PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant cannot timely file its Annual report on Form 10-K for the year ended December 31, 2004 due to reasons that could not be eliminated without unreasonable effort or expense. The Sarbanes-Oxley Act of 2002 (the "Act") imposed many requirements regarding corporate governance and financial reporting. One requirement under Section 404 of the Act, beginning with this Annual Report, is for management to report on the Registrant's internal control over financial reporting and for our independent registered public accountants, Ernst & Young LLP, to attest to this report. Due in part to the Registrant's substantial effort dedicated to internal control reporting and despite diligent efforts on the part of the Registrant, the work necessary to complete the Registrant's Annual Report on Form 10-K for the year ended December 31, 2004, could not be finished in sufficient time to permit the timely filing of the Form 10-K. Management anticipates that the Annual Report on Form 10-K will be filed on or before March 31, 2005.
