The Board of Directors recommends an affirmative vote FOR the above director nominees.

It is the intention of the persons named in the accompanying form of proxy to nominate and, unless otherwise directed, vote such proxies for the election of the nominees named above as directors. Board Leadership Structure

The majority of our Board was elected in conjunction with the completion of our initial public offering and commencement of operations in May 2012 and has not completed a full calendar year on the Board. Our Board leadership structure is currently comprised of: (i) Chairman of the Board of Directors, (ii) the Chief Executive Officer and President of the Company, and (iii) three non-management directors, each of whom is independent under the rules of the New York Stock Exchange (the "NYSE"). These three independent directors serve as the sole members of our Audit, Compensation and Nominating and Corporate Governance Committees. We have retained our Manager to manage the day to day affairs of our business, subject to the supervision and oversight of our Board of Directors. Our Chief Executive Officer and President, Mr. James, and our Chairman of the Board of Directors, Mr. Hirschmann, are executive officers of our Manager. The Board of Directors has determined that given that the Company is at the outset of its operations following its initial launch, this combination of experienced senior executives at our Manager and a majority of independent directors with governing committees composed solely of these independent directors is the most appropriate governance structure for the Company. Mr. Hirschmann has served as the Chairman of the Board of Directors since the Company's formation in 2009. Having been employed by our Manager for over 23 years, Mr. Hirschmann has a breadth of unique and specialized knowledge about our business operations. Mr. Hirschman solicits input from the Company's Board of Directors regarding the Board agenda and processes. To facilitate coordination with the independent directors and the exercise of independent judgment by the Board of Directors, our non-management directors, each of whom is an independent director under the NYSE's rules, expect to meet regularly in executive session without any members of management present.

Board Oversight of Risk

While our Manager and our executive officers, all of whom are employees of our Manager (other than our Chief Financial Officer), are responsible for the day-to-day management of risk, our Board of Directors is responsible for appropriate risk oversight and assisting management in addressing specific risks, such as strategic and competitive risks, financial risks, legal risks, and operational risks. In

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

particular, our Board of Directors has established investment guidelines, which have been made a part of the Management Agreement with our Manager, for our Manager to follow in its day-to-day management of our business.

The Board of Directors has been structured to facilitate oversight of risk by combining Board committees composed entirely of independent directors, and majority independent Board composition, with an experienced Chairman and Chief Executive Officer, each of whom has detailed knowledge of our business, our Manager, and the complex challenges we face. The Chairman of the Board and the Chief Executive Officer's respective in-depth understanding of these matters and involvement in the day-to-day management of the Company positions them to promptly identify and raise key risks to the Board and focus the Board's attention on areas of concern. The independent committee chairs also are experienced professionals or executives who can and do raise issues for Board consideration and review, and are not hesitant to question management. The Board of Directors believes there is a well-functioning and effective balance between the non-management directors and the Chairman of the Board and the Chief Executive Officer, which enhances risk oversight.

The Board exercises its oversight responsibility for risk both directly and through its three standing committees. The Board and each appropriate committee may spend a portion of their time reviewing and discussing specific risk topics. The full Board is kept informed of each committee's risk oversight and related activities through reports from the committees at full Board meetings and committee meeting minutes available to all directors. Strategic, operational and competitive risks are presented and discussed at the Board's regular quarterly meetings. Periodically, the Board may conduct reviews of our long-term strategic plans, which may include reports from members of senior management on our top risks and the steps management has taken or will take to mitigate these risks. As needed between Board meetings, our Chairman and Chief Executive Officer may provide reports to the Board on the critical issues we face and the recent developments in our business, including identified risks.

The Audit Committee is responsible for reviewing our financial risks. The Audit Committee meets regularly with our Chief Financial Officer, other members of senior management, external accounting service providers and the independent auditor to discuss our major financial risk exposures, financial reporting, internal controls, and credit and liquidity risk. The Audit Committee meets regularly in separate executive session with the independent auditors to facilitate a full and candid discussion of risk and other issues.

The Compensation Committee is responsible for overseeing compensation risk, including evaluating and assessing risks arising from the terms of the Management Agreement with our Manager, our compensation policies and practices for our employee and ensuring executive compensation is aligned with performance. The Compensation Committee is charged with monitoring our equity-based compensation plans, including employee benefit plans.

The Nominating and Corporate Governance Committee oversees risk related to our overall governance, including Board and committee composition, Board size and structure, director independence, ethical and business conduct and our corporate governance profile and ratings. The Nominating and Corporate Governance Committee also is engaged in overseeing risks associated with succession planning for the Board and management.

Director Independence

Our common stock is listed on the NYSE. The NYSE requires that a majority of our directors be "independent," as defined by rules of the NYSE. In determining director independence, the Board of Directors reviewed, among other things, whether any transactions or relationships currently exist, or have existed in the past, between each director and the Company and its subsidiaries, affiliates and equity investors (including, but not limited to the Manager) or the Company's independent registered public accounting firm. In particular, the Board of Directors reviewed any current or recent business

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the NYSE for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent. The Board of Directors also examined whether there were any transactions or relationships between each director and members of the senior management of the Company or their affiliates.

The Board of Directors has affirmatively determined that a majority of its directors are independent directors under NYSE rules. Based on these standards, the Board determined that our independent directors include the following current directors and nominees for director:

Edward D. Fox
M. Christian Mitchell
Richard W. Roll

Director Attendance at Meetings

The Board of Directors met on eight (8) occasions and acted by written consent on two (2) occasions during 2012. No incumbent director attended fewer than 75 percent of all meetings of our Board of Directors and the committees on which such director served during 2012 with the exception of Mr. Hirschmann, who attended 62.5 percent of all meetings of our Board of Directors during 2012.

Independent Director Meetings in Executive Sessions

Our independent directors expect to meet separately from the other directors in regularly scheduled executive sessions. Any independent director may call an executive session of independent directors at any time. Mr. Mitchell, the chairman of the Audit Committee, chairs these sessions. The independent directors met one (1) time in an executive session during the initial fiscal period from May to December 2012.

