GENERAL INFORMATION

Q: Who is soliciting my proxy?

A:

We, the Board of Directors of Carriage Services, Inc., are sending you this Proxy Statement in connection with our solicitation of proxies for use at Carriage's 2003 Annual Meeting of Stockholders. Certain directors, officers and employees of Carriage, and

Edgar Filing: CARRIAGE SERVICES INC - Form DEF 14A

American Stock Transfer & Trust Company ("AST"), also may solicit proxies on our behalf by mail, phone, fax or in person.

Q: Who is paying for this solicitation?

A:

Carriage will pay for the solicitation of proxies, including the cost of preparing and mailing this Proxy Statement. Carriage also will reimburse banks, brokers, custodians, nominees and fiduciaries for their reasonable charges and expenses to forward our proxy materials to the beneficial owners of Carriage stock. No additional fee beyond the \$950 monthly fee paid to AST to act as Carriage's transfer agent, together with AST's out-of-pocket expenses, will be paid to AST.

Q: What am I voting on?

A:

The election of Melvin C. Payne and Joe R. Davis to the Board of Directors as Class I directors.

Q: Who can vote?

A:

Stockholders as of the close of business on March 24, 2003 are entitled to vote at the Annual Meeting.

Q: How do I vote?

A:

You may vote your shares either in person or by proxy. To vote by proxy, you should mark, date, sign and mail the enclosed proxy in the prepaid envelope. Giving a proxy will not affect your right to vote your shares if you attend the Annual Meeting and want to vote in person by voting in person you automatically revoke your proxy. You also may revoke your proxy at any time before the meeting by giving the Secretary written notice of your revocation or by submitting a later-dated proxy. If you return your proxy but do not mark your voting preference, the individuals named as proxies will vote your shares **FOR** the election of each of the nominees for director.

Q: How does the Board recommend I vote on the proposals?

A:

The Board recommends a vote **FOR** each of the nominees.

Q: Is my vote confidential?

A:

Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Carriage and handled in a manner intended to protect your voting privacy. Your vote will not be disclosed *except*: (1) as needed to permit Carriage to tabulate and certify the vote; (2) as required by law; or (3) in limited circumstances such as a proxy contest in opposition to the Board. Additionally, all comments written on the proxy card or elsewhere will be forwarded to management, but your identity will be kept confidential unless you ask that your name be disclosed.

Q: How many shares can vote?

A:

As of the record date, March 24, 2003, Carriage had outstanding 17,348,574 shares of Common Stock. Each share of Common Stock is entitled to one (1) vote.

Q: What happens if I withhold my vote for an individual director?

A: Because the individual directors are elected by a plurality of the votes cast at the meeting, a withheld vote will not have an effect on the outcome of the election of an individual director.

Q: Can I vote on other matters?

A: Carriage's By-laws limit the matters presented at an annual meeting to those in the notice of the meeting and those otherwise properly presented before the meeting. We do not expect any other matter to come before the meeting. If any other matter is presented at the Annual Meeting, your signed proxy gives the individuals named as proxies authority to vote your shares on such matters at their discretion.

Q: When are stockholder proposals due for the annual stockholders meeting in 2004?

A: To be considered for inclusion in the proxy statement for Carriage's 2004 annual meeting, a stockholder proposal must be received at Carriage's offices no later than December 1, 2003. A stockholder proposal submitted outside the processes of Rule 14a-8 of the SEC, if received by Carriage after February 15, 2004, will be considered untimely for presentation at Carriage's 2004 annual meeting of stockholders.

Q: How do I nominate someone to be a Carriage director?

A: A stockholder may recommend nominees for director by giving the Secretary a written notice not less than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting. For the annual meeting in 2004, the deadline will be February 14, 2004, based upon this year's meeting occurring on May 13. The notice must include the full name, age, business and residence address, principal occupation or employment of the nominee, the number of shares of Common Stock that the nominee beneficially owns, any other information about the nominee that must be disclosed in proxy solicitations under Rule 14(a) of the Securities Exchange Act of 1934, and the nominee's written consent to the nomination and to serve, if elected.

