% of the total liquidation preference amount of the outstanding Preferred Trust Securities; or

(e) the occurrence of certain events of bankruptcy or insolvency with respect to the Trust.

Within 90 days after the occurrence of any event of default actually known to the Property Trustee, the Property Trustee shall transmit to the holders of Preferred Trust Securities, PPL Capital Funding, PPL Corporation and the Administrative Trustees notice of any such default, unless that default will have been cured or waived.

A holder of Preferred Trust Securities may directly institute a proceeding to enforce payment when due directly to the holder of the Preferred Trust Securities of the principal of or interest on Subordinated Debt Securities having a principal amount equal to the aggregate liquidation preference amount of the holder's Preferred Trust Securities. The holders of Preferred Trust Securities have no other rights to exercise directly any other remedies available to the holder of the Subordinated Debt Securities unless the trustees under the Trust Agreement fail to do so.

21

REMOVAL OF TRUSTEES

Unless an event of default under the Subordinated Indenture has occurred and is continuing, the holder of the Common Trust Securities may remove any trustee under the Trust Agreement at any time. If an event of default under the Subordinated Indenture has occurred and is continuing, the holders of a majority of the total liquidation preference amount of the outstanding Preferred Trust Securities may remove the Property Trustee or the Delaware Trustee, or both of them. The holder of the Common Trust Securities may remove any Administrative Trustee at any time. Any resignation or removal of a trustee under the Trust Agreement will take effect only on the acceptance of appointment by the successor trustee.

Holders of Preferred Trust Securities will have no right to appoint or remove the Administrative Trustees of the Trust, who may be appointed, removed or replaced solely by PPL Corporation as the holder of the Common Trust Securities.

VOTING RIGHTS

Except as provided below and under "Description of the Preferred Securities Guarantee--Amendments and Assignments," and as otherwise required by law or the Trust Agreement, the holders of Preferred Trust Securities will have no voting rights.

Edgar Filing: PPL CORP - Form 424B5

While Subordinated Debt Securities are held by the Property Trustee, the Property Trustee will not:

(a) direct the time, method and place to conduct any proceeding for any remedy available to the Subordinated Indenture Trustee, or execute any trust or power conferred on the Subordinated Indenture Trustee with respect to the Subordinated Debt Securities;

(b) waive any past default under the Subordinated Indenture;

(c) exercise any right to rescind or annul a declaration that the principal of all the Subordinated Debt Securities will be due and payable; or

(d) consent to any amendment, modification or termination of the Subordinated Indenture or the Subordinated Debt Securities, where that consent will be required;

without, in each case, obtaining the prior approval of the holders of Preferred Trust Securities having at least a majority of the liquidation preference amount of all outstanding Preferred Trust Securities. Where a consent of each holder of Subordinated Debt Securities affected is required, no consent shall be given by the Property Trustee without the prior consent of each holder of the Preferred Trust Securities affected. The Trustees shall not revoke any action previously authorized or approved by a vote of the holders of Preferred Trust Securities, except pursuant to the subsequent vote of the holders of Preferred Trust Securities. If the Property Trustee fails to enforce its rights under the Subordinated Debt Securities or the Trust Agreement, a holder of the Preferred Trust Securities may institute a legal proceeding directly against PPL Capital Funding or PPL Corporation, as the case may be, to enforce the Property Trustee's rights under the Subordinated Debt Securities or the Trust Agreement without first instituting any legal proceeding against the Property Trustee or anyone else. The Property Trustee shall notify all holders of Preferred Trust Securities of any notice of default received from the Subordinated Indenture Trustee. The Property Trustee shall not take any action approved by the consent of the holders without an opinion of counsel experienced in those matters to the effect that the Trust will be classified as a grantor trust and not as an association taxable as a corporation for United States federal income tax purposes on account of that action.

Holders of Preferred Trust Securities may give any required approval at a meeting convened for such purpose or by written consent without prior notice. The Administrative Trustees will give notice of any meeting at which holders of Preferred Trust Securities are entitled to vote.

No vote or consent of the holders of Preferred Trust Securities will be required for the Trust to redeem and cancel Preferred Trust Securities in accordance with the Trust Agreement.

Notwithstanding that holders of Preferred Trust Securities are entitled to vote or consent under any of the circumstances described above, any Preferred Trust Securities that are owned by PPL Capital Funding, PPL

Corporation or any affiliate of any of them, shall be treated as if they were not outstanding for purposes of such vote or consent.

AMENDMENTS

Edgar Filing: PPL CORP - Form 424B5

The Trust Agreement may be amended from time to time by a majority of the Administrative Trustees and PPL Corporation, without the consent of any holders of Preferred Trust Securities:

(a) to cure any ambiguity, correct inconsistent provisions or make any other provisions with respect to matters or questions arising under the Trust Agreement; or

(b) to change the name of the Trust; or

(c) to modify, eliminate or add to any provisions of the Trust Agreement to the extent necessary to ensure that the Trust will not be classified for United States federal income tax purposes other than as a grantor trust (and not an association taxable as a corporation) at all times that any Preferred Trust Securities and Common Trust Securities are outstanding or to ensure the Trust's exemption from the status of an "investment company" under the Investment Company Act of 1940.

No amendment described above may materially adversely affect the interests of any holder of Preferred Trust Securities and Common Trust Securities without such holder's consent. Any of the amendments of the Trust Agreement described in paragraph (a) above shall become effective when notice of the amendment is given to the holders of Preferred Trust Securities and Common Trust Securities.

Except as provided below, any provision of the Trust Agreement may be amended by the Administrative Trustees and PPL Corporation with:

(a) the consent of holders of Preferred Trust Securities and Common Trust Securities representing not less than a majority in aggregate liquidation preference amount of the Preferred Trust Securities and Common Trust Securities then outstanding; and

(b) receipt by the trustees of an opinion of counsel to the effect that such amendment or the exercise of any power granted to the trustees in accordance with the amendment will not affect the Trust's status as a grantor trust for federal income tax purposes or affect the Trust's exemption from status of an "investment company" under the Investment Company Act of 1940.

Each affected holder of Preferred Trust Securities or Common Trust Securities must have consented to any amendment to the Trust Agreement that:

(a) adversely changes the amount or timing of any distribution with respect to Preferred Trust Securities or Common Trust Securities or otherwise adversely affects the amount of any distribution required to be made in respect of Preferred Trust Securities and Common Trust Securities as of a specified date; or

(b) restricts the right of a holder of Preferred Trust Securities or Common Trust Securities to institute suit for the enforcement of any such payment on or after that date.

FORM, EXCHANGE AND TRANSFER

Preferred Trust Securities may be exchanged for other Preferred Trust Securities in any authorized denomination and of like tenor and aggregate liquidation preference.