Board Committees

Our Board of Directors has established three standing committees, the principal functions of which are briefly described below. Matters put to a vote at any one of these three committees must be approved by a majority of the directors on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the directors on that committee. Our Board of Directors may from time to time establish certain other committees to facilitate the management of the Company.

Audit Committee

Our Board of Directors established an Audit Committee upon the pricing of our initial public offering in May 2012. Since its inception, the Audit Committee has been comprised of Messrs. Fox, Mitchell and Roll, each of whom is an independent director of the Company and is "financially literate" under the rules of the NYSE. Mr. Mitchell chairs our Audit Committee and serves as our Audit Committee financial expert, as that term is defined by the SEC. During 2012, the Audit Committee met on two occasions.

The Audit Committee shall assist our board of directors in overseeing:

our financial reporting, auditing and internal control activities, including the integrity of our financial statements;

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

our compliance with legal and regulatory requirements;

the independent auditor's qualifications and independence; and

the performance of our independent auditor.

The Audit Committee is also responsible for engaging our independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls.

Compensation Committee

Our Board of Directors established a Compensation Committee upon the pricing of our initial public offering in May 2012. Since its inception, the Compensation Committee has been comprised of Messrs. Fox, Mitchell and Roll, each of whom is an independent director of the Company. Mr. Roll chairs our Compensation Committee. During 2012, the Compensation Committee met on two occasions.

The Compensation Committee is responsible for the following:

annually reviewing and approving the corporate goals and objectives relevant to the compensation, if any, we pay to our chief financial officer, who is our only employee and officer who receives compensation directly from the Company, evaluating the performance of our chief financial officer in light of such goals and objectives and determining and approving the compensation, if any, we pay to our chief financial officer based on such evaluation;

overseeing our equity incentive plans; and

determining from time to time the remuneration for our non-executive directors.

In the future, the Compensation Committee will be responsible for reviewing and discussing the compensation discussion and analysis required to be included in our annual proxy statements filed with the SEC when we no longer qualify as an "emerging growth company" pursuant to applicable SEC rules.

Nominating and Corporate Governance Committee

Our Board of Directors established a Nominating and Corporate Governance Committee upon the pricing of our initial public offering in May 2012. Since its inception, the Nominating and Corporate Governance Committee has been comprised of Messrs. Fox, Mitchell and Roll, each of whom is an independent director of the Company. Mr. Fox chairs our Nominating and Corporate Governance Committee. During 2012, the Nominating and Corporate Governance Committee met on one occasion.

The Nominating and Corporate Governance Committee is responsible for:

providing counsel to our board of directors with respect to the organization, function and composition of our board of directors and its committees;

overseeing the self-evaluation of our board of directors and our board of director's evaluation of management;

periodically reviewing and, if appropriate, recommending to our board of directors changes to our corporate governance policies and procedures; and

identifying and recommending to the board of directors potential director candidates for nomination.

Committee Charters

A copy of the charters of each of the Audit, Compensation and Nominating and Corporate Governance Committees is available on the Company's corporate website at www.westernassetmcc.com and may also be obtained upon request without charge by writing to the Company's Secretary, 385 East Colorado Boulevard, Pasadena, California 91101.

Corporate Governance Principles

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance principles to enhance our effectiveness. The guidelines address, among other things, board member qualifications, responsibilities, education and management succession. A copy of our corporate governance principles may be found at the Company's corporate website at www.westernassetmcc.com under the heading "Investor Relations Governance Documents."

Code of Conduct

Our Board of Directors has established a code of conduct that applies to our directors, officers and employee. Our Manager also maintains a code of ethics to which its officers and directors are subject. Any such director, officer or employee who is also subject to our Manager's code of ethics will, in the event of a conflict in policy, be held to the more restrictive provision. Among other matters, our code of conduct is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the code to appropriate persons identified in the code; and

accountability for adherence to the code.

Waivers of any provisions of the code of conduct may be granted in writing by our chief executive officer, except that any waiver sought by one of our directors or executive officers may be granted only by the Nominating and Corporate Governance Committee of our board of directors. In considering any request for a waiver, the chief executive officer will consult with appropriate senior management, our legal and compliance department and/or external legal advisors, as appropriate under the circumstances. Any changes to or waivers of the code of conduct will, to the extent required, be disclosed as required by applicable rules and regulations of the SEC and the NYSE.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires our directors, officers and certain stockholders to file with the Commission an initial statement of beneficial ownership and certain statements of changes in beneficial ownership of our equity. Based solely on our review of such forms received by us, we are unaware of any instances of noncompliance, or late compliance, with such filings during the fiscal year ended December 31, 2012, other than two Form 4s filed late by Mr. Hirschmann due to clerical errors on November 27, 2012 with respect to the

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

purchase of an aggregate of 9,000 shares of the Company's common stock on September 14 and September 18, 2012.

Stockholder Communications with Directors

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Interested parties and stockholders may contact any or all members of the Board, including non-management directors, by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent in care of the Secretary at Western Asset Mortgage Capital Corporation, 385 East Colorado Boulevard, Pasadena, California 91101.

All communications received as set forth in the preceding paragraph will be opened by the office of the Company's Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the office of the Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Director Attendance at Annual Meetings of Stockholders

We encourage all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders.

Director Nomination Procedures

In addition to any other applicable requirements, if a stockholder desires to nominate a director for election at an annual meeting, such stockholder must (A) be a stockholder of record on the record date for the determination of stockholders entitled to vote at such annual meeting, and (B) have given timely notice in proper written form to our Secretary. If a stockholder is entitled to vote only for a specific class or category of directors at the annual meeting, such stockholder's right to nominate one or more persons for election as a director at the meeting shall be limited to such class or category of directors.

