Item 8.01 Other Events.

On March 29, 2011, we announced the principal amounts of certain of our outstanding senior notes that have been tendered as of the early tender date under the previously announced cash tender offers for such notes. We also announced that we had accepted for purchase certain of these tendered notes. A copy of the press release is attached as Exhibit 99.A. Additionally, our wholly owned subsidiary, El Paso Tennessee Pipeline Co. (“EPTP”), announced the principal amounts of certain of its outstanding debentures that have been tendered as of the early tender date under the previously announced cash tender offers for such debentures, and that EPTP had accepted for purchase certain of these debentures. EPTP also announced the results of concurrent consent solicitations for proposed amendments to the indenture under which the related debentures were issued in order to eliminate certain restrictive covenants as well as certain events of default. A copy of this press release is attached as Exhibit 99.B.

Nothing in this report should be construed as an offer to purchase our outstanding notes, as such offer is only being made upon the terms and is subject to the conditions set forth in the Company’s Offer to Purchase dated March 17, 2011, and the related Letter of Transmittal, or an offer to purchase EPTP’s debentures, as such offer is only being made upon the terms and is subject to the conditions set forth in EPTP’s Offer to Purchase and Solicitation of Consents, dated March 17, 2011, and the related Letter of Transmittal and Consent.
