2U, INC.
PROXY STATEMENT
FOR
MEETING OF STOCKHOLDERS
MAY 26, 2015

INTRODUCTION

The annual meeting of stockholders (the "*Meeting*") of 2U, Inc., a Delaware corporation ("*2U*," "*we*," "*us*," "*our*," or the "*Company*"), will be held on May 26, 2015, beginning at 3:30 p.m., local time, at the Park Hyatt Washington, 1201 24th Street, NW, Washington, D.C. 20037. We encourage all of our stockholders to vote, and we hope that the information contained in this document will help you decide how you wish to vote.

The Board of Directors of the Company (the "*Board*") does not intend to bring any matter before the Meeting except as specifically indicated in the notice and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, the shares will be voted "FOR" Proposal One, the election of three (3) Class I directors, nominated by the Board, to serve on the Board until the Company's 2018 annual meeting of stockholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal; and "FOR" Proposal Two, the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2015 fiscal year. Any proxy may be revoked at any time before its exercise by notifying the Corporate Secretary of 2U in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

THE MEETING OF STOCKHOLDERS

Why did I receive these proxy materials?

We are furnishing this proxy statement in connection with the Board's solicitation of proxies to be voted at the Meeting and at any adjournment or postponement of the Meeting. At the Meeting, stockholders will act upon proposals:

To elect three (3) Class I directors, nominated by the Board, to serve on the Board until the Company's 2018 annual meeting of stockholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal;

To ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2015 fiscal year; and

To transact such other business as may properly come before the Meeting or any adjournment thereof.

These proxy solicitation materials are being sent to our stockholders on or about April 16, 2015.

Who is entitled to vote at the Meeting?

The Board has determined that those stockholders who are recorded in our record books as owning shares of the Company's common stock, par value \$0.001 per share, as of the close of business on April 6, 2015, are entitled to receive notice of and to vote at the Meeting. As of the record date,

Table of Contents

there were 41,216,867 shares issued and outstanding. Your shares may be (1) held directly in your name as the stockholder of record and/or (2) held for you as the beneficial owner through a broker, bank or other nominee. Our common stock is our only class of outstanding voting securities.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker on how to vote your shares and are also invited to attend the Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank or nominee, as the stockholder of record, has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. If you do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in "What vote is required to approve each item?" below.

What do I need to attend the Meeting?

Attendance at the Meeting is limited to stockholders. Registration will begin at 2:30 p.m., local time, and each stockholder will be asked to present a valid form of personal identification. Cameras, recording devices and other electronic devices will not be permitted at the Meeting. Additional rules of conduct regarding the Meeting may be provided at the Meeting.

How can I vote my shares in person at the Meeting?

Shares held directly in your name as the stockholder of record may be voted in person at the Meeting.

SHARES HELD BENEFICIALLY IN STREET NAME MAY BE VOTED IN PERSON BY YOU ONLY IF YOU OBTAIN A SIGNED PROXY FROM THE RECORD HOLDER GIVING YOU THE RIGHT TO VOTE THE SHARES.

EVEN IF YOU CURRENTLY PLAN TO ATTEND THE MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

Table of Contents

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee.

Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

BY MAIL You may vote by mail by marking, signing and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If the pre-addressed envelope is missing, please mail your completed proxy card to American Stock Transfer & Trust Company at 121 Moonachie Avenue, Moonachie, NJ 07074.

BY INTERNET OR TELEPHONE If you hold shares through a broker or other nominee in "street name," you may be able to vote by the Internet or telephone as permitted by your broker or nominee. The availability of Internet and telephone voting for beneficial owners will depend on the voting process of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

If you cast your vote in any of the ways set forth above, your shares will be voted in accordance with your voting instructions, unless you validly revoke your proxy. If you are a stockholder of record and you sign and return your proxy card but you do not specify how you want to vote your shares, we will vote them "FOR" Proposal One and Proposal Two. We do not currently anticipate that any other matters will be presented for action at the Meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

If you own shares in "street name" through a broker and you do not provide instructions to your broker on how to vote your shares, your broker has discretion to vote these shares on certain "routine" matters, including the ratification of the appointment of KPMG LLP as our independent registered public accounting firm. However, on non-routine matters such as the election of directors, your broker must receive voting instructions from you because it does not have discretionary voting power for these proposals. So long as the broker has discretion to vote on at least one proposal, these "broker non-votes" are counted toward establishing a quorum. When voted on "routine" matters, broker non-votes are counted toward determining the outcome of that "routine" matter. *Therefore, it is important that you provide voting instructions to your broker, bank or other nominee.*

Can I change my vote after I submit my proxy?

Yes. Even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the Meeting by:

filing with our Corporate Secretary at 8201 Corporate Drive, Suite 900, Landover, Maryland 20785 a signed, original written notice of revocation dated later than the proxy you submitted,

submitting a duly executed proxy bearing a later date, or

attending the Meeting and voting in person.

In order to revoke your proxy, prior to the Meeting, we must receive an original notice of revocation of your proxy at the address above sent by U.S. mail or overnight courier. If you grant a proxy, you are not prevented from attending the Meeting and voting in person. However, your

Table of Contents

attendance at the Meeting will not by itself revoke a proxy that you have previously granted; you must vote in person at the Meeting to revoke your proxy.

If your shares are held in a stock brokerage account or by a bank or other nominee, you may revoke your proxy by following the instructions provided by your broker, bank or nominee.

All shares that have been properly voted and not revoked will be voted at the Meeting.

Is there a list of stockholders entitled to vote at the Meeting?

A complete list of stockholders entitled to vote at the Meeting will be available for examination by the Company's stockholders for any purpose germane to the Meeting, during regular business hours, for a period of ten days prior to the Meeting, at the Company's principal place of business and at the Meeting.

What constitutes a quorum to transact business at the Meeting?