To be timely in connection with the annual meeting, a stockholder's notice shall be delivered to the Secretary at our principal executive offices not less than 60 days nor more than 90 days prior to the date of the annual meeting. In the event we call a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any stockholder entitled to vote for the election of such director(s) at such meeting (and satisfying the requirements set forth above) may nominate a person or persons (as the case may be) for election to such position(s) as are specified in our notice of such meeting, but only if the stockholder notice is delivered to the Secretary at our principal executive office no later than the close of business on the 10th day following the day on which notice of such special meeting was given.

To be in proper written form, a stockholder's notice to the Secretary must set forth (i) as to each individual nominated, (A) the name, date of birth, business address and residence address of such individual; (B) the business experience during the past five years of such nominee, including his or her principal occupations and employment during such period, the name and principal business of any corporation or other organization in which such occupations and employment were carried on and such other information as to the nature of his or her responsibilities and level of professional competence as may be sufficient to permit assessment of his or her prior business experience; (C) whether the nominee is or has ever been at any time a director, officer or owner of 5% or more of any class of

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

capital stock, partnership interests or other equity interest of any corporation, partnership or other entity; (D) any directorships held by such nominee in any company with a class of securities registered pursuant to Section 12 of the Exchange Act, or subject to the requirements of Section 15(d) of the Exchange Act or any company registered as an investment company under the Investment Company Act of 1940, as amended; and (E) whether, in the last five years, such nominee has been convicted in a criminal proceeding or has been subject to a judgment, order, finding or decree of any federal, state or other governmental entity, concerning any violation of federal, state or other law, or any proceeding in bankruptcy, which conviction, judgment, order, finding, decree or proceeding may be material to an evaluation of the ability or integrity of the nominee; and (ii) as to the person submitting the nomination notice and any person acting in concert with such person, (x) the name and business address of such persons, (y) the name and address of such persons and as they appear on the Company's books (if they so appear) and (z) the class and number of shares of the Company which are beneficially owned by such persons. Such notice must also be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

EXECUTIVE COMPENSATION**Manager**

Pursuant to the Management Agreement with our Manager, we pay our Manager the management fee and other amounts described in "Certain Relationships and Related Transactions Management Agreement."

Because our Management Agreement provides that our Manager is responsible for managing our affairs, our executive officers who are employees of our Manager do not receive cash compensation from us for serving as our executive officers. Our Manager currently employs and compensates each of our executive officers apart from our chief financial officer. We have adopted two equity incentive plans pursuant to which we may make awards based on our common stock to: (1) our Manager and its affiliates, (2) employees of our Manager and its affiliates who provide services to us, including, but not limited to, our current executive officers, (3) any executive officers that we may directly employ now or in the future, and (4) our independent directors, none of whom are employed by or affiliated with our Manager or any of its affiliates. These awards will be made to encourage the efforts of our Manager and these individuals toward our continued success, long-term growth and profitability and to attract, reward and to retain key personnel. See "Equity Incentive Plans" below for a detailed description of our equity incentive plans.

On May 15, 2012, we granted to our Manager 51,159 shares of restricted common stock pursuant to the Manager Equity Plan as described below under "Equity Incentive Plans." One-third of these shares vest on each of the first, second and third anniversaries of the grant date as long as the Management Agreement has not been terminated as of such date. On March 1, 2013, we granted to our Manager 150,000 shares of restricted common stock pursuant to the Manager Equity Plan. One-third of these shares vest on each of the first, second and third anniversaries of the grant date as long as the Management Agreement has not been terminated as of such date. In the future, we may make additional equity incentive awards to our Manager to encourage its efforts toward our continued success, long-term growth and profitability. In addition, we may grant awards under our equity incentive plans directly to our executive officers, even if they are directly employed by our Manager, and other employees of our Manager who provide services to us, in order to encourage their respective individual efforts toward our continued success, long-term growth and profitability and to reward and retain them.

Employee Executive Compensation

The following table presents the annual summary compensation for Mr. Steven M. Sherwyn, our only executive officer who is an employee and directly compensated by us. We appointed Mr. Sherwyn to serve as our Chief Financial Officer and Treasurer, effective as of June 25, 2012. As a result, the following table sets forth Mr. Sherwyn's annual summary compensation from the effective date of his appointment to December 31, 2012.

| Steven M. Sherwyn (Chief Financial Officer and Treasurer) | 2012 | \$ 96,154 | \$ 225,000 | \$ 200,000 | \$ 18,747 | \$ 539,901 |

(1) Based on Mr. Sherwyn's annual base salary rate of \$200,000.

(2) Represents a cash bonus paid to Mr. Sherwyn in 2013 with respect to his service to the Company in 2012.

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

- (3) Reflects the grant date fair value of restricted common stock (June 25, 2012) computed in accordance with FASB ASC Topic 718. We provide information regarding the assumptions used to calculate the fair value of restricted stock made to Mr. Sherwyn in our Annual Report on Form 10-K. There can be no assurance that the restricted stock will vest (and, absent vesting no value will be realized by Mr. Sherwyn for the unvested restricted stock), or that the value upon vesting will approximate the aggregate grant date fair value determined under ASC Topic 718.
- (4) Includes (i) \$12,859.65 in dividends paid to Mr. Sherwyn with respect to his restricted stock award, (ii) \$4,807.70 in matching contributions to our 401(k) plan and (ii) \$1,080 in life insurance premiums paid by the Company on behalf of Mr. Sherwyn.

Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table

We do not have an employment agreement with Mr. Sherwyn. We extended an offer letter to Mr. Sherwyn, which Mr. Sherwyn accepted and which provides that Mr. Sherwyn will be entitled to a base salary and customary employee benefits and has the potential to receive an annual cash bonus based on performance as well as equity compensation awards. Pursuant to the offer letter, Mr. Sherwyn is an at-will employee and we may terminate his employment at any time for any reason without severance, except as described in the following paragraph.

