FREQUENTLY ASKED QUESTIONS ABOUT THE ANNUAL MEETING

Q: *On what am I voting?*

A: You are being asked to vote on the following proposals:

the election of the director nominees named in this Proxy Statement (Proposal No. 1);

the ratification of Ernst & Young LLP ("E&Y") as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 2); and

the approval, on an advisory (non-binding) basis, of our named executive officers' compensation (Proposal No. 3).

Q: *Who can vote?*

A: Holders of our common stock as of the close of business on the record date, April 26, 2013, are entitled to vote, either in person or by proxy, at the Annual Meeting. Each share of our common stock has one vote.

Q: *How do I vote?*

A: *By Proxy* Before the Annual Meeting, you can give a proxy to vote your shares in one of the following ways:

by telephone;

by Internet; or

by completing and signing your proxy card and mailing it in time to be received prior to the Annual Meeting.

The telephone and Internet voting procedures are designed to confirm your identity, to allow you to give your voting instructions and to verify that your instructions have been properly recorded. If you wish to vote by telephone or Internet, please follow the instructions that are included in the Notice of Internet Availability and the proxy card. If you mail us your properly completed and signed proxy card, or vote by telephone or Internet, your shares will be voted according to the choices that you specify.

If you sign and mail your proxy card without marking any choices, your proxy will be voted:

FOR the election of all director nominees;

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

FOR the ratification of E&Y as our registered independent public accounting firm for the fiscal year ending December 31, 2013; and

FOR the approval, on an advisory basis, of our named executive officers' compensation.

We do not expect that any other matters will be brought before the Annual Meeting. However, by giving your proxy, you appoint the persons named as proxies as your representatives at the Annual Meeting. If an issue should arise for vote at the Annual Meeting that is not included in the proxy material, the proxy holders will vote your shares in accordance with their best judgment.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

In Person You may come to the Annual Meeting and cast your vote there. If your shares are held in the name of your broker, bank or other nominee and you wish to attend the Annual Meeting, you must bring an account statement or letter from the nominee indicating that you were the owner of the shares on April 26, 2013. If your shares are held in the name of your broker, bank or other nominee and you wish to vote at the Annual Meeting, you must obtain a legal proxy from your broker, bank or other nominee that holds your shares giving you the right to those shares.

Q:
May I change or revoke my vote?

A:
Yes. You may change your vote or revoke your proxy at any time prior to the Annual Meeting by:

notifying our Secretary in writing that you are revoking your proxy;

providing another signed proxy that is dated after the proxy you wish to revoke;

using the telephone or Internet voting procedures; or

attending the Annual Meeting and voting in person.

Q:
Will my shares be voted if I do not provide my proxy?

A:
It depends on whether you hold your shares in your own name or in the name of a bank or brokerage firm. If you hold your shares directly in your own name, they will not be voted unless you provide a proxy or vote in person at the Annual Meeting.

Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. If your shares are held in the name of a brokerage firm, the brokerage firm can vote your shares for the ratification of E&Y as our registered independent public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 2) if you do not timely provide your voting instructions, because this matter is considered "routine" under the applicable rules. The other items (Proposals Nos. 1 and 3) are not considered "routine" and therefore may not be voted by your broker without instruction.

Q:
What constitutes a quorum?

A:
As of the record date, we expect there to be 65,931,900 shares of our common stock issued and outstanding and entitled to vote at the Annual Meeting. In order to conduct the Annual Meeting, a majority of the shares entitled to vote must be present in person or by proxy. This is referred to as a "quorum." If you submit a properly executed proxy card or vote by telephone or on the Internet, you will be considered part of the quorum. Abstentions and broker "non-votes" will be counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under the applicable rules, does not have discretionary authority to vote on a matter.

Q:
What vote is needed to approve the matters submitted?

A:
Election of Directors (Proposal No. 1). Directors are elected by a plurality of the votes cast at the Annual Meeting. "Plurality" means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. For purposes of this vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for this proposal. In March 2013, the Board adopted a policy on voting regarding directors. Under the policy, at any meeting of stockholders at which members of the Board are to be elected by the stockholders in an uncontested election, any nominee for director who receives a greater number of votes "withheld" from his or her election

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

than votes "for" election will submit to the Board a written offer to resign from the Board no later than two weeks after the certification of the voting results. For additional information regarding this policy, please see "Corporate Governance Matters Policy on Voting Regarding Directors."

Ratification of Appointment of E&Y (Proposal No. 2). The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve this proposal. For purposes of this vote, abstentions will not be counted as votes cast and will have no effect on the result of the vote for this proposal.

Approval, on an Advisory Basis, of Our Named Executive Officers' Compensation (Proposal No. 3). The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve this proposal. For purposes of this advisory vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for this proposal.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The Board has fixed the number of directors at six. The six persons named below, each of whom currently serves on our Board, have been recommended by our Nominating and Corporate Governance Committee and nominated by our Board to serve on the Board until our 2014 Annual Meeting of Stockholders and until their respective successors are elected and qualified.

The Board has no reason to believe that any of the persons named below as a nominee for our Board will be unable, or will decline, to serve if elected. In addition, the Board has determined that all of the persons named below, other than Mr. Boekelheide and Mr. Hansen, are independent under applicable SEC and NYSE rules.

In determining the independence of Mr. Storey, the Board specifically considered his position with LodgeNet Interactive Corporation (OTC: LNETQ) and the amounts paid and received for services associated with LNETQ's services in our hotels. The Board has determined that Mr. Storey is independent within the meaning under the NYSE rules. See "Related Party Transactions."

The following table sets forth the name, position with our company and age of each nominee for election to the Board at the Annual Meeting:

Name	Position	Age
Kerry W. Boekelheide	Executive Chairman of the Board	58
Daniel P. Hansen	President and Chief Executive Officer	44
Bjorn R. L. Hanson	Independent Director	61
David S. Kay	Independent Director	46
Thomas W. Storey	Independent Director	56
Wayne W. Wielgus	Independent Director	58

We believe that all of the nominees are intelligent, experienced, collegial, insightful and proactive with respect to management and risk oversight, and that they exercise good judgment. The biographical descriptions below set forth certain information with respect to each nominee, including the experience, qualifications, attributes or skills of each Nominee that led us to conclude that such person should serve as a director.

Kerry W. Boekelheide. Mr. Boekelheide has served as our Executive Chairman of the Board since our formation in June 2010. He served as the Chief Executive Officer and as a member of the Board of Managers of our predecessor, Summit Hotel Properties, LLC ("SHP LLC"), from January 2004 until February 2011. Mr. Boekelheide has served as the Chairman and sole director of The Summit Group, Inc. ("The Summit Group") from 1991 until its dissolution in December 2012. The Summit Group, with its affiliates, developed and acquired 54 hotels from 1991 through 2004. Prior to forming

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The Summit Group, Mr. Boekelheide was President and a shareholder of Super 8 Management, Inc., which was responsible for the management of over 100 Super 8 Motels located across the United States and Canada, and held numerous other positions in various companies that developed, owned and operated Super 8 Motels in the United States and Canada. Mr. Boekelheide received a B.S. degree in business from Northern State University.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Boekelheide should serve as a director because he brings to the Board leadership experience and extensive knowledge of our company and the hospitality industry. As the founder and Chief Executive Officer of SHP LLC, our predecessor, and the Chairman of The Summit Group, our predecessor's former hotel management company, Mr. Boekelheide has long-term and valuable hands-on knowledge of the issues, opportunities and challenges facing our company and its business. In addition, Mr. Boekelheide brings his broad strategic vision for our company to the Board.

Daniel P. Hansen. Mr. Hansen has served as our President and Chief Executive Officer and been a member of the Board since our formation in June 2010. Prior to joining our company, Mr. Hansen served in various capacities at The Summit Group. Mr. Hansen joined The Summit Group in October of 2003 as Vice President of Investor Relations. His responsibilities included leading the capital raising efforts for SHP LLC's private placements of its equity securities and assisting in acquisition due diligence. In 2005, he was appointed to SHP LLC's Board of Managers and was promoted to Executive Vice President, in which capacity he was part of the team that acquired over \$140 million of hotel properties and led the development of over \$240 million of hotel assets. He was appointed President of The Summit Group and Chief Financial Officer of SHP LLC in 2008. His primary responsibilities included the development and execution of growth strategies for SHP LLC, raising equity capital and hotel development and acquisition. Prior to joining The Summit Group, Mr. Hansen spent 11 years with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") in various leadership positions, culminating as a Vice President and Regional Sales Manager for Merrill Lynch in the Texas Mid-South Region, which included Texas, Louisiana, Arkansas and Oklahoma. Mr. Hansen received a B.A. in economics from South Dakota State University.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Hansen should serve as a director because he currently serves as our President and Chief Executive Officer and provides a critical link between the executive management team, which is responsible for the day-to-day management of our company, and the Board. We believe his service as a director enables the Board to perform its oversight function with the benefits of management's perspectives on our business. Mr. Hansen also provides us with extensive experience in the hospitality industry as well as a capital markets background that will assist the Board in analyzing capital raising opportunities and issues.

Bjorn R. L. Hanson. Dr. Hanson has been a member of the Board since the completion of our initial public offering, or IPO, in February 2011. Dr. Hanson has worked in the hospitality industry for more than 35 years and has been involved in consulting, research and investment banking in the lodging sector. He joined the New York University School of Continuing Professional Studies in June 2008 as a clinical professor teaching in the school's graduate and undergraduate hospitality and tourism programs and directing applied research projects. In 2010, he was appointed as the divisional dean of that school's Preston Robert Tisch Center for Hospitality, Tourism, and Sports Management. Before joining the Tisch Center, Dr. Hanson was a partner with PricewaterhouseCoopers LLP and its predecessor, Coopers & Lybrand LLP, which he joined in 1989. Dr. Hanson founded the hospitality, sports, convention and leisure practice and held various positions at PricewaterhouseCoopers and Coopers & Lybrand, including National Industry Chairman for the Hospitality Industries, National Service Line Director for Hospitality Consulting, National Industry Chairman for Real Estate, Real Estate Service Line Director and National Director of Appraisal Services. Additionally, he served on

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

the U.S. leadership committee and global financial advisory services management committee of PricewaterhouseCoopers. Dr. Hanson was also managing director with two Wall Street firms, Kidder, Peabody & Co. and PaineWebber Inc., for which he led banking and research departments for lodging and gaming. Dr. Hanson received a B.S. from Cornell University School of Hotel Administration, an M.B.A. from Fordham University and a Ph.D. from New York University.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Dr. Hanson should serve as a director because he brings a wide range of experience in consulting, research and investment banking in the hospitality industry to the Board. He also brings an academic perspective on the hospitality and tourism industries, which enhances the ability of the Board to analyze macroeconomic issues and trends relevant to our business. Finally, Dr. Hanson's leadership roles in market trend analysis, economic analysis and financial analysis specific to our industry provide the Board with additional depth in analyzing financial reporting issues faced by companies similar to ours.