Before any business may be transacted at the Meeting, a quorum must be present. The presence at the Meeting, in person or by proxy, of the holders of a majority in voting power of the shares outstanding and entitled to vote on the record date will constitute a quorum. At the close of business on the record date, 41,216,867 shares were issued and outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of a quorum.

What is the recommendation of the Board of Directors?

Our Board recommends a vote "FOR" the election of three (3) Class I directors, nominated by the Board, to serve on the Board until the Company's 2018 annual meeting of stockholders and until their successors are duly elected and qualified or until their earlier death, resignation or removal and "FOR" the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2015 fiscal year.

What vote is required to approve each item?

Directors named in Proposal One are elected by a plurality of the votes cast at the Meeting, and the director nominees who receive the greatest number of votes at the Meeting (up to the number of directors to be elected) will be elected. You may vote "FOR" or "WITHHELD" with respect to election of directors. Shares will be voted, if authority to do so is not withheld, for election of the Board's nominees named in Proposal One. Only votes "FOR" or "WITHHELD" are counted in determining whether a plurality has been cast in favor of a director. Broker non-votes, if any, will not affect the outcome of the vote on the election of directors.

The affirmative vote of at least a majority in voting power of the shares present, in person or by proxy, at the Meeting and entitled to vote on Proposal Two will be required to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2015 fiscal year. Abstentions will have the same effect as votes "AGAINST" Proposal Two.

The affirmative vote of at least a majority in voting power of the shares present, in person or by proxy, at the Meeting and entitled to vote will be required to approve any stockholder proposal. Under applicable Delaware law, in determining whether any stockholder proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be counted and will have the same effect as a vote against any stockholder proposal.

As noted above, a "broker non-vote" occurs when a broker, bank or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does

Table of Contents

not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your broker, bank or other holder of record is permitted to vote your shares on "routine" matters even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any "non-routine" matter, including the election of directors and any stockholder proposal. Without your voting instructions, a broker non-vote will occur. An "abstention" occurs at the Meeting if your shares are deemed to be present at the Meeting, either because you attend the Meeting or because you have properly completed and returned a proxy, but you do not vote on any proposal or other matter which is required to be voted on by our stockholders at the Meeting, or, when applicable, if you specify that you wish to "abstain" from voting on an item. You should consult your broker if you have questions about this.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting and will publicly disclose results in a Current Report on Form 8-K within four business days after the date of the Meeting.

Who will count the votes?

A representative of American Stock Transfer & Trust Company, our transfer agent, will both tabulate the votes and serve as the inspector of election.

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will request banks, brokers, nominees, custodians and other fiduciaries who hold shares in street name to forward these proxy solicitation materials to the beneficial owners of those shares, and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

How can I access the Company's proxy materials and annual report electronically?

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 as filed with the United States Securities and Exchange Commission ("*SEC*") on February 26, 2015 is being mailed concurrently with this proxy statement to all stockholders entitled to notice of and to vote at the Meeting. A copy of our Annual Report on Form 10-K and these proxy materials are available without charge at <http://investor.2u.com/>. References to our website in this proxy statement are not intended to function as hyperlinks, and the information contained on our website is not intended to be incorporated into this proxy statement. These proxy materials are also available in print to stockholders without charge and upon request, addressed to 2U, Inc., 8201 Corporate Drive, Suite 900, Landover, Maryland 20785, Attention: Corporate Secretary. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

May I propose actions for consideration at next year's annual meeting of stockholders?

Any proposals that our stockholders wish to have included in our proxy statement and form of proxy for the 2016 annual meeting of stockholders must be received by us no earlier than the close of

Table of Contents

business on January 27, 2016 and no later than the close of business on February 26, 2016 and must otherwise comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934 (the "*Exchange Act*"). The Company's amended and restated bylaws (the "*Bylaws*") provide that, in order for a stockholder to propose any matter for consideration at an annual meeting of the Company other than matters set forth in the Notice of Meeting, such stockholder must have delivered timely prior written notice to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting. In the event that the date of the annual meeting is advanced more than twenty-five (25) days prior to or delayed by more than twenty-five (25) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which the public announcement of the date of such meeting is first made. In no event shall an adjournment or a postponement of an annual meeting for which notice has been given, or the public announcement thereof has been made, commence a new time period for the giving of a stockholder's notice as described above.

Such notice must contain certain information about such business and the stockholder who proposes to bring the business before the meeting, including: (A) the name and address of each proponent of the proposal ("*Proponent*"), as it appears on the Company's books; (B) the class, series and number of shares of the Company that are owned beneficially and of record by each Proponent; (C) a description of any agreement, arrangement or understanding (whether oral or in writing) with respect to such nomination or proposal between or among any Proponent and any of its affiliates or associates, and any others (including their names) acting in concert, or otherwise under the agreement, arrangement or understanding, with any of the foregoing; (D) a representation that the Proponents are holders of record or beneficial owners, as the case may be, of shares of the Company entitled to vote at the meeting and intend to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice (with respect to a notice under Section 5(b)(1) of the Bylaws of the Company) or to propose the business that is specified in the notice (with respect to a notice under Section 5(b)(2) of the Bylaws of the Company); (E) a representation as to whether the Proponents intend to deliver a proxy statement and form of proxy to holders of a sufficient number of holders of the Company's voting shares to elect such nominee or nominees (with respect to a notice under Section 5(b)(1) of the Bylaws of the Company) or to carry such proposal (with respect to a notice under Section 5(b)(2) of the Bylaws of the Company); (F) to the extent known by any Proponent, the name and address of any other stockholder supporting the proposal on the date of such stockholder's notice; (G) a description of all Derivative Transactions (as defined in the Bylaws of the Company) by each Proponent during the previous twelve (12) month period, including the date of the transactions and the class, series and number of securities involved in, and the material economic terms of, such Derivative Transactions; (H) a representation and agreement that such Proponent (1) is not and will not become a party to any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Company, will act or vote on any issue or question, (2) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Company with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director of the Company that has not been disclosed to the Company in such representation and agreement and (3) in such person's individual capacity, would be in compliance, if elected as a director of the Company, and will comply with, all applicable publicly disclosed confidentiality, corporate governance, conflict of interest, Regulation FD, code of conduct and ethics, and stock ownership and trading policies and guidelines of the Company; and (I) any other information relating to such person that would be required to be disclosed in a proxy statement or other filings

