Table of Contents

**CONFLICTS OF INTEREST AND FIDUCIARY RESPONSIBILITIES**

**Conflicts of Interest**

Conflicts of interest exist and may arise in the future as a result of the relationships between our Managing Partner and its affiliates, including each party's respective owners, on the one hand, and our partnership and our limited partners, on the other hand. Whenever a potential conflict arises between our Managing Partner or its affiliates, on the one hand, and us or any limited partner, on the other hand, our Managing Partner will resolve that conflict. Our limited partnership agreement contains provisions that reduce and eliminate our Managing Partner's duties, including fiduciary duties, to our unitholders. Our limited partnership agreement also restricts the remedies available to unitholders for actions taken that without those limitations might constitute breaches of duty, including fiduciary duties.

Under our limited partnership agreement, our Managing Partner will not be in breach of its obligations under the limited partnership agreement or its duties to us or our unitholders if the resolution of the conflict is:

approved by the conflicts committee, although our Managing Partner is not obligated to seek such approval;

approved by the vote of a majority of the outstanding common units, excluding any common units owned by our Managing Partner or any of its affiliates, although our Managing Partner is not obligated to seek such approval;

on terms which are, in the aggregate, no less favorable to us than those generally being provided to or available from unrelated third parties; or

fair and reasonable to us, taking into account the totality of the relationships among the parties involved, including other transactions that may be particularly favorable or advantageous to us.

Our Managing Partner may, but is not required to, seek the approval of such resolution from the conflicts committee or our unitholders. If our Managing Partner does not seek approval from the conflicts committee or our unitholders and its board of directors determines that the resolution or course of action taken with respect to the conflict of interest satisfies either of the standards set forth in the third and fourth bullet points above, then it will be presumed that in making its decision the board of directors acted in good faith, and in any proceeding brought by or on behalf of any limited partner or us or any other person bound by our limited partnership agreement, the person bringing or prosecuting such proceeding will have the burden of overcoming such presumption. Unless the resolution of a conflict is specifically provided for in our limited partnership agreement, our Managing Partner or the conflicts committee may consider any factors it determines in its sole discretion to consider when resolving a conflict. Our limited partnership agreement provides that our Managing Partner will be conclusively presumed to be acting in good faith if our Managing Partner subjectively believes that the determination made or not made is in the best interests of the partnership.

**Covered Agreements**

The conflicts committee is responsible for enforcing our rights under certain agreements against KKR Holdings and certain of its subsidiaries and designees, a general partner or limited partner of KKR Holdings, or a person who holds a partnership or equity interest in the foregoing entities. The conflicts committee is also authorized to take any action pursuant to any authority or rights granted to such committee under those agreements or with respect to any amendment, supplement, modification or waiver to those agreements that would purport to modify such authority or rights. In addition, the conflicts committee shall approve any amendment to any of those agreements that in the reasonable judgment of our Managing Partner's board of directors creates or will result in a conflict of interest.

Table of Contents

**Potential Conflicts**

Conflicts of interest could arise in the situations described below, among others.

*Actions taken by our Managing Partner may affect the amount of cash flow from operations to our unitholders.*

The amount of cash flow from operations that is available for distribution to our unitholders is affected by decisions of our Managing Partner regarding such matters as:

the amount and timing of cash expenditures, including those relating to compensation;

the amount and timing of investments and dispositions;

levels of indebtedness;

tax matters;

levels of reserves; and

issuances of additional partnership securities.

In addition, borrowings by our limited partnership and our affiliates from our Managing Partner and its affiliates do not constitute a breach of any duty owed by our Managing Partner to our unitholders. Our partnership agreement provides that we and our subsidiaries may borrow funds from our Managing Partner and its affiliates on terms that are fair and reasonable to us. Under our limited partnership agreement, those borrowings will be deemed to be fair and reasonable if: (i) they are approved in accordance with the terms of the limited partnership agreement; (ii) the terms are no less favorable to us than those generally being provided to or available from unrelated third parties; or (iii) the terms are fair and reasonable to us, taking into account the totality of the relationships between the parties involved, including other transactions that may be or have been particularly favorable or advantageous to us.

*We will reimburse our Managing Partner and its affiliates for expenses.*

We will reimburse our Managing Partner and its affiliates for costs incurred in managing and operating our partnership and our business. For example, we do not elect, appoint or employ any directors, officers or other employees. All of those persons are elected, appointed or employed by our Managing Partner on our behalf. Our limited partnership agreement provides that our Managing Partner will determine the expenses that are allocable to us.

*Our Managing Partner has limited its liability regarding our obligations.*

Our Managing Partner has limited its liability under contractual arrangements so that the other party has recourse only to our assets, and not against our Managing Partner, its assets or its owners. Our limited partnership agreement provides that any action taken by our Managing Partner to limit its liability or our liability is not a breach of our Managing Partner's fiduciary duties, even if we could have obtained more favorable terms without the limitation on liability. The limitation on our Managing Partner's liability does not constitute a waiver of compliance with U.S. federal securities laws that would be void under Section 14 of the Securities Act.

*Our unitholders will have no right to enforce obligations of our Managing Partner and its affiliates under agreements with us.*

Any agreements between us on the one hand, and our Managing Partner and its affiliates on the other, will not grant our unitholders, separate and apart from us, the right to enforce the obligations of our Managing Partner and its affiliates in our favor.

