Castle County. The complaint requests, among other things, that the suit be designated a class action in favor of stockholders, that the proposed merger of Chaparral with a subsidiary of Lukoil be enjoined and that in the event the proposed merger is consummated, that the proposed merger be rescinded and set aside or the plaintiff be awarded unspecified rescissory damages. The complaint also requests an unspecified amount for costs, including fees of plaintiff's counsel and experts. Chaparral believes that the lawsuit is without merit and intends to defend vigorously against the action. This summary and description of the Robert J. Feeney complaint is qualified in its entirety by reference to the complaint, which has been filed as Exhibit 99.1 and is incorporated herein by this reference.