**PROPOSAL ONE
ELECTION OF DIRECTORS**

There are currently ten members of our Board. Pursuant to the Company's Amended and Restated Certificate of Incorporation, the Board is "classified," which means that it is divided into three classes of directors based on the expiration of their terms. Under the classified board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected, and the terms are "staggered" so that the terms of approximately one-third of the directors expire each year. At the Meeting, our stockholders will elect three directors to hold office until the 2018 annual meeting of stockholders and until their respective successors have been duly elected and qualified or until their earlier death, resignation or removal. Accordingly, this Proposal One seeks the election of three directors, Paul A. Maeder, Robert M. Stavis and Christopher J. Paucek, as Class I directors whose terms would expire in 2018.

Each of the three nominees currently serves as a Class I director of the Company. The Board, upon recommendation of the Nominating and Corporate Governance Committee, has nominated Paul A. Maeder, Robert M. Stavis and Christopher J. Paucek to serve again as Class I directors until the 2018 annual meeting of stockholders and until their respective successors have been duly elected and qualified or until their earlier death, resignation or removal. Each nominee has consented to serve as a director if elected at the Meeting. Should a nominee become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board may nominate. We have no reason to believe that any of the nominees will be unable to serve.

**THE BOARD OF DIRECTORS RECOMMENDS VOTING "FOR" THE ELECTION OF THE
THREE CLASS I DIRECTOR NOMINEES.**

Set forth below is certain information concerning each nominee for election as a director at the Meeting and each director whose current term of office will continue after the Meeting. Each of our directors brings to our Board a wealth of varied experience derived from service as executives, financial experts, subject experts and/or industry leaders. They also all bring extensive board experience. Specific individual qualifications and skills of each of our directors that contribute to the Board's effectiveness as a whole are described in the following paragraphs. For more information on the criteria used in nominating directors, see "Board of Directors and Committees Nomination of Directors" below.

Name	Age	Class and Position
Paul A. Maeder	61	Class I Director and Chairman of the Board
Robert M. Stavis	52	Class I Director
Christopher J. Paucek	44	Class I Director

BOARD OF DIRECTORS AND COMMITTEES

Board Purpose and Structure

The mission of the Board is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is constituted of ten directors. The authorized number of directors may be changed only by resolution approved by a majority of our Board. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board into three classes with staggered three-year terms may delay or prevent a change in our management or a change of control.

The Board has established standing committees in connection with the discharge of its responsibilities. These committees include an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board has adopted written charters for each of these committees.

Board Leadership

Our Board currently has an independent chairman, Mr. Maeder, who has the authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, and to set meeting agendas. Accordingly, the Board chairman has substantial ability to shape the work of the Board. We believe that separation of the positions of Board chairman and chief executive officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, we believe that having an independent Board chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the Company and its stockholders. As a result, we believe that having an independent Board chairman enhances the effectiveness of the Board as a whole.

Risk Oversight

The Board oversees a company-wide approach to risk management that is carried out by management. The Board determines the appropriate risk for us generally, assesses the specific risks faced by us and reviews the steps taken by management to manage those risks. While the Board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas.

Our Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements, and the incentives created by the compensation awards it administers. Our Audit Committee oversees management of enterprise risks and financial risks, as well as potential conflicts of interest. Our Nominating and Corporate Governance Committee is responsible for overseeing the management of risks associated with the independence of our Board.

Director Independence

Our Nominating and Corporate Governance Committee and our Board have undertaken a review of the independence of our current directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Nominating and Corporate Governance Committee and our Board determined that Messrs. Chernis, Haley, Larson, Maeder, Moe,

Table of Contents

Stavis, Lewis, Macias and Ms. Krawcheck, representing nine of our ten current directors, are "independent directors," as defined under applicable NASDAQ rules.

The Nominating and Corporate Governance Committee and the Board apply standards in affirmatively determining whether a director is "independent," in compliance with applicable SEC rules and the rules and listing standards of NASDAQ. As part of the process in making such determination, the Nominating and Corporate Governance Committee and the Board also determined that none of Messrs. Chernis, Haley, Larson, Maeder, Moe, Stavis, Lewis, Macias and Ms. Krawcheck have any other "material relationship" with the Company that could interfere with his or her ability to exercise independent judgment.

The Board includes one management director, Mr. Paucek, who is the Company's Chief Executive Officer. The Nominating and Corporate Governance Committee and the Board has determined that Mr. Paucek is not independent under the rules and listing standards of NASDAQ.

As part of its annual evaluation of director independence, the Nominating and Corporate Governance Committee and the Board examines (among other things) whether any transactions or relationships exist currently (or existed during the past three years) between each independent director and the Company, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the relevant NASDAQ and SEC standards. The Nominating and Corporate Governance Committee and the Board also examine whether there are (or have been within the past year) any transactions or relationships between each independent director and any executive officer of the Company or its affiliates. As a result of this evaluation, the Nominating and Corporate Governance Committee and the Board have affirmatively determined that each independent director is independent under those criteria.

Board Meetings and Attendance

During 2014, including both regularly scheduled and special meetings, our Board met a total of six (6) times, the Audit Committee met a total of five (5) times, the Compensation Committee met a total of three (3) times and the Nominating and Corporate Governance Committee met a total of three (3) times. During 2014, all six (6) of the meetings of the Board were attended by 100% of the Company's directors. Additionally, in 2014, 100% of the members of the Audit Committee attended all of the meetings of such committee and 100% of the members of the Compensation Committee attended all of the meetings of such committee. During one meeting of the Audit Committee, the Audit Committee met privately with the Company's independent registered public accounting firm. Two of the three meetings of the Nominating and Corporate Governance Committee were attended by all three members, while the third meeting of the Nominating and Corporate Governance Committee was attended by two out of three of the Committee's members.

