Item 1.01 Entry into a Material Definitive Agreement.

On August 25, 2014, BioRestorative Therapies, Inc. (the “Company”) entered into a lease for 6,800 square feet of space located at 40 Marcus Drive, Melville, Long Island, New York (the “Lease”). The Company will be relocating its corporate and laboratory operations from Jupiter, Florida to such location.

The Lease provides for a five year, three month term (subject to extension at the option of the Company for a period of five years) and an annual base rental during the initial term ranging between \$132,600 and \$149,260. The Lease will commence upon the completion of certain improvements at the facility (anticipated to be on or about September 30, 2014).

Reference is made to a copy of the Lease attached as Exhibit 99.1 hereto for a complete description of the Lease terms.

In consideration of certain Lease concessions made by the landlord valued at \$71,050, concurrently with the Lease execution, the Company issued to the principals of the landlord an aggregate of 284,200 shares of common stock of the Company and five year warrants to purchase an aggregate of 142,100 shares of common stock of the Company at an exercise price of \$.50 per share.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off Balance Sheet Arrangement of a Registrant.

Reference is made to Item 1.01 hereof with regard to the Lease. Pursuant to the Lease, during the initial term, an aggregate of approximately \$693,000 is payable as base rental.

Item 3.02. Unregistered Sales of Equity Securities.

Between August 21, 2014 and August 25, 2014, the Company issued an aggregate of 384,200 shares of common stock of the Company (including the 284,200 shares issued in connection with the execution of the Lease, as described above) for an aggregate purchase price of \$101,050. In connection with the share issuances, the Company issued to the subscribers warrants for the purchase of an aggregate of 167,100 shares of common stock (including the warrants issued in connection with the execution of the Lease for the purchase of 142,100 shares, as described above) at exercise prices ranging between \$.50 and \$.75 per share. The warrants have a term of five years.

For each of the securities issuances, the Company relied upon Section 4(a)(2) of the Securities Act of 1933, as amended, as transactions by an issuer not involving any public offering. For each such transaction, the Company did not use general solicitation or advertising to market the securities, the securities were offered to a limited number of persons, the investors had access to information regarding the Company (including information contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, Quarterly Reports on Form 10-Q for the periods ended March 31, 2014 and June 30, 2014 and Current Reports on Form 8-K filed with the Securities and Exchange Commission and press releases made by the Company), and management of the Company was available to answer questions from prospective investors.