RECORD DATE AND VOTING SECURITIES

Only holders of record of the Common Stock at the close of business on March 24, 2003, the record date for the Meeting, are entitled to notice of and to vote at the Meeting. On that date, Carriage had outstanding 17,348,574 shares of Common Stock, each of which is entitled to one vote.

The presence at the Meeting, in person or by proxy, of the holders of a majority of the total voting power of the issued and outstanding shares of Common Stock is necessary to constitute a quorum to transact business. Abstentions and broker non-votes will be counted for purposes of whether a quorum is present at the Meeting. In the absence of a quorum at the Meeting, the Meeting may be adjourned without notice other than announcement at the Meeting until a quorum shall be formed.

If a quorum is present at the Meeting, the nominees for the Class I directors will be elected by a plurality of the votes cast at the Meeting. Any other matter properly brought before the Meeting would need to be approved by the affirmative vote of the holders of a majority of the shares of Common Stock present or represented by proxy at the Meeting. Because directors are elected by a plurality of the votes cast, shares that are withheld will have no effect on the outcome of the election of directors. With respect to any matter other than the election of directors, abstentions will have the effect of a vote against the proposal. Broker non-votes will not be counted to determine the stockholders entitled to vote on a proposal and will not affect the outcome of the vote on such matter.

Edgar Filing: CARRIAGE SERVICES INC - Form DEF 14A

All properly signed Proxies received prior to the Meeting will be voted in accordance with the choices specified. If no choice has been specified in the Proxy, the shares will be voted in favor of all proposals described herein and in the discretion of the persons named in the Proxy in connection with any other business that may properly come before the Meeting. A stockholder giving a Proxy may revoke it at any time before it is voted at the Meeting by filing with the Secretary an instrument revoking it, by signing and delivering to the Secretary a Proxy bearing a later date, or by voting in person at the Meeting after giving notice to the Chairman of the Meeting of the stockholder's intention to vote in person notwithstanding the fact that the stockholder previously delivered a Proxy.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Carriage currently has six directors on its Board that each serve staggered three-year terms. At the Meeting, you and the other stockholders will elect two individuals to serve as Class I directors for a new three-year term expiring at the 2006 annual meeting and until their successors are duly elected and qualified. The two current Class I directors whose terms are expiring at the Meeting are Melvin C. Payne and Mark F. Wilson. Upon recommendation of the Corporate Governance Committee, the Board of Directors has nominated Mr. Payne for re-election at the Meeting to serve for a new three-year term. As explained under "Certain Transactions" below, Mr. Wilson has agreed not to have his name placed in nomination for re-election, subject to certain visitation rights and to be nominated as a Class II director at the 2004 annual meeting. We recommend that you vote "FOR" the election of each nominee listed in Proposal No. 1 as a Class I Director. The individuals named as proxies will vote the enclosed proxy "FOR" the election of all nominees unless you direct them to withhold your votes for one or more of the nominees.

You may not cumulate your votes in the election of directors. The two nominees receiving the highest number of affirmative votes will be elected to the Board. You may withhold authority to vote for any or all nominees for directors. If any nominee becomes unable to serve as a director before the Meeting (or decides not to serve), the individuals named as proxies will vote FOR the remainder of the nominees and for such other nominees as we may designate as a replacement or substitute for those who become unavailable.

Organization and Committees of the Board

Edgar Filing: CARRIAGE SERVICES INC - Form DEF 14A

During 2002, Carriage's Board met six times and acted by unanimous written consent six times. Each of the directors attended all of the meetings of the Board. The functions of the Executive, Audit, Compensation and Corporate Governance Committees of the Board, and the number of meetings held during 2002, are described below. In addition, the independent directors of the Board, at each of the regular quarterly meetings in 2002, met separately in executive session, outside the presence of management or non-independent directors, but where appropriate with representatives of our independent auditors.

