Item 2.02 Results of Operations and Financial Condition.

Zions Bancorporation expects to report fully diluted earnings per common share for the quarter ended December 31, 2006 of approximately \$1.31-\$1.33. Earnings are expected to be unfavorably impacted principally by the following three items:

- We expect to incur a loss on an equipment lease related to an alleged accounting fraud at a water bottling company; our National Bank of Arizona affiliate had a \$17.1 million participation in this lease. We expect to record a loss of approximately \$10.9 million during the quarter and to record "Other Assets" of approximately \$6.2 million (the estimated value of equipment) related to this lease. The after-tax impact of provision related to this loss is expected to be approximately \$.06 per share. Zions' net loan losses and provisions apart from this fraud-related loss are expected to be approximately equal to the third quarter amounts.
- As previously disclosed, Zions expects to incur pre-tax expense in the fourth quarter of 2006 of approximately \$7.3 million or \$.04 per share due to the call premium on the early redemption of \$176.3 million of 8.536% trust preferred stock issued by Zions Institutional Capital Trust A. Calling this issue is expected to reduce pre-tax interest expense by approximately \$14.5 million annually.
- Zions Bancorporation declared a preferred stock dividend of \$3.8 million in December 2006 for the quarterly dividend to be paid on March 15, 2007. Under the terms of the Zions Series A Preferred Stock, this dividend had to be declared and funds set aside to pay the dividend before Zions could begin repurchasing common shares under the \$400 million repurchase authorization announced on December 11, 2006. By declaring this dividend in advance late in the fourth quarter, we reduced earnings available to common stock in the quarter by the full amount of a quarter's dividend, approximately \$.04 per share.

Fundamental earnings drivers related to growth, net interest margin and credit quality during the quarter are expected to be in line with previous guidance.

As previously announced we expect to report fourth quarter 2006 earnings results after the NASDAQ market close on Tuesday, January 23, 2007. A conference call discussing the quarterly results will be held at 5:30 pm. ET on the same day. Media representatives, analysts and the public are invited to listen to the conference call by dialing 1-866-700-7477 and entering the passcode 34521752. Live audio of the call will be simultaneously broadcast over the Internet and may be accessed on the company's Web site at www.zionsbancorporation.com. The webcast will be archived and available for 30 days. In addition, a conference call replay will be available from approximately 7:30 p.m. ET on January 23 until midnight on January 30. The replay may be accessed by dialing 1-888-286-8010 and entering the passcode 50495881.