Table of Contents

***Contracts between us, on the one hand, and our Managing Partner and its affiliates, on the other, will not be the result of arm's-length negotiations.***

Our limited partnership agreement allows our Managing Partner to determine in its sole discretion any amounts to pay itself or its affiliates for any services rendered to us. Our Managing Partner may also enter into additional contractual arrangements with any of its affiliates on our behalf. Neither our limited partnership agreement nor any of the other agreements, contracts and arrangements between us on the one hand, and our Managing Partner and its affiliates on the other, are or will be the result of arm's-length negotiations. Our Managing Partner will determine the terms of these transactions so long as such arrangements are fair and reasonable to us as determined under our partnership agreement. Our Managing Partner and its affiliates will have no obligation to permit us to use any facilities or assets of our Managing Partner and its affiliates, except as may be provided in contracts entered into specifically dealing with such use. There will not be any obligation of our Managing Partner and its affiliates to enter into any contracts of this kind.

***Our common units are subject to our Managing Partner's limited call right.***

Our Managing Partner may exercise its right to call and purchase common units as provided in our limited partnership agreement or assign this right to one of its affiliates or to us. Our Managing Partner may use its own discretion, free of fiduciary duty restrictions, in determining whether to exercise this right. As a result, a unitholder may have his common units purchased from him at an undesirable time or price. See "Description of Our Limited Partnership Agreement Limited Call Right."

***We may choose not to retain separate counsel for ourselves or for the holders of common units.***

Attorneys, independent accountants and others who will perform services for us are selected by our Managing Partner or the conflicts committee, and may perform services for our Managing Partner and its affiliates. We may retain separate counsel for ourselves or our unitholders in the event of a conflict of interest between our Managing Partner and its affiliates on the one hand, and us or our unitholders on the other, depending on the nature of the conflict, but are not required to do so.

***Our Managing Partner's affiliates may compete with us.***

Our partnership agreement provides that our Managing Partner will be restricted from engaging in any business activities other than activities incidental to its ownership of interests in us. Except as provided in the non-competition, non-solicitation and confidentiality agreements to which our principals will be subject, affiliates of our Managing Partner, including its owners, are not prohibited from engaging in other businesses or activities, including those that might compete directly with us.

***Certain of our subsidiaries have obligations to investors in our investment funds and may have obligations to other third parties that may conflict with your interests.***

Our subsidiaries that serve as the investment advisors or general partners of our investment funds have fiduciary and contractual obligations to the investors in those funds and some of our subsidiaries, including those subsidiaries that are broker-dealers, may have contractual duties to other third parties. As a result, we expect to regularly take actions with respect to the allocation of investments among our investment funds (including funds that have different fee structures), the purchase or sale of investments in our investment funds, the structuring of investment transactions for those funds, the advice and services we provide or otherwise that comply with these fiduciary and contractual obligations. In addition, our principals have made personal investments in a variety of our investment funds, which may result in conflicts of interest among investors in our funds or our unitholders

Table of Contents

regarding investment decisions for these funds. Some of these actions might at the same time adversely affect our near-term results of operations or cash flow.

*U.S. federal income tax considerations of our principals may conflict with your interests.*

Because our principals will hold a portion of their KKR Group Partnership Units directly or through entities that are not subject to corporate income taxation and we hold our units in one of the KKR Group Partnerships through a subsidiary that is subject to taxation as a corporation in the United States, conflicts may arise between our principals and our partnership relating to the selection and structuring of investments or transactions. Our unitholders will be deemed to expressly acknowledge that our Managing Partner is under no obligation to consider the separate interests of such holders, including among other things the tax consequences to our unitholders, in deciding whether to cause us to take or decline to take any actions.

**Fiduciary Duties**

Our Managing Partner is accountable to us and our unitholders as a fiduciary. Fiduciary duties owed to our unitholders by our Managing Partner are prescribed by law and our limited partnership agreement. The Delaware Limited Partnership Act provides that Delaware limited partnerships may in their partnership agreements expand, restrict or eliminate the duties, including fiduciary duties, otherwise owed by a general partner to limited partners and the partnership.

Our partnership agreement contains various provisions modifying, restricting and eliminating the duties, including fiduciary duties, that might otherwise be owed by our Managing Partner. We have adopted these restrictions to allow our Managing Partner or its affiliates to engage in transactions with us that would otherwise be prohibited by state-law fiduciary duty standards and to take into account the interests of other parties in addition to our interests when resolving conflicts of interest. Without these modifications, our Managing Partner's ability to make decisions involving conflicts of interest would be restricted. These modifications are detrimental to our unitholders because they restrict the remedies available to our unitholders for actions that without those limitations might constitute breaches of duty, including a fiduciary duty, as described below, and they permit our Managing Partner to take into account the interests of third parties in addition to our interests when resolving conflicts of interest.

The following is a summary of the material restrictions on the fiduciary duties owed by our Managing Partner to our unitholders:

|                                    | <b>General</b>  |
|------------------------------------|---|
| State Law Fiduciary Duty Standards | Fiduciary duties are generally considered to include an obligation to act in good faith and with due care and loyalty. In the absence of a provision in a partnership agreement providing otherwise, the duty of care would generally require a general partner to act for the partnership in the same manner as a prudent person would act on his own behalf. In the absence of a provision in a partnership agreement providing otherwise, the duty of loyalty would generally prohibit a general partner of a Delaware limited partnership from taking any action or engaging in any transaction that is not in the best interests of the partnership where a conflict of interest is present. |

Table of Contents

Partnership Agreement  
Modified Standards

**General**

Our limited partnership agreement contains provisions that waive duties of or consent to conduct by our Managing Partner and its affiliates that might otherwise raise issues about compliance with fiduciary duties or applicable law. For example, our limited partnership agreement provides that when our Managing Partner, in its capacity as our Managing Partner, is permitted to or required to make a decision in its "sole discretion" or "discretion" or that it deems "necessary or appropriate" or "necessary or advisable" then our Managing Partner will be entitled to consider only such interests and factors as it desires, including its own interests, and will have no duty or obligation (fiduciary or otherwise) to give any consideration to any factors affecting us or any limited partners, including our unitholders, and will not be subject to any different standards imposed by the limited partnership agreement, the Delaware Limited Partnership Act or under any other law, rule or regulation or in equity. In addition, when our Managing Partner is acting in its individual capacity, as opposed to in its capacity as our Managing Partner, it may act without any fiduciary obligation to us or the unitholders whatsoever. These standards reduce the obligations to which our Managing Partner would otherwise be held.

