(c)

The description of the Common Stock of the Registrant contained in a registration statement under the Exchange Act of 1934, as amended (the "Exchange Act"), including any amendment or report filed for the purpose of updating such description.

All documents filed by the Registrant pursuant to Section 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date hereof, and prior to the filing of a post-effective amendment which indicates that the securities offered hereby have been sold or which deregisters the securities covered hereby then remaining unsold, shall also be deemed to be incorporated by reference into this Registration Statement and to be a part hereof commencing on the respective dates on which such documents are filed.

Item 4. Description of Securities.

Not Applicable

Item 5. Interests of Named Experts and Counsel.

Not Applicable

Item 6. Indemnification of Directors and Officers.

The Washington Business Corporation Act permits and the Restated Articles of Incorporation and Bylaws of the Registrant provide that to the fullest extent allowed by applicable laws existing from time to time, any person may, and directors and officers shall, be indemnified or reimbursed by the Registrant for reasonable expenses (including attorneys' fees) actually incurred in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative to which he or she shall be made a party or threatened to be made a party by reason of his or her being or having been a director, officer, employee or agent of the Registrant or of any firm, corporation, employee benefit plan or other organization which he or she served in any such capacity at the request of the Registrant; provided, however, that no person shall be so indemnified or reimbursed (1) in relation to any matter in such action, suit or proceeding as to which he or she shall finally be adjudged to have been guilty or liable for gross negligence, willful misconduct or criminal acts in the performance of his or her duties to the Registrant; or (2) in relation to any matter in such action, suit or proceeding which has been made the subject of a compromise settlement except with the approval

3

of (a) a court of competent jurisdiction, (b) the holders of record of a majority of the outstanding shares of the Registrant or (c) the Board of Directors, acting by vote of a majority of directors not parties to the same or substantially the same action, suit or proceeding, whether or not such majority constitutes a quorum. The foregoing right of indemnification or reimbursement is not exclusive of other rights to which such person, his or her heirs, executors or administrators may be entitled as a matter of law. Persons indemnified are deemed to include the heirs, legal representatives, executors and administrators of such persons.

Expenses (including attorneys' fees) incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Registrant in advance of the final disposition of such action, suit or proceeding. The director, officer, employee or agent must repay such amount, however, if it shall ultimately be determined that he or she is not entitled to be indemnified by the Registrant.

Edgar Filing: STERLING FINANCIAL CORP /WA/ - Form S-8

The Registrant's Restated Articles of Incorporation also provide that a director of the Registrant shall not be personally liable to the Registrant or its shareholders for monetary damages for conduct as a director, except for liability of the director for (i) acts or omissions that involve intentional misconduct or a knowing violation of law by the director, (ii) conduct which violates RCW 23B.08.310 of the Washington Business Corporation Act pertaining to unpermitted distributions to shareholders or loans to directors or (iii) any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled. If the Washington Business Corporation Act is amended to further eliminate or limit the personal liability of directors, then the liability of a director of the Registrant shall be eliminated or limited to the fullest extent permitted by the Washington Business Corporation Act, as so amended. Any repeal or modification of the foregoing paragraph by the shareholders of the Registrant shall not adversely affect any right or protection of a director of the Registrant existing at the time of such repeal or modification.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

Edgar Filing: STERLING FINANCIAL CORP /WA/ - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

PROVIDED, HOWEVER, that paragraphs (1)(i) and (1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