Audit Committee

Our Audit Committee reviews our internal accounting procedures and consults with and reviews the services provided by our independent registered public accountants. Our Audit Committee consists of three directors, Ms. Krawcheck and Mr. Chernis and, through April 1, 2015, Mr. Haley. Effective as of April 1, 2015, Mr. Moe has replaced Mr. Haley as a member of the Audit Committee, upon the recommendation of the Nominating and Corporate Governance Committee and the Board. Ms. Krawcheck is the chair of the Audit Committee and our Board has determined that she is an "audit committee financial expert," as defined by SEC rules and regulations. Our Board has determined that the composition of our Audit Committee meets the criteria for independence under, and the functioning of our Audit Committee complies with, the applicable requirements of the Sarbanes-Oxley Act of 2002, the NASDAQ listing requirements and SEC rules and regulations. The Board has determined that all members of the Audit Committee, including Mr. Moe, are financially

Table of Contents

literate and possess "financial sophistication" within the meaning of the NASDAQ listing requirements. Mr. Haley is a Managing Director of Redpoint Ventures, affiliates of which beneficially own more than 10% of our common stock. Therefore, we may not be able to rely upon the safe harbor position of Rule 10A-3 under the Exchange Act, which provides that a person will not be deemed to be an affiliate of a company if he or she is not the beneficial owner, directly or indirectly, of more than 10% of a class of voting equity securities of that company. However, prior to Mr. Haley's appointment to the Audit Committee, our Board made an affirmative determination that Mr. Haley is not an affiliate of our Company. We intend to continue to evaluate the requirements applicable to us, and we intend to comply with the future requirements to the extent that they become applicable to our Audit Committee. The principal duties and responsibilities of our Audit Committee include:

appointing and retaining an independent registered public accounting firm to serve as independent auditor to audit our consolidated financial statements, overseeing the independent auditor's work and determining the independent auditor's compensation;

approving in advance all audit services and non-audit services to be provided to us by our independent auditor;

establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls, auditing or compliance matters, as well as for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;

reviewing and discussing with management and our independent auditor the results of the annual audit and the independent auditor's review of our quarterly consolidated financial statements; and

conferring with management and our independent auditor about the scope, adequacy and effectiveness of our internal accounting controls, the objectivity of our financial reporting and our accounting policies and practices.

The Audit Committee's charter can be obtained without charge from the Company's website at <http://investor.2u.com/>. As provided under the Audit Committee's charter, the Audit Committee's pre-approval policy and applicable law, the Audit Committee pre-approves all audit, review and attest services, as well as all permitted non-audit services (subject to a *de minimis* exception) to be provided by our independent registered public accounting firm. This pre-approval applies to audit services, audit-related services, tax services and other services. Under this policy, the Audit Committee may provide pre-approval for a particular defined task or scope of work, subject to a specific budget and for up to one year. The Audit Committee may also delegate pre-approval authority to one or more of the Audit Committee's members, and the Audit Committee has delegated to the chair of the Audit Committee the authority to pre-approve services (other than the annual engagement) up to a maximum of \$50,000 per calendar year. The chair of the Audit Committee reports any pre-approval decisions at the next scheduled meeting of the Audit Committee. To avoid potential conflicts of interest, applicable securities laws prohibit the Company as a publicly traded company from obtaining certain non-audit services from its independent audit firm. We obtain these services from other service providers as needed.

Compensation Committee

Our Compensation Committee reviews and determines the compensation of all our executive officers. Our Compensation Committee consists of three directors, Messrs. Larson, Stavis and Maeder, each of whom is a non-employee member of our Board, as defined in Rule 16b-3 under the Exchange Act, and an "outside director," as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended. Mr. Larson is the chair of the Compensation Committee. Our Board has determined that the composition of our Compensation Committee satisfies the applicable independence requirements

Table of Contents

under, and the functioning of our Compensation Committee complies with the applicable requirements of, NASDAQ listing rules and SEC rules and regulations. We intend to continue to evaluate and intend to comply with all future requirements applicable to our Compensation Committee. The principal duties and responsibilities of our Compensation Committee include:

establishing and approving, and making recommendations to the Board regarding, performance goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of those goals and objectives and setting, or recommending to the full Board for approval, the chief executive officer's compensation, including incentive-based and equity-based compensation, based on that evaluation;

setting the compensation of our other executive officers, based in part on recommendations of the chief executive officer;

exercising administrative authority under our stock plans and employee benefit plans;

establishing policies and making recommendations to our Board regarding director compensation;

reviewing and discussing with management the compensation discussion and analysis that we may be required from time to time to include in SEC filings; and

preparing a Compensation Committee report on executive compensation as may be required from time to time to be included in our annual proxy statements or annual reports on Form 10-K filed with the SEC.