Mr. Sherwyn's offer letter does provide certain guarantees in the event he is terminated without cause prior to December 31, 2013. In such event, Mr. Sherwyn would be entitled to receive a lump sum payout consisting of the remainder of his base salary for the year in which he is terminated without cause and his cash bonus potential amount for such year. In addition, all shares of restricted stock granted to Mr. Sherwyn with respect to 2012 and 2013 would continue to vest.

If Mr. Sherwyn's employment with us terminates for any reason prior to the date on which the shares become vested, any unvested shares will be immediately forfeited, except as described in the immediately preceding paragraph. Mr. Sherwyn is entitled to receive dividends and distributions that become payable on the shares during the restricted period. Cash dividends are paid on all outstanding shares of restricted stock at the same rate as is paid to all stockholders. For 2012, dividends paid or payable, with respect to Mr. Sherwyn's 10,455 shares of restricted stock, were \$2.35 per share (which amount includes dividends paid in January 2013 with respect to the quarter ended December 31, 2012).

Outstanding Equity Awards in 2012 Fiscal Year End

The table below lists the number of shares of restricted common stock held by our only named executive officer as of December 31, 2012 that were subject to vesting (pursuant to the terms of the related restricted stock award agreement) as of that date.

| Name | Stock Awards | |
|-------------------|---|---|
| | Number of Shares or Units of Stock That Have Not Vested (#) | Market Value of Shares or Units of Stock That Have Not Vested \$(2) |
| Steven M. Sherwyn | 10,455(1) | \$ 206,695.35 |

- (1) These shares are held subject to the terms of a restricted stock award agreement which provides that one third of the grant vests on each of January 1, 2013, January 1, 2014 and January 1, 2015, respectively, provided that Mr. Sherwyn continues to serve as our chief financial officer as of the applicable vesting date, except that if Mr. Sherwyn is terminated without cause prior to December 31, 2013, then all such shares would not be forfeited and would continue to vest.
- (2) Based on the closing price of the Company's common stock on December 31, 2012 of \$19.77.

Potential Payments Upon Termination or Change in Control

The Company does not maintain employment, severance or change in control agreements with Mr. Sherwyn and the Company is not obligated to pay any severance to Mr. Sherwyn upon a termination of his employment, except as described above under "Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table."

Mr. Sherwyn's restricted stock agreement does not provide for any accelerated vesting of the restricted stock upon the occurrence of a change in control of the Company.

Compensation Committee Interlocks And Insider Participation

No member of the Compensation Committee during 2012 served as an officer, former officer or employee of ours or had a relationship disclosable under "Certain Transactions with Related Persons." Further, during 2012, none of our executive officers served as: (i) a member of the compensation committee (or equivalent) of any other entity, one of whose executive officers served as one of our directors or was an immediate family member of a director, or served on our Compensation Committee, or (ii) a director of any other entity, one of whose executive officers or their immediate family member served on our Compensation Committee.

Equity Incentive Plans

We have adopted two equity incentive plans under which our employees, directors and officers and our Manager and its employees, respectively, are eligible to receive common stock-based awards. The aggregate number of shares that may be made subject to awards under these equity incentive plans is equal to 3.0% of the total number of issued and outstanding shares of our common stock (on a fully diluted basis) at the time of each award (other than any shares issued or subject to awards made pursuant to one of our equity incentive plans). The number of shares of common stock reserved for issuance under our equity incentive plans as of April 16, 2013 is 495,662 shares (after deduction of the grants of the following awards: (i) 201,159 shares of restricted common stock to our Manager, (ii) an aggregate of 4,500 shares of restricted common stock to our three independent directors and (iii) 21,014 shares of restricted common stock to our Chief Financial Officer).

Equity Plan

On May 9, 2012, we adopted the Western Asset Mortgage Capital Corporation Equity Plan (the "Equity Plan"), which provides for the issuance of equity-based awards, including incentive stock options and non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, unrestricted stock awards and other awards based on our common stock to our directors and officers. Incentive stock options may be granted only to our employees. Shares of common stock issued to our independent directors in respect of their annual fees paid in restricted stock are issued under this plan.

The Equity Plan is administered by our board of directors, which has delegated its authority as plan administrator to the Compensation Committee of our board of directors. The plan administrator has the full authority to: (1) grant awards; (2) determine the persons to whom and the time or times at which awards will be granted; (3) determine the type and number of awards to be granted, the number of shares of common stock to which an award may relate and the terms, conditions, restrictions and performance criteria relating to any award; (4) determine whether, to what extent, and under what circumstances an award may be settled, cancelled, forfeited, exchanged, or surrendered; (5) make adjustments in the terms and conditions of awards; (6) construe and interpret the Equity Plan and any award; (7) prescribe, amend and rescind rules and regulations relating to the Equity Plan; (8) determine the terms and provisions of the award agreements; and (9) make all other determinations deemed necessary or advisable for the administration of the Equity Plan. In connection with this

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

authority, the plan administrator may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. Except as provided below with respect to equitable adjustments, the plan administrator may not take any action that would have the effect of reducing the exercise or purchase price of any award granted under the Equity Plan without first obtaining the consent of our stockholders.

The maximum number of shares that may be made subject to awards under the Equity Plan is equal to 3.0% percent of the number of shares of our common stock (on a fully diluted basis) at the time of each award (other than any shares issued or subject to awards made pursuant to one of our equity incentive plans), less any shares of common stock issued or subject to awards granted under our Manager Equity Plan. To the extent required to comply with the requirements of Section 162(m) of the Internal Revenue Code, the aggregate number of shares of our common stock subject to awards awarded to any one participant during any calendar year may not, subject to adjustment, exceed the total number of shares of common stock reserved for issuance under our two equity incentive plans. All shares of common stock reserved for issuance under the Equity Plan may be made subject to awards of incentive stock options. If any shares subject to an award granted under the Equity Plan are forfeited, cancelled, exchanged or surrendered or if an award terminates or expires without a distribution of shares to the participant, or if shares of our common stock are surrendered or withheld by us as payment of either the exercise price of an award and/or withholding taxes in respect of an award, the shares of common stock with respect to such award will again be available for awards under the Equity Plan. Upon the exercise of any award granted in tandem with any other award, the related award will be cancelled to the extent of the number of shares of common stock as to which the award is exercised and, notwithstanding the foregoing, that number of shares will no longer be available for awards under the Equity Plan.