Subject to the terms of the Trust Agreement, Preferred Trust Securities may be presented for exchange as provided above or for registration of transfer, duly endorsed or accompanied by a duly executed instrument of transfer, at the office of the Preferred Trust Security registrar. The Administrative Trustees

Edgar Filing: PPL CORP - Form 424B5

may designate PPL Corporation or PPL Capital Funding or any affiliate of either of them as the Preferred Trust Security registrar. The Property Trustee will initially act as the Preferred Trust Security registrar and transfer agent. No service charge will be made for any registration of transfer or exchange of Preferred Trust Securities, but the Preferred Trust Security registrar may require payment of a sum sufficient to cover any tax or other

23

governmental charge payable in connection with the transfer or exchange. A transfer or exchange will be made when the Preferred Trust Security registrar and Administrative Trustees are satisfied with the documents of title and identity of the person making the request. The Administrative Trustees may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that PPL Corporation will, or will cause the Preferred Trust Security registrar to, maintain an office or agency in The City of New York where Preferred Trust Securities may be transferred or exchanged.

The Trust will not be required to (1) issue, register the transfer of, or exchange any Preferred Trust Securities during the 15 calendar days before the mailing of a notice of redemption of any Preferred Trust Securities called for redemption and ending at the close of business on the day the notice is mailed or (2) register the transfer of or exchange any Preferred Trust Securities so selected for redemption, in whole or in part, except the unredeemed portion of any Preferred Trust Securities being redeemed in part.

PAYMENT OF PREFERRED TRUST SECURITIES AND PAYING AGENT

Unless we indicate differently in a prospectus supplement, payments in respect of the Preferred Trust Securities will be made on the applicable distribution dates by check mailed to the address of the holder entitled thereto as such address appears on the Preferred Trust Security register. The paying agent shall initially be the Property Trustee and any co-paying agent chosen by the Property Trustee and acceptable to the Administrative Trustees, PPL Capital Funding and PPL Corporation, which may be PPL Corporation or PPL Capital Funding. The paying agent may resign upon 30 days' written notice to the Administrative Trustees, the Property Trustee, PPL Capital Funding and PPL Corporation. In the event that the Property Trustee shall no longer be the paying agent, the Administrative Trustees shall appoint a successor, which shall be a bank, trust company or affiliate of PPL Corporation acceptable to the Property Trustee, PPL Capital Funding and PPL Corporation to act as paying agent.

DUTIES OF THE TRUSTEES

The Delaware Trustee will act as the resident trustee in the State of Delaware and will have no other significant duties. The Property Trustee will hold the Subordinated Debt Securities on behalf of the Trust and will maintain a payment account with respect to the Preferred Trust Securities and Common Trust Securities, and will also act as trustee under the Trust Agreement for the purposes of the Trust Indenture Act.

The Administrative Trustees of the Trust are authorized and directed to conduct the affairs of the Trust and to operate the Trust so that (i) the Trust will not be deemed to be an "investment company" required to be registered under the Investment Company Act, (ii) the Trust will not be taxed as a corporation, (iii) the Trust will not be classified as other than a grantor trust for United States federal income tax purposes and (iv) the Subordinated Debt Securities will be treated as indebtedness of PPL Capital Funding for United States federal

Edgar Filing: PPL CORP - Form 424B5

income tax purposes. In this regard, PPL Corporation and the Administrative Trustees are authorized to take any action, not inconsistent with applicable law, the certificate of trust or the Trust Agreement, that PPL Corporation and the Administrative Trustees determine in their discretion to be necessary or desirable for those purposes, as long as the action does not materially adversely affect the interests of the holders of the Preferred Trust Securities.

MISCELLANEOUS

Holders of the Preferred Trust Securities have no preemptive or similar rights.

GOVERNING LAW

The Trust Agreement, the Preferred Trust Securities and the Common Trust Securities provide that they are to be governed by and construed in accordance with the laws of the State of Delaware.

24

DESCRIPTION OF THE PREFERRED SECURITIES GUARANTEE

Selected provisions of the Preferred Securities Guarantee that PPL Corporation will execute and deliver for the benefit of the holders of the Preferred Trust Securities are summarized below. The summary is not complete. The form of Preferred Securities Guarantee was filed with the SEC and you should read the Preferred Securities Guarantee for provisions that may be important to you. The Preferred Securities Guarantee will be qualified as an indenture under the Trust Indenture Act. You should refer to the Trust Indenture Act for provisions that apply to the Preferred Securities Guarantee. Whenever particular defined terms of the Preferred Securities Guarantee are referred to, those defined terms are incorporated herein by reference.

The Chase Manhattan Bank will act as Guarantee Trustee under the Preferred Securities Guarantee. The Guarantee Trustee will hold the Preferred Securities Guarantee for the benefit of the holders of the Preferred Trust Securities.

GENERAL

PPL Corporation will irrevocably, fully and unconditionally agree to make the guarantee payments listed below in full to the holders of the Preferred Trust Securities if they are not made by the Trust, as and when due, regardless of any defense, right of set-off or counterclaim that the Trust may have or assert. The following payments will be subject to the Preferred Securities Guarantee (without duplication):

(a) any accrued and unpaid distributions required to be paid on Preferred Trust Securities, to the extent the Trust has funds available therefor;

(b) the redemption price, plus all accrued and unpaid distributions, for any Preferred Trust Securities called for redemption by the Trust, to the extent the Trust has funds available therefor; and

(c) upon a voluntary or involuntary dissolution, winding-up or termination of the Trust (except in connection with the distribution of Subordinated Debt Securities to the holders in exchange for Preferred Trust Securities as provided in the Trust Agreement or upon a redemption of all of the Preferred Trust Securities upon maturity or redemption of the

Edgar Filing: PPL CORP - Form 424B5

Subordinated Debt Securities as provided in the Trust Agreement), the lesser of:

(1) the aggregate of the liquidation preference and all accrued and unpaid distributions on Preferred Trust Securities to the date of payment, to the extent the Trust has funds available therefor; and

(2) the amount of assets of the Trust remaining available for distribution to holders of Preferred Trust Securities in liquidation of the Trust after satisfaction of liabilities to creditors of the Trust as required by applicable law.

PPL Corporation's obligation to make a guarantee payment may be satisfied by direct payment of the required amounts by PPL Corporation to the holders of Preferred Trust Securities or by causing the Trust to pay such amounts to those holders.

The Preferred Securities Guarantee will be a guarantee with respect to the Preferred Trust Securities, but will not apply to any payment of distributions if and to the extent that the Trust does not have funds available to make those payments.

If neither PPL Capital Funding nor PPL Corporation makes interest payments on the Subordinated Debt Securities held by the Trust, the Trust will not have funds available to pay distributions on the Preferred Trust Securities. The Preferred Securities Guarantee will rank subordinate and junior in right of payment to all other liabilities of PPL Corporation (except those made *pari passu* or subordinate by their terms). The Preferred Securities Guarantee does not limit PPL Corporation from incurring or issuing additional debt, whether secured or unsecured, senior to or equal in right of payment to the Preferred Securities Guarantee in the future.