The primary function of the Executive Committee is to exercise many of the powers of the Board in between regular Board meetings, including the authorization of contracts, leases and loan documents. The Executive Committee did not meet in 2002 and did not take any action by unanimous written consent. For all of 2002, Melvin C. Payne was the sole member of the Executive Committee. The full Board has suspended all actions of the Executive Committee for so long as it has only one member and will consider reactivating the Executive Committee when additional members are appointed by the Board.

The Compensation Committee reviews and approves the compensation of Carriage's senior officers, including stock option plans, incentive compensation programs and benefit plans. The Compensation Committee also administers, and makes grants of stock options under, Carriage's stock option plans. The members of the Compensation Committee are Vincent D. Foster, Chairman, and

8

Stuart W. Stedman. In 2002, the Compensation Committee held two meetings and acted by unanimous consent once. See the report of the Compensation Committee on page 15 of this Proxy Statement.

The Audit Committee appoints Carriage's independent auditors and reviews the plan, scope and results of the audit with the auditors and Carriage's officers. The Audit Committee also reviews with the auditors the principal accounting policies and internal accounting controls of Carriage. The members of the Audit Committee are Vincent D. Foster, Chairman, Stuart W. Stedman and Ronald A. Erickson. The Audit Committee met six times during 2002, and each member of the Audit Committee was present at the meetings. See the report of the Audit Committee on page 19 of this Proxy Statement.

In 2003, Carriage's Board adopted a new written charter to be the governing instrument for the Audit Committee, a copy of which is included as Appendix A. The New York Stock Exchange ("NYSE"), upon which our Common Stock is traded, requires that each of its listed companies maintain an independent audit committee. None of the members of our Audit Committee has a relationship with Carriage that may interfere with the exercise of his independence from management or Carriage. No member of our Audit Committee is or has been in the last three years an employee of Carriage or in a business relationship with Carriage. Also, no immediate family member related to a member of our Audit Committee is an executive officer of Carriage or any of its affiliates.

In addition to the independence standard, the NYSE requires that each member of the Audit Committee be financially literate and at least one member must have accounting or related financial management expertise. Each member of our Audit Committee is financially literate, and Mr. Foster is a certified public accountant with approximately 20 years of public accounting experience. Currently, Mr. Foster is a managing director of a small business investment corporation for which he reviews and analyzes financial statements as part of his daily functions.

The Corporate Governance Committee (formerly known as the Nominating Committee) reviews the structure of the full Board, evaluates the Board's performance and makes recommendations regarding the size of the Board and the number and classification of directors. The Corporate Governance Committee also conducts a search for suitable and qualified candidates to serve as directors when the terms of office are up for election at each year's annual meeting of stockholders, and submits the names of candidates for such positions for consideration by the Board. The members of the Corporate Governance Committee are Stuart W. Stedman, Chairman, Vincent D. Foster and Ronald A. Erickson. The Corporate Governance Committee did not meet in 2002, as two of its three members were nominated by the full Board of Directors for re-election as directors. The Committee did meet in early 2003 to consider and recommend nominees for Class I directors at the 2003 Meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Carriage's directors and executive officers, and persons who own more than 10% of a registered class of Carriage's equity securities, to file with the SEC reports of ownership and changes in ownership of Common Stock and other equity securities of Carriage. Executive officers, directors and greater than 10% beneficial owners are required by SEC regulations to furnish Carriage with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such reports furnished to Carriage or written representations that no other reports were required, Carriage believes that all filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were complied

with during 2002, except as follows: Melvin C. Payne, Thomas C. Livengood, Jay D. Dodds, James J. Benard and Mark Groeneman each filed their respective Form 4 on April 12, 2002 to report a grant of stock options that occurred effective February 11, 2002; and Vincent D. Foster, Ronald A. Erickson, Stuart W. Stedman, Greg M. Brudnicki and Mark F. Wilson resubmitted their respective Form 4 reports in late June 2002 for stock option grants effective May 7, 2002, after the SEC returned the original reports as illegible.