In the event that the plan administrator determines that any dividend or other distribution (whether in the form of cash, common stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange or other similar corporate transaction or event, affects our common stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of participants under the Equity Plan, then the plan administrator will make equitable changes or adjustments to: (i) the number and kind of shares of common stock or other property (including cash) that may thereafter be issued in connection with awards; (ii) the number and kind of shares of common stock or other property (including cash) issued or issuable in respect of outstanding awards; (iii) the exercise price, base price or purchase price relating to any award; and (iv) the performance criteria, if any, applicable to outstanding awards. In addition, the plan administrator may determine that any equitable adjustment may be accomplished by making a payment to the award holder, in the form of cash or other property (including but not limited to shares of our common stock).

Each stock option and stock appreciation right granted under the Equity Plan will have a term of no longer than 10 years, and will have an exercise price that is no less than 100% of the fair market value of our common stock on the date of grant of the award. No stock option and stock appreciation right may be exercised unless: (1) the participant is then providing services to us and (2) the participant has continuously maintained such relationship since the date of grant; provided, that the award agreement may contain provisions extending the exercisability of stock options or stock appreciation rights, in the event of specified terminations of service, to a date not later than the expiration date of such stock option stock appreciation right. The exercise price for stock option may generally be paid in cash or by an exchange of common stock previously owned by the participant, through a "broker cashless exercise" procedure approved by the plan administrator or a combination of the above, in any case in an amount having a combined value equal to such exercise price. The other terms of stock options and stock appreciation rights granted by us under the Equity Plan will be determined by the plan administrator. Stock appreciation rights may be granted alone or in tandem with another award.

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

The plan administrator determines the terms and conditions of each grant of restricted stock or restricted stock units under the Equity Plan. Restricted stock units confer on the participant the right to receive cash, common stock or other property, as determined by the plan administrator, having a value equal to the number of shares of our common stock that are subject to the award. Unless otherwise determined by the plan administrator, holders of restricted stock will have all of the rights of a stockholder including, without limitation, the right to vote restricted stock and the right to receive dividends and distributions thereon. Unless otherwise determined by the plan administrator, (1) dividends and distributions paid on awards of restricted stock will be paid at the dividend or distribution payment date, provided that such payments may be deferred to such date as determined by the plan administrator, and in any event will be payable in cash or in shares of common stock having a fair market value equal to the amount of such dividends and distributions and (2) common stock distributed in connection with a stock split or stock dividend, and other property distributed as a dividend or distribution, will be subject to restrictions and a risk of forfeiture to the same extent as the awards of restricted stock to which such dividend or distribution relates. The plan administrator is authorized to grant to holders of restricted stock units the right to receive dividend equivalents and distribution equivalents for the period prior to settlement of the restricted stock unit. Dividend equivalents or distribution equivalents may be paid currently or credited to an account for the holder of restricted stock units, may be settled in cash or common stock, and may be subject to such conditions, restrictions and contingencies as the plan administrator may establish. Unless otherwise determined by the plan administrator, any such dividend equivalents or distribution equivalents will be paid or credited, as applicable, on the dividend or distribution payment date to the holders of restricted stock units as though each such restricted stock unit were a share of outstanding common stock. Upon termination of service to us during the applicable restriction period, awards of restricted stock and restricted stock units and any accrued but unpaid dividends or distributions or, in the case of restricted stock units, dividend equivalents and distribution equivalents, that are then subject to restrictions will be forfeited; provided, that the plan administrator may provide or may determine in any individual case, that restrictions or forfeiture conditions relating to awards of restricted stock and restricted stock units will be waived in whole or in part in the event of a termination.

The plan administrator may determine to make grants of our common stock that are not subject to any restrictions or a substantial risk of forfeiture or to grant other stock-based awards to eligible participants, the terms and conditions of which will be determined by the plan administrator at the time of grant.

The Equity Plan automatically expires on May 9, 2022. Our board of directors may terminate, amend, modify or suspend the Equity Plan at any time, subject to stockholder approval as required by law or stock exchange rules. The plan administrator may amend the terms of any outstanding award under the Equity Plan at any time. No amendment or termination of the Equity Plan or any outstanding award may adversely affect any of the rights of an award holder without the holder's consent.

Manager Equity Plan

On May 9, 2012, we adopted the Western Asset Mortgage Capital Corporation Manager Equity Plan, or the Manager Equity Plan, which provides for the issuance of equity-based awards, including stock options, stock appreciation rights, restricted stock, restricted stock units, unrestricted stock awards and other awards based on our common stock to our Manager, employees of our Manager and affiliates of our Manager, who may or may not be eligible to be granted awards under our Equity Plan, or entities owned by our Manager, its executives and employees.

The Manager Equity Plan is administered by our board of directors, which has delegated its authority as plan administrator to the Compensation Committee of our board of directors. The plan administrator has the full authority to: (1) grant awards; (2) determine the persons to whom and the

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

time or times at which awards will be granted; (3) determine the type and number of awards to be granted, the number of shares of common stock to which an award may relate and the terms, conditions, restrictions and performance criteria relating to any award; (4) determine whether, to what extent, and under what circumstances an award may be settled, cancelled, forfeited, exchanged, or surrendered; (5) make adjustments in the terms and conditions of awards; (6) construe and interpret the Manager Equity Plan and any award; (7) prescribe, amend and rescind rules and regulations relating to the Manager Equity Plan; (8) determine the terms and provisions of the award agreements; and (9) make all other determinations deemed necessary or advisable for the administration of the Manager Equity Plan. In connection with this authority, the plan administrator may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse.