David S. Kay. Mr. Kay has been a member of the Board since the completion of our IPO in February 2011. Mr. Kay has worked in finance, accounting and business planning and strategy for more than 20 years and has been involved with REITs for over 13 years. He is the Chief Investment Officer and Chief Financial Officer of Capital Automotive Real Estate Services, Inc., whose predecessor, Capital Automotive REIT, he co-founded in 1997 and took public in 1998. Mr. Kay served as Senior Vice President, Chief Financial Officer and Treasurer for Capital Automotive until it was taken private in a nearly \$4 billion privatization transaction in 2005. Prior to founding Capital Automotive, Mr. Kay worked at the public accounting firm of Arthur Andersen LLP in Washington, D.C. for approximately ten years. While at Arthur Andersen, Mr. Kay provided consulting services to clients regarding mergers and acquisitions, business planning and strategy and equity financing. He has experience with capital formation projects, roll-up transactions and IPOs for companies in various industries. Mr. Kay is a member of James Madison University's College of Business Executive Advisory Council and is a Certified Public Accountant. Mr. Kay received a B.B.A., with a concentration in accounting, from James Madison University.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Kay should serve as a director because of his financial and auditing experience specific to the REIT industry. Mr. Kay worked in auditing for Arthur Andersen for ten years and is the Executive Vice President, Chief Financial Officer and Treasurer of Capital Automotive Real Estate Services, Inc., whose predecessor, Capital Automotive REIT, was a publicly traded REIT. Mr. Kay also gained experienced with the issues facing new, publicly traded REITs at Capital Automotive.

Thomas W. Storey. Mr. Storey has been a member of the Board since the completion of our IPO in February 2011. Mr. Storey has worked in the hospitality industry for more than 25 years. Beginning in May 2013, Mr. Storey will serve as the President of Hospitality of LodgeNet Interactive Corporation (OTC: LNETQ), a hotel industry technology company. Currently, Mr. Storey is the Executive Vice President Business Strategy for Fairmont Raffles Hotels International ("FRHI"), a leading global hotel company with over 100 hotels worldwide under the Fairmont, Raffles and Swissôtel brands, which Mr. Storey joined in 1999. Having helped launch FRHI as a publicly traded company and its subsequent privatization, Mr. Storey is responsible for strategic planning and helping to identify new opportunities for FRHI that capitalize on improving business fundamentals. Mr. Storey has held a series of progressive leadership positions with FRHI, including Executive Vice President, Development and Executive Vice President Business Development & Strategy, as well as President of Fairmont Hotels and Resorts. Mr. Storey has been a member of various hospitality industry organizations, including the American Hotel & Lodging Association, the Travel Industry Association of America, and Professional Conference and Meeting Planners. Mr. Storey received a B.A. in economics from Bates College and an M.B.A. from the Johnson School at Cornell University.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Storey should serve as a director because he provides the Board with strategic vision specific to the hospitality industry. In addition, Mr. Storey has substantial leadership experience in the hospitality industry, including as Executive Vice President Business Strategy of FRHI, where Mr. Storey has been instrumental in helping lead that company through various lodging cycles. The Board expects Mr. Storey's experience in analyzing and reacting to changing conditions in the hospitality industry will serve the Board as we grow. The Board also expects Mr. Storey's operations experience as President of Fairmont Hotels and Resorts to help him provide valuable insights to the Board. Mr. Storey also possesses particular expertise in business travel, an important aspect of our business.

Wayne W. Wielgus. Mr. Wielgus has been a member of the Board since the completion of our IPO in February 2011. Mr. Wielgus has worked in the hospitality industry for more than 30 years. In August 2009, Mr. Wielgus founded International Advisor Group LLC, which advises several companies in the hospitality industry. Before founding International Advisor Group, he served as Senior Vice President of Marketing of Celebrity and Azamara Cruises, two of Royal Caribbean Cruises Ltd.'s brands, from March 2008 until August 2009, where he was responsible for the two brands' overall marketing efforts, including brand strategy and development, advertising, web marketing and research. Mr. Wielgus served as Executive Vice President and Chief Marketing Officer of Choice Hotels International, Inc. from September 2004 until July 2007, after serving as that company's Senior Vice President, Marketing from September 2000 to September 2004. Prior to joining Choice Hotels, Mr. Wielgus held various positions with Best Western International, Inc., Trusthouse Forte PLC, InterContinental Hotels Corporation and Ramada Worldwide Inc. Mr. Wielgus received a B.S. in Marketing from Fairfield University and an M.B.A. from the University of Memphis.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Wielgus should serve as a director because of his business, leadership and management experience, including expertise leading marketing strategy and initiatives for a company in the tourism industry, which is a significant part of our business. Mr. Wielgus also gained similar experience specific to the hospitality industry in his role as Executive Vice President and Chief Marketing Officer of Choice Hotels International, Inc. Thus, Mr. Wielgus also brings to the Board insights from the perspective of hotel franchisors, which we expect to enhance our ability to maximize our brand strategy and franchisor relationships. He currently acts as an outside consultant to companies in the hospitality industry, providing insight into issues our company faces.

The Board recommends that you vote "FOR" the election of each nominee for director named above.

Our independent directors meet regularly without the presence of any of our officers or employees.

employee of an organization that has a relationship with us or our subsidiaries. The Board

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

has determined that Dr. Hanson, Mr. Kay, Mr. Storey and Mr. Wielgus have no material relationship with us or our subsidiaries and, therefore, are independent under the applicable standards of the NYSE. As a result, a majority of our directors are independent. Mr. Boekelheide and Mr. Hansen serve as executive officers and are not considered independent under the applicable standards of the NYSE.

Committees of the Board

The Board has established three standing committees:

the Audit Committee;

the Compensation Committee; and

the Nominating and Corporate Governance Committee.

The members of these standing committees are appointed by and serve at the discretion of the Board. Current copies of the charters for each of these committees can be found under "Investor Relations Corporate Overview Governance Documents" on our website at www.shpreit.com.

Audit Committee

The members of the Audit Committee are Mr. Kay (Chairman), Dr. Hanson and Mr. Wielgus. Each of these members has been determined to be "independent" within the meaning of the applicable standards of the NYSE and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In addition, each of these members meets the financial literacy requirements for audit committee membership under the NYSE's rules and the rules and regulations of the SEC. The Board has determined that Mr. Kay is an "audit committee financial expert" as such term is defined in Item 407(d)(5)(ii) of Regulation S-K. Mr. Kay's biographical description appears above.

The Audit Committee is responsible for reviewing and discussing with management and our independent public accountants our annual and quarterly financial statements, engaging independent public accountants, reviewing with the independent public accountants the plans and results of the audit engagement, approving professional services provided by the independent public accountants, reviewing the performance and independence of the independent public accountants, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties and to retain counsel for this purpose where appropriate. Additionally, the Audit Committee is responsible for monitoring our procedures for compliance with the rules for taxation as a real estate investment trust ("REIT") under Sections 856-860 of the Internal Revenue Code of 1986, as amended (the "Code").

Compensation Committee

The members of the Compensation Committee are Mr. Wielgus (Chairman), Mr. Kay and Dr. Hanson. The Board has determined that each member of the Compensation Committee is "independent" within the meaning of the applicable standards of the NYSE. Each member of the Compensation Committee qualifies as an "outside director" as such term is defined under Section 162(m) of the Code and as a "non-employee director" for purposes of Rule 16b-3 of the Exchange Act.

The Compensation Committee exercises all powers delegated to it by the Board in connection with compensation matters. The Compensation Committee is responsible for the review and approval of the compensation and benefits of our executive officers, administration and recommendations to the Board regarding our compensation and long-term incentive plans and production of the annual reports on

executive compensation for inclusion in our Proxy Statements. In connection with those responsibilities, the Compensation Committee has the sole authority to retain and terminate compensation consultants employed by it to help evaluate our compensation programs. The Compensation Committee also has authority to grant awards under the Company's 2011 Equity Incentive Plan.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Dr. Hanson (Chairman), Mr. Storey and Mr. Wielgus. The Board has determined that each member of the Nominating and Corporate Governance Committee is "independent" within the meaning of the applicable standards of the NYSE.

The Nominating and Corporate Governance Committee is responsible for monitoring our compliance with corporate governance requirements of state and federal law and the rules and regulations of the NYSE; developing and recommending to the Board criteria for prospective members of the Board; conducting Board candidate searches and interviews; overseeing and evaluating the Board and management, and monitoring compliance with our code of business conduct and ethics and policies with respect to conflicts of interest; periodically evaluating the appropriate size and composition of the Board, and recommending, as appropriate, increases, decreases and changes in the composition of the Board; and formally proposing the slate of nominees for election as directors at each annual meeting of our stockholders. In addition, this committee annually facilitates the assessment of the Board's performance as a whole and of the individual directors and reports thereon to the Board.

Board Leadership Structure

The Board believes it is important to retain the flexibility to allocate the responsibilities of the positions of the Chairman of the Board and the Chief Executive Officer in the way it believes is in our best interest. Currently, the Board believes that it is in our best interest to split these positions and that the Chairman of the Board should be designated as the Executive Chairman of the Board in accordance with our Bylaws. The Board believes that this leadership structure is appropriate at this time. In particular, the current leadership structure clarifies the individual roles and responsibilities of Mr. Boekelheide and Mr. Hansen and helps streamline decision making and enhance accountability. As Executive Chairman of the Board, Mr. Boekelheide remains involved in key matters, including transactions, and continues to advise Mr. Hansen and our other executive officers. Given Mr. Boekelheide's in-depth knowledge of the issues, challenges and opportunities facing us, the Board believes that Mr. Boekelheide is in a position to ensure that the Board's time and attention are focused on the most critical matters.

To promote the independence of the Board and appropriate oversight of management and to demonstrate our commitment to strong corporate governance, the Board designates an independent, non-employee director to serve as our Presiding Director. The Presiding Director helps to facilitate free and open discussion and communication among the independent, non-employee directors and presides over executive sessions of the non-employee directors. The duties of the Presiding Director are set forth in our Corporate Governance Guidelines, which is available under "Investor Relations Corporate Overview Governance Documents" on our website at www.shpreit.com. For 2012, Mr. Wielgus was the Presiding Director.

Risk Management Oversight

The Board is actively involved in the oversight of risks that could affect our company. This oversight is conducted primarily through the Audit Committee but also through the other committees of the Board, as appropriate. The Board and its committees, including the Audit Committee satisfy this responsibility through reports by each committee chair regarding the committee's considerations and

actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our company.