The scope of the Compensation Committee's authority and responsibilities is set forth in its written charter, a copy of which is available without charge from the Company's website at <http://investor.2u.com/>. As provided under the Compensation Committee's charter, the Compensation Committee may delegate its authority to special subcommittees as the Compensation Committee deems appropriate, consistent with applicable law and the NASDAQ listing rules. As part of its duties, the Compensation Committee establishes and approves (or refers to the full Board for approval) the compensation and performance of the Company's Chief Executive Officer in light of relevant corporate goals and objectives that are periodically established by the Compensation Committee or the Board. The Chief Executive Officer is not present during the voting and deliberations regarding his compensation. The Compensation Committee also reviews and approves (or refers to the full Board for review and approval) the compensation of the Company's executive officers other than the Chief Executive Officer in light of relevant corporate goals and objectives that are periodically established by the Compensation Committee or the Board. No executive officer is present during the voting and deliberations regarding his or her compensation. Under its charter, the Compensation Committee has the authority to retain, at the Company's expense, such counsel, consultants, experts and other professionals as it deems necessary.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of three directors, Messrs. Haley and Lewis and, through April 1, 2015, Mr. Moe. Effective as of April 1, 2015, Dr. Macias has replaced Mr. Moe as a member of the Nominating and Corporate Governance Committee, upon the recommendation of the Nominating and Corporate Governance Committee and the Board. Mr. Haley is the chair of the Nominating and Corporate Governance Committee. Our Board has determined that the composition of our Nominating and Corporate Governance Committee, including the addition of Dr. Macias, satisfies the applicable independence requirements under, and the functioning of our Nominating and Corporate Governance Committee complies with the applicable requirements of, NASDAQ listing standards and SEC rules and regulations. We will continue to evaluate and will

Table of Contents

comply with all future requirements applicable to our Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee's responsibilities include:

assessing the need for new directors and identifying individuals qualified to become directors;

recommending to the Board the persons to be nominated for election as directors and to each of the Board's committees;

assessing individual director performance, participation and qualifications;

developing and recommending to the Board corporate governance principles;

monitoring the effectiveness of the Board and the quality of the relationship between management and the Board; and

overseeing an annual evaluation of the Board's performance.

The Nominating and Corporate Governance Committee's charter can be obtained without charge from the Company's website at <http://investor.2u.com/>.

Executive Sessions of Non-Management Directors

In order to promote discussion among the non-management directors, regularly scheduled executive sessions (i.e., meetings of non-management directors without management present) are held to review such topics as the non-management directors determine. Mr. Maeder presides as Chairman at our executive sessions. The non-management directors met in executive session six (6) times during 2014.

Nomination of Directors

The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board for Board membership. When formulating its recommendations, the Nominating and Corporate Governance Committee also considers advice and recommendations from others as it deems appropriate. The Nominating and Corporate Governance Committee is responsible for assessing the appropriate balance of criteria required of Board members.

The Nominating and Corporate Governance Committee may apply several criteria in selecting nominees. At a minimum, it considers (a) whether each such nominee has demonstrated, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and (b) the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities. Additional factors which the Nominating and Corporate Governance Committee may consider include a candidate's specific experiences and skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors as it considers appropriate in the context of the needs of the Board. Although the Company has no diversity policy, the Board believes that diversity is an important consideration in Board composition, with diversity being broadly construed to mean a variety of opinions, perspectives, experiences and backgrounds, including gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements of the Board at that point in time.

The Nominating and Corporate Governance Committee considers candidates recommended by stockholders pursuant to the Nominating and Corporate Governance Committee's policy for considering stockholder recommendations of director nominees. The Nominating and Corporate Governance Committee's policy is available free of charge on the Company's website at <http://investor.2u.com/>. Pursuant to the policy, and at its next appropriate meeting following receipt of a recommendation, the Nominating and Corporate Governance Committee will consider all director candidates recommended by the Company's stockholders provided such recommendation is delivered timely and in the proper form, as specified in the policy. All director nominees so submitted by the Company's stockholders will be evaluated in the same manner as recommendations received from management or members of the Board.

Such stockholder's notice shall set forth: (A) as to each nominee such stockholder proposes to nominate at the meeting: (1) the name, age, business address and residence address of such nominee, (2) the principal occupation or employment of such nominee, (3) the class and number of shares of stock of the Company which are owned of record and beneficially by such nominee, (4) the date or dates on which such shares were acquired and the investment intent of such acquisition and (5) such other information concerning such nominee as would be required to be disclosed in a proxy statement soliciting proxies for the election of such nominee as a director in an election contest (even if an election contest is not involved), or that is otherwise required to be disclosed pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to being named as a nominee and to serving as a director if elected); and (B) the information required by Section 5(b)(4) of the Company's Bylaws. The Company may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such proposed nominee.

To be timely, the written notice required by the Bylaws must be received by the Secretary at the principal executive offices of the Company not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; *provided, however*, that, in the event that the date of the annual meeting is advanced more than twenty-five (25) days prior to or delayed by more than twenty-five (25) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. In no event shall an adjournment or a postponement of an annual meeting for which notice has been given, or the public announcement thereof has been made, commence a new time period for the giving of a stockholder's notice, as described above.

Only individuals who are nominated in accordance with the procedures set forth in the Bylaws are eligible to stand for election as directors at a meeting of stockholders and to serve as directors. A copy of the Bylaws can be obtained without charge by written request to the Corporate Secretary, 8201 Corporate Drive, Suite 900, Landover, Maryland 20785 and is available without charge at <http://investor.2u.com/>.

The Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the Board or of the committee to which the envelope is addressed.

To that end, the Board has approved a comprehensive system of corporate governance documents. These documents meet or exceed the requirements established by the NASDAQ listing standards and by SEC rules and are reviewed periodically and updated as necessary to reflect changes in regulatory requirements and evolving oversight practices. **PROPOSAL TWO
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee appointed KPMG LLP, independent registered public accounting firm, to audit the consolidated financial statements of the Company for the 2015 fiscal year ending December 31, 2015. As a matter of good corporate governance, the Company's stockholders will be requested to ratify the Audit Committee's selection at the Meeting. KPMG LLP has audited the Company's consolidated financial statements since 2011.

Although there is no requirement that KPMG LLP's appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of KPMG LLP. The Audit Committee may terminate the appointment of KPMG LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

Amounts paid by us to KPMG LLP for audit and non-audit services rendered in 2013 and 2014 are disclosed on page 39. KPMG LLP has affirmed that they are not aware of any relationships between KPMG LLP and the Company that may reasonably be thought to bear on their independence.

