#### Item 5. Other Event

On July 22, 2003, Packaging Corporation of America announced the successful completion of its tender offer for any and all of its \$550 million outstanding 9<sup>5</sup>/<sub>8</sub>% Series B Senior Subordinated Notes due 2009 (CUSIP No. 695156ADI) (the "Notes"). Approximately \$546.4 million, or 99.3%, of the Notes were tendered in the tender offer. In addition, the indenture under which the Notes were issued was amended to eliminate or modify substantially all of the restrictive covenants and certain events of default and related provisions in the indenture. The Notes were accepted for payment and the amendments became operative on July 22, 2003.

In a separate release also dated July 22, 2003, Packaging Corporation of America announced the completion of its debt refinancing which included the repurchase of \$546.4 million of its outstanding 9<sup>5</sup>/<sub>8</sub>% Notes, and the paydown earlier this month of the last \$79 million of its original \$1.219 billion in bank debt. The repurchase of the 9<sup>5</sup>/<sub>8</sub>% Notes was financed through a private placement of \$150 million of 4<sup>3</sup>/<sub>8</sub>% five-year senior notes and \$400 million of 5<sup>3</sup>/<sub>4</sub>% ten-year senior notes and through \$50 million in floating rate term loans under a new senior unsecured bank credit facility.