Meetings and Attendance

In 2012, the Board met four times in person and ten times telephonically, the Audit Committee met four times in person and three times telephonically, the Compensation Committee met four times in person and three times telephonically and the Nominating and Corporate Governance Committee met four times in person and once telephonically. Each of our directors attended at least 75% of the aggregate meetings of the Board and the committees of the Board on which he served during 2012.

Executive Sessions of Our Independent Directors

As required by the NYSE rules, the non-employee directors, all of whom are independent under the applicable standards of the NYSE, regularly meet in executive session, without management present. Generally, these executive sessions follow regularly scheduled meetings of the Board. The independent, non-employee directors met in executive session four times in 2012. Mr. Wielgus, our Presiding Director, presided over these executive sessions.

Director Nominations

Before each annual meeting of stockholders, the Nominating and Corporate Governance Committee considers the nomination of all directors whose terms expire at the next annual meeting of stockholders and also considers new candidates whenever there is a vacancy on the Board or whenever a vacancy is anticipated due to a change in the size or composition of the Board, a retirement of a director or for any other reason. In addition to considering incumbent directors, the Nominating and Corporate Governance Committee identifies director candidates based on recommendations from the directors, stockholders, management and others. The Nominating and Corporate Governance Committee may in the future engage the services of third-party search firms to assist in identifying or evaluating director candidates. No such firm was engaged in 2012.

The Nominating and Corporate Governance Committee works with the Board to determine the appropriate characteristics, skills and experience for the Board as a whole and its individual members. In evaluating the suitability of individuals for Board membership, the Nominating and Corporate Governance Committee takes into account many factors, including:

whether the individual meets the requirements for independence;

the individual's general understanding of the various disciplines relevant to the success of a large publicly-traded company in today's business environment;

the individual's understanding of the Company's businesses and markets;

the individual's professional expertise and educational background; and

other factors that promote diversity of views and experience.

The Nominating and Corporate Governance Committee evaluates each individual in the context of the Board as a whole, with the objective of recommending a group of directors that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment, using its diversity of experience. In determining whether to recommend a director for re-election, the Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

We do not have a formal policy about diversity of Board membership, but the Nominating and Corporate Governance Committee will consider a broad range of factors when nominating director

candidates to the Board, including differences of viewpoint, professional experience, education, skill, other personal qualities and attributes, race, gender and national origin. The Nominating and Corporate Governance Committee neither includes nor excludes any candidate from consideration solely based on the candidate's diversity traits.

The Nominating and Corporate Governance Committee will consider appropriate nominees for directors whose names are submitted in writing by a stockholder. See "Other Information Stockholder Proposals and Director Nominations for the 2014 Annual Meeting of Stockholders."

Policy on Voting Regarding Directors

In March 2013, the Board adopted a policy on voting regarding directors. Under the policy, at any meeting of stockholders at which members of the Board are to be elected by the stockholders in an uncontested election, any nominee for director who receives a greater number of votes "withheld" from his or her election than votes "for" election will submit to the Board a written offer to resign from the Board no later than two weeks after the certification of the voting results. An uncontested election is one in which the number of individuals who have been nominated for election as a director is equal to, or less than, the number of directors to be elected.

The Nominating and Corporate Governance Committee will consider the resignation offer and, within 60 days after the certification of the voting results, recommend to the Board whether to accept or reject the resignation offer. In determining its recommendation to the Board, the Nominating and Corporate Governance Committee will consider all factors it deems relevant, which may include (i) any stated reason or reasons why stockholders cast "withheld" votes for the director, (ii) the qualifications of the director and (iii) whether the director's resignation from the Board would be in our best interest and the best interests of our stockholders. The Nominating and Corporate Governance Committee may also consider alternatives to acceptance or rejection of the resignation offer as the Nominating and Corporate Governance Committee members deem appropriate, which may include (i) continued service by the director until the next relevant meeting of stockholders, (ii) an undertaking to seek a replacement director, (iii) rejecting the resignation offer coupled with committing to seek to address the underlying cause or causes of the majority-withheld vote.

The Board will act on the Nominating and Corporate Governance Committee's recommendation no later than 90 days after the certification of the voting results. The Board will consider the information, factors and alternatives considered by the Nominating and Corporate Governance Committee and additional information, factors and alternatives the Board deems relevant. The recommendation of the Nominating and Corporate Governance Committee will not be binding on the Board.

Any director who offers to resign as provided above shall not participate in the Nominating and Corporate Governance Committee's or the Board's consideration of whether to accept his or her resignation offer.

If a director's resignation offer is accepted by the Board, the Nominating and Corporate Governance Committee will recommend to the Board whether to fill the vacancy created by such resignation or to reduce the number of directors constituting the Board. The Board will determine the treatment of any compensation due or payable to the resigning director.

If a majority of the members of the Nominating and Corporate Governance Committee were required to offer their resignations as described above, the directors whom the Board has affirmatively determined to be independent in accordance with the applicable listing standards of the NYSE, and who were not required to offer their resignations, will appoint a special committee of the Board to consider the resignation offers and whether to accept the resignation offers, as otherwise described above.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

We will disclose publicly the Board's decision, an explanation of the process by which the decision was made and, if applicable, the reasons for rejecting the resignation offer, in a Current Report on Form 8-K filed with the SEC.

Stock Ownership Guidelines

Based on current corporate governance standards, the Board believes all non-employee directors and certain key executive officers should own a meaningful equity interest in our company to more closely align the interests of directors and executive officers with those of stockholders. Accordingly, the Board has adopted stock ownership guidelines for key executive officers and all non-employee directors.

For purposes of these guidelines, the term "Company common stock" includes (a) any class of equity securities issued by us or our operating partnership, Summit Hotel OP, LP (the "Operating Partnership"), whether held directly or indirectly or by or for the benefit of immediate family members, and (b) vested and unvested restricted shares of common stock, but excludes (x) stock options, whether exercisable or unexercisable, (y) unearned performance-based restricted stock and (z) warrants and all other forms of derivative securities.

The Board will review the minimum equity holdings guidelines for executive officers on a periodic basis to ensure the guidelines remain consistent with corporate governance best practices and continue to promote the alignment of executive and stockholder interests.

Over time, certain key executive officers are required to hold Company common stock with a value equal to a multiple of their then-current base salary. The equity ownership value for each of these executive officers will be calculated by multiplying the number of shares of Company common stock owned by the ten-trading day trailing volume weighted average price ("VWAP") of our common stock prior to the date of computation, typically at the end of the fiscal year. The executive officers named in the table below will have until February 9, 2016 to comply with the stock ownership guidelines. The equity ownership requirement for our key executive officers is as follows:

Executive Officer	Multiple of Base Salary
Kerry W. Boekelheide, Executive Chairman of the Board	3x
Daniel P. Hansen, President and Chief Executive Officer	3x
Stuart J. Becker, EVP & Chief Financial Officer	2x
Craig J. Aniszewski, EVP & Chief Operating Officer	1x

Each non-employee director will be required to hold a number of shares of Company common stock equal to \$150,000 (three times the annual cash retainer paid to each non-employee director in 2012). The equity ownership value for each non-employee director will be calculated by multiplying the number of shares of Company common stock owned by the ten-trading day trailing VWAP of our common stock prior to the date of computation, typically at the end of the fiscal year. Non-employee directors will have until the later of February 9, 2016 and three years after the date on which the director is first elected to the Board to comply with the stock ownership guidelines.

Anti-Hedging and Anti-Pledging Policies

The Board has adopted an insider trading policy that contains restrictions on hedging and pledging securities issued by us and the Operating Partnership. With respect to hedging, directors and executive officers are prohibited from engaging in any hedging or monetization transactions involving securities issued by us or the Operating Partnership. With respect to pledging, directors and executive officers are prohibited from holding securities issued by us or the Operating Partnership in a margin account or pledging these securities as collateral for a loan. An exception to this anti-pledging policy may be

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

granted if a director or executive officer desires to pledge securities issued by us or the Operating Partnership as collateral for a loan other than margin debt and clearly demonstrates the financial capacity to repay the loan without resort to the pledged securities. Any permitted pledge of securities issued by us or the Operating Partnership must be pre-approved by the Company's General Counsel.

Adoption of Compensation Clawback Policy

We expect the SEC, in accordance with the requirements of the Dodd-Frank Act, to issue regulations regarding clawback policies. We intend to adopt a clawback policy that will apply to our executive officers in conformity with the SEC regulations once they have been implemented. We have chosen to wait to adopt a formal policy until the SEC issues its regulations to insure that our policy will be fully compliant.

Communication with the Board

Stockholders and other interested parties who wish to communicate with the Board may do so by writing to the Presiding Director, Board of Directors of Summit Hotel Properties, Inc., 12600 Hill Country Boulevard, Suite R-100, Austin, Texas 78738. The independent, non-employee directors have procedures for the handling of communications from stockholders and other interested parties and have directed our Secretary to act as their agent in processing any communications received. All communications that relate to matters within the scope of the responsibilities of the Board and its standing committees are to be forwarded to the Presiding Director. Communications that relate to matters that are within the scope of the responsibilities of one of the Board's standing committees are also to be forwarded to the chair of the appropriate committee. Communications that relate to ordinary business matters that are not within the scope of the responsibilities of the Board are to be sent to the appropriate member of management. Solicitations, junk mail and obviously frivolous or inappropriate communications are not to be forwarded, but will be made available to any non-management director who wishes to review them.

Policy Governing Director Attendance at Annual Meetings of Stockholders

We encourage, but do not require, our directors to attend the Annual Meeting. All of our directors attended our 2012 Annual Meeting of Stockholders.

Compensation Committee Interlocks and Insider Participation

Currently, the Compensation Committee consists of Mr. Wielgus, Mr. Kay and Dr. Hansen. None of the members are or have been one of our employees or officers. None of our executive officers currently serves, or during the past fiscal year has served, as a member of the board of directors or compensation committee of another entity that has one or more executive officers serving on our Board or Compensation Committee.

DIRECTOR COMPENSATION

Directors who are our employees (Mr. Boekelheide and Mr. Hansen) do not receive compensation for their services as directors. For 2012, our non-employee director compensation program consisted of the following:

Annual Cash Retainer. We paid an annual cash retainer of \$50,000 to each non-employee director.

Additional Committee Membership Fee. We paid an additional committee membership fee to the members of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, with each member of the Audit Committee being paid

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

\$8,000, each member of the Compensation Committee being paid \$6,000 and each member of the Nominating and Corporate Governance Committee being paid \$4,000.

Additional Committee Chairperson Fee. In addition to the additional committee membership fee, we paid the chairperson of the Audit Committee, the chairperson of the Compensation Committee and the chairperson of the Nominating and Corporate Governance Committee an additional committee chairperson fee, with the chairperson of the Audit Committee being paid \$16,000, the chairperson of the Compensation Committee being paid \$12,000 and the chairperson of the Nominating and Corporate Governance Committee being paid \$8,000.