CERTAIN TRANSACTIONS

Mark Wilson and Greg Brudnicki are prior owners of businesses that Carriage acquired in 1997. As an incentive, we entered into arrangements with them to pay them 10% of the amount by which the annual field-level earnings before interest, depreciation, amortization and income taxes exceeds predetermined targets on certain businesses in their respective geographic region through 2008, with a final payment equal to a multiple of six times the average of the last three years payments. The incentives earned by the two directors totaled \$120,000 for 2002.

In connection with our acquisition in January 1997 of certain funeral homes and cemeteries in California which were controlled by Mark Wilson and others, Mr. Wilson and one of our subsidiaries entered into a fifteen-year non-competition agreement providing for, among other things, the payment to Mr. Wilson of \$170,000 per year. In December 2000, Carriage released Mr. Wilson from his obligations under that agreement, although we remain obligated to continue to make the payments thereunder. In the January 1997 transaction, we entered into an employment agreement with Mr. Wilson, which was superseded by a new three-year employment agreement we signed on January 1, 2001 incident to Mr. Wilson assuming his corporate-level duties as Senior Vice President of Cemetery Operations, at a base salary of \$150,000 per year. On November 7, 2001, James J. Benard was elected Senior Vice President of Sales & Cemetery Operations, at which time Mr. Wilson resigned his corporate-level position but maintained his position with our California operations and his agreement remains unaffected.

The January 1997 transaction included Carriage's commitment to nominate Mr. Wilson to its Board of Directors for so long as he and other former CNM shareholders collectively owned a certain minimum level of our Common Stock, and he has served on our Board ever since. At present, the Board consists of six directors, three of whom meet the "independence" standards under both the current NYSE rules and the requirements of the Sarbanes-Oxley Act of 2002, and three of whom do not. As Mr. Wilson is a full-time employee of one of our subsidiaries, he does not meet the independence standard. The Board in early 2003 discussed its desire to achieve as quickly as practicable a majority of its members who would so qualify as independent, although it was felt that the Board's size should not be increased at present. Consequently, we agreed with Mr. Wilson and the other former CNM shareholders that Mr. Wilson would not stand for re-election in 2003, so as to make room for another candidate who could serve as an independent director. Mr. Wilson will, however, continue to have certain rights to attend regular and special meetings of the Board as a non-voting visitor and to receive certain materials available to directors. The Board further agreed that (if the minimum stock ownership threshold is still met) it would nominate Mr. Wilson as a Class II director for consideration at the 2004 annual meeting of stockholders.

Joe R. Davis was selected by the Corporate Governance Committee, and nominated by the full Board, to be considered for election as a Class I director at the 2003 Meeting. There is no contract or commitment concerning his election to or service on the Board. The Board believes that Mr. Davis will satisfy applicable standards for independence. Mr. Davis is an officer, director and founding shareholder of CGX, a subsidiary of which provided printing services to Carriage last year for approximately \$25,000.

In connection with our acquisition in November 1997 of certain funeral homes and cemeteries in Florida, which were controlled by Greg Brudnicki and another person, Mr. Brudnicki and one of our subsidiaries entered into an employment agreement, which was superseded by a new three-year employment agreement we signed on January 1, 2001 incident to Mr. Brudnicki becoming Senior Vice President of Cemetery Operations. His annual base salary is \$150,000. When Mr. Benard was elected Senior Vice President of Sales & Cemetery Operations, Mr. Brudnicki also resigned his corporate-level position but maintained his position with our operations in Northwest Florida and his agreement remains unaffected.

In connection with the above-described acquisition, we agreed to make a contingent purchase price payment to Mr. Brudnicki and the other former owner of those firms if one of the funeral homes achieved financial performance, as defined in the agreement, above a certain target. In February 2000,

Edgar Filing: CARRIAGE SERVICES INC - Form DEF 14A

the agreement was amended to split it into two payments. In March 2002, we completed the last such payment, and Mr. Brudnicki's share was approximately \$572,000.

received stockholder approval.

(2)

Does not include arrangements with certain former owners of businesses sold to Carriage in which they may become entitled to receive payments based upon the field-level financial performance of locations within their designated geographic area, and under which they have the right to accept such payments in cash or our Common Stock. To date, all such payments have been made in cash. Also does not include compensation that directors from time to time elect to receive in our Common Stock in lieu of cash. Currently, Mr. Foster receives 100% of his compensation in Common Stock and Mr. Stedman receives 60%.