Our Manager may make awards to its directors, officers, employees, advisors or consultants, or those of its affiliates, which are in the form of or based on the shares of our common stock acquired by our Manager under the Manager Equity Plan, in which case, our Manager will make all determinations concerning the eligible persons who may receive such awards, which form the awards will take, and the terms and conditions of the awards.

Except as provided below with respect to equitable adjustments, the plan administrator may not take any action that would have the effect of reducing the exercise or purchase price of any award granted under the Manager Equity Plan without first obtaining the consent of our stockholders.

The maximum number of shares that may be made subject to awards under the Manager Equity Plan is equal to 3.0% percent of the number of shares of our common stock (on a fully diluted basis) at the time of each award (other than any shares issued or subject to awards made pursuant to one of our equity incentive plans), less any shares of common stock issued or subject to awards granted under our Equity Plan. To the extent required to comply with the requirements of Section 162(m) of the Internal Revenue Code, the aggregate number of shares of our common stock subject to awards awarded to any one participant during any calendar year may not, subject to adjustment, exceed the total number of shares of common stock reserved for issuance under our two equity incentive plans. All shares of common stock reserved for issuance under the Manager Equity Plan may be made subject to awards of incentive stock options. If any shares subject to an award granted under the Manager Equity Plan are forfeited, cancelled, exchanged or surrendered or if an award terminates or expires without a distribution of shares to our Manager, or if shares of our common stock are surrendered or withheld by us as payment of the exercise price of an award, the shares of common stock with respect to such award will again be available for awards under the Manager Equity Plan. Upon the exercise of any award granted in tandem with any other award, the related award will be cancelled to the extent of the number of shares of common stock as to which the award is exercised and, notwithstanding the foregoing, that number of shares will no longer be available for award under the Manager Equity Plan.

In the event that the plan administrator determines that any dividend or other distribution (whether in the form of cash, common stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange or other similar corporate transaction or event, affects our common stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of participants under the Manager Equity Plan, then the plan administrator will make equitable changes or adjustments to: (i) the number and kind of shares of common stock or other property (including cash) that may thereafter be issued in connection with awards; (ii) the number and kind of shares of common stock or other property (including cash) issued or issuable in respect of outstanding awards; (iii) the exercise price, base price or purchase price relating to any award; and (iv) the performance criteria, if any, applicable to outstanding awards. In addition, the plan administrator may determine that any equitable adjustment may be accomplished by making a payment to the award holder, in the form of cash or other property (including but not limited to shares of our common stock).

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

Each stock option and stock appreciation right granted under the Manager Equity Plan will have a term of no longer than 10 years, and will have an exercise price that is no less than 100% of the fair market value of our common stock on the date of grant of the award. The exercise price for stock option may generally be paid in cash or by an exchange of common stock previously owned by the participant, through a "broker cashless exercise" procedure approved by the plan administrator or a combination of the above, in any case in an amount having a combined value equal to such exercise price. The other terms of stock options and stock appreciation rights granted under the Manager Equity Plan will be determined by the plan administrator. Stock appreciation rights may be granted alone or in tandem with another award.

The plan administrator determines the terms and conditions of each grant of restricted stock or restricted stock units under the Manager Equity Plan. Restricted stock units confer on the participant the right to receive cash, common stock or other property, as determined by the plan administrator, having a value equal to the number of shares of our common stock that are subject to the award. Unless otherwise determined by the plan administrator, holders of restricted stock will have all of the rights of a stockholder including, without limitation, the right to vote restricted stock and the right to receive dividends and distributions thereon. Unless otherwise determined by the plan administrator, (1) dividends and distributions paid on awards of restricted stock will be paid at the dividend or distribution payment date, provided that such payments may be deferred to such date as determined by the plan administrator, and in any event will be payable in cash or in shares of common stock having a fair market value equal to the amount of such dividends and distributions and (2) common stock distributed in connection with a stock split or stock dividend, and other property distributed as a dividend or distribution, will be subject to restrictions and a risk of forfeiture to the same extent as the awards of restricted stock to which such dividend or distribution relates. The plan administrator is authorized to grant to holders of restricted stock units the right to receive dividend equivalents and distribution equivalents for the period prior to settlement of the restricted stock unit. Dividend equivalents or distribution equivalents may be paid currently or credited to an account for the holder of restricted stock units, may be settled in cash or common stock, and may be subject to such conditions, restrictions and contingencies as the plan administrator may establish. Unless otherwise determined by the plan administrator, any such dividend equivalents or distribution equivalents will be paid or credited, as applicable, on the dividend or distribution payment date to the holders of restricted stock units as though each such restricted stock unit were a share of outstanding common stock.

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

The plan administrator may determine to make grants of our common stock that are not subject to any restrictions or a substantial risk of forfeiture or to grant other stock-based awards to our Manager, the terms and conditions of which will be determined by the plan administrator at the time of grant.

If the Management Agreement with our Manager: (1) is terminated by us for cause or (2) expires following our Manager's issuance of a termination notice for a termination without cause (as described herein under "Certain Relationships and Related Transactions Management Agreement"), all unvested awards then held by our Manager and all accrued and unpaid dividends or dividend equivalents related to such awards will be immediately cancelled and forfeited without consideration. If the Management Agreement expires or is terminated for any other reason, any award then held by our Manager that was not previously vested will become fully vested and/or payable, and any performance conditions imposed with respect to such award will be deemed to be fully achieved. Unless otherwise determined by the plan administrator, all unvested awards then held by a holder who is not our Manager and who ceases to provide services to our Manager will be immediately cancelled and forfeited without consideration. The terms of award agreements will set forth the terms under which a stock option or stock appreciation right may remain exercisable following such a termination of service with our Manager.

