PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

APRIL 27, 2004

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies ("Proxies") by the Board of Directors of Central Pacific Financial Corp. (the "Company") for use at the Annual Meeting of Shareholders (the "Meeting") of the Company to be held in the Iao Needle and Akaka Falls Conference Rooms of the Sheraton Waikiki Hotel, 2255 Kalakaua Avenue, Honolulu, Hawaii, on April 27, 2004, 6:00 p.m., Hawaii time, and at any and all adjournments thereof. This Proxy Statement and accompanying Notice was mailed to shareholders on or about March 30, 2004.

Matters to be Considered

The matters to be considered and voted upon at the Meeting will be:

1. **Election of Directors.** To elect three persons to the Board of Directors for a term of three years and to serve until their successors are elected and qualified.
2. **Ratification of the Appointment of Independent Accountants.** To ratify the appointment of KPMG LLP as the Company's independent accountants for the fiscal year ending December 31, 2004.
3. **Other Business.** To transact such other business as may properly come before the Meeting and at any and all adjournments thereof.

Record Date, Outstanding Securities and Voting Rights

The close of business on February 27, 2004 was fixed as the record date (the "Record Date") for the determination of the shareholders of the Company entitled to notice of and to vote at the Meeting. There were 16,083,433 shares of the Company's common stock, no par value ("Common Stock") issued and outstanding on the Record Date.

Each holder of Common Stock will be entitled to one vote, in person or by proxy, for each share of Common Stock standing in the holder's name on the books of the Company as of the Record Date on any matter submitted to the vote of the shareholders.

Quorum

The required quorum for the transaction of business at the Meeting is a majority of the total outstanding shares of Common Stock entitled to vote at the Meeting, either present in person or represented by proxy. Proxies received but marked as abstentions and broker non-votes will be

included in determining the number of shares present at the Meeting for the purpose of determining the presence of a quorum.

Broker Non-Votes

If you hold your shares of Common Stock in "street name" and you fail to instruct your broker or nominee as to how to vote your Common Stock, your broker or nominee may, in certain cases and in its discretion, vote your Common Stock. A broker non-vote occurs under stock exchange rules when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given. Brokers may however, vote, in their discretion, in the absence of timely instructions from beneficial owners, with respect to the election of directors (Proposal 1) and the ratification of the appointment of KPMG LLP (Proposal 2).

Vote Required to Approve the Proposals

Proposal 1: Election of Directors. In the election of directors, the three persons receiving the highest number of "FOR" votes at the Meeting will be elected.

Proposal 2: Ratification of the Appointment of Independent Accountants. The proposal to ratify the appointment of KPMG LLP as the Company's independent accountants requires the affirmative vote of shareholders holding not less than a majority of the shares of Common Stock represented and entitled to vote at the Meeting. An abstention from voting on the proposal to ratify the appointment of KPMG LLP will have the effect of a vote "AGAINST" the proposal. Broker non-votes for this proposal will not be considered entitled to vote on the proposal; thus, the shares represented by such broker non-votes will not affect the outcome of the vote.

The Board of Directors recommends a vote "FOR" the election of all nominees as directors and "FOR" ratification of the appointment of KPMG LLP as the Company's independent accountants for the fiscal year ended December 31, 2004. It is not anticipated that any matters will be presented at the Meeting other than as set forth in the accompanying Notice of the Meeting. If any other matters are presented properly at the Meeting, however, the Proxy will be voted by the Proxy Holders in accordance with the recommendations of the Board of Directors.

Revocability of Proxies

Any shareholder who executes and delivers such Proxy has the right to revoke it at any time before it is exercised by filing with the Secretary of the Company an instrument revoking it or a duly executed Proxy bearing a later date. It may also be revoked by attendance at the Meeting and election to vote in person at the Meeting. Subject to such revocation, all shares represented by a properly executed Proxy received in time for the Meeting will be voted by the Proxy Holders in accordance with the instructions on the Proxy.