Annual Equity Award. Following the 2012 annual meeting of stockholders, we granted each non-employee director an equity award consisting of 3,822 shares of our common stock with an aggregate value of approximately \$30,000 (the number of shares awarded to each non-employee director was determined by dividing \$30,000 by the VWAP of our common stock on the NYSE for the ten trading days preceding the grant date). These shares were granted on June 6, 2012 pursuant to our 2011 Equity Incentive Plan and were fully vested on the grant date.

For 2013, our non-employee director compensation program will be the same as our non-employee director compensation program for 2012, except for the following changes:

Presiding Director Fee. For 2013, we will pay our Presiding Director a \$20,000 presiding director fee.

Election to Receive Stock in Lieu of Cash Fees. For 2013, non-employee directors may elect to receive all or any part of the cash fees we are required to pay them in fully vested shares of our common stock issued under our 2011 Equity Incentive Plan or another stockholder-approved plan, based upon the VWAP of our common stock on the NYSE for the ten trading days preceding the grant date

Increase in Annual Equity Award. With respect to the annual equity award, we are increasing the fixed dollar amount to \$70,000 from \$30,000, with the annual equity award being paid in fully vested shares of our common stock issued under our 2011 Equity Incentive Plan. These shares will be granted shortly after the date of the Annual Meeting. The number of shares being granted will be determined by dividing \$70,000 by the VWAP of our common stock on the NYSE for the ten trading days preceding the grant date. We believe the increase further aligns the non-employee directors' compensation structure with that of the prevailing market, which generally allocates a larger portion of the total compensation payable to non-employee directors to equity awards.

Based on the recommendation of FTI Consulting Inc. ("FTI"), the Compensation Committee's independent compensation consultant for 2012, the Compensation Committee recommended and the Board approved the changes to our non-employee director compensation program for 2013.

We reimburse our non-employee directors for reasonable out-of-pocket expenses incurred in connection with the performance of their duties as directors, including, without limitation, travel expenses in connection with their attendance at in-person board and committee meetings. Non-employee directors do not receive any meeting fees for attending meetings of the Board or its committees.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The table below summarizes the compensation paid by us to our non-employee directors for 2012.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section explains our executive compensation program as it relates to our "named executive officers" whose compensation information is presented in the tables following this discussion in accordance with SEC rules. For 2012, our named executive officers include:

Mr. Boekelheide, our Executive Chairman of the Board;

Mr. Hansen, our President and Chief Executive Officer;

Mr. Aniszewski, our Executive Vice President and Chief Operating Officer;

Mr. Becker, our Executive Vice President, Chief Financial Officer and Treasurer; and

Mr. Eng, our Vice President, General Counsel and Secretary.

For 2012, our executive compensation program consisted of the following key elements:

annual base salaries;

incentive awards representing cash bonus opportunities;

time-based restricted stock awards; and

performance-based restricted stock awards.

Objectives of Our Executive Compensation Program

Our executive compensation philosophy is designed to promote the following objectives:

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

align the interest of our executives and stockholders by motivating executives to increase stockholder value and rewarding executives when stockholder value increases;

motivate our executives to manage our business to meet our near-, medium- and long-term objectives and reward them for meeting these objectives and for exceptional performance;

assist in attracting and retaining talented and well-qualified executives;

be competitive with other lodging real estate investment trusts; and

encourage executives to achieve meaningful levels of ownership of our stock.

Role of the Compensation Committee and Management

The Compensation Committee is charged with, among other things, the responsibility of reviewing executive officer compensation policies and practices to ensure adherence to our compensation philosophies and that the total compensation paid to our executive officers is fair, reasonable and competitive, taking into account our competitive position within our industry and our named executive officers' level of expertise and experience in their positions. The Compensation Committee's primary responsibilities with respect to determining executive compensation are:

setting performance targets under all annual bonus and long-term and management incentive compensation plans, including our 2011 Equity Incentive Plan;

verifying that performance targets used for any performance-based equity compensation plans have been met before payment of any executive bonus or compensation;

approving all amendments to, and terminations of, all compensation plans and any awards under such plans;

granting any awards under any performance-based annual bonus, long-term incentive compensation and equity compensation plans to executive officers;

approving which executive officers and other employees receive awards under our equity and incentive compensation plan(s), including the 2011 Equity Incentive Plan;

reviewing and approving annually the base salaries of our executive officers; and

conducting an annual review of all compensation plans.

The Compensation Committee reviews and considers the recommendations of Mr. Boekelheide, our Executive Chairman of the Board, and Mr. Hansen, our President and Chief Executive Officer, with respect to compensation decisions for all of our named executive officers. The Compensation Committee makes all compensation decisions with regard to Mr. Boekelheide and Mr. Hansen. The Compensation Committee believes it is valuable to consider the recommendations of Mr. Boekelheide and Mr. Hansen with respect to these matters because, given their knowledge of our operations and the day-to-day responsibilities of our executive officers, they are in a unique position to provide the Compensation Committee perspective into the performance of our executive officers in light of our business at a given point in time.

Role of the Compensation Consultant

For the development of our 2012 compensation program, the Compensation Committee retained FTI Consulting, Inc., a nationally recognized compensation consulting firm, as its independent compensation consultant to review the appropriate compensation for our named executive officers as compared to other real estate companies, including our peer group. FTI provides us with advisory services only with respect to executive compensation and works with management only at the request and under the direction of the Compensation Committee. FTI reviewed the compensation components for our 2011 program for our named executive officers and advised the Compensation Committee on the appropriateness of the components of the program and recommended changes for 2012. FTI met regularly with the Compensation Committee and provided the Compensation Committee with executive compensation studies and independent analysis regarding executive compensation trends. On April 25, 2012, the Compensation Committee approved the recommendations of FTI and established the terms of our 2012 executive compensation program. See " Elements of 2012 Executive Compensation Program."

In making certain compensation decisions in 2012, the Compensation Committee relied on FTI to:

assist in the selection of a group of peer companies;

provide information on compensation paid by peer companies to their executive officers; and

advise on appropriate levels of compensation.

Peer Group Information

In general, the Compensation Committee uses comparison data from various companies in certain peer groups as a guide in its review and determination of base salaries, annual cash bonuses and restricted stock awards. During 2012, the Compensation Committee reviewed peer group data to assist in its determination regarding compensation for our named executive officers. Our executives' actual compensation for 2012 was below the 25th percentile of the 2011 compensation of our below defined peer group. The Compensation Committee evaluated our performance and determined whether the compensation elements and levels that we provided in 2012 to our named executive officers were generally appropriate relative to the compensation elements and levels provided to their counterparts at our peer companies in light of our then-current market capitalization relative to our peer group and the fact that we had recently completed our initial public offering. We anticipate monitoring and making appropriate adjustments to our peer group compensation levels as the Company executes its strategic business plan, including growing the size of the Company through targeted capital investments and strategic acquisitions.

In 2012, the Compensation Committee, with the help of FTI, determined the composition of our peer group and the criteria and data used in compiling our peer group list. The 2012 executive compensation peer group consisted of 12 public hospitality REITs, one diversified properties REIT and one industrial properties REIT that the Compensation Committee and FTI considered to be the most relevant peer group. Based on publicly available information, the 2012 peer group had equity market capitalizations (including the value of partnership units) ranging from approximately \$207 million to \$2.4 billion as of December 31, 2012 and total assets ranging from approximately \$445 million to \$3.5 billion as of December 31, 2012. For purposes of making executive compensation decisions in 2012, our peer group consisted of the following companies: Ashford Hospitality Trust, Inc.; Chatham Lodging Trust; Chesapeake Lodging Trust; Diamondrock Hospitality Company; FelCor Lodging Trust Incorporated; Hersha Hospitality Trust; Investors Real Estate Trust; LaSalle Hotel Properties; Morgans Hotel Group Co.; Pebblebrook Hotel Trust; RLJ Lodging Trust; Strategic Hotels & Resorts, Inc.; Sunstone Hotel Investors, Inc.; and Terreno Realty Corporation.

In addition to the peer group mentioned above, due to the limited number of REITs with chairmen who do not also serve as chief executive officers, we created, with assistance from FTI, an executive chairmen peer group for Mr. Boekelheide. The executive chairmen peer group consisted of equity REITs that have executives that function exclusively as chairmen and not also as chief executive officers. For 2012, our executive chairmen peer group included: Ashford Hospitality Trust, Inc.; CBL & Associates Properties, Inc.; DuPont Fabros Technology, Inc.; Getty Realty Corporation; Hersha Hospitality Trust; Lexington Realty Trust; Pennsylvania Real Estate Investment Trust; Retail Opportunity Investments Corp.; RLJ Lodging Trust; Sunstone Hotel Investors, Inc.; W.P. Carey & Co. LLC; and Weingarten Realty Investors.

Elements of 2012 Executive Compensation

2012 Annual Base Salary. Base salaries are designed to provide a fixed level of compensation that serves as a retention tool. Base salaries are reviewed annually by the Compensation Committee and are subject to annual increases at the discretion of the Compensation Committee. In determining base salary increases for 2012, the Compensation Committee considered each executive officer's individual performance and business unit performance, as well as our company's overall performance, market

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

conditions and competitive salary information for the peer group described above. For 2012, base salaries paid to our named executive officers were as follows:

Named Executive Officer	2012 Base Salary	2011 Base Salary	Percentage Increase
Kerry W. Boekelheide	\$ 380,000	\$ 380,000	
Daniel P. Hansen	\$ 350,000	\$ 350,000	
Craig J. Aniszewski	\$ 300,000	\$ 300,000	
Stuart J. Becker	\$ 250,000	\$ 250,000	
Christopher R. Eng	\$ 140,000	\$ 120,000	16.7%

In 2012, base salaries for our named executive officers generally were kept flat in light of our then-current market capitalization relative to our peer group and the fact that we had recently completed our initial public offering. In the case of Mr. Eng, the Compensation Committee determined that his base salary was significantly below prevailing competitive market levels. As a result, Mr. Eng's base salary for 2012 was increased by approximately 16.7% in order to bring it more in line with prevailing competitive market levels.

2012 Incentive Awards. For 2012, the Compensation Committee implemented an objective cash bonus plan based on the achievement of budgeted amounts of adjusted funds from operations ("AFFO") per share and individual performance objectives. The cash bonus plan was implemented through incentive awards granted to each of our named executive officers under the 2011 Equity Incentive Plan. Mr. Eng did not participate in this program. On April 25, 2012, we entered into an incentive award agreement with each of our named executive officers, pursuant to which each of them was eligible to earn a cash payout based on a percentage of the executive's base salary if we achieved certain budgeted amounts of budgeted AFFO per share and upon the achievement of individual performance metrics.

