**Item 7.01 Regulation FD Disclosure**

Angelica Corporation (the "Company") has furnished with this Form 8-K a slide presentation that it intends to use from time to time in conferences and discussions with securities analysts, stockholders and others interested in the Company. In light of the fact that the Company has recently announced its intent to sell or close its Edison, New Jersey service center and consolidate from nine markets into eight markets, certain of the slides in the attached presentation present historical financial and operating results and statistics for the first half of 2007 and 2006 that reflect both the historical results as previously reported under United States generally accepted accounting principles as well as those results eliminating the revenues and expenses attributable to the Edison, New Jersey facility. The slide presentation is furnished on Exhibit 99.1 and is hereby incorporated by reference into this Item 7.01.

The information contained in this Item 7.01, including the information set forth in Exhibit 99.1 which is incorporated herein by reference, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, unless the Company specifically incorporates the information by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.