A representative of KPMG LLP is expected to be present at the Meeting. The representative will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate stockholder questions at the Meeting.

The Audit Committee approves the annual audit fee of the Company's independent auditors. The Audit Committee also establishes pre-approved limits for which the Company's management may engage the Company's independent auditors for specific services. Any work which exceeds these pre-approved limits requires the advance approval of the Audit Committee. All fees for fiscal 2014 were pre-approved by the Audit Committee.

**THE BOARD OF DIRECTORS RECOMMENDS VOTING "FOR" THE RATIFICATION OF
THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM.**

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the beneficial ownership of our common stock as of April 6, 2015 by:

each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common stock;

each of our named executive officers;

each of our directors; and

all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of common stock issuable pursuant to the exercise of stock options or warrants that are either immediately exercisable or exercisable on or before June 5, 2015, which is 60 days after April 6, 2015. These shares are deemed to be outstanding and beneficially owned by the person holding those options or warrants for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. For certain stockholders, the percentage ownership assumes the exercise of options. Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws.

Unlike the calculations contained in our financial statements, this calculation does not give effect to any estimate of forfeitures related to service-based vesting, but assumes that the executive will perform the requisite service for the award to vest in full. The assumptions we used in valuing options are described in Note 10 to our audited consolidated financial statements included in our Annual Report on Form 10-K filed on February 26, 2015.

Narrative to Summary Compensation Table

We review compensation annually, or more frequently in certain situations, for all of our employees, including our named executive officers. In determining base salaries, bonus targets and equity incentive awards for our named executive officers, we consider their historical compensation levels, compensation for comparable positions in the market, individual performance as compared to our expectations and objectives, and our desire to drive short- and long-term results that are in the best interests of our stockholders. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives.

Table of Contents

Our Board, excluding our Chief Executive Officer, determines the compensation of our Chief Executive Officer, after considering the recommendation of the Compensation Committee of our Board. The Compensation Committee of our Board has historically determined the compensation of our named executive officers, other than our Chief Executive Officer, after considering the recommendation of our Chief Executive Officer. For 2014, our Compensation Committee engaged a compensation consultant, Compensia, to advise the Compensation Committee in matters relating to the compensation of our executives, with such advice including an assessment of our executive compensation program against comparable public companies.

Base Salaries

Mr. Paucek's base salary is reviewed periodically by our Board and adjustments may be made upon the recommendations of the Compensation Committee. In October 2013, the Compensation Committee of our Board approved an increase in Mr. Paucek's salary to \$350,000, effective as of January 1, 2014. In March 2014, the Compensation Committee of our Board approved an increase in Mr. Paucek's salary to \$400,000, with a retroactive effective date of February 1, 2014.

Base salaries for our named executive officers other than our Chief Executive Officer are typically reviewed annually in connection with their performance reviews and are generally effective as of April 1 of each year. Effective as of February 1, 2014, base salaries for Messrs. Cohen, Rinehart, Kenigsberg and Ms. Graham were \$315,000, \$300,000, 300,000 and 300,000, respectively.

Annual Bonus Plans

We seek to motivate and reward our employees, including our named executive officers, for achievements relative to our corporate goals and expectations for each fiscal year. Historically, our Board, upon the recommendation of the Compensation Committee, has approved an annual bonus plan for certain employees, including our named executive officers. Our annual plans have separate performance targets for each client program and the company, and participant bonus payouts are calculated on various schedules that weight these goals depending on the participant's role. Our named executive officers participate in the schedule referred to as the Matrix Position Bonus Plan.

2014 Bonus Plan

For the 2014 Bonus Plan, Mr. Paucek had a target bonus opportunity of 75%, and each of our other named executive officers had a target bonus opportunity of 60%, of his or her annual salary.

Bonus Targets. Under the 2014 Bonus Plan, the bonus payout for our named executive officers was based on the achievement of two performance measures – revenue and adjusted EBITDA – for our Company overall in 2014. These goals were based on our 2014 corporate budget, as approved by the Board.

Achievement of the expected revenue and adjusted EBITDA targets for the Company would result in earning 100% of each officer's target bonus opportunity. The bonus payout is then adjusted based on two additional factors – personal performance and the extent to which revenue and adjusted EBITDA exceeded the target. For Company performance, an officer's bonus can increase or decrease in 5% increments if the performance measures are above or below the target, on a sliding scale. For personal performance, if an officer's performance is rated as below standard, the amount of bonus otherwise earned could be reduced by up to 50%.

If the financial targets for the Company are exceeded, an officer could receive up to a maximum of 120% of his or her target bonus opportunity. All earned bonuses under the 2014 Bonus Plan were payable in cash to the officer.

Table of Contents

The target bonus opportunity for our named executive officers under the 2014 Bonus Plan is summarized in the table below:

Name	2014 Eligible Base Compensation	Target Bonus Percentage	Target Bonus Payout
Christopher J. Paucek	\$ 391,667	75%	\$ 293,750
Robert L. Cohen	311,169	60%	186,701
Catherine A. Graham	294,724	60%	176,834
Jeff C. Rinehart	298,044	60%	178,826
James Kenigsberg	296,250	60%	177,750

Determination of Bonuses. In March 2015, the Compensation Committee of the Board, acting pursuant to delegated authority, determined that we had achieved the corporate goals at an overall weighted level of 108%, and therefore the payouts under the 2014 Bonus Plan to our named executive officers were as follows:

Name	Bonus Payout
Christopher J. Paucek	\$ 317,250
Robert L. Cohen	201,637
Catherine A. Graham	190,981
Jeff C. Rinehart	193,132
James Kenigsberg	191,970

These bonus amounts for the named executive officers' performance during 2014 are reflected in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table above for 2014.