Costs of Solicitation of Proxies

This solicitation of Proxies is made on behalf of the Board of Directors of the Company (the "Board") and the Company will bear the costs of solicitation. The expense of preparing, assembling, printing and mailing this Proxy Statement and the materials used in this solicitation of Proxies also will be borne by the Company. It is contemplated that Proxies will be solicited principally through the mail, but directors, officers and regular employees of the Company or its subsidiary, Central Pacific Bank (the "Bank"), may solicit Proxies personally or by telephone. Although there is no formal agreement to do so, the Company may reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding these proxy materials to their principals. The Company does not intend to utilize the services of other individuals or entities not employed by or affiliated with the Company in connection with the solicitation of Proxies.

Principal Shareholders

As of the Record Date, the following were the only persons known to management of the Company to beneficially own more than five percent of the Company's outstanding Common Stock.

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form DEF 14A

<u>Title of Class</u>	<u>Name and Address of Beneficial Owner</u>	<u>Amount and Nature of Beneficial Ownership</u>	<u>Percent of Class</u>
Common	Private Capital Management, L.P. 8889 Pelican Bay Boulevard Naples, Florida 34108	1,499,122	9.32%
Common	Vanguard Fiduciary Trust Company (*) 500 Admiral Nelson Boulevard Malvern, Pennsylvania 19355	1,385,924	8.62%
Common	Wellington Management Company, LLP 75 State Street Boston, Massachusetts 02109	1,236,078	7.69%

(*) Vanguard Fiduciary Trust Company (the "Trustee") is the trustee of certain employee benefit plans, including the Central Pacific Bank 401(k) Retirement Savings Plan (the "Retirement Savings Plan"), which are subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Shares of the Company's Common Stock are held in trust for the benefit of employees in the plans. As of the Record Date, all of the shares of Common Stock held by the Trustee had been allocated to the accounts of plan participants. The Trustee votes shares allocated to participant accounts as directed by participants subject to Section 404 of ERISA. Shares of Common Stock held by the Trustee on behalf of the plans may be disposed of by the plans or the trustee only in accordance with the terms of the plans. Although the Trustee in its fiduciary capacity, pursuant to the applicable regulations promulgated pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), is technically the beneficial owner of such shares, the actual beneficial owners are the employees who participate in the employee benefit plans. The Trustee therefore disclaims beneficial ownership of such shares held in trust which are otherwise attributable to them by virtue of the trust.

The following table sets forth security ownership as of the Record Date with respect to each of the directors, nominees and Named Executive Officers (as defined below under the heading "**Compensation of Directors and Executive Officers Executive Compensation**"), as well as all directors and executive officers,

ELECTION OF DIRECTORS

Under the Company's Restated Articles of Incorporation and Amended Bylaws, which provide for a "classified" Board of Directors, three directors (out of a present total of nine) are to be elected at the Meeting to serve three-year terms expiring at the 2007 Annual Meeting of Shareholders and until their respective successors are elected and qualified. The Company's Amended Bylaws currently provide for nine directors, three each serving as Class I, Class II and Class III directors, each class of directors serving for three-year terms. The nominees to serve as Class I directors for the election at the Meeting are Clint Arnoldus and Dennis I. Hirota, both of whom are currently directors of the Company, and Christine H. H. Camp Friedman.

All nominees have indicated their willingness to serve and unless otherwise instructed, Proxies will be voted for all of the nominees. However, in the event that any of them should be unable to serve, the Proxy Holders named on the enclosed Proxy Card will vote in their discretion for such persons as the Board of Directors may recommend.

All directors of the Company are also directors of the Bank. Dates prior to the formation of the Company in 1982 indicate the year first appointed director of the Bank. Dr. Hirota and Mrs. Guild commenced service as directors of the Company on February 1, 1982, the date of formation of the Company. Dr. Hirota and Mrs. Guild served as directors of the Company until April 23, 1985 when the Company's shareholders adopted a classified Board and reduced the number of directors to nine. However, Dr. Hirota and Mrs. Guild continued to serve on the Bank's Board until they were reelected to the Company's Board in 1986 and 1990, respectively. Dr. Honbo has been a director of the Bank since 1986. Mr. Matsumoto has been a director of the Bank since 1986. Mr. Arnoldus has been a director of the Bank since 2002. Mr. Kosasa has been a director of the Bank since 1994. Mrs. Hedberg and Mr. Blangiardi have been directors of the bank since 2003.

Messrs.