25

PPL Corporation will agree to provide funds to the Trust as needed to pay costs, expenses or liabilities of the Trust to parties other than holders of Preferred Trust Securities or Common Trust Securities. The Subordinated Debt Securities, the Subordinated Guarantees and the Preferred Securities Guarantee, together with the obligations of PPL Corporation with respect to the Preferred Trust Securities under the Subordinated Indenture, the Trust Agreement, the Preferred Securities Guarantee, including the agreement by PPL Corporation to pay expenses and obligations of the Trust to parties (other than holders of Preferred Trust Securities or Common Trust Securities), constitute a full and unconditional guarantee of the Preferred Trust Securities by PPL Corporation. No single document standing alone or operating in conjunction with fewer than all of the other documents constitutes that guarantee. It is only the combined operation of these documents that has the effect of providing a full and unconditional guarantee by PPL Corporation of the Preferred Trust Securities.

AMENDMENTS AND ASSIGNMENT

No consent of holders of Preferred Trust Securities is required for changes to the Preferred Securities Guarantee that do not materially adversely affect their rights. Other terms of the Preferred Securities Guarantee may be changed only with the prior approval of the holders of the Preferred Trust Securities having at least a majority of the liquidation preference amount of the outstanding Preferred Trust Securities. All guarantees and agreements contained in the Preferred Securities Guarantee will bind the successors, assigns, receivers, trustees and representatives of PPL Corporation and will inure to the benefit of the holders of the Preferred Trust Securities then outstanding.

Edgar Filing: PPL CORP - Form 424B5

EVENTS OF DEFAULT

An event of default under the Preferred Securities Guarantee will occur if PPL Corporation fails to perform any of its payment or other obligations under the Preferred Securities Guarantee and has not cured such failure within 90 days of receipt of notice thereof. The holders of the Preferred Trust Securities having a majority of the liquidation preference of the Preferred Trust Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee under the Preferred Securities Guarantee or to direct the exercise of any trust or power conferred upon the Guarantee Trustee under the Preferred Securities Guarantee.

Any holder of the Preferred Trust Securities may enforce the Preferred Securities Guarantee, or institute a legal proceeding directly against PPL Corporation to enforce the Guarantee Trustee's rights under the Preferred Securities Guarantee without first instituting a legal proceeding against the Trust, the Guarantee Trustee or anyone else.

PPL Corporation will be required to file an annual statement with the Guarantee Trustee as to its compliance with the Preferred Securities Guarantee.

DUTIES OF THE GUARANTEE TRUSTEE

The Guarantee Trustee will undertake to perform only those duties specifically set forth in the Preferred Securities Guarantee until a default occurs. After a default under the Preferred Securities Guarantee, the Guarantee Trustee must exercise the same degree of care in its duties as a prudent individual would exercise in the conduct of his or her own affairs. The Preferred Securities Guarantee Trustee is under no obligation to exercise any of the powers vested in it by the Preferred Securities Guarantee at the request of any holder of the Preferred Trust Securities unless it is offered reasonable indemnity against the costs, expenses and liabilities that it might incur.

TERMINATION OF THE PREFERRED SECURITIES GUARANTEE

The Preferred Securities Guarantee will terminate and be of no further force and effect upon:

(a) full payment of the redemption price, plus accrued and unpaid distributions, for all the Preferred Trust Securities;

26

(b) the distribution of Subordinated Debt Securities to holders of the Preferred Trust Securities in exchange for all of the Preferred Trust Securities; or

(c) full payment of the amounts payable upon liquidation of the Trust.

The Preferred Securities Guarantee will continue to be effective or will be reinstated, as the case may be, if at any time any holder of Preferred Trust Securities must restore payment of any sums paid under the Preferred Trust Securities or the Preferred Securities Guarantee.

STATUS OF THE PREFERRED SECURITIES GUARANTEE

The Preferred Securities Guarantee will be an unsecured obligation of PPL Corporation and will rank:

Edgar Filing: PPL CORP - Form 424B5

(a) subordinate and junior in right of payment to all other liabilities of PPL Corporation, including the Subordinated Guarantees;

(b) equal in right of payment with the most senior preferred or preference stock that may be issued by PPL Corporation and with any guarantee that may be entered into by PPL Corporation in respect of any preferred or preference stock of any affiliate of PPL Corporation; and

(c) senior to PPL Corporation common stock.

The Trust Agreement provides that by accepting Preferred Trust Securities, a holder agrees to the subordination provisions and other terms of the Preferred Securities Guarantee.

The Preferred Securities Guarantee will be a guarantee of payment and not of collection, that is, the guaranteed party may institute a legal proceeding directly against PPL Corporation to enforce its rights under the Preferred Securities Guarantee without first instituting a legal proceeding against anyone else.

Because PPL Corporation is a holding company that conducts all of its operations through subsidiaries, obligations under the Preferred Securities Guarantee, as obligations of a holding company, will generally have a position junior to claims of creditors and preferred stockholders of the subsidiaries of PPL Corporation. See "PPL Corporation---Holding Company Structure" above.

GOVERNING LAW

The Preferred Securities Guarantee provides that it is to be governed by and construed in accordance with the laws of the State of New York.

DESCRIPTION OF THE SUBORDINATED DEBT SECURITIES

The Subordinated Indenture and its associated documents contain the full legal text of the matters described in this section. Because this section is a summary, it does not describe every aspect of the Subordinated Debt Securities or the Subordinated Indenture. The form of the Subordinated Indenture has been filed with the SEC, and you should read the Subordinated Indenture for provisions that may be important to you. The Subordinated Indenture will be qualified under the Trust Indenture Act. You should refer to the Trust Indenture Act for provisions that apply to the Subordinated Debt Securities.

This summary is subject to and qualified in its entirety by reference to all the provisions of the Subordinated Indenture, including definitions of certain terms used in the Subordinated Indenture. We also include references in parentheses to certain sections of the Subordinated Indenture. Whenever we refer to particular sections or defined terms of the Subordinated Indenture in this prospectus or in a prospectus supplement, such sections or defined terms are incorporated by reference herein or in the prospectus supplement. This summary also is subject to and qualified by reference to the description of the particular terms of your securities described in the applicable prospectus supplement or supplements.

GENERAL

The Subordinated Debt Securities, including any Subordinated Debt Securities which the Property Trustee will hold on behalf of the Trust as trust

Edgar Filing: PPL CORP - Form 424B5

assets, will be issued under the Subordinated Indenture (the "Subordinated Indenture") among PPL Capital Funding, PPL Corporation and The Chase Manhattan Bank, as Trustee (the "Subordinated Indenture Trustee"). The Subordinated Indenture provides for the issuance from time to time of subordinated debt in an unlimited amount. The Subordinated Debt Securities and all other subordinated debt issued previously or hereafter under the Subordinated Indenture are collectively referred to as the "Subordinated Indenture Securities." Subordinated Debt Securities issued to the Trust will constitute a separate series under the Subordinated Indenture and will be limited in aggregate principal amount to the sum of the aggregate liquidation preference amount of the Preferred Trust Securities and the consideration paid by PPL Corporation for the Common Trust Securities.

The Subordinated Debt Securities will be unsecured, subordinated obligations of PPL Capital Funding which rank junior to all of PPL Capital Funding's Senior Indebtedness (as defined herein). The Subordinated Debt Securities will be unconditionally guaranteed by PPL Corporation as to payment of principal, and any interest and premium pursuant to subordinated guarantees ("Subordinated Guarantees") of PPL Corporation which rank junior to all of PPL Corporation's Senior Indebtedness (as defined herein). See "--Subordinated Guarantees."