The following table depicts the payout under the AFFO component that each named executive officer could earn, measured as percentage of the named executive officer's base salary for 2012:

Named Executive Officer	Threshold (\$0.72, or 90% of budgeted AFFO per share)		Target (\$0.80, or 100% of budgeted AFFO per share)		Maximum (\$0.88, or 110% of budgeted AFFO per share)	
	Percentage of		Percentage of		Percentage of	
	Cash Payout (\$)	Base Salary (%)	Cash Payout (\$)	Base Salary (%)	Cash Payout (\$)	Base Salary (%)
Kerry W. Boekelheide	190,000	50	285,000	75	380,000	100
Daniel P. Hansen	175,000	50	262,500	75	350,000	100
Craig J. Aniszewski	112,500	37.5	168,750	56.25	225,000	75
Stuart J. Becker	93,750	37.5	140,625	56.25	187,500	75

For purposes of the incentives awards, 2012 AFFO has been calculated as our net income or loss as set forth in our audited consolidated financial statements for the year ended December 31, 2012, excluding gains (or losses) from sales of property, plus depreciation and amortization (including amortization of deferred financing costs and amortization of franchise royalty fees), as further adjusted to exclude hotel transaction and pursuit costs and such other items, including nonrecurring expenses, as the Compensation Committee determined was appropriate and consistent with the purpose and intent of the incentive awards. AFFO per share was \$0.82 per share. As a result, the AFFO component of the incentive award was paid out in March 2013 to our named executive officers at the target level.

Under the individual component of the incentive awards, our named executive officers (other than Mr. Eng) could earn up to 25% of the target amount of the AFFO component based on a subjective evaluation by the Compensation Committee of the achievement of individual performance goals.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The Compensation Committee established the individual performance objectives in June 2012 based on recommendations made by FTI. In determining whether the individual performance component had been earned, the Compensation Committee did not rely on any one particular objective or formula, but rather on what the Compensation Committee considered to be value-added quantitative and qualitative goals in furtherance of the Company's compensation principles. No executive officer is guaranteed an award under the individual performance component and, if performance is unsatisfactory, no amounts will be paid under the component.

The executive officers shared certain common objectives in 2012, including increasing AFFO per share based on certain thresholds, increasing gross operating profit margins based on certain thresholds and increasing the Company's total enterprise value through execution of certain strategic measures. The other objectives were personal to each executive officer and varied based upon the executive's position and responsibilities as they related to the Company's overall business plan. A summary of each executive's objectives are as follows:

Mr. Boekelheide's objectives primarily involved providing leadership in incorporating the Company's strategic plan and directing management in furthering the completion of succession, crisis management and risk management plans.

Mr. Hansen's objectives primarily involved identifying and acquiring hotels that are a strategic fit for the Company, overseeing of the Company's move of its executive offices to Austin, Texas and meeting with a minimum required number of new investors.

Mr. Aniszewski's objectives primarily involved increasing revenue per available room ("RevPAR") based on preset parameters, increasing RevPAR penetration index based on preset parameters and oversight of the Company's renovation projects to ensure projects are completed timely and on budget and ensuring newly acquired hotels achieve pro forma underwriting expectations set by the Company.

Mr. Becker's objectives primarily involved execution of Company strategy relative to hiring of a Chief Accounting Officer, achieve satisfactory compliance from the Company's independent auditor for the year ended December 31, 2012, KPMG LLP, and the identification of and transitioning to a new Company accounting system.

In March 2013, the Compensation Committee determined that the named executive officers who were participating in the individual performance component had achieved or were given full credit for each of the individual performance objectives summarized above. As a result, cash payments were made to the following named executive officers in the amount shown below:

Mr. Boekelheide, \$71,250;

Mr. Hansen, \$65,625;

Mr. Aniszewski, \$42,188; and

Mr. Becker, \$35,156.

As noted above, Mr. Eng did not participate in the 2012 incentive awards. In March 2013, based on the recommendation of Mr. Boekelheide and Mr. Hansen, the Compensation Committee approved and we paid Mr. Eng a \$70,000 discretionary cash bonus as a result of his significant contribution made in 2012. The discretionary cash bonus paid to Mr. Eng reflects the Compensation Committee's commitment to internal pay equity among members of management.

Equity Incentives: Time-Based Stock Awards. For 2012, the Compensation Committee approved time-based stock awards under the Company's 2011 Equity Incentive Plan as follows:

Mr. Boekelheide, 36,632 shares;

Mr. Hansen, 33,740 shares;

Mr. Aniszewski, 21,690 shares; and

Mr. Becker, 18,075 shares.

The Compensation Committee approved the fixed dollar amount of each time-based stock award based on recommendations made by FTI. The fixed dollar amount for each award was \$285,000, \$262,500, \$168,750 and \$140,625 for Mr. Boekelheide, Mr. Hansen, Craig Aniszewski and Mr. Becker, respectively. The number of shares awarded was determined by dividing the fixed dollar amount for each time-based stock award by \$7.78, the VWAP of our common stock for the ten trading days preceding the grant date. Mr. Eng did not participate in this program. The shares covered by the time-based stock awards were granted to the named executive officers on April 25, 2012. On April 25, 2012, the Company entered into stock award agreements with the named executive officers setting forth the terms and conditions of the time-based stock awards. The stock award agreements provide for vesting over a three year period as follows: 25% of the shares of common stock covered by the time-based stock award vest on December 31, 2012; 25% of the shares of common stock covered by the time-based stock award vest on December 31, 2013; and 50% of the shares of common stock covered by the time-based stock award vest on December 31, 2014.

Except as described below, no shares of common stock covered by a time-based stock award will vest unless the executive remains in the continuous employ of the Company from the date of grant until the applicable vesting date. However, all of the shares of common stock covered by a time-based stock award (if not sooner vested) will vest on a "control change date" (as defined in the 2011 Equity Incentive Plan) if the executive remains in the continuous employ of the Company from the date of grant until the control change date. In addition, all of the shares of common stock covered by a time-based stock award (if not sooner vested), will vest on the date that the executive's employment with the Company ends on account of death or disability or on account of a termination without cause or a voluntary termination for good reason.

Any shares of common stock covered by a time-based stock award that have not vested as described above may not be transferred and will be forfeited on the date the executive's employment with the Company terminates or is terminated for any reason. On and after the date of grant and prior to forfeiture of any shares covered by a time-based stock award, the executive will have the right to vote the shares of common stock covered by a time-based stock award and to receive, free of all restrictions, all dividends declared and paid on the Company's common stock, whether or not vested.

Equity Incentives: Performance-Based Stock Awards. In addition, on April 25, 2012, the Compensation Committee approved performance-based stock awards under the Company's 2011 Plan as follows:

Mr. Boekelheide, 27,474 shares;

Mr. Hansen, 25,305 shares;

Mr. Aniszewski, 16,267 shares; and

Mr. Becker, 13,556 shares.

The Compensation Committee approved the fixed dollar amount of each performance-based stock award based on recommendations made by FTI. The fixed dollar amount for each award was \$213,750, \$196,875, \$126,563 and \$105,469 for Mr. Boekelheide, Mr. Hansen, Craig Aniszewski and Mr. Becker, respectively. The number of shares awarded was determined by dividing the fixed dollar amount for each performance-based stock award by \$7.78, the VWAP of our common stock for the ten trading days preceding the grant date. Mr. Eng did not participate in this program. The shares of common stock covered by the performance-based stock awards were granted to the named executive officers on

April 25, 2012. On April 25, 2012, the Company entered into stock award agreements with the named executive officers setting forth the terms and conditions of the performance-based stock awards. The stock award agreements provide for vesting based on the attainment of certain performance goals. Pursuant to each stock award agreement:

one-third of the shares of common stock covered by a performance-based stock award will vest on January 1, 2013 if the Company's total stockholder return ("TSR") for the one-year period commencing January 1, 2012 and ending December 31, 2012 equals or exceeds the return for the SNL U.S. Lodging REIT Index (the "Index") for the comparable period;

one-third of the shares of common stock covered by a performance-based stock award will vest on January 1, 2014 if the Company's TSR for the one-year period commencing January 1, 2013 and ending December 31, 2013 equals or exceeds the return for the Index for the comparable period;

one-third of the shares of common stock covered by a performance-based stock award will vest on January 1, 2015 if the Company's TSR for the one-year period commencing January 1, 2014 and ending December 31, 2014 equals or exceeds the return for the Index for the comparable period;

two-thirds of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on January 1, 2014 if the Company's two-year cumulative TSR for the two-year period commencing January 1, 2012 and ending December 31, 2013 equals or exceeds the total return for the Index for the comparable period;

all of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on January 1, 2015 if the Company's three-year cumulative TSR for the three-year period commencing January 1, 2012 and ending December 31, 2014 equals or exceeds the total return for the Index for the comparable period;

in the event of a Change in Control (as defined in the 2011 Equity Incentive Plan), all of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on the control change date if the Company's TSR (based on the change in control price) for the period that begins on January 1st of the year in which the control change date occurs and ends on the control change date equals or exceeds the total return for the comparable period; and

all of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on the date that the executive's employment is terminated on account of the executive's death, disability, termination without cause or voluntary termination for good reason.

If the total return for the Index and the Company's TSR or Change in Control TSR are both negative for any performance measurement period, the shares of common stock covered by the performance-based stock award and subject to vesting for such performance measurement period will vest if the Company's negative TSR or the Company's negative Change in Control TSR, as applicable, is less than the Index's negative total return.

For purposes of the performance-based stock awards, the Company's TSR will be calculated on the same basis and use the same methodology used by SNL Financial LC to calculate the total return for the Index. No shares of common stock covered by a performance-based stock award will vest unless the Compensation Committee determines that the applicable performance condition has been satisfied.

No shares of common stock covered by a performance-based stock award will vest unless the executive remains in the continuous employ of the Company from the date of grant until the date the shares vest as described above, including termination of the executive's employment with the Company

on account of the executive's death or disability or on account of a termination without cause or a voluntary termination for good reason.

Any shares of common stock covered by a performance-based stock award that have not vested as described above may not be transferred and will be forfeited on the date the executive's employment with the Company terminates or is terminated for any reason. All shares of common stock covered by a performance-based stock award that have not vested on or before January 1, 2015, in accordance with the terms of the stock award agreement, will be forfeited.

For the one-year period commencing January 1, 2012 and ending December 31, 2012, our TSR did not equal or exceed the return for the Index for the comparable period. Accordingly, none of the shares of common stock covered by the performance-based stock awards vested.