In addition to the other more specific provisions limiting the obligations of our Managing Partner, our limited partnership agreement further provides that our Managing Partner and its officers and directors will not be liable to us, our limited partners, including our unitholders, or assignees for errors of judgment or for any acts or omissions unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that our Managing Partner or its officers and directors acted in bad faith or engaged in fraud or willful misconduct.

*Special Provisions Regarding Affiliated Transactions*

Our limited partnership agreement generally provides that affiliated transactions and resolutions of conflicts of interest not involving a vote of unitholders and that are not approved by the conflicts committee of the board of directors of our Managing Partner or by our unitholders must be:

on terms no less favorable to us than those generally being provided to or available from unrelated third parties; or

fair and reasonable to us, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to us).

Table of Contents

**General**

If our Managing Partner does not seek approval from the conflicts committee or our unitholders and the board of directors of our Managing Partner determines that the resolution or course of action taken with respect to the conflict of interest satisfies either of the standards set forth in the bullet points above, then it will be presumed that in making its decision, the board of directors acted in good faith, and in any proceeding brought by or on behalf of any limited partner, including our unitholders, or our partnership or any other person bound by our limited partnership agreement, the person bringing or prosecuting such proceeding will have the burden of overcoming such presumption. These standards reduce the obligations to which our Managing Partner would otherwise be held.

Rights and Remedies of  
Unitholders

The Delaware Limited Partnership Act generally provides that a limited partner may institute legal action on behalf of the partnership to recover damages from a third-party where a general partner has refused to institute the action or where an effort to cause a general partner to do so is not likely to succeed. In addition, the statutory or case law of some jurisdictions may permit a limited partner to institute legal action on behalf of himself and all other similarly situated limited partners to recover damages from a general partner for violations of its fiduciary duties to the limited partners. Our limited partnership agreement provides that legal action may only be instituted in Delaware.

By holding our common units, each unitholder will automatically agree to be bound by the provisions in our partnership agreement, including the provisions described above and as described in "Description of Our Limited Partnership Agreement" beginning on page 13 of this prospectus. This is in accordance with the policy of the Delaware Limited Partnership Act favoring the principle of freedom of contract and the enforceability of partnership agreements. The failure of a unitholder to sign our limited partnership agreement does not render our partnership agreement unenforceable against that person.

We have agreed to indemnify our Managing Partner and any of its affiliates and any member, partner, tax matters partner, officer, director, employee, agent, fiduciary or trustee of our partnership, our Managing Partner or any of our affiliates and certain other specified persons, to the fullest extent permitted by law, against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts incurred by our Managing Partner or these other persons. We have agreed to provide this indemnification unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that these persons acted in bad faith or engaged in fraud or willful misconduct. We have also agreed to provide this indemnification for criminal proceedings. Thus, our Managing Partner could be indemnified for its negligent acts if it met the requirements set forth above. To the extent these provisions purport to include indemnification for liabilities arising under the Securities Act, in the opinion of the SEC such indemnification is contrary to public policy and therefore unenforceable. See "Description of Our Limited Partnership Agreement Indemnification" beginning on page 21 of this prospectus.

**DESCRIPTION OF OUR COMMON UNITS**

**Common Units**

Our common units represent limited partner interests in our partnership. Our unitholders are entitled to participate in our distributions and exercise the rights or privileges available to limited partners under our limited partnership agreement. We are dependent upon the KKR Group Partnerships to fund any distributions we may make to our unitholders. For a description of the relative rights and preferences of holders of our common units in and to our distributions, see "Management's Discussion and Analysis of Financial Condition and Results of Operations Liquidity Liquidity Needs Distributions," in our Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC on February 24, 2014 and in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2014 filed with the SEC on May 7, 2014 and incorporated by reference in this prospectus.

Unless our Managing Partner determines otherwise, we issue all our common units in uncertificated form.

**Number of Common Units and Further Issuances**

As of June 2, 2014, we had 415,470,778 common units outstanding. Our limited partnership agreement authorizes us to issue an unlimited number of additional partnership securities and options, rights, warrants and appreciation rights relating to partnership securities for the consideration and on the terms and conditions established by our Managing Partner in its sole discretion without the approval of our unitholders. In accordance with the Delaware Limited Partnership Act and the provisions of our limited partnership agreement, we may also issue additional partner interests that have designations, preferences, rights, powers and duties that are different from, and may be senior to, those applicable to our common units.

**Where Our Common Units Are Traded**

Our outstanding common units are listed on the NYSE under the symbol "KKR."

**Transfer of Common Units**

By acceptance of the transfer of our common units in accordance with our limited partnership agreement, each transferee of our common units will be admitted as a unitholder with respect to the common units transferred when such transfer and admission is reflected in our books and records. Additionally, each transferee of our common units:

will represent that the transferee has the capacity, power and authority to enter into our limited partnership agreement;

will become bound by the terms of, and will be deemed to have agreed to be bound by, our limited partnership agreement;  
and

will give the consents, approvals, acknowledgements and waivers set forth in our partnership agreement.

A transferee will become a substituted limited partner of our partnership for the transferred common units automatically upon the recording of the transfer on our books and records. Our Managing Partner may cause any transfers to be recorded on our books and records no less frequently than quarterly.

Table of Contents

Common units are securities and are transferable according to the laws governing transfers of securities. In addition to other rights acquired upon transfer, the transferor gives the transferee the right to become a substituted limited partner in our partnership for the transferred common units.