Prior to the issuance of each series, certain aspects of the particular securities have to be specified in a supplemental indenture, in a board resolution of PPL Capital Funding, or in one or more officer's certificates of PPL Capital Funding pursuant to a supplemental indenture or a board resolution. We refer you to the applicable prospectus supplement(s) for a description of the following terms of the series of Subordinated Debt Securities:

- (a) the title of such Subordinated Debt Securities;
- (b) any limit upon the principal amount of such Subordinated Debt Securities;
- (c) the date or dates on which principal will be payable or how to determine such dates;
- (d) the rate or rates or method of determination of interest; the date from which interest will accrue; the dates on which interest will be payable ("Subordinated Debt Securities Interest Payment Dates"); and any record dates for the interest payable on such Subordinated Debt Securities Interest Payment Dates;
- (e) any obligation or option of PPL Capital Funding to redeem, purchase or repay Subordinated Debt Securities, or any option of the Holder to require PPL Capital Funding to redeem or repurchase Subordinated Debt Securities, and the terms and conditions upon which such Subordinated Debt Securities will be redeemed, purchased or repaid;
- (f) the denominations in which such Subordinated Debt Securities will be issuable (if other than denominations of \$25 and any integral multiple thereof);
- (g) whether such Subordinated Debt Securities are to be issued in whole or in part in the form of one or more global Subordinated Debt Securities and, if so, the identity of the depository for such global Subordinated Debt Securities; and
- (h) any other terms of such Subordinated Debt Securities.

(See Section 301.)

Edgar Filing: PPL CORP - Form 424B5

SUBORDINATION

The Subordinated Debt Securities will be subordinate and junior in right of payment to all Senior Indebtedness of PPL Capital Funding. (See Article Fifteen.) No payment of the principal (including redemption and sinking fund payments) of, or interest on, the Subordinated Debt Securities may be made by

28

PPL Capital Funding until all holders of Senior Indebtedness of PPL Capital Funding have been paid, if any of the following occurs:

- (a) certain events of bankruptcy, insolvency or reorganization of PPL Capital Funding;
- (b) any Senior Indebtedness of PPL Capital Funding is not paid when due and that default continues without waiver;
- (c) any other default has occurred and continues without waiver pursuant to which the holders of Senior Indebtedness of PPL Capital Funding are permitted to accelerate the maturity of such Senior Indebtedness; or
- (d) the maturity of any other series of subordinated debentures under the Subordinated Indenture has been accelerated, because of an event of default which remains uncured.

Upon any distribution of assets of PPL Capital Funding to creditors in connection with any insolvency, bankruptcy or similar proceeding, all principal of, and premium, if any, and interest due or to become due on all Senior Indebtedness of PPL Capital Funding must be paid in full before the holders of the Subordinated Debt Securities are entitled to receive or retain any payment from such distribution.

Senior Indebtedness, when used with respect to PPL Capital Funding or PPL Corporation, is defined in the Subordinated Indenture to include all obligations of PPL Capital Funding or PPL Corporation, as the case may be, for borrowed money, or guarantees of the same, or for the payment of money pursuant to capital leases, unless such obligation or guarantee expressly provides that it is not superior to or equal in right of payment to the Subordinated Debt Securities or the Subordinated Guarantees, as the case may be. The obligations of PPL Corporation under the Preferred Securities Guarantee shall not be deemed to be Senior Indebtedness. (See Section 101.)

The Subordinated Indenture does not limit the aggregate amount of Senior Indebtedness that may be issued. As of December 31, 2000, PPL Capital Funding had approximately \$2.068 billion principal amount of indebtedness for borrowed money constituting its Senior Indebtedness, and PPL Corporation had approximately \$2.439 billion principal amount of obligations constituting its Senior Indebtedness (including guarantees of indebtedness of PPL Capital Funding and certain of PPL Corporation's other subsidiaries).

SUBORDINATED GUARANTEES

PPL Corporation will unconditionally guarantee the payment of principal of and any interest and premium on the Subordinated Debt Securities, when due and payable, whether at the stated maturity date, by declaration of acceleration, call for redemption or otherwise, in accordance with the terms of such Subordinated Debt Securities and the Subordinated Indenture. The Subordinated Guarantees will remain in effect until the entire principal of and any premium and interest on the Subordinated Debt Securities has been paid in full or

Edgar Filing: PPL CORP - Form 424B5

otherwise discharged in accordance with the provisions of the Subordinated Indenture. (See Article Fourteen.)

The Subordinated Guarantees will be subordinate and junior in right of payment to all Senior Indebtedness of PPL Corporation. No payment of the principal (including redemption and sinking fund payments) of, or interest on, the Subordinated Debt Securities may be made by PPL Corporation under the Subordinated Guarantees until all holders of Senior Indebtedness of PPL Corporation have been paid, if any of the following occurs:

(a) certain events of bankruptcy, insolvency or reorganization of PPL Corporation;

(b) any Senior Indebtedness of PPL Corporation is not paid when due and that default continues without waiver;

(c) any other default has occurred and continues without waiver pursuant to which the holders of Senior Indebtedness of PPL Corporation are permitted to accelerate the maturity of such Senior Indebtedness; or

29

(d) the maturity of any other series of subordinated debentures under the Subordinated Indenture which has been guaranteed by PPL Corporation and has been accelerated, because of an event of default which remains uncured.

Upon any distribution of assets of PPL Corporation to creditors in connection with any insolvency, bankruptcy or similar proceeding, all principal of, and premium, if any, and interest due or to become due on all Senior Indebtedness of PPL Corporation must be paid in full before the holders of the Subordinated Debt Securities are entitled to receive or retain any payment from such distribution.

PAYMENT OF SUBORDINATED DEBT SECURITIES

INTEREST

Unless we indicate differently in a prospectus supplement, we will pay interest on each Subordinated Debt Security on each Subordinated Debt Securities Interest Payment Date by check mailed to the Holder of the Subordinated Debt Securities as of the close of business on the regular record date relating to such Subordinated Debt Securities Interest Payment Date, except, that interest payable at Maturity will be paid to the person to whom principal is paid.

However, if we default in paying interest on a Subordinated Debt Security, we will pay defaulted interest in either of the two following ways:

(a) We will first propose to the Subordinated Indenture Trustee a payment date for such defaulted interest. Next, the Subordinated Indenture Trustee will choose a Special Record Date for determining which Holders are entitled to the payment. The Special Record Date will be between 10 and 15 days before the payment date we propose. Finally, we will pay such defaulted interest on the payment date to the Holder of the Subordinated Debt Security as of the close of business on the Special Record Date.

(b) Alternatively, we can propose to the Subordinated Indenture Trustee any other lawful manner of payment that is consistent with the requirements of any securities exchange on which such Subordinated Debt Securities are listed for trading. If the Subordinated Indenture Trustee thinks the proposal is practicable, payment will be made as proposed.

Edgar Filing: PPL CORP - Form 424B5

(See Section 307.)

