ITEM 5. OTHER EVENTS

Edgar Filing: TIVO INC - Form 8-K

On January 22, 2002, we filed a lawsuit against SONICblue Incorporated and its wholly owned subsidiary, ReplayTV, Inc., in the U.S. District Court for the Northern District of California, alleging that we are the owner of United States Patent No. 6,233,389, entitled "Multimedia Time Warping System," and alleging further that SONICblue and ReplayTV have willfully and deliberately infringed the patent by making, using, offering to sell and/or selling within the United States digital video recording devices, software and/or personal television services falling within the scope of the patent. We have requested that the court enjoin SONICblue and ReplayTV from further infringement of the patent and award us compensatory damages, treble damages and attorneys' fees and costs. We could be forced to incur material expenses during this litigation and, in the event we were to lose the lawsuit, our business could be harmed.