Until a common unit has been transferred on our books, we and the transfer agent, notwithstanding any notice to the contrary, may treat the record holder of the common unit as the absolute owner for all purposes, except as otherwise required by law or stock exchange regulations. A beneficial holder's rights are limited solely to those that it has against the record holder as a result of any agreement between the beneficial owner and the record holder.

**Transfer Agent and Registrar**

American Stock Transfer & Trust Company, LLC serves as registrar and transfer agent for our common units.

**DESCRIPTION OF OUR LIMITED PARTNERSHIP AGREEMENT**

*The following is a description of the material terms of our limited partnership agreement and is qualified in its entirety by reference to all of the provisions of our limited partnership agreement, which has been filed as an exhibit to the registration statement of which this prospectus forms a part. Because this description is only a summary of the terms of our limited partnership agreement, it does not contain all of the information that you may find important. For additional information, you should read "Description of Our Common Units" and "Material U.S. Federal Tax Considerations."*

***Our Managing Partner***

Our Managing Partner manages all of our operations and activities. Our Managing Partner is authorized in general to perform all acts that it determines to be necessary or appropriate to carry out our purposes and to conduct our business. Our Managing Partner is wholly owned by our principals and controlled by our founders. Common unitholders have only limited voting rights relating to certain matters and, therefore, will have limited or no ability to influence management's decisions regarding our business.

***Purpose***

Under our limited partnership agreement we are permitted to engage, directly or indirectly, in any business activity that is approved by our Managing Partner and that lawfully may be conducted by a limited partnership organized under Delaware law.

***Power of Attorney***

Each limited partner, and each person who acquires a limited partner interest in accordance with the limited partnership agreement, grants to our Managing Partner and, if appointed, a liquidator, a power of attorney to, among other things, execute and file documents required for our qualification, continuance, dissolution or termination. The power of attorney also grants our Managing Partner the authority to amend, and to make consents and waivers under, the limited partnership agreement and certificate of limited partnership, in each case in accordance with the limited partnership agreement.

***Capital Contributions***

Our unitholders are not obligated to make additional capital contributions, except as described below under " Limited Liability." Our Managing Partner is not obliged to make any capital contributions.

***Limited Liability***

Assuming that a limited partner does not participate in the control of our business within the meaning of the Delaware Limited Partnership Act and that he otherwise acts in conformity with the provisions of the limited partnership agreement, his liability under the Delaware Limited Partnership Act would be limited, subject to possible exceptions, to the amount of capital he is obligated to contribute to us for his common units plus his share of any undistributed profits and assets. If it were determined however that the right, or exercise of the right, by the limited partners as a group:

to approve some amendments to the limited partnership agreement; or

to take other action under the limited partnership agreement, constituted "participation in the control" of our business for the purposes of the Delaware Limited Partnership Act, then our limited partners could be held personally liable for our obligations under the laws of Delaware to the same extent as our Managing Partner. This liability would extend to persons who transact business with us who reasonably believe that the limited partner is a general partner. Neither

our limited partnership agreement nor the Delaware Limited Partnership Act specifically will provide for legal recourse against our Managing Partner if a limited partner were to lose limited liability through any fault of our Managing Partner. While this does not mean that a limited partner could not seek legal recourse, we know of no precedent for this type of a claim in Delaware case law. The limitation on our Managing Partner's liability does not constitute a waiver of compliance with U.S. federal securities laws that would be void under Section 14 of the Securities Act of 1933.

Under the Delaware Limited Partnership Act, a limited partnership may not make a distribution to a partner if, after the distribution, all liabilities of the limited partnership, other than liabilities to partners on account of their partner interests and liabilities for which the recourse of creditors is limited to specific property of the partnership, would exceed the fair value of the assets of the limited partnership. For the purpose of determining the fair value of the assets of a limited partnership, the Delaware Limited Partnership Act provides that the fair value of property subject to liability for which recourse of creditors is limited will be included in the assets of the limited partnership only to the extent that the fair value of that property exceeds the non-recourse liability. The Delaware Limited Partnership Act provides that a limited partner who receives a distribution and knew at the time of the distribution that the distribution was in violation of the Delaware Limited Partnership Act would be liable to the limited partnership for the amount of the distribution for three years. Under the Delaware Limited Partnership Act, a substituted limited partner of a limited partnership is liable for the obligations of his assignor to make contributions to the partnership, except that such person is not obligated for liabilities unknown to him at the time he became a limited partner and that could not be ascertained from the limited partnership agreement.

Moreover, if it were determined that we were conducting business in any state without compliance with the applicable limited partnership statute, or that the right or exercise of the right by the limited partners as a group to approve some amendments to the limited partnership agreement or to take other action under the limited partnership agreement constituted "participation in the control" of our business for purposes of the statutes of any relevant jurisdiction, then the limited partners could be held personally liable for our obligations under the law of that jurisdiction to the same extent as our Managing Partner. We intend to operate in a manner that our Managing Partner considers reasonable and necessary or appropriate to preserve the limited liability of the limited partners.

***Issuance of Additional Securities***

The limited partnership agreement authorizes us to issue an unlimited number of additional partnership securities and options, rights, warrants and appreciation rights relating to partnership securities for the consideration and on the terms and conditions established by our Managing Partner in its sole discretion without the approval of any limited partners.

In accordance with the Delaware Limited Partnership Act and the provisions of the limited partnership agreement, we could also issue additional partner interests that have designations, preferences, rights, powers and duties that are different from, and may be senior to, those applicable to common units.

***Distributions***

Distributions will be made to the partners pro rata according to the percentages of their respective partner interests. See "Management's Discussion and Analysis of Financial Condition and Results of Operations Liquidity Liquidity Needs Distributions," in our Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC on February 24, 2014 and in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2014 filed with the SEC on May 7, 2014 and incorporated by reference in this prospectus.