PRINCIPAL

Unless we indicate differently in a prospectus supplement, we will pay principal of and any interest and premium on the Subordinated Debt Securities at Maturity upon presentation of the Subordinated Debt Securities at the office of The Chase Manhattan Bank in New York, New York, as our Paying Agent. Any other Paying Agent initially designated for the Subordinated Debt Securities of a particular series will be named in the applicable prospectus supplement.

In our discretion, we may change the place of payment on the Subordinated Debt Securities, and may remove any Paying Agent and may appoint one or more additional Paying Agents (including PPL Capital Funding, PPL Corporation or any affiliate of either of them). (See Section 602.)

OPTION TO EXTEND INTEREST PAYMENT PERIOD

So long as no Event of Default under the Subordinated Indenture has occurred and is continuing, PPL Capital Funding may extend the interest payment period from time to time on the Subordinated Debt Securities for one or more periods. As a consequence, distributions on Preferred Trust Securities would be deferred during any extension period. Interest would, however, continue to accrue. During any extended interest period, or for so long as an "Event of Default" under the Subordinated Indenture resulting from a

30

payment default or a payment default under the Preferred Securities Guarantee has occurred and is continuing, PPL Corporation may not:

- (a) declare or pay any dividend or distribution on its capital stock, other than dividends paid in shares of capital stock of PPL Corporation;
- (b) redeem, purchase, acquire or make a liquidation payment with respect to any of its capital stock;
- (c) pay any principal, interest or premium on, or repay, repurchase or redeem any debt securities that are equal or junior in right of payment with the Subordinated Guarantees; or
- (d) make any payments with respect to any guarantee of debt securities by PPL Corporation if such guarantee is equal or junior in right of payment to the Subordinated Guarantees.

(See Section 312.)

Before an extension period ends, PPL Capital Funding may further extend the interest payment period. No extension period as further extended may exceed 20 consecutive quarters. After any extension period and the payment of all amounts then due, PPL Capital Funding may select a new extended interest payment period. No interest period may be extended beyond the maturity of the Subordinated Debt Securities. PPL Capital Funding will give the Trust and the Subordinated Indenture Trustee notice of its election of an extension period prior to the earlier of (i) one business day before the record date for the distribution which would occur if PPL Capital Funding did not make the election to extend or (ii) the date the Administrative Trustees are required to give notice to any securities exchange or any other applicable self-regulatory organization of the record date. The Property Trustee shall send notice of that election to the

Edgar Filing: PPL CORP - Form 424B5

holders of Preferred Trust Securities.

ADDITIONAL INTEREST

So long as any Preferred Trust Securities remain outstanding, if the Trust is required to pay any taxes, duties, assessments or governmental charges imposed by the United States or any other taxing authority on income derived from the interest payments on the Subordinated Debt Securities, then PPL Capital Funding will pay as interest on the Subordinated Debt Securities any additional interest that may be necessary in order that the net amounts retained by the Trust after the payment of those taxes, duties, assessments or governmental charges will be the same as the Trust would have had in the absence of such payment. (See Section 313.)

FORM; TRANSFERS; EXCHANGES

Unless we indicated differently in a prospectus supplement, the Subordinated Debt Securities will be issued

- (a) only in fully registered form;
- (b) without interest coupons; and
- (c) in denominations that are even multiples of \$25. (See Section 302.)

Unless we indicate differently in a prospectus supplement, Subordinated Debt Securities may be exchanged at the office of the Subordinated Indenture Trustee. The Subordinated Indenture Trustee will also act as our agent for registering Subordinated Debt Securities in the names of holders and transferring debt securities. We may appoint another agent or act as our own agent for this purpose. The entity performing the role of maintaining the list of registered holders is called the "Subordinated Indenture Registrar." It will also perform transfers.

In our discretion, we may change the place for registration of transfer of the Subordinated Debt Securities and may remove and/or appoint one or more additional Subordinated Indenture Registrars

31

(including PPL Capital Funding, PPL Corporation or any affiliate of either of them). (See Sections 305 and 602.)

Except as otherwise provided in a prospectus supplement, there will be no service charge for any transfer or exchange of the Debt Securities, but you may be required to pay a sum sufficient to cover any tax or other governmental charge payable in connection therewith. We may block the transfer or exchange of (a) Subordinated Debt Securities during a period of 15 days prior to giving any notice of redemption or (b) any Subordinated Debt Security selected for redemption in whole or in part, except the unredeemed portion of any Subordinated Debt Security being redeemed in part. (See Section 305.)

Unless we indicate differently in a prospectus supplement, if Subordinated Debt Securities are distributed to holders of Preferred Trust Securities in a dissolution of the Trust, the Subordinated Debt Securities will be issued in fully registered certificated form in the denominations and integral multiples thereof in which the Preferred Trust Securities have been issued, and they may be transferred or exchanged at the offices of the Subordinated Indenture Trustee.

REDEMPTION

For so long as the Trust is the holder of all the Subordinated Debt Securities, the proceeds of any redemption will be used by the Trust to redeem Preferred Trust Securities and Common Trust Securities in accordance with their terms.

We will set forth any terms for the redemption of Subordinated Debt Securities in a prospectus supplement. Unless we indicate differently in a prospectus supplement, and except with respect to Subordinated Debt Securities redeemable at the option of the Holder, Subordinated Debt Securities will be redeemable upon notice by mail between 30 and 60 days prior to the redemption date. If less than all of the Subordinated Debt Securities of any series or any tranche thereof are to be redeemed, the Subordinated Indenture Trustee will select the Subordinated Debt Securities to be redeemed. In the absence of any provision for selection, the Subordinated Indenture Trustee will choose a method of random selection as it deems fair and appropriate. (See Sections 403 and 404.)

Subordinated Debt Securities will cease to bear interest on the redemption date. PPL Capital Funding will pay the redemption price and any accrued interest once the Subordinated Debt Securities are surrendered for redemption. (See Section 405.) If only part of a Subordinated Debt Security is redeemed, the Subordinated Indenture Trustee will deliver a new Subordinated Debt Security of the same series for the remaining portion without charge. (See Section 406.)

We may make any redemption at the option of PPL Capital Funding conditional upon the receipt by the paying agent, on or prior to the date fixed for redemption, of money sufficient to pay the redemption price. If the paying agent has not received such money by the date fixed for redemption, PPL Capital Funding will not be required to redeem such Subordinated Debt Securities. (See Section 404.)