Stock Option and Restricted Stock Unit Grants

Our 2008 Plan authorized us to make grants to eligible recipients of incentive stock options, non-qualified stock options and restricted stock awards. In February 2014, our stockholders approved our 2014 Plan. Upon the effective date of the 2014 Plan, we ceased using the 2008 Plan to grant new equity awards; however, the 2008 Plan will continue to govern the terms and conditions of outstanding awards granted thereunder. Our 2014 Plan authorizes us to make grants to eligible recipients of incentive stock options, non-qualified stock options, restricted stock awards, restricted stock unit awards, stock appreciation rights, performance stock awards and other forms of stock compensation.

We have a formal policy for granting equity awards, pursuant to which we typically grant equity awards at the start of employment and upon promotion to each executive and certain other employees. Our policy does not address granting additional equity at regular intervals. Our policy for granting equity awards sets per position dollar amounts for each type of award. The exact number of stock options granted to each participant is calculated by dividing the appropriate dollar amount by the Black-Scholes value of an option to purchase a share of our common stock on the grant date. The exact number of restricted stock units granted to each participant is calculated by dividing the appropriate dollar amount by the value of a share of our common stock on the grant date.

Our grant year runs from April 1 to March 31. The Compensation Committee of the Board approves individual equity awards for new hires and promoted employees on a quarterly basis, and the grant dates of each award are typically the first day of the quarter after the Compensation Committee has approved the grants. We typically set the option exercise price at the fair market value of a share of our common stock on the date of grant. Our time-vested stock option grants to our named executive officers typically vest as follows: 25% on the first anniversary of the date of grant or, if earlier, the

Table of Contents

vesting commencement date, and 1/36th per month thereafter, until fully vested at the end of four years. These stock option grants generally have a term of 10 years from the grant date.

In January 2013, our Board awarded options to Messrs. Paucek and Kenigsberg to purchase 500,000 and 50,000 shares, respectively, at an exercise price of \$5.75 per share. In October 2013, our Board approved the grant of options to Mr. Paucek to purchase an aggregate of 350,000 shares at an exercise price of \$8.45 per share. In November 2013 and December 2013, the Board finalized the vesting terms with respect to 175,000 of the shares, and therefore, for accounting purposes, these options have grant dates of November 26, 2013 and December 19, 2013, respectively.

In March 2014, the Compensation Committee of our Board approved the award of options and restricted stock units to each of our named executive officers as set forth in the table below. Each of the options has an exercise price of \$11.00 per share.

Name	Number of Shares Underlying Option Grant	Number of Shares Underlying RSU Grant
Christopher J. Paucek	157,350	82,727
Robert L. Cohen	76,081	40,000
Catherine A. Graham	51,873	27,273
Jeff C. Rinehart	51,873	27,273
James Kenigsberg	51,873	27,273

Each option grant will vest as to 25% of the shares on January 31, 2015, with the remainder vesting in 36 equal monthly installments thereafter. Each restricted stock unit award will vest as to 25% of the underlying shares on each of January 31, 2015, 2016, 2017 and 2018. Vesting of all awards is subject to the officer's continued service with us as of the applicable vesting date.

Other Compensation

We offer a tuition reimbursement benefit for all of our employees. Under this program, we pay 100% of the cost of tuition for eligible employees and their spouses and dependents enrolled in one of our clients' eligible graduate programs. Mr. Paucek is enrolled in our MBA@UNC program, and we paid his tuition costs in the amount of \$11,286 and \$56,122 under this program during 2014 and 2013, respectively.

Other amounts shown in the "All Other Compensation" column in the Summary Compensation Table above relate to Company contributions to the 401(k) plan and premiums we paid for term life insurance policies on behalf of the officer, consistent with those provided to all of our employees.

Employment Arrangements

Please see " Potential Payments Upon Termination of Employment and in Connection with Change of Control Arrangements" for information regarding the severance provisions for Messrs. Paucek and Cohen, who are the only named executive officers who currently have such arrangements.

- (3) The officer elected to forego a portion of his target cash bonus opportunity under the 2012 Matrix Bonus Plan and received this option in lieu of such portion. Each such option vested in June 2013 upon the satisfaction of performance conditions.

Potential Payments Upon Termination of Employment and in Connection with Change of Control Arrangements

We have entered into confidential information, invention assignment, work for hire, non-compete and no solicit/no hire agreements with each of Messrs. Paucek and Cohen, which provide, among other things, that during the six-month period after the executive officer's termination of employment with the company, he may not engage, in any capacity, in the business of developing or administering degree-granting distance learning higher education services without the advance written consent of our Board. In exchange for these agreements not to compete, we have agreed to pay Mr. Paucek or Mr. Cohen, as applicable, an amount equal to six months of the highest salary earned during his employment with us.

Our 2014 Plan provides that in the event of a specified corporate transaction, including without limitation, a consolidation, merger or similar transaction involving our Company, the sale, lease or other disposition of all or substantially all of the assets of our Company or the consolidated assets of our Company and our subsidiaries, or a sale or disposition of at least 50% of the outstanding capital stock of our Company, the administrator will determine how to treat each outstanding stock award.

The award agreements under our plans provide for certain treatment of outstanding options in the event of a change of control. In the event of a change of control in which the outstanding options are not assumed or substituted, the options granted to our executive officers under the 2014 Plan will vest and become exercisable, and the options granted to our executive officers under the 2008 Plan will vest to the extent that such options would have vested within one year following the change of control. Under both plans, any assumed or substituted options will vest and become exercisable if the executive officers are terminated by the successor corporation without cause within one year of the change of control.

401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees are able to defer eligible compensation subject to applicable annual Code limits. Currently, we match one-third of each eligible employee's contributions up to 6% of total eligible compensation. Employees' pre-tax contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participants' directions. Employees are immediately and fully vested in their contributions, and our matching contribution is also immediately and fully vested when

made. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan's related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan.