***Amendment of the Limited Partnership Agreement***

*General*

Amendments to our limited partnership agreement may be proposed only by our Managing Partner. To adopt a proposed amendment, other than the amendments that do not require limited partner approval discussed below, our Managing Partner must seek approval of the holders of a majority of the outstanding voting units (as defined below) in order to approve the amendment or call a meeting of the limited partners to consider and vote upon the proposed amendment. On any matter that may be submitted for a vote of unitholders, the holders of KKR Group Partnership Units hold special voting units in our partnership that provide them with a number of votes that is equal to the aggregate number of KKR Group Partnership Units that they then hold and entitle them to participate in the vote on the same basis as unitholders of our partnership. See " Meetings; Voting." The KKR Group Partnership Units, other than the KKR Group Partnership Units held by us, are owned by KKR Holdings, which is owned by our principals and other persons and controlled by our founders.

*Prohibited Amendments*

No amendment may be made that would:

- (1) enlarge the obligations of any limited partner without its consent, except that any amendment that would have a material adverse effect on the rights or preferences of any class of partner interests in relation to other classes of partner interests may be approved by the holders of at least a majority of the type or class of partner interests so affected; or
- (2) enlarge the obligations of, restrict in any way any action by or rights of, or reduce in any way the amounts distributable, reimbursable or otherwise payable by us to our Managing Partner or any of its affiliates without the consent of our Managing Partner, which may be given or withheld in its sole discretion.

The provision of the limited partnership agreement preventing the amendments having the effects described in clauses (1) or (2) above can be amended upon the approval of the holders of at least 90% of the outstanding voting units.

*No Limited Partner Approval*

Our Managing Partner may generally make amendments to the limited partnership agreement or certificate of limited partnership without the approval of any limited partner to reflect:

- (1) a change in the name of the partnership, the location of the partnership's principal place of business, the partnership's registered agent or its registered office;
- (2) the admission, substitution, withdrawal or removal of partners in accordance with the limited partnership agreement;
- (3) a change that our Managing Partner determines is necessary or appropriate for the partnership to qualify or to continue our qualification as a limited partnership or a partnership in which the limited partners have limited liability under the laws of any state or other jurisdiction or to ensure that the partnership will not be treated as an association taxable as a corporation or otherwise taxed as an entity for U.S. federal income tax purposes;
- (4) an amendment that our Managing Partner determines to be necessary or appropriate to address certain changes in U.S. federal, state and local income tax regulations, legislation or interpretation;
- (5) an amendment that is necessary, in the opinion of our counsel, to prevent the partnership or our Managing Partner or its directors, officers, employees, agents or trustees, from having a

material risk of being in any manner subjected to the provisions of the Investment Company Act, the Investment Advisers Act of 1940, as amended, or "plan asset" regulations adopted under the Employee Retirement Income Security Act of 1974, as amended, whether or not substantially similar to plan asset regulations currently applied or proposed by the U.S. Department of Labor;

- (6) a change in our fiscal year or taxable year and related changes;
- (7) an amendment that our Managing Partner determines in its sole discretion to be necessary or appropriate for the creation, authorization or issuance of any class or series of partnership securities or options, rights, warrants or appreciation rights relating to partnership securities;
- (8) any amendment expressly permitted in the limited partnership agreement to be made by our Managing Partner acting alone;
- (9) an amendment effected, necessitated or contemplated by an agreement of merger, consolidation or other business combination agreement that has been approved under the terms of the limited partnership agreement;
- (10) an amendment effected, necessitated or contemplated by an amendment to the partnership agreement of a KKR Group Partnership that requires unitholders of the KKR Group Partnership to provide a statement, certification or other proof of evidence regarding whether such unitholder is subject to U.S. federal income taxation on the income generated by the KKR Group Partnership;
- (11) any amendment that in the sole discretion of our Managing Partner is necessary or appropriate to reflect and account for the formation by the partnership of, or its investment in, any corporation, partnership, joint venture, limited liability company or other entity, as otherwise permitted by the partnership agreement;
- (12) a merger, conversion or conveyance to another limited liability entity that is newly formed and has no assets, liabilities or operations at the time of the merger, conversion or conveyance other than those it receives by way of the merger, conversion or conveyance;
- (13) any amendment that our Managing Partner determines to be necessary or appropriate to cure any ambiguity, omission, mistake, defect or inconsistency; or
- (14) any other amendments substantially similar to any of the matters described in (1) through (13) above.

In addition, our Managing Partner could make amendments to the limited partnership agreement without the approval of any limited partner if those amendments, in the discretion of our Managing Partner:

- (1) do not adversely affect our limited partners considered as a whole (or adversely affect any particular class of partner interests as compared to another class of partner interests) in any material respect;
- (2) are necessary or appropriate to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, ruling or regulation of any federal, state, local or non-U.S. agency or judicial authority or contained in any federal, state, local or non-U.S. statute (including the Delaware Limited Partnership Act);
- (3) are necessary or appropriate to facilitate the trading of limited partner interests or to comply with any rule, regulation, guideline or requirement of any securities exchange on which the limited partner interests are or will be listed for trading;

Edgar Filing: KKR & Co. L.P. - Form 424B3

- (4) are necessary or appropriate for any action taken by our Managing Partner relating to splits or combinations of units under the provisions of the limited partnership agreement; or
- (5) are required to effect the intent of the provisions of the limited partnership agreement or are otherwise contemplated by the limited partnership agreement.