On and after the date of grant and prior to forfeiture of any shares of common stock covered by a performance-based stock award, the executive will have the right to vote the shares. However, prior to vesting, any dividends or distributions on the non-vested shares (other than dividends or distributions paid in the form of additional shares of common stock) will be accumulated but will not be paid to the executive during the applicable performance period. Any accumulated and unpaid dividends or other distributions on the shares of common stock covered by a performance-based stock award will be paid to the executive on the date the shares have vested in accordance with the stock award agreement. Any additional shares of common stock distributed as a dividend on the shares of common stock covered by a performance-based stock award will be subject to the same vesting conditions and transferability restrictions as the shares of common stock covered by the performance-based stock award and will be subject to risk of forfeiture.

Elements of 2013 Executive Compensation Program

For the development of the 2013 program, the Compensation Committee retained FTI. FTI provided the Compensation Committee with advisory services only with respect to executive compensation, and worked with management only at the request and under the direction of the Compensation Committee. FTI reviewed the compensation components for the prior year's program and advised the Compensation Committee on the appropriateness of those components. During FTI's 2011 executive compensation review, it was determined that our executives' compensation was generally targeted meaningfully below the 25th percentile of the peer group, and FTI had recommended that the Company increase each executive's compensation to more appropriate peer group levels. At that time, the Compensation Committee determined that it would be prudent to increase compensation amounts for our executives over a multi-year period. Accordingly, our 2013 executive compensation program was further adjusted to reflect more appropriate peer group levels. The Compensation Committee's approval of the 2013 program was based on various factors, including, among others, recommendations made by FTI.

On March 1, 2013, the Compensation Committee approved the elements of the 2013 executive compensation program for the Company's named executive officers. The key elements of the program are discussed below.

2013 Annual Base Salary. For 2013, the base salaries to be paid to the Company's executive officers are as follows:

Mr. Boekelheide will be paid \$400,000 (an increase of approximately 5.3% compared to the prior year);

Mr. Hansen will be paid \$400,000 (an increase of approximately 14.3% compared to the prior year);

Mr. Aniszewski will be paid \$325,000 (an increase of approximately 8.3% compared to the prior year);

Mr. Becker will be paid \$325,000 (an increase of approximately 30% compared to the prior year); and

Mr. Eng will be paid \$165,000 (an increase of approximately 17.9% compared to the prior year).

2013 Incentive Awards. The Compensation Committee approved incentive awards that provide the executive officers an opportunity to earn additional cash compensation based on the achievement of a company-specific performance goal and the executive's achievement of individual-specific performance goals. As more fully described below, incentive awards that are earned will be settled in cash during the first quarter of 2014. On April 18, 2013, the Company entered into incentive award agreements with each of the executive officers, effective as of March 1, 2013, setting forth the terms and conditions of the incentive awards.

Under the incentive award agreements, the executives will be entitled to cash payments based on the extent to which the Company and the executives achieve Company-specific and individual-specific performance objectives. The Compensation Committee will evaluate performance and the incentive award will be earned based on the Company achieving threshold, target and maximum levels of AFFO per share for 2013 and based on the executive officer achieving certain individual-specific performance objectives.

For purposes of the AFFO component, "AFFO" will be calculated as the Company's net income or loss as set forth in the Company's audited consolidated financial statements for the year ended December 31, 2013, excluding gains (or losses) from sales of property, plus depreciation and amortization (including amortization of deferred financing costs and amortization of franchise royalty fees), as further adjusted to exclude hotel transaction and pursuit costs and such other items, including nonrecurring expenses, as the Compensation Committee determines is appropriate and consistent with the purpose and intent of the incentive awards.

The Compensation Committee has determined that the primary component of the overall incentive award for each executive officer in 2013 will be based on corporate performance as measured by the level of AFFO per share generated by the Company during 2013. The executive officers will earn the target payout under the AFFO component if the Company's actual 2013 AFFO per share is at least 100% of the budgeted amount of 2013 AFFO. Threshold performance will be achieved if the Company's actual 2013 AFFO per share is at least 90% of the budgeted amount of 2013 AFFO and maximum performance will be achieved if the Company's actual 2013 AFFO per share is at least 110% of the budgeted amount of 2013 AFFO. If any transactions occur, the impact of the transaction on actual 2013 AFFO per share will be evaluated by the Compensation Committee and, in the Compensation Committee's discretion, an appropriate adjustment may be made to the threshold, target and maximum levels of AFFO per share to give effect to the impact of the transaction. No amount will be paid under the AFFO component if the threshold level of performance is not achieved.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The following table depicts the payout under the AFFO component that each executive may earn, measured as a percentage of the executive's 2013 base salary, and assumes achievement by the Company of the AFFO component at the threshold, target and maximum levels:

Named Executive Officer	Threshold (90% of budgeted AFFO per share)	Target (100% of budgeted AFFO per share)	Maximum (110% of budgeted AFFO per share)
Kerry W. Boekelheide	75% \$ 300,000	125% \$ 500,000	175% \$ 700,000
Daniel P. Hansen	75% \$ 300,000	125% \$ 500,000	175% \$ 700,000
Craig J. Aniszewski	33.33% \$ 108,323	50% \$ 162,500	66.67% \$ 216,678
Stuart J. Becker	50% \$ 162,500	75% \$ 243,750	100% \$ 325,000
Christopher R. Eng	33.33% \$ 54,995	50% \$ 82,500	66.67% \$ 110,006

No additional amounts will be paid under the AFFO component of the incentive award if the Company's actual 2013 AFFO per share is greater than 110% of the budgeted amount.

In addition to the AFFO component, the Compensation Committee believes that individual performance should play a role in the cash compensation payable to each executive officer. Accordingly, the Compensation Committee has determined that each executive officer will have the opportunity to earn a cash payment based on the executive's individual performance during 2013, with the maximum amount of the cash payment that may be earned under the individual performance component of the incentive award to be equal to 25% of each executive's target incentive award under the AFFO component as indicated in the table above. The amount, if any, earned under the individual performance component will be determined by the Compensation Committee, in its sole discretion, based on the Compensation Committee's evaluation and assessment of the Participant's contributions to the Company during 2013. Mr. Eng will not participate in the individual performance component of the 2013 incentive awards.

The Compensation Committee will establish the individual performance metrics for the named executive officers in the second quarter of 2013. In determining whether the individual performance component has been earned, the Compensation Committee will not rely on any one particular objective or formula in determining appropriate short-term incentives, but rather on what the Compensation Committee considers to be value-added quantitative and qualitative goals in furtherance of the Company's compensation principles. No executive officer is guaranteed an award under the individual performance component and, if performance is unsatisfactory, no amounts will be paid under the individual performance component.

Except as discussed below, in order to receive payment under the AFFO component or the individual performance component, an executive officer must be employed by the Company on the date payment is made. The executive officers will be entitled to receive (i) the pro rata amount of the AFFO component, if any, and (ii) the amount, if any, of the individual performance component the Compensation Committee may determine is earned if the executive's employment with the Company terminates or is terminated before December 31, 2013 on account of death or disability or on account of a termination without cause or a voluntary termination for good reason.

In addition, no payment will be made under any component of the incentive award until the Compensation Committee determines the amount that has been earned. Any amount determined by the Compensation Committee to be payable under the incentive award will be paid as soon as practicable after the Compensation Committee's determination of the amount to be paid. The Compensation Committee will make the determination, and the payment, if any, will be made, on or before March 15, 2014. Any amount payable under the incentive awards will be paid in a single cash payment, which will be reduced by applicable income and employment tax withholdings.

2013 Equity Incentives: Time-Based Stock Awards. The Compensation Committee approved time-based stock awards under the Company's 2011 Equity Incentive Plan as follows:

Mr. Boekelheide, 23,997 shares (the number of shares awarded was determined by dividing \$225,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762);

Mr. Hansen, 47,993 shares (the number of shares awarded was determined by dividing \$450,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762);

Mr. Aniszewski, 10,665 shares (the number of shares awarded was determined by dividing \$100,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762);

Mr. Becker, 18,664 shares (the number of shares awarded was determined by dividing \$175,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762); and

Mr. Eng, 5,199 shares (the number of shares awarded was determined by dividing \$48,750 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762).

The shares covered by the time-based stock awards were granted to the executive officers on March 1, 2013. The Company has entered into stock award agreements with the executive officers, effective as of the grant date, setting forth the terms and conditions of the time-based stock awards. The stock award agreements will provide for vesting over a three year period as follows: 25% of the shares covered by award vest on February 28, 2014; 25% of the shares covered by the award vest on February 28, 2015; and 50% of the shares covered by the time-based stock award vest on February 28, 2016.

Except as described below, no shares of common stock covered by a time-based stock award will vest unless the executive remains in the continuous employ of the Company from the date of grant until the applicable vesting date. However, all of the shares of common stock covered by a time-based stock award (if not sooner vested) will vest on a "control change date" (as defined in the 2011 Equity Incentive Plan) if the executive remains in the continuous employ of the Company from the date of grant until the control change date. In addition, all of the shares of common stock covered by a time-based stock award (if not sooner vested), will vest on the date that the executive's employment with the Company ends on account of death or disability or on account of a termination without cause or a voluntary termination for good reason.

Any shares of common stock covered by a time-based stock award that have not vested as described above may not be transferred and will be forfeited on the date the executive's employment with the Company terminates or is terminated for any reason. On and after the date of grant and prior to forfeiture of any shares covered by a time-based stock award, the executive will have the right to vote the shares of common stock covered by a time-based stock award and to receive, free of all restrictions, all dividends declared and paid on the Company's common stock, whether or not vested.