EVENTS OF DEFAULT

An "Event of Default" occurs with respect to Subordinated Indenture Securities of any series if

(a) we do not pay any interest on any Subordinated Indenture Securities of the applicable series within 30 days of the due date; provided, however, that a valid extension of the interest period by us will not constitute an Event of Default;

(b) we do not pay principal or premium on any Subordinated Indenture Securities of the applicable series on its due date;

(c) we remain in breach of a covenant (excluding covenants solely applicable to a specific series) or warranty of the Subordinated Indenture for 90 days after we receive a written notice of default stating we are in breach and requiring remedy of the breach; the notice must be sent by either the Subordinated Indenture Trustee or Holders of 25% of the principal amount of Subordinated Indenture Securities of the affected series; the Subordinated Indenture Trustee or such Holders can agree to extend the 90-day

period and such an agreement to extend will be automatically deemed to occur if we are diligently pursuing action to correct the default;

Edgar Filing: PPL CORP - Form 424B5

(d) the Subordinated Guarantees of PPL Corporation relating to any Subordinated Indenture Securities of the applicable series

(1) cease to be effective (except in accordance with their terms),

(2) are found in any judicial proceeding to be unenforceable or invalid, or

(3) are denied or disaffirmed (except in accordance with their terms);

(e) we file for bankruptcy or certain other events in bankruptcy, insolvency, receivership or reorganization occur; or

(f) any other Event of Default specified in the prospectus supplement occurs.

(See Section 801.)

No Event of Default with respect to the Subordinated Debt Securities necessarily constitutes an Event of Default with respect to the Subordinated Indenture Securities of any other series issued under the Subordinated Indenture.

REMEDIES

ACCELERATION

Any One Series. If an Event of Default occurs and is continuing with respect to any one series of Subordinated Indenture Securities, then either the Subordinated Indenture Trustee or the Holders of 25% in principal amount of the outstanding Subordinated Indenture Securities of such series may declare the principal amount of all of the Subordinated Indenture Securities of such series to be due and payable immediately.

More Than One Series. If an Event of Default occurs and is continuing with respect to more than one series of Subordinated Indenture Securities, then either the Subordinated Indenture Trustee or the Holders of 25% in aggregate principal amount of the outstanding Subordinated Indenture Securities of all such series, considered as one class, may make such declaration of acceleration. Thus, if there is more than one series affected, the action by 25% in principal amount of the Subordinated Indenture Securities of any particular series will not, in itself, be sufficient to make a declaration of acceleration.

(See Section 802.)

RESCISSION OF ACCELERATION

After the declaration of acceleration has been made and before the Subordinated Indenture Trustee has obtained a judgment or decree for payment of the money due, such declaration and its consequences will be rescinded and annulled, if

(a) we pay or deposit with the Subordinated Indenture Trustee a sum sufficient to pay

(1) all overdue interest;

(2) the principal of and any premium which have become due otherwise than by such declaration of acceleration and overdue interest thereon;

Edgar Filing: PPL CORP - Form 424B5

(3) interest on overdue interest to the extent lawful; and

(4) all amounts due to the Subordinated Indenture Trustee under the Subordinated Indenture; and

33

(b) all Events of Default, other than the nonpayment of the principal which has become due solely by such declaration of acceleration, have been cured or waived as provided in the Subordinated Indenture.

(See Section 802.) For more information as to waiver of defaults, see "--Waiver of Default and of Compliance" below.

CONTROL BY HOLDERS; LIMITATIONS

Subject to the Subordinated Indenture, if an Event of Default with respect to the Subordinated Indenture Securities of any one series occurs and is continuing, the Holders of a majority in principal amount of the outstanding Subordinated Indenture Securities of that series will have the right to

(a) direct the time, method and place of conducting any proceeding for any remedy available to the Subordinated Indenture Trustee, or

(b) exercise any trust or power conferred on the Subordinated Indenture Trustee with respect to the Subordinated Indenture Securities of such series.

If an Event of Default is continuing with respect to more than one series of Subordinated Indenture Securities, the Holders of a majority in aggregate principal amount of the outstanding Subordinated Indenture Securities of all such series, considered as one class, will have the right to make such direction, and not the Holders of the Subordinated Indenture Securities of any one of such series. These rights of Holders to make direction are subject to the following limitations:

(a) the Holders' directions may not conflict with any law or the Subordinated Indenture; and

(b) the Holders' directions may not involve the Subordinated Indenture Trustee in personal liability where the Trustee believes indemnity is not adequate.

The Subordinated Indenture Trustee may also take any other action it deems proper which is consistent with the Holders' direction. (See Sections 812 and 903.)

In addition, the Subordinated Indenture provides that no Holder of any Subordinated Indenture Security will have any right to institute any proceeding, judicial or otherwise, with respect to the Subordinated Indenture for the appointment of a receiver or for any other remedy thereunder unless

(a) that Holder has previously given the Subordinated Indenture Trustee written notice of a continuing Event of Default;

(b) the Holders of 25% in aggregate principal amount of the outstanding Subordinated Indenture Securities of all affected series, considered as one class, have made written request to the Subordinated

Edgar Filing: PPL CORP - Form 424B5

Indenture Trustee to institute proceedings in respect of that Event of Default and have offered the Subordinated Indenture Trustee reasonable indemnity against costs and liabilities incurred in complying with such request; and

(c) for 60 days after receipt of such notice, the Subordinated Indenture Trustee has failed to institute any such proceeding and no direction inconsistent with such request has been given to the Subordinated Indenture Trustee during such 60-day period by the Holders of a majority in aggregate principal amount of outstanding Subordinated Indenture Securities of all affected series, considered as one class.

Furthermore, no Holder will be entitled to institute any such action if and to the extent that such action would disturb or prejudice the rights of other Holders. (See Sections 807 and 903.)

However, each Holder has an absolute and unconditional right to receive payment when due and to bring a suit to enforce that right. (See Sections 807 and 808.)

34

ENFORCEMENT OF CERTAIN RIGHTS BY HOLDERS OF PREFERRED TRUST SECURITIES

If there is an Event of Default with respect to Subordinated Debt Securities held by the Trust, then the holders of Preferred Trust Securities will rely on the Property Trustee or the Subordinated Indenture Trustee, acting for the benefit of the Property Trustee, to enforce the Property Trustee's rights against PPL Capital Funding and PPL Corporation as a holder of the Subordinated Debt Securities. However, a holder of Preferred Trust Securities may enforce the Subordinated Indenture directly against PPL Capital Funding and PPL Corporation to the same extent as if the holder of Preferred Trust Securities held a principal amount of Subordinated Debt Securities equal to the aggregate liquidation amount of its Preferred Trust Securities. (See Section 609.)

Subject to their right to bring suit to enforce their right to payment, the holders of Preferred Trust Securities would not be able to institute any proceeding with respect to the Subordinated Indenture unless the Subordinated Indenture Trustee has failed to do so for 60 days after a request of the holders of 25% in liquidation amount of Preferred Trust Securities. Upon such failure, the holders of a majority of the aggregate liquidation amount of the outstanding Preferred Trust Securities would have the right to directly institute proceedings for enforcement of all other rights of the Subordinated Indenture Trustee against PPL Capital Funding to the fullest extent permitted by law. (See Sections 807, 808 and 812.)

NOTICE OF DEFAULT

The Subordinated Indenture Trustee is required to give the Holders of the Subordinated Indenture Securities notice of any default under the Subordinated Indenture to the extent required by the Trust Indenture Act, unless such default has been cured or waived; except that in the case of an Event of Default of the character specified above in clause (c) under "--Events of Default," no such notice shall be given to such Holders until at least 90 days after the occurrence thereof. (See Section 902.) The Trust Indenture Act currently permits the Subordinated Indenture Trustee to withhold notices of default (except for certain payment defaults) if the Subordinated Indenture Trustee in good faith determines the withholding of such notice to be in the interests of the Holders.