Separation Agreement with a Departed Officer

On July 31, 2002, Thomas C. Livengood, Carriage's former executive vice president and chief financial officer, resigned from his positions as an officer and employee of Carriage. In connection with this resignation, Carriage and Mr. Livengood entered into a Separation Agreement and Release effective as of July 31, 2002, to supersede and extinguish the rights Mr. Livengood held under his employment agreement with Carriage dated November 8, 1999. Pursuant to the Separation Agreement, Mr. Livengood received a lump-sum payment of \$250,000, of which \$50,000 was acknowledged to represent a payment in lieu of a prorated bonus for 2002.

Carriage and Mr. Livengood also entered into a Consulting Agreement pursuant to which Mr. Livengood will provide certain consulting services through November 2004, for a consulting fee totaling \$500,000, payable in 36 equal bi-weekly installments. Under this agreement, Mr. Livengood has also agreed that he will not directly or indirectly compete with Carriage during the contract term.

Compensation of Directors

We compensate our directors through cash payments, including quarterly retainers and meeting attendance fees, and through stock options.

Each "outside director" is entitled to an annual retainer of \$20,000, payable quarterly. A director qualifies as outside if that director is not an employee of our parent corporation or any subsidiary; currently, outside directors consist of Messrs. Stedman, Erickson and Foster and is anticipated to

additionally include Mr. Davis if elected at the 2003 Meeting. In addition, the Chair of the Audit Committee (who is required to be an outside director, currently Mr. Foster) receives an annual grant of 5,000 fully vested shares of our Common Stock.

As a general rule, each outside director is entitled to \$1,000 for each regular or special meeting of the full Board attended in person, and \$500 if attended by phone. In addition, Audit Committee members receive \$1,500 for each committee meeting held in person and \$1,000 for each such meeting held by phone, except that those amounts are cut in half if the committee meeting occurs on the same day as a full Board meeting. Members of the other committees receive \$750 for each committee meeting held in person and \$500 for each such meeting held by phone, except that the amounts are \$1,125 and \$750, respectively, for the chair of such committees, and no attendance fees are payable for these other committees for a meeting that occurs on the same day as a full Board meeting.

Outside directors have the ability to elect to receive all or any portion of the cash retainer and attendance fees in shares of our Common Stock, based on the fair market value thereof as of the date the amount is earned.

We also have the ability to issue discretionary options under the Directors' Plan. The eligibility to receive options is broader than the definition of outside directors, by including all directors who are not executive officers of our parent corporation, but who may be employees ("eligible directors"). At present, eligible directors under the Directors Plan include, in addition to Messrs. Stedman, Erickson and Foster, Messrs. Wilson and Brudnicki, and it is expected that Mr. Davis will similarly qualify as an outside director. Each grant under the Directors Plan must be approved by (1) at least two-thirds of all members of the entire Board, and (2) a majority of all members of the Board who are not eligible to receive options under the Directors's Plan. In addition, shares issued upon exercise of options granted under the Directors' Plan may not, without Board approval, be sold or disposed of within six months following the date of grant.

There are an aggregate of 350,000 shares of Common Stock reserved for issuance under the Directors' Plan. In May 2002, Carriage granted to each of Messrs. Stedman, Erickson, Foster, Wilson and Brudnicki an option to purchase up to 6,000 shares of our Common Stock at an

exercise price of \$4.50 per share. It is anticipated that every eligible director will receive a grant of 6,000 fully vested options immediately following the 2003 annual meeting.