2013 Equity Incentives: Performance-Based Stock Awards. In addition, the Compensation Committee approved performance-based stock awards under the Company's 2011 Plan as follows:

Mr. Boekelheide, 42,660 shares (the number of shares awarded was determined by dividing \$400,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762);

Mr. Hansen, 85,321 shares (the number of shares awarded was determined by dividing \$800,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762);

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

Mr. Aniszewski, 18,664 shares (the number of shares awarded was determined by dividing \$175,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762);

Mr. Becker, 31,995 shares (the number of shares awarded was determined by dividing \$300,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762); and

Mr. Eng, 6,932 shares (the number of shares awarded was determined by dividing \$65,000 (the fixed dollar amount of the award approved by the Compensation Committee) by \$9.3762);

The shares of common stock covered by the performance-based stock awards were granted to the named executive officers on March 1, 2013. The Company has entered into stock award agreements with the executive officers, effective as of the grant date, setting forth the terms and conditions of the performance-based stock awards. The stock award agreements provide for vesting based on the attainment of certain performance goals. Pursuant to each stock award agreement:

one-third of the shares of common stock covered by a performance-based stock award will vest on January 1, 2014 if the Company's TSR for the one-year period commencing January 1, 2013 and ending December 31, 2013 equals or exceeds the return for the Index (as defined above) for the comparable period;

one-third of the shares of common stock covered by a performance-based stock award will vest on January 1, 2015 if the Company's TSR for the one-year period commencing January 1, 2014 and ending December 31, 2014 equals or exceeds the return for the Index for the comparable period;

one-third of the shares of common stock covered by a performance-based stock award will vest on January 1, 2016 if the Company's TSR for the one-year period commencing January 1, 2015 and ending December 31, 2015 equals or exceeds the return for the Index for the comparable period;

two-thirds of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on January 1, 2015 if the Company's two-year cumulative TSR for the two-year period commencing January 1, 2013 and ending December 31, 2015 equals or exceeds the total return for the Index for the comparable period;

all of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on January 1, 2016 if the Company's three-year cumulative TSR for the three-year period commencing January 1, 2013 and ending December 31, 2015 equals or exceeds the total return for the Index for the comparable period;

in the event of a Change in Control (as defined in the 2011 Equity Incentive Plan), all of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on the control change date if the Company's TSR (based on the change in control price) for the period that begins on January 1st of the year in which the control change date occurs and ends on the control change date equals or exceeds the total return for the comparable period; and

all of the shares of common stock covered by a performance-based stock award (reduced by the number of shares that have already vested) will vest on the date that the executive's employment is terminated on account of the executive's death, disability, termination without cause or voluntary termination for good reason.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

If the total return for the Index and the Company's TSR or Change in Control TSR are both negative for any performance measurement period, the shares of common stock covered by the performance-based stock award and subject to vesting for such performance measurement period will vest if the Company's negative TSR or the Company's negative Change in Control TSR, as applicable, is less than the Index's negative total return.

For purposes of the performance-based stock awards, the Company's TSR will be calculated on the same basis and use the same methodology used by SNL Financial LC to calculate the total return for the Index. No shares of common stock covered by a performance-based stock award will vest unless the Compensation Committee determines that the applicable performance condition has been satisfied.

No shares of common stock covered by a performance-based stock award will vest unless the executive remains in the continuous employ of the Company from the date of grant until the date the shares vest as described above, including termination of the executive's employment with the Company on account of the executive's death or disability or on account of a termination without cause or a voluntary termination for good reason.

Any shares of common stock covered by a performance-based stock award that have not vested as described above may not be transferred and will be forfeited on the date the executive's employment with the Company terminates or is terminated for any reason. All shares of common stock covered by a performance-based stock award that have not vested on or before January 1, 2016, in accordance with the terms of the stock award agreement, will be forfeited.

On and after the date of grant and prior to forfeiture of any shares of common stock covered by a performance-based stock award, the executive will have the right to vote the shares. However, prior to vesting, any cash dividends on the non-vested shares will be accumulated but will not be paid to the executive during the applicable performance period. Any accumulated and unpaid cash dividends on the shares of common stock covered by a performance-based stock award will be paid to the executive on the date the shares have vested in accordance with the stock award agreement. Any additional shares of common stock distributed as a dividend on the shares of common stock covered by a performance-based stock award will be subject to the same vesting conditions and transferability restrictions as the shares of common stock covered by the performance-based stock award and will be subject to risk of forfeiture.

We also provide personal paid time off and other paid holidays to all employees, including the named executive officers. We believe that our employee benefit plans are an appropriate element of compensation and are necessary to attract and retain employees. The employment agreements with Mr. Boekelheide, Mr. Hansen and Mr. Aniszewski provide that if the executive loses the supplemental health benefit provided to him by The Summit

Group, we will establish, if permitted by applicable law, a medical reimbursement plan providing the same level of supplemental health benefits. As of the date of this Proxy Statement, no such medical reimbursement plan has been established.

We maintain a retirement savings plan under section 401(k) of the Internal Revenue Code to cover our eligible employees. We currently match 100% of each eligible participant's contributions, within prescribed limits, up to 3% of such participant's tax-deferred contributions and 50% up to 2% of the participant's additional contributions. In addition, we reserve the right to make additional discretionary contributions on behalf of eligible participants. The Company made a \$58,200 discretionary contribution to the retirement savings plan in March 2013 for the benefit of all plan participants, including the named executive officers.

Employment Agreements; Severance Agreements

In order to specify our expectations with regard to our executive officers' duties and responsibilities and to provide greater certainty with regard to the amounts payable to our executive officers in connection with certain terminations or change in control events, the Board has approved and we have entered into employment agreements with each of our executive officers other than Mr. Eng and Mr. Hester. We have entered into severance agreements with Mr. Eng and Mr. Hester. The employment agreements and severance agreements are described in more detail under " Employment Agreements," " Severance Agreements" and " Potential Payments Upon Termination or Change in Control" below.

Tax Deductibility of Executive Compensation

The Compensation Committee considers the anticipated tax treatment to the Company and the executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of compensation payments can depend upon the timing of the executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations, as well as other factors beyond the committee's control, also can affect deductibility of compensation. The Compensation Committee's general policy is to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals. Accordingly, the compensation committee has not adopted a policy that all compensation must be deductible.

Accounting Standards

FASB ASC Topic 718 requires us to recognize an expense for the fair value of equity-based compensation awards. Grants of equity awards under our 2011 Equity Incentive Plan will be accounted for under FASB ASC Topic 718. The Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

Risk Considerations in our Executive Compensation Program

The Compensation Committee has assessed our compensation program for the purpose of reviewing and considering any risks presented by our compensation policies and practices that are likely to have a material adverse effect on us. As part of that assessment, management reviewed the primary elements of our compensation program, including base salary, annual bonus opportunities, equity compensation and severance arrangements. Management's risk assessment included a review of the overall design of each primary element of our compensation program, and an analysis of the various design features, controls and approval rights in place with respect to compensation paid to management

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

and other employees that mitigate potential risks to us that could arise from our compensation program. Following the assessment, management determined that our compensation policies and practices did not create risks that were reasonably likely to have a material adverse effect on us and reported the results of the assessment to the Compensation Committee.

Stock Ownership Guidelines for Executive Officers

We have adopted stock ownership guidelines for our executive officers, including our named executive officers. For more information, please see "Corporate Governance Matters Stock Ownership Guidelines."

Employment Agreements

We entered into employment agreements, effective as of February 14, 2011, with Mr. Boekelheide, Mr. Hansen, Mr. Aniszewski and Mr. Becker. We believe that the terms of these employment agreements provide these executives with day-to-day employment stability and enable them to properly focus their attention on their duties and responsibilities with the company, thereby promoting productivity. The following is a summary of the material terms of the agreements.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The employment agreements have a term of three years. Each employment agreement provides for automatic one-year extensions thereafter, unless either party provides at least three months' notice of non-renewal. The employment agreements require each executive officer to devote substantially all of his business time to our affairs.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The employment agreements provide for:

an annual base salary, which is subject to increase on an annual basis in the discretion of the Board or the Compensation Committee;

eligibility for annual cash performance bonuses based on the satisfaction of performance goals established by the Board or the Compensation Committee;

participation in our 2011 Equity Incentive Plan, as well as other incentive, savings and retirement plans applicable generally to our senior executives; and

medical and other group welfare plan coverage provided to our senior executives.

The employment agreements with Mr. Boekelheide, Mr. Hansen and Mr. Aniszewski provide that if the executive loses the supplemental health benefit provided to him by The Summit Group, we will establish, if permitted by applicable law, a medical reimbursement plan providing the same level of supplemental health benefits.

The employment agreements provide that, in the event the executive's employment with us ends on account of a "termination without cause" or a "voluntary termination for good reason" (each as defined in the applicable employment agreement), the executive will be entitled to the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

all outstanding options, shares of restricted stock and other equity awards will be vested and exercisable as of the termination date and outstanding options, stock appreciation rights and similar equity awards will remain exercisable until their stated expiration date as if the executive's employment had not terminated;

the executive will be paid, in a single lump sum, an amount equal to the product of the "severance multiple" (as defined below), and his then-current base salary;

the executive will be paid, in a single lump sum, an amount equal to the product of the severance multiple, and the greater of the highest annual bonus paid to him for the three fiscal years ended immediately before the termination date and 100% (for Messrs. Boekelheide and Hansen), 75% (for Mr. Aniszewski) and 50% (for Mr. Becker) of his then-current base salary;

the executive will be paid, in a single lump sum, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination;

the executive will be paid, in a single lump sum, an amount equal to the product of the severance multiple and the annual premium or cost paid by us for health, dental and vision insurance coverage for the executive and his eligible dependents in effect on the termination date;

the executive will be paid, in a single lump sum, an amount equal to the product of the severance multiple and the annual premium or cost paid by us for disability and life insurance coverage for the executive in effect on the termination date.

The "severance multiple" is three times for Mr. Boekelheide and Mr. Hansen and one and one-half times for Mr. Aniszewski and Mr. Becker. The severance multiple is two times for Mr. Aniszewski and Mr. Becker in the event the executive's employment with us ends on account of a termination without cause or a voluntary termination for good reason in connection with a change in control.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The employment agreements do not provide an indemnification or gross-up payment for the parachute payment excise tax under Sections 280G and 4999 of the Internal Revenue Code. Instead, the employment agreements provide that the severance and any other payments or benefits that are treated as parachute payments under the Internal Revenue Code will be reduced to the maximum amount that can be paid without an excise tax liability. The parachute payments will not be reduced, however, if the executive will receive greater after-tax benefits by receiving the total or unreduced benefits (after taking into account any excise tax liability payable by the executive).

Each employment agreement also provides that in the event the executive's employment is terminated for any reason other than a termination by us without cause or by the executive for good reason, including upon the executive's death or disability, the executive is entitled to receive a standard termination benefit, which consists of the executive's earned but unpaid compensation up to the termination date and any benefits due under the terms of our employee benefit plans.

The employment agreements also contain standard confidentiality provisions and non-competition provisions.

Severance Agreements

Effective upon completion of our initial public offering in February 2011, we entered into a severance agreement with Mr. Eng, our Vice President, General Counsel and Secretary. We also entered into a severance agreement with Mr. Hester, our Vice President, Chief Accounting Officer and Director of SEC Reporting, in August 2012. The severance agreements with Mr. Eng and Mr. Hester have an initial term of three years (expiring February 14, 2014 and August 13, 2015, respectively) and renew for one-year terms thereafter unless terminated in accordance with their terms.

The severance agreements with Mr. Eng and Mr. Hester provide for payments under the termination scenarios described above under "Employment Agreements." The severance multiple is one times unless Mr. Eng's or Mr. Hester's employment with us ends on account of a termination without cause or a voluntary termination for good reason in connection with a change in control, in which case the severance multiple is two times.

