PROXY STATEMENT
DATED OCTOBER 16, 2006

ANNUAL MEETING OF SHAREHOLDERS
FOR THE FISCAL YEAR ENDED MARCH 31, 2006
TO BE HELD ON NOVEMBER 16, 2006

GENERAL

This Proxy Statement is being furnished to the shareholders of Bonso Electronics International Inc. ("Bonso" or the "Corporation") in connection with the solicitation of proxies by the Board of Directors of the Corporation (the "Board of Directors") from the shareholders of the Corporation ("Shareholders") for use at the Annual Meeting of the Shareholders to be held at 11:00 a.m., local time, on November 16, 2006, at the 59 Da Yang Road, Da Yang Synthetical Develop District, Fu Yong, Shenzhen, China, and any adjournments or postponements thereof (the "Meeting"). This Proxy Statement, Notice of Annual

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Meeting of Shareholders, and the accompanying Proxy Card are first being mailed to Shareholders on or about October 16, 2006.

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on October 10, 2006 (the "Record Date"), are entitled to notice of and to vote the shares of Common Stock of the Corporation held by them on such date at the Meeting. As of the Record Date, 5,577,639 shares of Common Stock were outstanding. There was no other class of voting securities outstanding at that date. Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Meeting.

The presence, in person or by proxy, of the holders of one-third of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business. Assuming that a quorum is present, in the election of directors, the five nominees receiving the highest number of affirmative votes will be elected. Accordingly, abstentions and broker "non-votes" will have no effect in determining which nominees have been elected directors. Assuming that a quorum is present, the ratification of the selection of PricewaterhouseCoopers as the Corporation's public accountants for the fiscal year ending March 31, 2007 will require the affirmative vote of a majority of the shares of the Corporation's Common Stock present in person or represented by proxy at the Annual Meeting. As a result, abstentions and broker "non-votes" will have the effect of a vote against the ratification of the selection of PricewaterhouseCoopers.

If the accompanying Proxy Card is properly signed and returned to the Corporation and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card will vote "FOR" each of the five director nominees named in this Proxy Statement and "FOR" the ratification of the selection of PricewaterhouseCoopers as the Corporation's independent public accountants for the fiscal year ending March 31, 2007. Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Corporation prior to the Meeting, or by execution and delivery of a subsequent Proxy or by attendance and voting in person at the Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall be cast pursuant to the authority conferred by such Proxy.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Corporation.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Corporation to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

Management" above and "Compensation Pursuant to Options to Purchase Common Stock" below.) All directors are reimbursed for all reasonable expenses incurred in connection with services as a director.

Provident Fund Plan

With effect from January 1, 1988, Bonso Electronics Limited ("BEL"), our wholly-owned foreign subsidiary, started a Provident Fund Plan (the "Plan") with a major international assurance company to provide life insurance and retirement benefits for its employees. All permanent full time employees who joined BEL before December 2000, excluding factory workers, are eligible to join the Plan.

Members of the Plan are required to contribute 5% of their monthly salary. The contribution by BEL is as follows:

Years of Service -----	% of salary as BEL's contribution -----
Less than 5 years	5.0%
5 to 10 years	7.5%
More than 10 years	10.0%

The Mandatory Provident Fund (the "MPF") was introduced by the Hong Kong Government commencing in December 2000. BEL joined the MPF with a major international assurance company. All permanent full time employees who joined BEL in or after December 2000, excluding factory workers, are eligible to join the MPF. Members' and employers' contributions to the MPF are both at 5% of the members' monthly salaries and are subject to a maximum contribution of HK \$1,000 monthly.

At normal retirement age, death or ill health, the member shall be entitled to receive from the Plan a lump sum equal to the total of the member's and BEL's contributions plus the return on their investment. On resignation prior to normal retirement age, a member shall be entitled to receive from the Plan a lump sum equal to the member's contributions plus a percentage of the employer's balance determined in accordance with a predetermined set scale.

BEL's total contributions to the Plan and the MPF for the years ended March 31, 2004, 2005 and 2006 amounted to \$77,402, \$83,277 and \$95,339, respectively.

Compensation Pursuant to Options to Purchase Common Stock

Employee directors may receive stock options pursuant to the Corporation's 1996 Stock Option Plan. In October 1996, the Board of Directors adopted the 1996 Stock Option Plan which provided for the grant of options to purchase an aggregate of not more than 400,000 shares of the Corporation's Common Stock. In January 2000, the Shareholders approved the proposal of the Board of Directors to increase the aggregate number of shares of Common Stock for which options may be granted under the 1996 Stock Option Plan from 400,000 shares to 900,000 shares. The purpose of the 1996 Stock Option Plan is to make options available to management and employees of the Corporation in order to encourage them to secure or increase on reasonable terms their ownership of Common Stock in the Corporation and to encourage them to remain in the employ of the Corporation.

