### QUORUM REQUIREMENTS

As of July 25, 2002, the record date for this solicitation of proxies, there were 10,490,320 shares of common stock outstanding. The holders of record of a majority of the shares of common stock entitled to vote at the meeting, present in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting or any adjournment thereof. ### VOTING REQUIREMENTS

#### Proposal 1

To be elected as a Class III Director, a nominee must be one of the two persons receiving the greatest number of affirmative votes cast at the meeting for Class III Directors.

2

#### Proposal 2

To be approved, Proposal 2 requires the affirmative vote of the holders of at least a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the proposal.

#### Effect of Abstentions and Broker Non-Votes

Abstentions and broker non-votes will be counted only for the purpose of determining the existence of a quorum, but will not be counted as an affirmative vote for the purposes of determining whether a proposal has been approved. Therefore, an abstention or a broker non-vote will not have any effect on the votes for Proposals 1 and 2.

All proxies received will be voted in accordance with the choices specified on such proxies. Proxies will be voted in favor of a proposal if no contrary specification is made. All valid proxies obtained will be voted at the discretion of the board of directors with respect to any other business that may come before the annual meeting.

We may solicit proxies by use of the mails, in person or by telephone, e-mail or other electronic communications. We will bear the cost of soliciting proxies in the accompanying form. We may reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute the proxies.

Each outside director receives an annual grant of 10,000 stock options and \$500 for each special committee meeting. All directors will be reimbursed for their out-of-pocket expenses incurred to attend board or committee meetings.

### Meetings and Committees of the Board of Directors

The board of directors met four times during the fiscal year ended March 31, 2002. In addition to meetings of the full board, directors also attended meetings of board committees. No incumbent director attended fewer than 75% of the total number of meetings held by the board of directors and the meetings of any committee on which the director served. The board of directors has the following committees: the audit committee, the compensation committee and the stock incentive committee.

### Audit Committee

General. The audit committee of the board of directors is responsible for making recommendations to the board concerning the engagement of independent public accountants, monitoring and reviewing the quality and activities of ePlus' internal and external audit functions and monitoring the adequacy of ePlus'

## Edgar Filing: EPLUS INC - Form DEF 14A

operating and internal controls as reported by management and the external or internal auditors. The members of the audit committee are C. Thomas Faulders, III, Terrence O'Donnell and Lawrence S. Herman. During the fiscal year ended March 31, 2002, two meetings of the audit committee were held.

8

Audit Committee Report. The audit committee is composed of three directors who are independent as defined under the rules of the National Association of Securities Dealers. The committee operates under a written charter approved by the board of directors, which was included as Appendix A to ePlus' proxy statement for the 2001 annual meeting of stockholders.

The committee reviews ePlus' financial reporting process on behalf of the board of directors. In fulfilling its responsibilities, the committee has reviewed and discussed the audited financial statements contained in our Annual Report on Form 10-K for the year ended March 31, 2002 with ePlus' management. Management is responsible for our financial statements and the financial reporting process, including internal controls. The independent accountants are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America.

While generally the audit committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, the audit committee has yet to discuss these matters in connection with the fiscal year ended March 31, 2002, but intends to on August 15, 2002. In addition, the committee did discuss these matters with the Chief Financial Office prior to the filing of the annual report on Form 10K for the year ended March 31, 2002. The committee has previously discussed with the independent accountant the accountants' independence from ePlus and its management including the matters in the written disclosures provided to the committee as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The committee has also considered whether the provision of non-audit services by the independent accountants to ePlus is compatible with maintaining auditors' independence.

Based on the reviews and discussions referred to above, the committee recommended to the board of directors, and the board of directors approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended March 31, 2002, for filing with the Securities and Exchange Commission.

BY THE AUDIT COMMITTEE

C. Thomas Faulders, III  
Terrence O'Donnell  
Lawrence S. Herman

### Compensation Committee

General. The compensation committee of the board of directors is responsible for reviewing the salaries, benefits and other compensation, including stock-based compensation, of Mr. Norton and Mr. Bowen and making recommendations to the board of directors based on its review. The members of the compensation committee are Terrence O'Donnell, C. Thomas Faulders, III and Thomas L. Hewitt, all of whom are non-employee directors. Mr. Norton and Mr. Bowen, as directors, do not vote on any matters affecting their personal compensation. Mr. Bowen and Mr. Norton are responsible for reviewing and establishing salaries, benefits and other compensation, excluding stock-based compensation, for all other employees.