The Manager Equity Plan automatically expires on the May 9, 2022. Our board of directors may terminate, amend, modify or suspend the Manager Equity Plan at any time, subject to stockholder approval as required by law or stock exchange rules. The plan administrator may amend the terms of any outstanding award under the Manager Equity Plan at any time. No amendment or termination of the Manager Equity Plan or any outstanding award may adversely affect any of the rights of an award holder without the holder's consent.

Compensation of Directors

Executive Directors

A member of our board of directors who is also an employee of our Manager or any of our or its affiliates is referred to as an executive director. Executive directors do not receive cash compensation for serving on our board of directors. However, we may grant equity incentive awards to executive directors pursuant to one of our equity incentive plans. The purpose of any such grants will be to encourage their respective individual efforts toward our continued success, long-term growth and profitability and to reward and retain them.

Independent Directors

Each independent director receives an annual cash retainer of \$50,000 in quarterly payments in arrears. In addition, each independent director receives an annual retainer of \$30,000 in the form of restricted shares of our common stock. The first installment of restricted stock was granted upon completion of our IPO, with subsequent grants intended to be made immediately following our annual stockholders' meeting, in each case vesting in full on the first anniversary of the grant date, subject to continuing service on our board of directors on the vesting date. Any new independent director who joins our board of directors in the future will be granted restricted shares of our common stock that will vest in full on the first anniversary of the grant date, provided that such director continues to serve on our board of directors as of the applicable vesting date. We also reimburse our directors for reasonable out-of-pocket expenses incurred in connection with performance of their duties as directors, including, without limitation, travel expenses in connection with their attendance at full board and committee meetings. In addition, the chair of our Audit Committee is paid an annual cash retainer of \$10,000, and the chairs of our Compensation Committee and our Nominating and Corporate Governance Committee each is paid an annual cash retainer of \$5,000, in each case in addition to the annual retainer of \$80,000 paid in cash and restricted shares of our common stock.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Management Agreement

On May 9, 2012, we entered into a management agreement (the "Management Agreement"), with our Manager. Pursuant to the Management Agreement, our Manager is responsible for the implementation of our business strategy and performs certain services for us, subject to oversight by our Board of Directors. Our Manager is responsible for, among other duties: (1) performing all of our day-to-day functions, with the exception of those accounting, finance and management functions performed by our Chief Financial Officer; (2) determining investment criteria in conjunction with our board of directors; (3) sourcing, analyzing and executing investments, asset sales and financings; (4) performing asset management duties; and (5) performing financial and accounting management, with the exception of those functions performed by our Chief Financial Officer.

The initial term of the Management Agreement ends on May 15, 2015, with automatic one-year renewal terms. Our independent directors review our Manager's performance annually and, following the initial three-year term, the Management Agreement may be terminated annually upon the affirmative vote of at least two-thirds of our independent directors based upon: (1) our Manager's unsatisfactory performance that is materially detrimental to us or (2) our determination that any fees payable to our Manager are not fair, subject to our Manager's right to prevent termination based on unfair fees by accepting a reduction of management fees agreed to by at least two-thirds of our independent directors. We are required to provide our Manager with 180 days prior notice of such termination.

Upon such a termination, we are required to pay our Manager a termination fee as described in the table below. We may also terminate the Management Agreement at any time, including during the initial term, with 30 days prior notice from our board of directors, without payment of a termination fee, for cause, as defined in the Management Agreement. Our Manager may terminate the Management Agreement if we become required to register as an investment company under the Investment Company Act of 1940, as amended, with such termination deemed to occur immediately before such event, in which case we are not required to pay a termination fee. Our Manager may also decline to renew the Management Agreement by providing us with 180 days written notice, in which case we are not required to pay a termination fee.

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

The following table summarizes the fees and expense reimbursements that we pay to our Manager pursuant to the Management Agreement.

| Type | Description | Payment |
|-----------------------|--|---|
| Management Fee | <p>Our Manager is entitled to a management fee equal to 1.5% per annum, calculated and payable quarterly in arrears, of our stockholders' equity.</p> <p>For purposes of calculating the management fee, our "stockholders' equity" means the sum of the net proceeds from any issuances of our equity securities since inception (allocated on a pro rata daily basis for such issuances during the fiscal quarter of any such issuance), plus our retained earnings, calculated in accordance with U.S. GAAP, at the end of the most recently completed fiscal quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), less any amount that we pay for repurchases of our shares of common stock, excluding any unrealized gains, losses or other noncash items that have impacted stockholders' equity as reported in our financial statements prepared in accordance with U.S. GAAP, regardless of whether such items are included in other comprehensive income or loss, or in net income, and excluding onetime events pursuant to changes in U.S. GAAP and certain other non-cash charges after discussions between our Manager and our independent directors and after approval by a majority of our independent directors. However, if our stockholders' equity for any given quarter is negative based on the calculation described above, our Manager will not be entitled to receive any management fee for that quarter.</p> | Quarterly in cash. |
| Expense Reimbursement | Reimbursement of operating expenses related to us incurred by our Manager, including legal, accounting, due diligence and other services. We do not reimburse our Manager or its affiliates for the salaries and other compensation of their personnel. | Monthly in cash. |
| Termination Fee | Termination fee equal to three times the average annual management fee earned by our Manager during the prior 24-month period prior to such termination, calculated as of the end of the most recently completed fiscal quarter prior to such termination. | Upon termination of the Management Agreement by us without cause or by our Manager if we materially breach the Management Agreement |

Our chief executive officer, who is also one of our directors, our chief investment officer and our chief operating officer also serve as officers and employees of our Manager. In addition, another of our directors, James W. Hirschmann III, also serves as an officer and employee of our Manager. As a result, the Management Agreement between us and our Manager was negotiated between related parties, and the terms, including fees and other payments payable, may not be as favorable to us as if it had been negotiated with an unaffiliated third party.

