PriceSmart Announces Second Quarter Results of Operations
and March Sales

San Diego, CA (April 7, 2011) – PriceSmart, Inc. (NASDAQ: PSMT, www.pricemart.com) today announced its results of operations for the second quarter of fiscal year 2011 which ended on February 28, 2011.

For the second quarter of fiscal year 2011, net warehouse club sales increased 22.7% to \$440.3 million from \$358.9 million in the second quarter of fiscal year 2010. Total revenues for the second quarter of fiscal year 2011 were \$449.6 million compared to \$366.1 million in the prior year. The Company had 28 clubs in operation as of February 2011 and 26 clubs in operation as of February 2010.

The Company recorded operating income during the quarter of \$27.2 million, as compared to operating income of \$20.4 million in the prior year. Net income attributable to PriceSmart was \$17.9 million, or \$0.60 per diluted share, in the second quarter of fiscal year 2011 as compared to \$13.7 million, or \$0.46 per diluted share, in the second quarter of fiscal year 2010.

For the first six months of fiscal year 2011, net warehouse club sales increased 22.5% to \$817.6 million from \$667.5 million in the first six months of fiscal year 2010. Total revenues for the first half of fiscal year 2011 increased 22.6% to \$835.7 million from \$681.5 million in the same period of the prior year. For the first six months of fiscal year 2011, the Company recorded operating income of \$49.8 million and net income attributable to PriceSmart of \$32.8 million, or \$1.11 per diluted share. During the same six month period in fiscal year 2010, the Company recorded operating income of \$36.7 million and net income attributable to PriceSmart of \$24.1 million, or \$0.81 per diluted share.

The Company also announced that for the month of March 2011, net warehouse club sales increased 16.6% to \$139.2 million, from \$119.4 million in March a year earlier. For the seven months ended March 31, 2011, net warehouse club sales increased 21.6% to \$956.8 million from \$786.9 million for the seven months ended March 31, 2010. There were 28 warehouse clubs in operation at the end of March 2011 and 26 warehouse clubs in operation at the end of March 2010.

For the four weeks ended April 3, 2011, comparable net warehouse club sales for the warehouse clubs open at least 13 1/2 full months increased 16.7%, compared to the same four-week period last year. For the thirty-week period ended April 3, 2011, comparable net warehouse club sales increased 16.9%, compared to the comparable thirty-week period a year ago.

This press release may contain forward-looking statements concerning the Company's anticipated future revenues and earnings, adequacy of future cash flow and related matters. These forward-looking statements include, but are not limited to, statements containing the words "expect," "believe," "will," "may," "should," "project," "estimate," "anti," "scheduled," and like expressions, and the negative thereof. These statements are subject to risks and uncertainties that could cause actual results to differ materially, including the following risks: the Company's financial performance is dependent on international operations which exposes the Company to various risks; any failure by the Company to manage its widely dispersed operations could adversely affect its business; the Company faces significant competition; the Company may encounter difficulties in the shipment of, and risks inherent in the acquisition and importation of, merchandise to its warehouse clubs; the Company is exposed to weather and other natural disaster risks; declines in the economies of the countries in which the Company operates its warehouse clubs would harm its business; a few of the Company's stockholders own nearly 39% of the Company's voting stock, which may make it difficult to complete some corporate transactions without their support and may impede a change in control; the loss of key personnel could harm the Company's business; the Company is subject to volatility in foreign currency exchange; the Company faces the risk of exposure to product liability claims, a product recall and adverse publicity; a determination that the Company's long-lived or intangible assets have been impaired could adversely affect the Company's future results of operations and financial position; although the Company takes steps to continuously review, enhance, and implement improvements to its internal controls, there may be material weaknesses or significant deficiencies that the Company has not yet identified; as well as the other risks detailed in the Company's U.S. Securities and Exchange Commission ("SEC") reports, including the Company's Annual Report on Form 10-K filed for the year ended August 31, 2010 filed pursuant to the Securities Exchange Act of 1934 on November 9, 2010. We assume no obligation and expressly disclaim any duty to update any forward-looking statement to reflect events or circumstances after the date of this presentation or to reflect the occurrence of unanticipated events.