Table of Contents

*Opinion of Counsel and Limited Partner Approval*

Our Managing Partner will not be required to obtain an opinion of counsel that an amendment will not result in a loss of limited liability to the limited partners if one of the amendments described above under " No Limited Partner Approval" should occur. No other amendments to the limited partnership agreement (other than an amendment pursuant to a merger, sale or other disposition of assets effected in accordance with the provisions described under " Merger, Sale or Other Disposition of Assets" or an amendment described in the following paragraphs) will become effective without the approval of holders of at least 90% of the outstanding voting units, unless we obtain an opinion of counsel to the effect that the amendment will not affect the limited liability under the Delaware Limited Partnership Act of any of the limited partners.

In addition to the above restrictions, any amendment that would have a material adverse effect on the rights or preferences of any type or class of partner interests in relation to other classes of partner interests will also require the approval of the holders of at least a majority of the outstanding partner interests of the class so affected.

In addition, any amendment that reduces the voting percentage required to take any action must be approved by the affirmative vote of limited partners whose aggregate outstanding voting units constitute not less than the voting requirement sought to be reduced.

*Merger, Sale or Other Disposition of Assets*

The limited partnership agreement provides that our Managing Partner may, with the approval of the holders of at least a majority of the outstanding voting units, sell, exchange or otherwise dispose of all or substantially all of our assets in a single transaction or a series of related transactions, including by way of merger, consolidation or other combination, or approve the sale, exchange or other disposition of all or substantially all of the assets of our subsidiaries. Our Managing Partner in its sole discretion may mortgage, pledge, hypothecate or grant a security interest in all or substantially all of our assets (including for the benefit of persons other than us or our subsidiaries) without the prior approval of the holders of our outstanding voting units. Our Managing Partner could also sell all or substantially all of our assets under any forced sale of any or all of our assets pursuant to the foreclosure or other realization upon those encumbrances without the prior approval of the holders of our outstanding voting units.

If conditions specified in the limited partnership agreement are satisfied, our Managing Partner may in its sole discretion convert or merge our partnership or any of its subsidiaries into, or convey some or all of its assets to, a newly formed entity if the sole purpose of that merger or conveyance is to effect a mere change in its legal form into another limited liability entity. The unitholders will not be entitled to dissenters' rights of appraisal under the limited partnership agreement or the Delaware Limited Partnership Act in the event of a merger or consolidation, a sale of substantially all of our assets or any other similar transaction or event.

*Election to be Treated as a Corporation*

If our Managing Partner, in its sole discretion, determines that it is no longer in our interests to continue as a partnership for U.S. federal income tax purposes, our Managing Partner may elect to treat our partnership as an association or as a publicly traded partnership taxable as a corporation for U.S. federal (and applicable state) income tax purposes or may choose to effect such change by merger, conversion or otherwise.

***Dissolution***

The partnership will dissolve upon:

- (1) the election of our Managing Partner to dissolve our partnership, if approved by the holders of a majority of the voting power of the partnership's outstanding voting units;
- (2) there being no limited partners, unless our partnership is continued without dissolution in accordance with the Delaware Limited Partnership Act;
- (3) the entry of a decree of judicial dissolution of our partnership pursuant to the Delaware Limited Partnership Act; or
- (4) the withdrawal of our Managing Partner or any other event that results in its ceasing to be our Managing Partner other than by reason of a transfer of general partner interests or withdrawal of our Managing Partner following approval and admission of a successor, in each case in accordance with the limited partnership agreement.

Upon a dissolution under clause (4), the holders of a majority of the voting power of our outstanding voting units could also elect, within specific time limitations, to continue the partnership's business without dissolution on the same terms and conditions described in the limited partnership agreement by appointing as a successor Managing Partner an individual or entity approved by the holders of a majority of the voting power of the outstanding voting units, subject to the partnership's receipt of an opinion of counsel to the effect that (i) the action would not result in the loss of limited liability of any limited partner and (ii) neither we nor any of our subsidiaries (excluding those formed or existing as corporations) would be treated as an association taxable as a corporation or otherwise be taxable as an entity for U.S. federal income tax purposes upon the exercise of that right to continue.

***Liquidation and Distribution of Proceeds***

Upon our dissolution, our Managing Partner shall act, or select one or more persons to act, as liquidator. Unless we are continued as a limited partnership, the liquidator authorized to wind up our affairs will, acting with all of the powers of our Managing Partner that the liquidator deems necessary or appropriate in its judgment, liquidate our assets and apply the proceeds of the liquidation first, to discharge our liabilities as provided in the limited partnership agreement and by law, and thereafter, to the limited partners pro rata according to the percentages of their respective partner interests as of a record date selected by the liquidator. The liquidator may defer liquidation of our assets for a reasonable period of time or distribute assets to partners in kind if it determines that an immediate sale or distribution of all or some of our assets would be impractical or would cause undue loss to the partners.

***Withdrawal of our Managing Partner***

Except as described below, our Managing Partner will agree not to withdraw voluntarily as our Managing Partner prior to December 31, 2020 without obtaining the approval of the holders of at least a majority of the outstanding voting units, excluding voting units held by our Managing Partner and its affiliates, and furnishing an opinion of counsel regarding tax and limited liability matters. On or after December 31, 2020, our Managing Partner may withdraw as Managing Partner without first obtaining approval of any common unitholder by giving 90 days' advance notice, and that withdrawal will not constitute a violation of the limited partnership agreement. Notwithstanding the foregoing, our Managing Partner could withdraw at any time without unitholder approval upon 90 days' advance notice to the limited partners if at least 50% of the outstanding common units are beneficially owned, owned of record or otherwise controlled by one person and its affiliates other than our Managing Partner and its affiliates.

Table of Contents

Upon the withdrawal of our Managing Partner under any circumstances, the holders of a majority of the voting power of the partnership's outstanding voting units may elect a successor to that withdrawing Managing Partner. If a successor is not elected, or is elected but an opinion of counsel regarding limited liability and tax matters cannot be obtained, the partnership will be dissolved, wound up and liquidated, unless within specific time limitations after that withdrawal, the holders of a majority of the voting power of the partnership's outstanding voting units agree in writing to continue our business and to appoint a successor Managing Partner. See "Dissolution" above.