Employment Agreements

Effective November 8, 1999, we entered into an employment agreement with Melvin C. Payne. The employment agreement with Mr. Payne has an initial term of approximately five years with an evergreen two-year extension continuing after the first three years of the employment agreement unless either Carriage or Mr. Payne gives 90 days notice of termination. Pursuant to this agreement, Mr. Payne is entitled to receive a base salary of not less than \$275,000 and a bonus to be determined on an annual basis by the Board of Directors. If Mr. Payne is terminated without cause during the term of the agreement, he will receive a monthly severance payment until the end of the term had he not been terminated plus a proportionate amount of the bonus earned for the year of termination. Such monthly severance payment would be equal to the average monthly amount (including salary and bonus) earned by Mr. Payne during the three calendar years prior to his termination. During the period that Mr. Payne receives the monthly severance payment, he also would be entitled to participate in any employee benefit plans or programs in which he was participating at the time of his termination. In addition, each agreement contains a covenant prohibiting Mr. Payne from competing with Carriage during the period he is receiving compensation under his agreement, provided, however, that following termination of employment, he may elect to forego certain severance payments which he would be entitled to under the employment agreement and thereafter would not be prohibited from competing with us. In addition, the agreements contain customary benefits and perquisites.

Carriage is also a party to separate employment agreements with Jay D. Dodds, Mark Groeneman, James J. Benard, and Joseph Saporito dated effective November 8, 1999, January 1, 2000, January 1, 2001 and September 16, 2002, respectively, providing for initial annual base salaries to them of

14

\$130,000, \$130,000, \$200,000 and \$225,000, respectively, plus certain benefits including but not limited to eligibility for a year-end bonus based on performance, eligibility for stock option grants, and other benefits generally available to employees. Their agreements extend through November 8, 2004, December 31, 2004, December 31, 2003, and September 30, 2005, respectively, and each agreement may sooner terminate with no further obligation of Carriage for additional payments upon the death or disability of the employee or his termination from employment for cause. If the employee is terminated without cause, Carriage is obligated to continue to pay the employee his salary and provide benefits for the remainder of the contract term (in the case of Mr. Dodds) or a period of one year (in all other cases). Each such employee has agreed that for a two-year period following the termination of his employment agreement, he will not compete with Carriage or will induce any employees of Carriage to leave Carriage, with no option to elect out of the covenant. In addition, if Carriage undergoes a "Corporate Change" (as defined in our 1996 Plan) and Mr. Saporito leaves our employment, then he would be entitled to receive compensation and benefits for 12 months or until the remainder of his contract term, whichever is longer.

In each case, the annual base salaries have been reviewed and from time to time adjusted, most recently in January 2003 to the following levels: Mr. Payne \$400,000; Mr. Saporito \$240,000; Mr. Dodds \$190,000; Mr. Benard \$200,000; and Mr. Groeneman \$160,000.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee (the "Committee") is responsible for annually reviewing and approving compensation arrangements for senior management, making recommendations with respect to employee benefit plans, making stock option grants under the 1995 Plan and the 1996 Plan and administering the 1997 Employee Stock Purchase Plan. Neither member of the Committee is an employee of Carriage or any of its subsidiaries.

The goal of the Committee is to enhance performance and maximize stockholder value through, among other things, establishing appropriate executive compensation levels and incentives. The Committee believes that compensation levels should be tied to performance on both an individual and corporate level so that management will be properly motivated to achieve Carriage's annual and long term financial goals and to maximize stockholder value. Our executive compensation policies are designed to:

Allow us to attract and retain qualified executives with the leadership and other skills needed by Carriage at this stage in its development;

Edgar Filing: CARRIAGE SERVICES INC - Form DEF 14A

Provide strong incentives to achieve our annual and long term goals, which currently focus on balance sheet quality, with rewards for both individual and corporate performance; and

Solidly align the interests of management with those of the stockholders.

Each year, the Committee considers specific ways that these policy goals may best be achieved, which includes a review of base salary as well as consideration of annual incentives, which may consist of one or a combination of cash bonuses, stock options, stock grants. From 1995 - 1999, the emphasis was more on incentive-based compensation and less on cash compensation. With the dramatic stock declines in 1999-2000, substantially all preexisting management options were relinquished by the holders, but upon the implementation of Fresh Start with a new management team, new options were granted, coupled with stock and cash bonuses. In 2002, base salaries were maintained level and a combination of cash bonuses and stock options were awarded to the Named Executive Officers. In January 2003, following completion of the second full year of Fresh Start, the Committee authorized salary increases, cash bonuses and restricted stock grants to the senior management team, all as further described below.