## Edgar Filing: EPLUS INC - Form DEF 14A

Compensation arrangements during our 2002 fiscal year were determined in accordance with the executive compensation policy set forth below. The compensation committee considers compensation paid to our executive officers to be deductible for purposes of Section 162(m) of the Internal Revenue Code.

9

Report Of The Compensation Committee. The compensation committee of the board of directors has prepared the following report on our policies with respect to the compensation of executive officers for the fiscal year ended March 31, 2002. The compensation programs of ePlus are designed to align compensation with business objectives and performance, and to enable ePlus to attract, retain and reward executives who contribute to the long-term success of ePlus.

The compensation committee believes that executive pay should be linked to performance. Therefore, ePlus provides an executive compensation program which includes three principal elements: (1) base pay, (2) potential cash bonus, and (3) long-term incentive opportunities through the use of stock options.

Criteria for Determination of Executive Compensation. In determining each of the principal elements of each executive's compensation, as well as the overall compensation package thereof, the following criteria are considered by the persons responsible for recommending or approving such compensation: (1) the compensation awarded to executives with comparable titles and responsibilities to those of such executive by companies in our industry (or, to the extent information is not available, in comparable industries) whose revenues and earnings are comparable to those of ePlus, as reported by reliable independent sources; (2) the results of operations of ePlus during the past year, on an absolute basis and compared with ePlus's targeted results for such year as well as with the results of the comparable companies, as reported by reliable independent sources; (3) the performance of such executive during the past year, on an absolute basis and as compared with the performance targets set by ePlus for such executive for such year and the performance of the other executives of ePlus during such year; and (4) any other factor which the compensation committee determines to be relevant. The weight to be given to each of the foregoing criteria is determined by the compensation committee in the exercise of its reasonable judgment in accordance with the purposes of this executive compensation policy and may vary from time to time or from executive to executive.

The role of the compensation committee is limited to the review of the compensation, excluding stock-based compensation for Mr. Norton and Mr. Bowen, who are principal stockholders of ePlus. Section 162(m) of the Internal Revenue Code imposes a limit, with certain exceptions, on the amount that a publicly-held corporation may deduct in any year for the compensation paid with respect to its five most highly compensated executive officers. While the compensation committee cannot predict with certainty how ePlus' compensation tax deduction might be affected, the compensation committee tries to preserve the tax deductibility of all executive compensation while maintaining flexibility with respect to ePlus' compensation programs as described in this report.

Chief Executive Officer Compensation. The executive compensation policy described above is applied in setting Mr. Norton's compensation. Mr. Norton generally participates in the same executive compensation plans and arrangements available to the other executives. Accordingly, his compensation also consists of an annual base salary, a potential annual cash bonus and, potentially, long-term equity-linked compensation in the form of stock options. The

compensation committee's general approach in establishing Mr. Norton's compensation is to be competitive with peer companies, but to have a large percentage of his target based upon objective performance criteria and targets established in our strategic plan.

Mr. Norton's compensation for the year ended March 31, 2002 included \$250,000 in base salary. Mr. Norton received a bonus of \$150,000 for 2002. Mr. Norton's salary was based on, among other factors, ePlus's performance and the 2001 compensation of chief executive officers of comparable companies, although his compensation was not linked to any particular group of these companies.

During the fiscal year ended March 31, 2002, one meeting of the compensation committee was held.

#### Stock Incentive Committee

The stock incentive committee of the board of directors is authorized to award stock, and various stock options and rights and other stock-based compensation grants under ePlus' 1998 Long Term Incentive Plan. The members of the stock incentive committee are Mr. Bowen, Mr. Hewitt and Mr. Norton. Except for formula plan grants to the outside directors and grants that are approved by a majority of the disinterested members of the board of directors, no member of the stock incentive committee or the compensation committee is eligible to receive grants under the 1998 Long Term Incentive Plan. During the fiscal year ended March 31, 2002, one meeting of the stock incentive committee was held.