The 1996 Stock Option Plan is administered by a committee appointed by the Board of Directors which determines the persons to be granted options under the plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

option may be less than fair market value of the underlying shares of Common Stock. No options granted under the plan are transferable by the optionee other than by will or the laws of descent and distribution and each option is exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 1996 Stock Option Plan may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee administering the 1996 Stock Option Plan.

On March 23, 2004, our stockholders adopted the 2004 Stock Option Plan (the "2004 Plan") which provides for the grant of up to 600,000 shares of the Corporation's Common Stock in the form of stock options, subject to certain adjustments as described in the 2004 Plan.

The purpose of the 2004 Plan is to induce key employees to remain in the employ of the Corporation and to encourage such employees to secure or increase on reasonable terms their Common Stock ownership in the Corporation. The Corporation believes that the Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The 2004 Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of whom shall be a non-employee of the Corporation. The committee members currently are Anthony So and Woo Ping Fok. The committee determines the specific terms of the options granted, including the employees to be granted options under the 2004 Plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of Common Stock. No options granted under the 2004 Plan are transferable by the optionee other than by will or the laws of descent and distribution and each option is exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 2004 Stock Option Plan may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee administering the 2004 Plan.

As of September 8, 2006, no stock options have been granted under the 2004 Plan.

On September 7, 2004, our stockholders adopted the 2004 Stock Bonus Plan (the "Stock Bonus Plan") which authorizes the issuance of up to 500,000 shares of the Corporation's Common Stock in the form of stock bonuses.

The purpose of the Stock Bonus Plan is to: (i) induce key employees to remain in the employ of the Corporation, or of any subsidiary of the Corporation; (ii) increase the stock ownership of key employees; and (iii) reward employees, non-employee directors, advisors and consultants for services rendered or to be rendered to or for the benefit of the Corporation, or any of its subsidiaries. The Corporation believes that Stock Bonus Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation

The Stock Bonus Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

the Board, one of whom shall be a non-employee of the Corporation. The initial committee members are Anthony So and Woo Ping Fok. The committee has the authority, in its sole discretion: (i) to determine the parties to receive bonus stock, the times when they shall receive such awards, the number of shares to be issued, and the time, terms and conditions of the issuance of any such shares; (ii) to construe and interpret the terms of the Stock Bonus Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Stock Bonus Plan; and (iv) to make all other determinations necessary or advisable for administering the Stock Bonus Plan.

As of September 8, 2006, no stock bonuses have been granted under the Stock Bonus Plan

CERTAIN TRANSACTIONS

Over the years, the Corporation has provided to and received cash advances from its officers and directors. In October 1994, the Board of Directors adopted a policy prohibiting the Corporation from making any loan or advance of money or property, or guaranteeing the obligation of any directors of the Corporation, and limiting the Corporation's ability to make such loans, advances or guarantees to officers of the Corporation or its subsidiaries unless a majority of independent, disinterested outside directors determine that such loan, advance or guarantee may reasonably be expected to benefit the Corporation. Further, all future material affiliated transactions, loans and loan guarantees, if any, will be made on terms that are no less favorable to the Corporation than those that are generally available from unaffiliated third parties. The Corporation has neither provided nor received any cash advances to its officers or directors since this policy was adopted.

It is common practice in Hong Kong/PRC, the location of the Corporation's principal executive offices, to provide a housing allowance or living accommodations for senior executives as part of their compensation. One of the Corporation's properties in Hong Kong is provided to Mr. So as part of his compensation. The Corporation also provides Mr. Chung with a housing allowance.

During the fiscal year ended March 31, 2006 we paid Schlueter & Associates, P.C. an aggregate of \$23,519 for legal fees and expenses. Mr. Henry F. Schlueter, a director, is the Managing Director of Schlueter & Associates, P.C.

PROPOSAL 1

ELECTION OF FIVE (5) PERSONS TO SERVE AS DIRECTORS OF THE CORPORATION

The Corporation's directors are elected annually to serve until the next annual meeting of shareholders and thereafter until their successors shall have been elected and qualified. The number of directors presently authorized by the Articles of Association of the Corporation shall be not less than one (1) nor more than seven (7).

Unless otherwise directed by Shareholders, the proxy holders named in the accompanying Proxy will vote all shares represented by Proxies held by them for the election of the following nominees, all of whom are now members and constitute the Corporation's Board of Directors. The Corporation is advised that all nominees have indicated their availability and willingness to serve if elected. In the event that any nominee becomes unavailable or unable to serve as a director of the Corporation prior to the voting, the proxy holder will vote for a substitute nominee in the exercise of his best judgment.