The following table provides certain information as of December 31, 2014, with respect to our equity compensation plans (after giving effect to shares issued and/or vesting on such date):

- (1) In addition to options, warrants and rights, our 2014 Plan allows awards to be made in the form of shares of restricted stock units or other forms of equity-based compensation. As of December 31, 2014, 992,665 shares of restricted stock units issued under our 2014 Plan were outstanding. Such restricted stock units are not reflected in the table above.
- (2) This number reflects the remaining shares available for future issuance under our 2014 Plan as of December 31, 2014. No shares remain available for future issuance under our 2008 Plan.
- (3) Under the terms of our 2014 Plan, the number of shares of the Company's common stock that may be issued under the 2014 Plan will automatically increase on January 1st of each year, for a period of ten years, from January 1, 2015 continuing through January 1, 2024, by 5% of the total number of shares of the Company's common stock outstanding on December 31st of the preceding calendar year, or a lesser number of shares as may be determined by the Board.

Limitations on Liability and Indemnification

Our Bylaws and amended and restated certificate of incorporation (the "Charter") contain provisions that limit the liability of our current and former directors for monetary damages to the fullest extent permitted by the Delaware General Corporation Law, which provides that directors of a corporation will not be personally liable to us or to our stockholders for monetary damages for any breach of fiduciary duties as a director. However, these provisions do not eliminate or limit the liability of our directors for:

any breach of the director's duty of loyalty to the Company or its stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions, as provided in Section 174 of the Delaware General Corporation Law; or

Table of Contents

any transaction from which the director derived an improper personal benefit.

This limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our Bylaws and Charter provide that we are required to indemnify our directors to the fullest extent permitted by the Delaware General Corporation Law. Our Bylaws and Charter also provide that, upon satisfaction of certain conditions, we are required to advance expenses incurred by a director in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. Our Bylaws and Charter also provide our Board with discretion to indemnify our officers and employees when determined appropriate by the Board. We have entered and expect to continue to enter into agreements to indemnify our directors as determined by the Board. With certain exceptions, these agreements provide for indemnification for related expenses, including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these provisions and indemnification agreements are necessary to attract and retain qualified persons as directors. We also maintain customary directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our Bylaws and Charter may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers, as required by these indemnification provisions. At present, there is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought and we are not aware of any threatened litigation that may result in claims for indemnification.

REVIEW AND APPROVAL OF TRANSACTIONS WITH RELATED PARTIES

All related party transactions are reviewed and, as appropriate, may be approved or ratified by the Audit Committee. If a director is involved in the transaction, he may not participate in any review, approval or ratification of such transaction. Related party transactions are approved by the Audit Committee only if, based on all of the facts and circumstances, they are in, or not inconsistent with, the best interests of the Company and the best interests of our stockholders, as the Audit Committee determines in good faith. The Audit Committee takes into account, among other factors it deems appropriate, whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction.

TRANSACTIONS WITH RELATED PARTIES

The following is a summary of transactions since the beginning of the Company's 2014 fiscal year to which we have been a participant in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors, executive officers or holders of more than five percent of our capital stock, or any members of their immediate family, had or will have a direct or indirect material interest, other than compensation arrangements which are described under "Executive Compensation." For a description of severance arrangements that we have entered into with some of our executive officers, please see "Potential Payments Upon Termination of Employment and in Connection with Change of Control Arrangements."

Indemnification Agreements

Our Charter contains provisions limiting the liability of directors, and our Bylaws provide that we will indemnify each of our directors to the fullest extent permitted under Delaware law. In addition, we have entered into an indemnification agreement with each of our directors and some of our executive officers.

Related Person Transaction Policy

The Company has adopted a related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of our policy only, a related person transaction is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we and any related person are, were or will be participants in which the amount involved exceeds \$120,000. Transactions involving compensation for services provided to us as an employee or director are not covered by this policy. A related person is any executive officer, director or beneficial owner of more than 5% of any class of our voting securities, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, our management must present information regarding the related person transaction to our Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of our Board, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, we collect information that we deem reasonably necessary from each director, executive officer and, to the extent feasible, significant stockholder to enable us to identify any existing or potential related person transactions and to effectuate the terms of the policy. In addition, under our Code of Business Conduct and Ethics, our employees and directors have an affirmative responsibility to disclose any transaction or relationship that reasonably could be expected to give rise to a conflict of interest. In considering related person transactions, our Audit Committee, or other independent body of our Board, will take into account the relevant available facts and circumstances, including, but not limited to:

the risks, costs and benefits to us;

the impact on a director's independence in the event that the related person is a director, immediate family member of a director or an entity with which a director is affiliated;

the availability of other sources for comparable services or products; and

the terms available to or from, as the case may be, unrelated third parties or to or from employees generally.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our stockholders, as our Audit Committee, or other independent body of our Board, determines in the good faith exercise of its discretion.

The Audit Committee of our Board is responsible for the appointment, oversight and evaluation of our independent registered public accounting firm. The Audit Committee has the sole and direct authority to engage, appoint and replace our independent auditors. In addition, the Audit Committee has established in its charter a policy that every engagement of the Company's independent registered public accounting firm to perform audit or permissible non-audit services on behalf of the Company or any of its subsidiaries requires pre-approval from the Audit Committee or its designee before such independent registered public accounting firm is engaged to provide those services. Our independent registered public accounting firm may not be retained to perform the non-audit services specified in Section 10A(g) of the Exchange Act. Pursuant to the Audit Committee Charter, the Audit Committee reviews and, in its sole discretion, approves in advance the Company's independent registered public accounting firm's annual engagement letter, including the proposed fees contained therein, as well as all audit and, as provided in the Sarbanes-Oxley Act of 2002 and the SEC rules and regulations promulgated thereunder, all permitted non-audit engagements and relationships between the Company and such independent registered public accounting firm (which approval should be made after receiving input from the Company's management, if desired).

With respect to the audit for the year ended December 31, 2014, the Audit Committee approved the audit services performed by KPMG LLP, as well as certain categories and types of tax and permitted non-audit services.