Our Managing Partner may not be removed or expelled, with or without cause, by unitholders.

In the event of withdrawal of a Managing Partner, the departing Managing Partner will have the option to require the successor Managing Partner to purchase the general partner interest of the departing Managing Partner for a cash payment equal to its fair market value. This fair market value will be determined by agreement between the departing Managing Partner and the successor Managing Partner. If no agreement is reached within 30 days of our Managing Partner's departure, an independent investment banking firm or other independent expert, which, in turn, may rely on other experts, selected by the departing Managing Partner and the successor Managing Partner will determine the fair market value. If the departing Managing Partner and the successor Managing Partner cannot agree upon an expert within 45 days of our Managing Partner's departure, then an expert chosen by agreement of the experts selected by each of them will determine the fair market value.

If the option described above is not exercised by either the departing Managing Partner or the successor Managing Partner, the departing Managing Partner's general partner interest will automatically convert into common units pursuant to a valuation of those interests as determined by an investment banking firm or other independent expert selected in the manner described in the preceding paragraph.

In addition, we will be required to reimburse the departing Managing Partner for all amounts due the departing Managing Partner, including without limitation all employee-related liabilities, including severance liabilities, incurred for the termination of any employees employed by the departing Managing Partner or its affiliates for the partnership's benefit.

***Transfer of General Partner Interests***

Except for transfer by our Managing Partner of all, but not less than all, of its general partner interests in the partnership to an affiliate of our Managing Partner, or to another entity as part of the merger or consolidation of our Managing Partner with or into another entity or the transfer by our Managing Partner of all or substantially all of its assets to another entity, our Managing Partner may not transfer all or any part of its general partner interest in the partnership to another person prior to December 31, 2018 without the approval of the holders of at least a majority of the voting power of the partnership's outstanding voting units, excluding voting units held by our Managing Partner and its affiliates. On or after December 31, 2018, our Managing Partner may transfer all or any part of its general partner interest without first obtaining approval of any unitholder. As a condition of this transfer, the transferee must assume the rights and duties of our Managing Partner to whose interest that transferee has succeeded, agree to be bound by the provisions of the limited partnership agreement and furnish an opinion of counsel regarding limited liability matters. At any time, the members of our Managing Partner may sell or transfer all or part of their limited liability company interests in our Managing Partner without the approval of the unitholders.

**Limited Call Right**

If at any time:

- (i) less than 10% of the then issued and outstanding limited partner interests of any class (other than special voting units), including our limited partnership units, are held by persons other than our Managing Partner and its affiliates; or
- (ii) the partnership is subjected to registration under the provisions of the Investment Company Act, our Managing Partner will have the right, which it may assign in whole or in part to any of its affiliates or to us, to acquire all, but not less than all, of the remaining limited partner interests of the class held by unaffiliated persons as of a record date to be selected by our Managing Partner, on at least ten but not more than 60 days' notice. The purchase price in the event of this purchase is the greater of:
  - (1) the current market price as of the date three days before the date the notice is mailed; and
  - (2) the highest cash price paid by our Managing Partner or any of its affiliates acting in concert with us for any limited partner interests of the class purchased within the 90 days preceding the date on which our Managing Partner first mails notice of its election to purchase those limited partner interests.

As a result of our Managing Partner's right to purchase outstanding limited partner interests, a holder of limited partner interests may have his limited partner interests purchased at an undesirable time or price. The U.S. tax consequences to a unitholder of the exercise of this call right are the same as a sale by that unitholder of his limited partnership units in the market. See "Material U.S. Federal Tax Considerations."

**Sinking Fund; Preemptive Rights**

We will not establish a sinking fund and will not grant any preemptive rights with respect to the partnership's limited partner interests.

**Meetings; Voting**

Except as described below regarding a person or group owning 20% or more of our limited partnership units then outstanding, record holders of limited partnership units or of the special voting units to be issued to holders of KKR Group Partnership Units on the record date will be entitled to notice of, and to vote at, meetings of our limited partners and to act upon matters as to which holders of limited partner interests have the right to vote or to act.

Except as described below regarding a person or group owning 20% or more of our limited partnership units then outstanding, each record holder of a common unit will be entitled to a number of votes equal to the number of limited partnership units held. In addition, we issued special voting units to each holder of KKR Group Partnership Units that provide them with a number of votes that is equal to the aggregate number of KKR Group Partnership Units that they hold and entitle them to participate in the vote on the same basis as unitholders. We refer to our common units and special voting units as "voting units." If the ratio at which KKR Group Partnership Units are exchangeable for our common units changes from one-for-one, the number of votes to which the holders of the special voting units are entitled will be adjusted accordingly. Additional limited partner interests having special voting rights could also be issued. See " Issuance of Additional Securities" above.

In the case of common units held by our Managing Partner on behalf of non-citizen assignees, our Managing Partner will distribute the votes on those units in the same ratios as the votes of partners in respect of other limited partner interests are cast. Our Managing Partner does not anticipate that any

Table of Contents

meeting of unitholders will be called in the foreseeable future. Any action that is required or permitted to be taken by the limited partners may be taken either at a meeting of the limited partners or without a meeting, without a vote and without prior notice if consents in writing describing the action so taken are signed by limited partners owning not less than the minimum percentage of the voting power of the outstanding limited partner interests that would be necessary to authorize or take that action at a meeting. Meetings of the limited partners may be called by our Managing Partner or by limited partners owning at least 50% or more of the voting power of the outstanding limited partner interests of the class for which a meeting is proposed. Unitholders may vote either in person or by proxy at meetings. The holders of a majority of the voting power of the outstanding limited partner interests of the class for which a meeting has been called, represented in person or by proxy, will constitute a quorum unless any action by the limited partners requires approval by holders of a greater percentage of such limited partner interests, in which case the quorum will be the greater percentage.