The severance agreements do not provide an indemnification or gross-up payment for the parachute payment excise tax under Sections 280G and 4999 of the Internal Revenue Code. Instead, the severance agreements provide that the severance and any other payments or benefits that are treated as parachute payments under the Internal Revenue Code will be reduced to the maximum amount that can be paid without an excise tax liability. The parachute payments will not be reduced, however, if the executives will receive greater after-tax benefits by receiving the total or unreduced benefits (after taking into account any excise tax liability payable by the executive).

The severance agreements also provide that in the event the executives' employment are terminated for any reason other than a termination by us without cause or by the executives for good reason, including upon the executives' death or disability, the executives are entitled to receive a standard termination benefit, which consists of the executives' earned but unpaid compensation up to the termination date and any benefits due under the terms of our employee benefit plans.

The severance agreements also contain standard confidentiality provisions and non-competition provisions.

Potential Payments Upon Termination or Change in Control

The table below reflects the amount of compensation that each of our named executive officers would be entitled to receive under his existing employment or severance agreement upon termination of such executive's employment in certain circumstances. The amounts shown assume that such termination was effective as of December 31, 2012, and are only estimates of the amounts that would

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

be paid out to such executives upon termination of their employment. The actual amounts to be paid out can only be determined at the time of such executive's separation from the company. In the event of a termination by the Company for cause or by the executive without good reason, including in connection with a change in control, such executive would not be entitled to any of the amounts reflected in the table and would only be entitled to the standard termination benefits provided under their employment agreements.

(1) A termination of the executive officer's employment due to death or disability entitles the executive officer to benefits under our life insurance and disability insurance plans. In addition, outstanding stock options that have not yet vested and outstanding stock awards that have not yet vested immediately vest upon the executive officer's termination of employment due to death or disability.

(2) The amounts shown in this row do not include any accrued salary, earned but unpaid bonuses, accrued but unused vacation pay or the distribution of benefits from any tax-qualified retirement or 401(k) plan. Those amounts are payable to our named executive officers upon any termination of their employment, including a termination with cause and a voluntary termination without good reason.

- (3) The amounts shown in this row are estimates of the cash payments to be made under the applicable employment or severance agreement based on the annual premiums to be paid by us for health care, life and disability insurance and other benefits expected to be provided to each executive officer.
- (4) In the event of a change in control, outstanding stock options that have not yet vested and stock awards that have not yet vested would generally become fully vested regardless of whether the executive's employment is terminated. In accordance with SEC guidance, the value of each option that is accelerated upon the triggering events shown in this table is equal to the spread between the exercise price and the per-share market price of the Company's common stock on December 31, 2012. On that date, the per-share market price of the Company's common stock was less than the exercise price of each option. Accordingly, no amount has been shown in the table for the accelerated vesting of these stock options.
- (5) The employment and severance agreements with our named executive officers do not provide an indemnification or gross-up payment for the parachute payment excise tax under Sections 280G and 4999 of the Code. The employment agreements instead provide that the severance and any other payments or benefits that are treated as parachute payments under the Code will be reduced to the maximum amount that can be paid without an excise tax liability. The parachute payments will not be reduced, however, if the executive will receive greater after-tax benefits by receiving the total or unreduced benefits (after taking into account any excise tax liability payable by the executive). The amounts shown in the table assume that the executive officer will receive the total or unreduced benefits.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement ("CD&A") with management of the Company. Based on the Compensation Committee's review of the CD&A and the Compensation Committee's discussions of the CD&A with management, the Compensation Committee recommended to the Board (and the Board has approved) that the CD&A be included in the Company's Proxy Statement on Schedule 14A prepared in connection with the Annual Meeting.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board, in accordance with the Audit Committee Charter. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited consolidated financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 and discussed with management the quality, not just the acceptability, of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also reviewed and discussed with management the Company's year-end earnings release.

The Audit Committee reviewed with the independent registered public accountants, who are responsible for expressing an opinion on the conformity of the Company's audited consolidated

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent registered public accountants the auditors' independence, the matters required to be discussed by Statement on Auditing Standards No. 61, as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and discussed and received the written disclosures and the letter from the independent registered public accountants required by the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence.

The Audit Committee discussed with the Company's independent registered public accountants the overall scope and plans for their audit. The Audit Committee met four times in 2012 with the independent registered public accountants, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. The Audit Committee held meetings with management prior to the filing of each of the Company's Quarterly Reports on Form 10-Q with the SEC and the release to the public of its quarterly earnings, and reviewed and discussed with management the Company's Quarterly Reports on Form 10-Q and its quarterly earnings releases.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board approved) that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 filed with the SEC.

The Audit Committee is also responsible for monitoring the Company's procedures for compliance with the rules for taxation as a REIT under Sections 856-860 of the Code.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that KPMG LLP ("KPMG"), the Company's independent registered public accounting firm for the year ended December 31, 2012, was in fact "independent."

The Audit Committee has adopted a written charter that outlines certain specified responsibilities of the Audit Committee and complies with the rules of the SEC and the NYSE.

Each of the Audit Committee members is independent as defined by the NYSE listing standards and each member is financially literate. The Board has identified David S. Kay as the "audit committee financial expert" within the meaning of the SEC rules.

**PROPOSAL NO. 2:
RATIFICATION OF APPOINTMENT OF E&Y**

On March 21, 2013, following a competitive process undertaken by the Audit Committee of the Board, the Audit Committee approved the dismissal of KPMG LLP ("KPMG") as the Company's independent registered public accounting firm. KPMG served as the Company's independent registered public accounting firm from June 2010 through March 25, 2013. See " Change in Independent Registered Public Accounting Firm" below.

On March 21, 2013, the Audit Committee of the Board selected the accounting firm of E&Y to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013. Although current laws, rules and regulations, as well as the Audit Committee charter, require the Company's independent registered public accounting firm to be engaged, retained and supervised by the Audit Committee, the Board considers the appointment of the independent registered public accounting firm to be an important matter of stockholder concern and is submitting the appointment of E&Y for ratification by stockholders as a matter of good corporate practice. E&Y has served as the Company's independent registered public accounting firm since March 25, 2013.

A representative of E&Y is expected to be present at the Annual Meeting and will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions. We do not expect a representative of KPMG to be present at the Annual Meeting.

The Board recommends that you vote FOR Proposal No. 2.

Fee Disclosure

The following is a summary of the fees billed to the Company by KPMG, the Company's former independent registered public accounting firm for professional services rendered for the years ended December 31, 2012 and 2011. No fees were paid for the years ended December 31, 2012 and 2011 to E&Y, the Company's current independent registered public accounting firm.

	Year Ended December 31, 2012	Year Ended December 31, 2011
KPMG:		
Audit Fees	\$ 881,950	\$ 772,160
Audit-Related Fees		
Tax Fees	\$ 225,960	
All Other Fees		
 Total	 \$ 1,107,910	 \$ 772,160

Audit Fees

"Audit Fees" consist of fees and expenses billed for professional services rendered for the audit of the financial statements, review of the interim consolidated financial statements, review of registration statements and the preparation of comfort letters and services that are normally provided by accountants in connection with statutory and regulatory filings or engagements.

Audit-Related Fees

"Audit-Related Fees" consist of fees and expenses for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements that are not "Audit Fees."

Tax Fees

"Tax Fees" consist of fees and related expenses billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance and tax planning and structuring.

All Other Fees

"All Other Fees" consist of fees and expenses for products and services that are not "Audit Fees," "Audit-Related Fees" or "Tax Fees."

Pre-Approval Policy

All audit, tax and other services provided to us are reviewed and pre-approved by the Audit Committee. The Audit Committee concluded that the provision of such services by KPMG in 2012 was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. All of the fees paid to KPMG in 2012 and 2011 that are described above were approved by the Board.

The Audit Committee has considered whether, and has determined that, the provision by KPMG of the services described under "Audit-Related Fees," "Tax Fees" and "Other Fees" is compatible with maintaining KPMG's independence from management and the Company.

Change in Independent Registered Public Accounting Firm

The Audit Committee completed a competitive process to review the appointment of the Company's independent registered public accounting firm for the year ending December 31, 2013. As a result of this process on March 21, 2013, the Audit Committee engaged E&Y as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013, and dismissed KPMG from that role.

KPMG's reports on the Company's audited consolidated financial statements as of and for the fiscal year ended December 31, 2012 and for the period from February 14, 2011 (commencement of operations) through December 31, 2011 did not contain any adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal year ended December 31, 2012 and for the period from February 14, 2011 (commencement of operations) through December 31, 2011 and the subsequent interim period through March 21, 2013, there were (i) no disagreements (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between the Company and KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which if not resolved to the satisfaction of KPMG would have caused KPMG to make reference thereto in its reports on the audited consolidated financial statements for such years, and (ii) no "reportable events" (as that term is described in Item 304(a)(1)(v) of Regulation S-K).

The Company provided KPMG with a copy of the disclosures made in a Current Report on Form 8-K (the "Report") prior to the time the Report was filed with the SEC. The Company requested that KPMG furnish a letter addressed to the SEC stating whether or not it agrees with the statements made therein. A copy of KPMG's letter dated March 27, 2013 was attached as Exhibit 16.1 to the Report.

Prior to the Audit Committee's appointment of E&Y on March 21, 2013 to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013, the Company engaged E&Y on February 7, 2013 to audit the combined balance sheets of the TVG Portfolio of Hotels as of December 31, 2012 and 2011, and the related combined statements of operations, owners' deficit in hotels and cash flows for each of the three years ended December 31,

2012. During the fiscal year ended December 31, 2012 and for the period from February 14, 2011 (commencement of operations) through December 31, 2011 and the subsequent interim period through March 21, 2013, the Company has not consulted with E&Y regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the audited consolidated financial statements, and no written report or oral advice was provided to the Company by E&Y that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) or a "reportable event" (as that term is described in Item 304(a)(1)(v) of Regulation S-K).

**PROPOSAL NO. 3:
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the SEC), we are including in this Proxy Statement a separate resolution, subject to stockholder vote, to approve, in a non-binding vote, the compensation of our named executive officers as disclosed in "Compensation Discussion and Analysis," the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

Accordingly, we are asking our stockholders to approve, in a non-binding vote, the following resolution in respect of this Proposal No. 3:

"NOW, THEREFORE, BE IT RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement."

This vote is advisory and therefore not binding on the Company, the Board or the Compensation Committee. The Board and the Compensation Committee value the opinions of the Company's stockholders and expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

The Company's primary objective is to enhance stockholder value over time by generating strong risk-adjusted returns for our stockholders.

As described in more detail under "Compensation Discussion and Analysis," our compensation program for our senior executives is designed to achieve this objective by rewarding performance and encouraging actions that drive success in our business objectives.

The Board recommends that you vote FOR Proposal No. 3.