Chikamoto, Fujimoto, Hashimoto and Isono are officers of the Bank and not officers of the Company; therefore, the year included in the column labeled "First Year Elected or Appointed as Officer or Director of the Company" indicates the year that each was first appointed as an officer of the Bank.

(2)

The following includes information regarding all the Named Executive Officers except for Mr. Arnoldus, whose information is included in this table under the section heading "Nominees for Class I Directors".

Section 16(a) Beneficial Ownership Reporting Compliance

The Company's directors, executive officers and the beneficial holders of more than 10% of the Common Stock are required to file certain reports with the United States Securities and Exchange Commission (the "SEC") regarding the amount of and changes in their beneficial ownership of the Company's stock. Based on its review of copies of those reports, the Company is required to disclose failures to report shares beneficially owned or changes in such beneficial ownership, or to timely file required reports during the previous year. To the best knowledge of the Company, there were no such failures to file or timely file required reports during 2003.

CORPORATE GOVERNANCE AND BOARD MATTERS

The Company is committed to promoting and fostering ethical conduct and sound corporate governance principles. The Company has a Code of Conduct & Ethics for Senior Financial Officers, which is applicable to the chief executive officer, president, chief financial officer, controller, any other principal financial officer or principal accounting officer and any other person fulfilling and/or performing any similar role, function or capacity (the "Code of Ethics"). The Code of Ethics will be available on the Company's website (www.centralpacificbank.com) no later than the date of the Meeting.

The Board has five (5) standing committees, including an Audit Committee, a Compensation Committee, an Executive Committee, a Corporate Governance and Nominating Committee, and a Mergers and Acquisitions Committee.

During the fiscal year ended December 31, 2003, the Board held a total of nineteen (19) meetings, including monthly, annual and special meetings. All of the persons who were directors of the Company during 2003 attended at least seventy-five percent (75%) of the aggregate of (i) the total number of such Board meetings, and (ii) the total number of meetings held by all committees of the Board on which they served during the year, except Mr. Blangiardi who attended 63% of the aggregate of Board meetings and meetings held by committees of the Board on which he served. The Company expects directors to attend the annual meetings of shareholders. All directors attended last year's annual meeting of shareholders.

It is responsible for promoting the best interests of the Company and its shareholders through the implementation of sound corporate governance principles and practices, including recommending nominees for directors of the Company, determining the composition of committees of the board, reviewing the qualifications and independence of directors, evaluating the performance of the board and chief executive officer and reviewing and monitoring the Company's Corporate Governance Guidelines. The Company's Corporate Governance Guidelines is available on the Company's website (www.centralpacificbank.com). The charter of the Corporate Governance and Nominating Committee is available on the Company's website (www.centralpacificbank.com). All members of the Corporate Governance and Nominating Committee are independent within the meaning of the listing standards of the NYSE and the Company's Corporate Governance Guidelines.

Mergers and Acquisitions Committee

Mergers and Acquisitions Committee held two (2) meetings during 2003. The committee was established in 2003 for the purpose of reviewing, evaluating and making recommendations to the Board of Directors concerning potential merger and acquisition opportunities.

Consideration of Director Nominees

Director Qualifications. The Corporate Governance and Nominating Committee is responsible for reviewing the qualifications and independence of director nominees in accordance with the criteria set forth in the Company's Corporate Governance Guidelines. The general criteria considered include qualification as independent, diversity, age, skills, experience and other relevant considerations in the context of the needs of the Board.

9

Identifying and Evaluating Nominees. The Board seeks always to identify the best qualified and suited ("best qualified and suited" used in the broadest of senses and in the best interests of the Company) candidates for director positions and to present these candidates for shareholder approval, as and when director positions become open and available. The Corporate Governance and Nominating Committee will first identify, review, evaluate and recommend to the Board, nominees for Director positions. The Board will then vote whether or not to recommend such nominees to the Company's shareholders for election.