However, if at any time any person or group (other than our Managing Partner and its affiliates, or a direct or subsequently approved transferee of our Managing Partner or its affiliates) acquires, in the aggregate, beneficial ownership of 20% or more of any class of our units then outstanding, that person or group will lose voting rights on all of its units and the units may not be voted on any matter and will not be considered to be outstanding when sending notices of a meeting of unitholders, calculating required votes, determining the presence of a quorum or for other similar purposes. Our units held in nominee or street name account will be voted by the broker or other nominee in accordance with the instruction of the beneficial owner unless the arrangement between the beneficial owner and his nominee provides otherwise.

***Status as Limited Partner***

By transfer of our units in accordance with our limited partnership agreement, each transferee of units will be admitted as a limited partner with respect to the units transferred when such transfer and admission is reflected in the limited partnership's books and records. Except as described under " Limited Liability" above, in our limited partnership agreement or pursuant to Section 17-804 of the Delaware Limited Partnership Act (which relates to the liability of a limited partner who receives a distribution of assets upon the winding up of a limited partnership and who knew at the time of such distribution that it was in violation of this provision) the units will be fully paid and non-assessable.

***Non-Citizen Assignees; Redemption***

If the partnership is or becomes subject to U.S. federal, state, local, foreign or other laws or regulations that in the determination of our Managing Partner create a substantial risk of cancellation or forfeiture of any property in which the partnership has an interest because of the nationality, citizenship or other related status of any limited partner, we may redeem the common units held by that limited partner at their current market price. To avoid any cancellation or forfeiture, our Managing Partner may require each limited partner to furnish information about his nationality, citizenship or related status. If a limited partner fails to furnish information about his nationality, citizenship or other related status within 30 days after a request for the information or our Managing Partner determines, with the advice of counsel, after receipt of the information that the limited partner is not an eligible citizen, the limited partner may be treated as a non-citizen assignee. A non-citizen assignee does not have the right to direct the voting of his limited partnership units and may not receive distributions in kind upon our partnership's liquidation.

***Indemnification***

Under the limited partnership agreement, in most circumstances we would indemnify the following persons, to the fullest extent permitted by law, from and against all losses, claims, damages, liabilities,

Table of Contents

joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts:

our Managing Partner;

any departing Managing Partner;

any person who is or was an affiliate of a Managing Partner or any departing Managing Partner;

any person who is or was a member, partner, tax matters partner, officer, director, employee, agent, fiduciary or trustee of partnership or its subsidiaries, our Managing Partner or any departing Managing Partner or any affiliate of partnership or its subsidiaries, our Managing Partner or any departing Managing Partner;

any person who is or was serving at the request of a Managing Partner or any departing Managing Partner or any affiliate of a Managing Partner or any departing Managing Partner as an officer, director, employee, member, partner, agent, fiduciary or trustee of another person; or

any person designated by our Managing Partner.

We have agreed to provide this indemnification unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that these persons acted in bad faith or engaged in fraud or willful misconduct. We have also agreed to provide this indemnification for criminal proceedings. Any indemnification under these provisions will only be out of the partnership's assets. Unless it otherwise agrees, our Managing Partner will not be personally liable for, or have any obligation to contribute or loan funds or assets to the partnership to enable the partnership to effectuate indemnification. The indemnification of the persons described above shall be secondary to any indemnification such person is entitled from another person or the relevant KKR fund to the extent applicable. We may purchase insurance against liabilities asserted against and expenses incurred by persons for our activities, regardless of whether the partnership would have the power to indemnify the person against liabilities under the limited partnership agreement.

***Exclusive Delaware Jurisdiction***

The limited partnership agreement provides that each of the limited partners and the Managing Partner and each person holding any beneficial interest in our partnership, to the fullest extent permitted by law, (i) irrevocably agrees that any claims, suits, actions or proceedings arising out of or relating in any way to the limited partnership agreement shall be exclusively brought in the Court of Chancery of the State of Delaware or, if such court does not have subject matter jurisdiction thereof, any other court in the State of Delaware with subject matter jurisdiction; (ii) irrevocably submits to the exclusive jurisdiction of such courts in connection with any such claim, suit, action or proceeding; (iii) irrevocably agrees not to, and waives any right to, assert in any such claim, suit, action or proceeding that (A) it is not personally subject to the jurisdiction of such courts or any other court to which proceedings in such courts may be appealed, (B) such claim, suit, action or proceeding is brought in an inconvenient forum, or (C) the venue of such claim, suit, action or proceeding is improper; (iv) expressly waives any requirement for the posting of a bond by a party bringing such claim, suit, action or proceeding; (v) consents to process being served in any such claim, suit, action or proceeding by mailing, certified mail, return receipt requested, a copy thereof to such party at the address in effect for notices hereunder, and agrees that such service shall constitute good and sufficient service of process and notice thereof; *provided*, that nothing in clause (v) hereof shall affect or limit any right to serve process in any other manner permitted by law; and (vi) irrevocably waives any and all right to trial by jury in any such claim, suit, action or proceeding.

***Books and Reports***

Our Managing Partner is required to keep appropriate books of the partnership's business at its principal offices or any other place designated by our Managing Partner. The books would be maintained for both tax and financial reporting purposes on an accrual basis. For tax and financial reporting purposes, our year ends on December 31.

As soon as reasonably practicable after the end of each fiscal year, we will furnish to each partner tax information (including a Schedule K-1), which describes on a U.S. dollar basis such partner's share of our income, gain, loss and deduction for the preceding taxable year. It may require longer than 90 days after the end of the fiscal year to obtain the requisite information from all lower-tier entities so that Schedule K-1s may be p