Edgar Filing: PPL CORP - Form 424B5

We will furnish the Subordinated Indenture Trustee with an annual statement as to the compliance by PPL Capital Funding with the conditions and covenants in the Subordinated Indenture. (See Section 605.)

WAIVER OF DEFAULT AND OF COMPLIANCE

The Holders of a majority in aggregate principal amount of the outstanding Subordinated Indenture Securities of any series may waive, on behalf of the Holders of all Subordinated Indenture Securities of such series, any past default under the Subordinated Indenture, except a default in the payment of principal, premium or interest, or with respect to compliance with certain provisions of the Subordinated Indenture that cannot be amended without the consent of the Holder of each outstanding Subordinated Indenture Security. (See Section 813.)

Compliance with certain covenants in the Subordinated Indenture or otherwise provided with respect to Subordinated Indenture Securities may be waived by the Holders of a majority in aggregate principal amount of the affected Subordinated Indenture Securities, considered as one class. (See Section 606.)

CONSOLIDATION, MERGER AND CONVEYANCE OF ASSETS AS AN ENTIRETY

Subject to the provisions described in the next paragraph, each of PPL Capital Funding and PPL Corporation will preserve its corporate existence. (See Section 604.)

PPL Capital Funding and PPL Corporation have each agreed not to consolidate with or merge into any other entity or convey, transfer or lease its properties and assets substantially as an entirety to any entity unless

(a) the entity formed by such consolidation or into which PPL Capital Funding or PPL Corporation, as the case may be, is merged or the entity which acquires or which leases the property and assets of PPL Capital Funding or PPL Corporation, as the case may be, substantially as an entirety is an

35

entity organized and existing under the laws of the United States of America or any State thereof or the District of Columbia, and expressly assumes, by supplemental indenture, the due and punctual payment of the principal, premium and interest on all the outstanding Subordinated Indenture Securities (or the Subordinated Guarantees endorsed thereon, as the case may be) and the performance of all of the covenants of PPL Capital Funding or PPL Corporation, as the case may be, under the Subordinated Indenture, and

(b) immediately after giving effect to such transactions, no Event of Default, and no event which after notice or lapse of time or both would become an Event of Default, will have occurred and be continuing. (See Section 1101.)

The Subordinated Indenture does not prevent or restrict:

(a) any consolidation or merger after the consummation of which PPL Capital Funding or PPL Corporation would be the surviving or resulting

Edgar Filing: PPL CORP - Form 424B5

entity;

(b) any consolidation of PPL Capital Funding with PPL Corporation or any other entity all of the outstanding voting securities of which are owned, directly or indirectly, by PPL Corporation; or any merger of any such entity into any other of such entities; or any conveyance or other transfer, or lease, or properties by any thereof to any other thereof;

(c) any conveyance or other transfer, or lease, of any part of the properties of PPL Capital Funding or PPL Corporation which does not constitute the entirety, or substantially the entirety, thereof; or

(d) the approval by PPL Capital Funding or PPL Corporation of, or the consent by PPL Capital Funding or PPL Corporation to, any consolidation or merger to which any direct or indirect subsidiary or affiliate of PPL Capital Funding or PPL Corporation, as the case requires, may be a party or any conveyance, transfer or lease by any such subsidiary or affiliate of any of its assets. (See Section 1103.)

MODIFICATION OF SUBORDINATED INDENTURE

Without Holder Consent. Without the consent of any Holders of Subordinated Indenture Securities, PPL Capital Funding, PPL Corporation and the Subordinated Indenture Trustee may enter into one or more supplemental indentures for any of the following purposes:

(a) to evidence the succession of another entity to PPL Capital Funding or PPL Corporation; or

(b) to add one or more covenants of PPL Capital Funding or PPL Corporation or other provisions for the benefit of the Holders of all or any series or tranche of Subordinated Indenture Securities, or to surrender any right or power conferred upon PPL Capital Funding or PPL Corporation; or

(c) to add any additional Events of Default for all or any series of Subordinated Indenture Securities; or

(d) to change or eliminate any provision of the Subordinated Indenture or to add any new provision to the Subordinated Indenture that does not adversely affect the interests of the Holders; or

(e) to provide security for the Subordinated Indenture Securities of any series; or

(f) to establish the form or terms of Subordinated Indenture Securities of any series or tranche or any Subordinated Guarantees as permitted by the Subordinated Indenture; or

(g) to provide for the issuance of bearer securities; or

(h) to evidence and provide for the acceptance of appointment of a separate or successor Subordinated Indenture Trustee or co-trustee; or

(i) to provide for the procedures required to permit the utilization of a noncertificated system of registration for any series or tranche of

Edgar Filing: PPL CORP - Form 424B5

Subordinated Indenture Securities; or

(j) to change any place or places where

(1) we may pay principal, premium and interest,

(2) Subordinated Indenture Securities may be surrendered for transfer or exchange, and

(3) notices and demands to or upon PPL Capital Funding or PPL Corporation may be served; or

(k) to cure any ambiguity, defect or inconsistency or to make any other changes that do not adversely affect the interests of the Holders in any material respect.

If the Trust Indenture Act is amended after the date of the Subordinated Indenture so as to require changes to the Subordinated Indenture or so as to permit changes to, or the elimination of, provisions which, at the date of the Subordinated Indenture or at any time thereafter, were required by the Trust Indenture Act to be contained in the Subordinated Indenture, the Subordinated Indenture will be deemed to have been amended so as to conform to such amendment or to effect such changes or elimination, and PPL Capital Funding, PPL Corporation and the Subordinated Indenture Trustee may, without the consent of any Holders, enter into one or more supplemental indentures to effect or evidence such amendment.

(See Section 1201.)

With Holder Consent. Except as provided above, the consent of the Holders of at least a majority in aggregate principal amount of the Subordinated Indenture Securities of all outstanding series, considered as one class, is generally required for the purpose of adding to, or changing or eliminating any of the provisions of, the Subordinated Indenture pursuant to a supplemental indenture. However, if less than all of the series of outstanding Subordinated Indenture Securities are directly affected by a proposed supplemental indenture, then such proposal only requires the consent of the Holders of a majority in aggregate principal amount of the outstanding Subordinated Indenture Securities of all directly affected series, considered as one class. Moreover, if the Subordinated Indenture Securities of any series have been issued in more than one tranche and if the proposed supplemental indenture directly affects the rights of the Holders of Subordinated Indenture Securities of one or more, but less than all, of such tranches, then such proposal only requires the consent of the Holders of a majority in aggregate principal amount of the outstanding Subordinated Indenture Securities of all directly affected tranches, considered as one class.