Base Salaries

The base salaries for each of our executive officers are determined on an individual basis, taking into account such factors as the duties and levels of responsibility of the individual and compensation

15

levels set by other companies within the industry, as well as other companies in the service sector of comparable revenue size. The Committee believes that maintaining a reasonable base salary structure is necessary to attract and retain talented executives.

In 2002, the second full year of Carriage's Fresh Start initiative, Carriage solidified its core executive management team, consisting of Mel Payne, Chief Executive Officer and President, Jay Dodds, Senior Vice President of Funeral Operations, Jim Benard, Senior Vice President of Cemetery Operations and Mark Groeneman, Senior Vice President of Human Resources, and including the addition in September of Joseph Saporito, Senior Vice President and Chief Financial Officer. Skip Klug, Senior Vice President and Chief Information Officer, is also part of Carriage's senior management team, although not a Named Executive Officer. Salary increases were implemented at the beginning of Fresh Start, but they generally had not been adjusted in the intervening two years. In January 2003, the Committee reviewed evaluations completed by the Chief Executive Officer for each member of the management team, measuring performance against individualized criteria. As a result of this process, and given the successes achieved by Fresh Start thus far and the recognition that it is essential to Carriage that it retain a strong and incentivized management group, the Committee approved new annual base salaries which averaged 5.5% for the six senior officers.

Bonuses for Named Executive Officers for 2002

As part of the performance review process described above, the Committee evaluated the appropriate levels of bonuses which should be considered for each member of the senior management team. In December 2000, the Committee approved stock bonus grants with a cash bonus component intended to defray each executive's tax liability. In January 2003, the Committee took a different approach for 2002 performance-based incentives, by considering cash bonuses independent of awards of restricted stock grants, which are further described below. While the Committee considered a number of factors in evaluating each executive's cash bonus level, including but not limited to Carriage's overall performance, there was an individualized review based upon the goals and achievements of each officer in the area of his responsibility. The Committee's recommendations were adopted by the full Board and are reflected in the Summary Compensation Table.

Restricted Stock Bonus Awards for Named Executive Officers for 2002

Carriage has historically awarded stock options to its executive officers in each year. In January 2003, examining 2002 performance, there was a consensus among the Committee that the management team should begin taking on more ownership in our company and to operate according to that ownership mentality. Consequently, no options were granted to any Named Executive Officer or any other member of the senior management team for 2002 performance. Instead, the Committee authorized, and the full Board approved, restricted stock bonus awards. In each case, the full number of shares (as detailed below) were issued, but they remain subject to forfeiture if the executive leaves before shares are vested. All awards have a vesting schedule of 25% per year on the first through fourth anniversaries of the January 9, 2003 grant date, when our stock price was \$3.97. The shares were issued under our 1995 Plan and are consequently registered on Form S-8, but unvested shares are

held in escrow pending satisfaction of vesting requirements. The amount of the restricted stock awards are as follows:

<u>Name</u>	<u>No. of Shares</u>
Melvin C. Payne	70,000
Jay D. Dodds	20,000
James J. Benard	20,000
Mark Groeneman	20,000

Compensation Policies for the Chief Executive Officer

Melvin C. Payne has served as our Chief Executive Officer since Carriage was founded in 1991. He assumed the additional title of Chairman of the Board in December 1996. Mr. Payne took on the additional responsibilities as President at the end of 2000 when Fresh Start began and still holds that position.

In early 2000, Mr. Payne's base salary was determined to be significantly below market, and so his base salary was increased to \$375,000 per year. It stayed that way for two years, as Carriage implemented its Fresh Start initiatives. This year, the Committee again examined Mr. Payne's base compensation level. Now that the two-year phase of Fresh Start has been complete, the Committee felt that Mr. Payne's base salary should be adjusted, and so his base level was increased to \$400,000, a 6.7% increase that is generally in line with other adjustments among the senior executive team.

