The Company's stock currently trades only in the "Pink Sheets" under the symbol MAIY.PK. The Company believes that upon filing its Form 10-K, which was filed on September 22, 2005, that its common stock will again qualify for trade on the OTC Bulletin Board. Following the reverse stock split, the Company will not take any steps to qualify the Company's common stock for trading on any automated quotations system operated by a national securities association. ### Item 8. Fairness of the Transaction.

(a) *Fairness.* Each of the members of the Investor Group and those individuals or entities listed herein as 'filing persons' for purposes of Schedule 13E-3 have adopted the findings of our Special Committee and Board of Directors regarding the material factors upon which it was determined that the Reverse Stock Split was fair to our unaffiliated stockholders. Specifically, Richard S. Ressler, Orchard Capital Corporation, James W. Dolan, W. Brian Kretzmer, and HIS Holding, LLC, hereby state their belief as to the fairness of the proposed transaction to unaffiliated security holders, both those who will be cashed out by the Reverse Stock Split and those who will remain as stockholders after the reverse split, based upon their ratification of the conclusions of our Special Committee and Board as to the Reverse Stock Split. holds approximately 78% of MAI Systems Corporation common stock. The offer was rejected after Appian was unable to satisfy MAI or its majority shareholder that its offer had any demonstrable financial support that would make it likely that the offer could provide an appropriate value for the MAI shareholders. Other than the foregoing offer, the Company has not received any offer of the type described in paragraph (viii) of Instruction 2 to Item 1014 of Regulation M-A.(e.g. an offer to merge the Company with a third party, or to acquire all or substantially all of the Company's assets or securities).