In identifying potential director nominees, the Corporate Governance and Nominating Committee will search within the State of Hawaii and may search outside the State of Hawaii for any potential Director candidates, and in this regard, may utilize the services of a professional search firm. While generally the same criteria shall be applied in evaluating a candidate's qualifications, it is extremely difficult to conceive of all the attributes, skills and qualities that the Corporate Governance and Nominating Committee and/or Board may at any given point in time, determine, consider and value in evaluating, selecting and recommending director nominees. Accordingly, the Corporate Governance and Nominating Committee and the Board reserve the right to exercise their discretion and to consider any and all other circumstances, experiences, attributes, skills, qualities, and factors applicable to any director nominee, provided that such discretion shall be exercised in a fair and reasonable manner and with the intent and purpose of having the best qualified and suited directors serving on the Board at all times, as well as a well rounded Board. The Board may enlist the services of a third party to conduct a background check or other investigation in order to determine whether a candidate meets any criteria.

Shareholder Nominees. In accordance with the policies set forth in the Company's Corporate Governance Guidelines and Bylaws, the Corporate Governance and Nominating Committee will consider properly submitted director nominees for election at the 2005 Annual Meeting of Shareholders recommended by shareholders if such recommendations are received in writing prior to January 27, 2005. Shareholder recommendations should be addressed to the Company's Secretary, P.O. Box 3590, Honolulu, Hawaii 96811.

Communications with the Board

Shareholders of the Company may send written communications directly to the Board, addressed to: Board of Directors of Central Pacific Financial Corp., 220 South King Street, Third Floor, Honolulu, Hawaii 96813. Any such communication may be directed to the attention of the Chairman of the Board or the Chair of any Board Committee (such as, for example, the Chair of the Audit Committee or the Chair of the Corporate Governance and Nominating Committee). Shareholders sending such communications must include the following in their written communication: (a) such shareholder(s) must identify himself/herself/itself/themselves and provide reasonably satisfactory proof of their ownership of the Company's stock; (b) such shareholder(s) must state in reasonable detail and communicate with reasonable clarity and specificity their issue or concern; and (c) such shareholder(s) must include their contact information (at a minimum, phone number and address).

Report of the Audit Committee

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filings under the Securities Act of 1933, as amended (the "Securities Act") or under the Exchange Act, except to the extent we specifically incorporate this Report by reference.

Report of the Audit Committee

The Audit Committee reports to the Board and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process of the Company.

10

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form DEF 14A

The Audit Committee Charter adopted by the Board sets out the responsibilities, authority and specific duties of the Audit Committee. A copy of the Audit Committee Charter is attached to the Company's proxy statement as Appendix A.

Pursuant to the charter, the Audit Committee has the following responsibilities:

to monitor the preparation of quarterly and annual financial reports;

to review the adequacy of internal control systems and financial reporting procedures with management and independent auditors;

to review the general scope of the annual audit and the fees charged by the independent auditors; and

to reassess the adequacy of the charter at least annually.

In discharging its oversight responsibility the Audit Committee has met and held discussions with management and KPMG LLP, the independent auditors for the Company. Management represented to the Audit Committee that all consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (*Communications with Audit Committees*).

The Audit Committee also obtained from the independent auditors a formal written statement describing all relationships between the Company and the auditors that bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, (*Independence Discussions with Audit Committee*). The Audit Committee has received and discussed with the independent auditors the matters in the written disclosures required by the Independence Standards Board and as required under the Sarbanes-Oxley Act of 2002. The Audit Committee discussed with the independent auditors any relationships that may impact on the firm's objectivity and independence and satisfied itself as to the auditors' independence.

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the internal controls, and the overall quality of the financial reporting.

Based on these discussions and reviews, the Audit Committee recommended that the Board of Directors approve the inclusion of the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

Management is responsible for the Company's financial reporting process including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not all be, and we may not all represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of our Company's financial statement has been carried out in accordance with generally accepted auditing standards or that our Company's independent accountants are in fact "independent."

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

GILBERT J. MATSUMOTO,
CHAIR
JOSEPH F. BLANCO
RICHARD J. BLANGIARDI
B. JEANNIE HEDBERG

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Director Compensation

The Company and the Bank each has a policy of paying fees to non-employee directors for their attendance at Board and committee meetings. The Company and the Bank pay each of their non-employee directors \$800 per Board meeting attended and \$600 per Board committee meeting attended. In addition, the Company pays \$9,000 annually to each non-employee director, and the Bank pays \$16,000 annually to each non-employee director. For the period from April 1, 2003 through January 31, 2004, the Company also paid each non-employee director a special fee of \$2,000 per month in consideration for their additional time commitment related to the Company's proposed acquisition of CB Bancshares, Inc. In addition, Directors Joseph Blanco, Dennis Hirota and Gilbert Matsumoto each received an additional \$15,000 and Director Clayton Honbo received an additional \$2,000 for their further additional time commitment related to the Company's proposed acquisition of CB Bancshares, Inc.