Related Party Transaction Policies

To avoid any actual or perceived conflicts of interest with our Manager, the Management Agreement provides that: (i) an investment in any security structured or managed by our Manager or (ii) the acquisition of any security structured or issued by an entity managed by our Manager or any of its affiliates or the purchase or sale of any asset from or to an entity managed by our Manager or any of its affiliates requires the proper approval of our board of directors, including a majority of our independent directors.

Our board of directors has adopted a policy regarding the approval of any "related person transaction," which is any transaction or series of transactions in which we are or are to be a participant, the amount involved exceeds \$120,000, and a "related person" (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person needs to promptly disclose to our Secretary any related person transaction and all material facts about the transaction. Our Secretary then assesses and promptly communicates that information to the Compensation Committee of our board of directors. Based on its consideration of all of the relevant facts and circumstances, the Compensation Committee decides whether or not to approve such transaction and will generally approve only those transactions that do not create a conflict of interest. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction is referred to the Compensation Committee which evaluates all options available, including ratification, revision or termination of such transaction. Our policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

Registration Rights Agreement

On May 15, 2012, we completed our IPO and concurrently completed an institutional private placement in which we sold 2,231,787 of our units to certain institutional investors and an additional private placement in which we sold 46,043 shares of our common stock to our Manager's deferred compensation plan. On May 15, 2012, we entered into a registration rights agreement with the purchasers of our units in the institutional private placement, the trustee of our Manager's deferred compensation plan and our Manager pursuant to which we have agreed to register the resale of the 2,231,787 shares of common stock originally comprising a part of the units, the 1,115,893 shares of common stock issuable upon exercise of the warrants originally comprising a part of the units, the 46,043 shares of common stock sold to our Manager's deferred compensation plan, and any shares of common stock that we have granted or may grant to our Manager under the Manager Equity Plan, which we collectively refer to as the registrable shares. Pursuant to the registration rights agreement, all holders of the registrable shares (other than our Manager) and their direct and indirect transferees have the right to demand that we cause their registrable shares to be registered for resale on a registration statement. The registration rights agreement also requires us to file a "shelf registration statement" for the remaining registrable shares as soon as practicable after we become eligible to use Form S-3 and we must maintain the effectiveness of this shelf registration statement until all the registrable shares have been sold under the shelf registration statement or sold pursuant to Rule 144 under the Securities Act. At any time prior to the filing of this shelf registration statement, if we file a registration statement providing for a public offering, we must notify the holders of registrable shares of the proposed offering within five business days of the initial filing of the registration statement and the holders of registrable shares have 20 days to request to have their shares included on this registration statement subject to customary exceptions pursuant to the registration rights agreement.

Limitations on Liability and Indemnification of Officers and Directors

Our amended and restated certificate of incorporation and amended and restated bylaws provide indemnification for our directors and officers to the fullest extent permitted by the Delaware General

Edgar Filing: Western Asset Mortgage Capital Corp - Form DEF 14A

Corporation Law, except that such directors and officers will not be indemnified to the extent that any such person has committed willful misfeasance, bad faith, gross negligence or reckless disregard involved in the conduct of such person's duty to or for us. In addition, as permitted by Delaware law, our amended and restated certificate of incorporation includes provisions that eliminate the personal liability of our directors for monetary damages resulting from breaches of certain fiduciary duties as a director. The effect of this provision is to restrict our rights and the rights of our stockholders in derivative suits to recover monetary damages against a director for breach of fiduciary duties as a director, except that a director will be personally liable to the extent such director has committed willful misfeasance, bad faith, gross negligence or reckless disregard of such director's duties involved in the conduct of the office of director.

We have entered into indemnification agreements with each of our directors and executive officers that provides for indemnification to the maximum extent permitted by Delaware law.

The above-described limitation of liability and indemnification may be held not to be enforceable for violations of the federal securities laws of the United States.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has approved the Company's engagement of PricewaterhouseCoopers LLP as the Company's independent auditors. PricewaterhouseCoopers LLP has served as the Company's independent registered public accounting firm for its fiscal years 2011 through 2012, though the Company did not commence operations until May 2012.

PricewaterhouseCoopers LLP was reappointed by the Board of Directors, on the recommendation of the Audit Committee, as its independent accountants for fiscal year 2013.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting. The representative will be given an opportunity to make a statement and to respond to appropriate questions, if he or she desires to do so.

Audit Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for the last two fiscal year audits of the annual financial statements and reviews of financial statements included in the Company's Quarterly Reports on Form 10-Q were \$736,500 for 2012 and \$10,000 for 2011.

Audit-Related Fees

Audit-related fees include accounting advisory services related to the accounting treatment of transactions or events, including acquisitions, and to the adoption of new accounting standards, as well as additional procedures related to accounting records performed to comply with regulatory reporting requirements. The aggregate audit-related fees billed to the Company by PricewaterhouseCoopers LLP were \$184,900 for 2012 and \$5,000 for 2011.

Tax Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for the last two fiscal years for preparation of income tax returns were \$55,600 for 2012 and \$0 for 2011.

All Other Fees

The aggregate fees billed by PricewaterhouseCoopers LLP for the last two fiscal years for other services was \$0 in 2012 and \$0 in 2011.

The Audit Committee has reviewed the fee structure and believes that PricewaterhouseCoopers LLP has the independence necessary to act as the Company's independent registered public accounting firm.

In accordance with Company policy, fees for PricewaterhouseCoopers LLP were approved in advance by the Audit Committee or full Board of Directors.

While ratification by stockholders of this appointment is not required by law or the Company's Certificate of Incorporation or Bylaws, management believes that such ratification is desirable. In the event this appointment is not ratified by an affirmative vote of stockholders holding a majority of the Company's issued and outstanding common stock in attendance at the meeting, either in person or by proxy, the Board of Directors of the Company will consider that fact when it appoints independent public accountants for the next fiscal year.

The Board of Directors recommends a vote "FOR" the ratification and approval of its selection of PricewaterhouseCoopers LLP at the 2013 Annual Meeting.