However, no amendment or modification may, without the consent of the Holder of each outstanding Subordinated Indenture Security directly affected thereby,

(a) change the stated maturity of the principal or (except as described above under "--Option to Extend Interest Payment Period") interest on any Subordinated Indenture Security (other than pursuant to the terms thereof), or reduce the principal amount, interest or premium payable or change the currency in which any Subordinated Indenture Security is payable, or impair the right to bring suit to enforce any payment;

(b) reduce the percentages of Holders whose consent is required for any supplemental indenture or waiver or reduce the requirements for quorum and voting under the Subordinated Indenture; or

Edgar Filing: PPL CORP - Form 424B5

(c) modify certain of the provisions in the Subordinated Indenture relating to supplemental indentures and waivers of certain covenants and past defaults.

A supplemental indenture which changes or eliminates any provision of the Subordinated Indenture expressly included solely for the benefit of Holders of Subordinated Indenture Securities of one or more particular series or tranches will be deemed not to affect the rights under the Subordinated Indenture of the Holders of Subordinated Indenture Securities of any other series or tranche. So long as any Preferred Trust Securities are outstanding, the Subordinated Indenture Trustee may not consent to any supplemental indenture that would ordinarily require Subordinated Indenture Security Holder consent without the prior

37

consent of the holders of a majority in aggregate liquidation preference of all outstanding Preferred Trust Securities affected or, in the case of changes described in clauses (a) through (c) immediately above, 100% in aggregate liquidation preference of all such outstanding Preferred Trust Securities affected. (See Section 1202.)

MISCELLANEOUS PROVISIONS

The Subordinated Indenture provides that certain Subordinated Indenture Securities, including those for which payment or redemption money has been deposited or set aside in trust as described under "--Satisfaction and Discharge" below, will not be deemed to be "outstanding" in determining whether the Holders of the requisite principal amount of the outstanding Subordinated Indenture Securities have given or taken any demand, direction, consent or other action under the Subordinated Indenture as of any date, or are present at a meeting of Holders for quorum purposes. (See Section 101.)

PPL Capital Funding or PPL Corporation will be entitled to set any day as a record date for the purpose of determining the Holders of outstanding Subordinated Indenture Securities of any series entitled to give or take any demand, direction, consent or other action under the Subordinated Indenture, in the manner and subject to the limitations provided in the Subordinated Indenture. In certain circumstances, the Subordinated Indenture Trustee also will be entitled to set a record date for action by Holders. If such a record date is set for any action to be taken by Holders of particular Subordinated Indenture Securities, such action may be taken only by persons who are Holders of such Subordinated Indenture Securities on the record date. (See Section 104.)

SATISFACTION AND DISCHARGE

Any Subordinated Indenture Securities or any portion will be deemed to have been paid for purposes of the Subordinated Indenture, and at PPL Capital Funding's election, the entire indebtedness of PPL Capital Funding and PPL Corporation will be satisfied and discharged, if there shall have been irrevocably deposited with the Subordinated Indenture Trustee or any paying agent (other than PPL Capital Funding or PPL Corporation), in trust:

(a) money sufficient, or

(b) in the case of a deposit made prior to the maturity of such Subordinated Indenture Securities, non-redeemable Eligible Obligations (as defined in the Subordinated Indenture) sufficient, or

(c) a combination of (a) and (b), which in total are sufficient,

Edgar Filing: PPL CORP - Form 424B5

to pay when due the principal of, and any premium, and interest due and to become due on such Subordinated Indenture Securities or portions thereof on and prior to the maturity thereof.

(See Section 701.)

The Subordinated Indenture will be deemed satisfied and discharged when no Subordinated Indenture Securities remain outstanding and when we have paid all other sums payable by us under the Subordinated Indenture. (See Section 702.)

All moneys we pay to the Subordinated Indenture Trustee or any paying agent on Subordinated Debt Securities which remain unclaimed at the end of two years after payments have become due will be paid to or upon the order of PPL Capital Funding. Thereafter, the Holder of such Subordinated Debt Security may look only to us for payment thereof. (See Section 603.)

RESIGNATION AND REMOVAL OF THE SUBORDINATED INDENTURE TRUSTEE; DEEMED RESIGNATION

The Subordinated Indenture Trustee may resign at any time by giving written notice thereof to us.

The Subordinated Indenture Trustee may also be removed by act of the Holders of a majority in principal amount of the then outstanding Subordinated Indenture Securities of any series.

38

No resignation or removal of the Subordinated Indenture Trustee and no appointment of a successor trustee will become effective until the acceptance of appointment by a successor trustee in accordance with the requirements of the Subordinated Indenture.

Under certain circumstances, we may appoint a successor trustee and if the successor accepts, the Subordinated Indenture Trustee will be deemed to have resigned.

(Section 910).

GOVERNING LAW

The Subordinated Indenture and the Subordinated Indenture Securities provide that they are to be governed by and construed in accordance with the laws of the State of New York.

PLAN OF DISTRIBUTION

We may sell Securities (a) to purchasers directly; (b) to underwriters for public offering and sale by them; or (c) through agents or dealers. We may determine the price or other terms of the securities offered under this prospectus by use of an electronic auction. We will describe how any auction

will determine the price or any other terms, how potential investors may participate in the auction and the nature of the underwriters' obligations in the related supplement to this prospectus.

DIRECT SALES

We may sell the Securities directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale of the Securities. A prospectus supplement will describe the terms of any such sale.

TO UNDERWRITERS

The applicable prospectus supplement will name any underwriter involved in a sale of Securities. Underwriters may offer and sell Securities at a fixed price or prices, which may be changed, or from time to time at market prices or at negotiated prices. Underwriters may be deemed to have received compensation from us from sales of Securities in the form of underwriting discounts or commissions and may also receive commissions from purchasers of Securities for whom they may act as agent.

Underwriters may sell Securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions (which may be changed from time to time) from the purchasers for whom they may act as agent.

Unless otherwise provided in a prospectus supplement, the obligations of any underwriters to purchase particular Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all such Securities if any are purchased.

THROUGH AGENTS

We will name any agent or dealer involved in a sale of Securities, as well as any commissions payable by us to such agent, in a prospectus supplement. Unless we indicate differently in the prospectus supplement, any such agent will be acting on a reasonable efforts basis for the period of its appointment.

GENERAL INFORMATION

Underwriters, dealers acting as principals and agents participating in a sale of Securities may be deemed to be underwriters as defined in the Securities Act, and any discounts and commissions received by them and any profit realized by them on resale of the Securities may be deemed to be underwriting discounts and commissions, under the Securities Act. We may have agreements with underwriters, dealers and agents to indemnify them against certain civil liabilities, including liabilities under the Securities Act, and to reimburse them for certain expenses.

Underwriters or agents and their associates may be customers of, engage in transactions with or perform services for us or our affiliates in the ordinary course of business.

Each series of Securities will be a new issue and, except for the Common Stock, which is listed on the New York and Philadelphia Stock Exchanges, will have no established trading market. We may elect to list any series of new Securities on an exchange, or in the case of the Common Stock, on any additional exchange, but unless we advise you differently in the prospectus supplement, we

Edgar Filing: PPL CORP - Form 424B5

have no obligation to cause any Securities to be so listed. Any underwriters that purchase Securities for public offering and sale may make a market in the Securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We make no assurance as to the liquidity of, or the trading markets for, any Securities.