Non-employee directors of the Company and the Bank are also eligible to participate in the Company's 1997 Stock Option Plan. During 1997, non-employee directors received a one-time grant of stock options to purchase, in the aggregate, 294,000 shares of Common Stock at an exercise price of \$8.9375 per share. Options vest at a rate of 3,000 shares per year until the earlier of the director's retirement at age 70 or 10 years from the date of grant.

The Company maintains a Directors Deferred Compensation Plan effective as of January 1, 2001, under which each non-employee director of the Company and the Bank may elect to defer all or a portion of his or her annual retainer and meeting fees. Distribution of the deferred compensation account will be made in the form of a lump sum payment within ten years following termination from service or annual installment payments over a period no greater than ten (10) years following termination from service, in accordance generally with the director's election made at the time of the deferral. A withdrawal from the deferred compensation account is also available in the case of an unforeseeable emergency. Under the Directors Deferred Compensation Plan, deferred amounts are valued based on corresponding investments in certain investment funds offered by the Bank's Trust Division which may be selected by the director. The Directors Deferred Compensation Plan is a nonqualified deferred compensation plan under which distributions are made from the general assets of the Company and under the direction and oversight of the Compensation Committee.

The 1997 Stock Option Plan allows for the discretionary grant of Common Stock to non-employee directors of the Company and its subsidiaries (the "Director Restricted Shares Program"), and requires retention of the Common Stock for all or a portion of the director's tenure as a director. There were no grants of shares pursuant to the Director Restricted Shares Program during 2003.

Report of the Compensation Committee

Set forth below is a report of the Compensation Committee addressing the Company's compensation policies for 2003 applicable to the Company's executives, including the Named Executive Officers.

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filings under the Securities Act or under the Exchange Act, except to the extent we specifically incorporate this Report of the Compensation Committee by reference.

Report of the Compensation Committee on Executive Compensation

The Company's compensation programs reflect the philosophy that executive compensation levels should be linked to Company performance, yet be competitive and consistent with that provided to others holding positions of similar responsibility in the banking and financial services industries. The Company's

17

compensation plans are designed to assist the Company in attracting and retaining qualified employees critical to the Company's long-term success, while motivating employees to perform to their fullest abilities to increase profitability and maximize shareholder value.

Salary Compensation

The Company pays cash salaries to its executive officers which are competitive with salaries paid to executives of other companies in the banking and financial services industries based upon the individual's experience, performance and responsibilities and past and potential contribution to the Company. In determining the market rate, the Company obtains information regarding executive salary levels for other companies in the banking and financial services industries, including national banking organizations. The relative asset size and profitability levels of these institutions are also considered. On April 8, 2003, and May 14, 2003, the Company's Board approved the compensation for all executive officers for the ensuing year, effective May 1, 2003.

The Company's Chief Executive Officer, Clint Arnoldus, was hired in January 2002 as President and Chief Operating Officer and named to the current position in April 2002. In determining Mr. Arnoldus' compensation, the Compensation Committee considered depth and length of experience in the industry and his performance record in positions with previous banking organizations as chairman, president and chief executive officer. Other considerations included management philosophy, vision and other factors that were determined to be keys to the Company's future success.

Incentive Compensation

During 2003, the Bank had two programs whereby compensation for the Named Executive Officers was directly linked to the Company's performance: the Profit Sharing Plan and the Annual Incentive Plan.

Profit Sharing Plan. The Bank has a Profit Sharing Plan (the "Profit Sharing Plan") pursuant to which the Bank makes annual profit-sharing contributions (the "Profit Sharing Contribution") to the Retirement Savings Plan as determined by the Bank's Board of Directors depending on the profitability of the Bank during the year, subject to certain limitations on contributions under the Internal Revenue Code and the Profit Sharing Plan.