Since Carriage went public, Mr. Payne has assumed the dual roles of Chairman of the Board and Chief Executive Officer. Throughout Fresh Start, he has also been our President, effectively functioning as chief operating officer as well. Given these multiple roles and the successes achieved thus far, the Committee felt that it was appropriate to award Mr. Payne a cash bonus of \$200,000, equal to one-half his new base salary level.

The Committee felt that, as with other executive officers, Mr. Payne should receive a restricted stock grant in lieu of stock options, so no options were awarded to Mr. Payne. He did receive a restricted stock grant for 70,000 shares, with the same terms and conditions applicable to the other officers. The level of the grant was proportionate in relation to his base salary and bonus level when compared to other members of the management team and given his level of responsibility for Carriage's management, direction and vision.

COMPARATIVE STOCKHOLDER RETURN

The following graph compares on a cumulative basis the percentage change during the last five fiscal years in the total stockholder return on (i) our Common Stock, (ii) the Standard & Poor's 500 Stock Price Index, and (iii) a peer group index of the two other companies in the death care industry that were publicly traded throughout the entire five-year period (Service Corporation International and Stewart Enterprises, Inc.). This graph assumes that the value of an investment in our Common Stock and in each index was \$100 on December 31, 1997. The returns for each company in the Peer Group are weighted according to its stock market capitalization for which a return is indicated.

AUDIT COMMITTEE REPORT

As members of the Audit Committee of the Board of Directors, we are responsible for helping to ensure the reliability of Carriage's financial statements. In keeping with this goal, the Audit Committee operates according to a written charter approved by the Board of Directors. A new charter was adopted this year and is included as Appendix A.

Review and Discussions

The Audit Committee has reviewed and discussed Carriage's audited financial statements with management. It has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standard Nos. 61 and 90. Additionally, the Audit Committee has received the written disclosures and the letter from the independent accountants at KPMG LLP, as required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent accountants their independence.

In an effort to maintain the accountant's independence, the Audit Committee has considered whether KPMG LLP's rendering of non-audit services is compatible with maintaining its independence. We have concluded that the rendering of both types of services does not result in a conflict.

Change in Principal Accountant

As disclosed in the Form 8-K Current Report, Carriage dismissed Arthur Andersen LLP as its principal accountant on May 20, 2002, and subsequently engaged KPMG LLP as its principal accountant. The decision to change principal accountants was recommended by the Audit Committee and was approved by the Board of Directors of Carriage. The decision to change was not the result of any disagreement between Carriage and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure.

Arthur Andersen LLP reviewed the financial statements included in Carriage's Quarterly Report on Form 10-Q for the three months ended March 31, 2002. KPMG LLP audited the financial statements included in Carriage's Annual Report on Form 10-K as of and for the year ended December 31, 2002, and reviewed the financial statements included in Carriage's Forms 10-Q for the periods ended June 30, 2002 and September 30, 2002.

Selection for 2003

The Audit Committee has reappointed KPMG LLP as the independent public accounting firm to audit our financial statements for the fiscal year ending December 31, 2003. Representatives of KPMG LLP are expected to be present at the Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Audit Fees

The fees billed to Carriage by KPMG LLP for the audit of Carriage's financial statements for the year ended December 31, 2002 totaled \$125,000. Additionally, the fees billed to Carriage by KPMG LLP for the reviews of the financial statements included in Carriage's Forms 10-Q for the periods ended June 30, 2002 and September 30, 2002 totaled \$22,000.

Arthur Andersen LLP billed Carriage \$9,000 for their review of the financial statements included in Carriage's Form 10-Q for the three months ended March 30, 2002.

Financial Information Systems Design and Implementation Fees

Neither KPMG LLP or Arthur Andersen LLP performed any services for Carriage related to financial information systems design and implementation during the year ended December 31, 2002.

All Other Fees

The fees billed by KPMG LLP for all other services for the year ended December 31, 2002 totaled \$123,910 and consisted of the following:

Recommendation to Include Audited Financial Statements in Annual Report