Employees with not less than one year of service with the Bank are eligible to participate in the Profit Sharing Plan. The Profit Sharing Contribution is allocated among participating employees, including the Named Executive Officers, in the proportion which each participant's compensation for the fiscal year bears to the total compensation for all participating employees for such year. Benefits vest at a rate of twenty percent (20%) per year and participants receive a distribution of vested amounts allocated to their accounts only upon retirement or termination of employment with the Bank.

In 1994, the Bank's Board of Directors approved the Cash or Deferred Arrangement ("CODA") program which allows each employee who is a participant in the Profit Sharing Plan to elect to receive up to one-half of the current year's profit sharing contribution in cash with the other half being allocated to such employee's account under the Retirement Savings Plan. Elections not made would be deferred into that employee's Retirement Savings Plan account.

The Bank's Board of Directors makes its determination of the amount of the Profit Sharing Contribution based upon management's recommendation at the end of the fiscal year. For 2003, the Profit Sharing Contribution equaled five percent (5%) of the pre-tax income of the Bank (excluding the effect of the Profit Sharing Contribution expense), less the amount of cash dividends paid by the Bank during the fiscal year. In 2003, the Bank's Profit Sharing Contribution was \$2,130,000, which equaled 11.2% of total compensation paid to all participating

employees for the year.

Annual Incentive Plan. The Annual Incentive Plan was adopted by the Bank's Board of Directors for the 2003 fiscal year. Executive and division managers, including each of the Named Executive Officers,

18

were eligible to participate in the Annual Incentive Plan. In addition, a participant must have received a performance appraisal rating of "meets expectation" or above during the calendar year to be considered eligible for an award.

Subject to approval by the Bank's Board of Directors, participants were eligible to receive a cash bonus under the Annual Incentive Plan based upon a combination of Company and individual performance criteria. The Company performance criteria was based on a number of financial measures including the Company's return on equity, efficiency ratio and growth in earnings per share. Although improvements in efficiency ratio and earnings per share were achieved in 2003, the Company's performance did not meet the required thresholds, and accordingly, no cash bonuses were paid to the Named Executive Officers.

Stock-Based Compensation

The Company also believes that stock ownership by employees, including the Named Executive Officers, provides valuable long-term incentives for such persons who will benefit as the Common Stock price increases and that stock-based performance compensation arrangements are beneficial in aligning employees' and shareholders' interests. To facilitate these objectives, the Company adopted the 1997 Stock Option Plan.

1997 Stock Option Plan. The 1997 Stock Option Plan was adopted in 1997 to replace the 1986 Stock Option Plan, which expired on November 7, 1996. The 1997 Stock Option Plan was amended on April 24, 2001, to provide for the grant of Common Stock to non-employee directors of the Company and its subsidiaries, and to require retention of the Common Stock for all or a portion of the director's tenure as a director. The 1997 Stock Option Plan is administered by the Compensation Committee. The 1997 Stock Option Plan provides for stock options to be granted to key employees, generally at a level of vice president and above, including the Named Executive Officers, and to non-employee directors of the Company and the Bank.

The granting of stock options for fiscal year 2003 was conditioned upon the attainment of financial performance objectives consistent with the Annual Incentive Plan. Since those performance thresholds were not met, there were no grants of stock options for 2003. The stock option grants reflected in the "Options Grants During Fiscal Year 2003" table represent stock options granted in 2003 based on 2002 financial performance.

Other Compensation

The Named Executive Officers participate in the Company's broad-based employee benefit plans, such as the 401(k) Savings Plan and medical, dental, supplemental disability and term life insurance programs.

Certain Company executives are eligible to participate in the Bank's Defined Benefit Pension Plan (the "Pension Plan"), SERP and the Split Dollar Life Insurance Plan (the "Insurance Plan"). The Pension Plan is a qualified defined benefit plan that provides for monthly annuity payments upon retirement. Benefits are based upon the employee's years of service and highest average annualized compensation in a sixty (60) consecutive month period of employment. The SERP was adopted by the Board of Directors effective January 1, 1995 as a means of supplementing the benefits provided under the Pension Plan in light of imposed salary limitations. See "**ELECTION OF DIRECTORS Compensation of Directors and Executive Officers Executive Compensation** *Defined Benefit Pension Plan.*" Under the Insurance Plan, the Bank provides life insurance coverage for certain senior officers. The Insurance Plan agreements provide death benefits of approximately two times the officers' normal annual salary during employment and an amount approximating the officers' final normal annual salary upon retirement. Of the Named Executive Officers, Messrs. Chikamoto, Fujimoto and Kanda participate in the Pension Plan, Mr. Kanda is

19

eligible to receive benefits pursuant to the SERP, and Messrs. Chikamoto and Kanda participate in the Insurance Plan.

Compensation Committee Interlocks and Insider Participation

Some of the directors and executive officers of the Company and the Bank and the companies with which they are associated were customers of and had banking transactions with the Bank in the ordinary course of the Bank's business during 2003, and the Bank expects to conduct similar banking transactions in the future. All such loans and commitments were made on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons of similar creditworthiness, and in the opinion of management of the Bank, did not involve more than a normal risk of collectibility or present other unfavorable features.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ALL 3 NOMINEES.

PROPOSAL 2:**RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS**

The Board has appointed KPMG LLP as the Company's independent accountants for the fiscal year ending December 31, 2004. KPMG LLP audited the Company's financial statements for the fiscal year ended December 31, 2003, and has audited the Company's financial statements since the Company's inception in 1982. Representatives of KPMG LLP are expected to attend the Meeting. The representatives are expected to be available to respond to appropriate questions and will have an opportunity to make a statement, if they desire to do so.

Independent Auditors*Fees*

The following table sets forth the aggregate fees the Company has incurred for audit and non-audit services provided by KPMG LLP who acted as independent auditors for the fiscal year ending 2003 and performed the Company's audit services in fiscal year 2003. The table lists audit fees, audit-related fees, tax fees, and all other fees.

Audit Fees. The audit fees include only fees that are customary under generally accepted auditing standards and are the aggregate fees the Company incurred for professional services rendered for the audit of the Company's annual financial statements for fiscal year 2003, reviews of the financial statements included in the Company's Quarterly Reports on Forms 10-Q for fiscal year 2003, review of financial statements included in the Company's Registration Statement on Form S-4 and amendments thereto filed in fiscal year 2003, and regulatory and statutory engagements related to the aforementioned statements.

Audit-Related Fees. Audit-related fees include fees for assurance and related services that are related to the performance of the audit of the financial statements, but are not reported under audit fees. These services include audits of the Company's retirement plans and common area maintenance audits for office buildings owned by the Company.

Tax Fees. Tax fees include only fees the Company incurred for professional services rendered for preparation of the Company's tax return, tax filings, and tax consulting.

All Other Fees. All other fees include the aggregate fees billed for services rendered by KPMG LLP other than those services covered above. All other fees consist principally of fees for services relating to the compilation of the Company's existing loan policies into a loan manual.

	Year Ended December 31, 2003		Year Ended December 31, 2002	
	Amount	Percent Approved by Audit Committee	Amount	Percent Approved by Audit Committee
Audit Fees	\$ 405,600	100%	\$ 194,600	100%
Audit-Related Fees	63,600	100%	65,300	
Tax Fees	67,200	55%	55,500	40%
All Other Fees	21,450	100%	none	n/a

The Audit Committee of the Board established a policy in 2003 to pre-approve all services provided by KPMG LLP. Each service to be provided by KPMG LLP is presented for pre-approval at the Audit Committee's regular meeting or presented to the Chair of the Audit Committee for pre-approval under delegated authority and presented to the Audit Committee at their next regular meeting. All engagements with KPMG LLP that commenced during 2003 were pre-approved in accordance with the pre-approval policy. The Tax Fees that were not pre-approved related to engagements commenced prior to inception of the pre-approval policy.

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form DEF 14A

The Audit Committee did consider whether the provision of audit-related services, tax services, and all other services is compatible with maintaining the independence of KPMG LLP.

The Board has submitted its appointment of KPMG LLP for ratification by the Company's shareholders. The affirmative vote of the holders of at least a majority of the outstanding shares of Common Stock represented and entitled to vote at the Meeting will be required for passage of this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL.
