ANNUAL MEETING OF STOCKHOLDERS

July 24, 2002

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

PROXY STATEMENT

This proxy statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors of Danielson Holding Corporation, a Delaware corporation (the "Company" or "DHC"), to be voted at the annual meeting of stockholders of the Company to be held on Wednesday, July 24, 2002, at 1701 East Market Street, Jeffersonville, Indiana 47130, at 9:00 a.m. local time, and any postponement or adjournment thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders and described therein. This Proxy Statement and the enclosed form of proxy are first being sent to stockholders commencing on Monday, June 24, 2002.

The expenses of soliciting proxies for the Annual Meeting are to be paid by the Company. Solicitation of proxies may be made by means of personal calls upon, or telephonic or electronic communications with, stockholders or their personal representatives by Directors, officers, and employees of the Company who will not be compensated for such services. Although there is no formal agreement to do so, the Company may reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding this Proxy Statement to stockholders whose Common Stock is held of record by such entities.

VOTING RIGHTS AND SOLICITATION OF PROXIES

Record Date and Share Ownership

The Board of Directors of the Company has fixed the close of business on June 14, 2002 as the record date for the determination of the stockholders entitled to receive notice of, and to vote at, the Annual Meeting (the "Record Date"). The only outstanding class of stock of the Company is its Common Stock, par value \$0.10 per share ("Common Stock"). On the Record Date, there were 30,803,317 shares of Common Stock issued and outstanding.

Voting and Quorum

Each share of Common Stock will be entitled to one vote at the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total number of shares of Common Stock outstanding on the Record Date will constitute a quorum for the transaction of business by such holders at the Annual Meeting. Where a quorum is present, (i) the vote of the holders of a majority of shares of Common Stock voting will decide the election of Directors, and the nine nominees for Director receiving the highest number of votes (i.e., a plurality) will be elected as Directors, (ii) the vote of the holders of a majority of shares of Common Stock voting will decide the ratification of the appointment of KPMG LLP as the independent certified public accountants for the Company for 2002, and (iii) the vote of the holders of a majority of shares of Common Stock voting will decide the amendment of the 1995 Stock and Incentive Plan and ratification of the granting of certain options pursuant to that amendment. If any votes are withheld, such withheld votes will be excluded entirely from the vote and will have no effect. Abstentions will have no effect on the election of Directors but, for purposes of determining whether a proposal has received a majority vote, abstentions will be included in the vote totals with the result that an abstention will have the same effect as a negative vote. In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy (so-called "broker non-votes"), those shares of Common Stock will not be included in the vote totals and, therefore, will have no effect on the vote.

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

Proxies and Revocation of Proxies

Proxies in the enclosed form are solicited by the Board of Directors of the Company in order to provide each stockholder an opportunity to vote on all matters scheduled to come before the Annual Meeting, whether or not the stockholder attends in person. All proxies received pursuant to this solicitation will be voted except as to matters where authority to vote is specifically withheld or the holder has elected to abstain and, where a choice is specified as to a proposal, they will be voted in accordance with such specification. In the absence of specific directions, properly executed proxies will be voted "FOR" (i) the nominees for election as Directors of the Company listed below; (ii) confirmation of the appointment of KPMG LLP as the Company's independent certified public accountants for the current fiscal year; and (iii) approval and ratification of an amendment to the 1995 Stock and Incentive Plan and ratification of the granting of certain options pursuant to the amendment. Any stockholder giving a proxy has the power to revoke the proxy prior to its exercise. A proxy may be revoked (a) by delivering to the Secretary of the Company at or prior to the Annual Meeting an instrument of revocation or a duly executed proxy bearing a date or time later than the date or time of the proxy being revoked or (b) at the Annual Meeting if the stockholder is present and elects to vote in person. Mere attendance at the Annual Meeting will not serve to revoke a proxy.

Other Proposals

The Board does not know of any matter other than the foregoing that is expected to be presented for consideration at the Annual Meeting. However, if other matters properly come before the Annual Meeting, the persons named in the accompanying proxy intend to vote on those matters in accordance with their judgment.

Acquisition

On May 29, 2002, the Company and American Commercial Lines LLC ("ACL") completed the transactions described in the previously announced acquisition and recapitalization of ACL. ACL is an integrated marine transportation and service company operating approximately 5,100 barges and 200 towboats on the inland waterways of North and South America. ACL transports more than 70 million tons of freight annually. Additionally, ACL operates marine construction, repair and service facilities and river terminals.

Under the terms of the recapitalization agreement, the Company acquired 100% of the membership interests of American Commercial Lines Holdings LLC, ACL's parent holding company. ACL's previous indirect preferred equity holders (that are not members of ACL management) received \$7.0 million in cash. ACL's management received approximately \$1.7 million of restricted Common Stock of the Company. The Company also agreed pursuant to the recapitalization agreement to seek shareholder approval for the amendment of the 1995 Stock and Incentive Plan to provide for approximately an additional 1.9 million options on shares to be available for grants to ACL's current and future management. This amendment is discussed in further detail below in Proposal 3.

The transactions resulted in a reduction of ACL's senior secured bank debt by \$25.0 million. In addition, ACL completed its previously announced exchange offer and consent solicitation in which \$226.0 of ACL's outstanding senior notes (not including notes held by DHC) were exchanged for approximately \$134.7 million of new 11 1/4% cash pay senior notes due January 1, 2008 and approximately \$112.9 million of new 12% pay-in-kind senior subordinated notes due July 1, 2008. In connection with the exchange offer, ACL also solicited consents to amend the indenture governing its 10 1/4% senior notes due 2008 to eliminate substantially all of the restrictive provisions. In addition, the

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

Company delivered \$25.0 million in cash, which was used to reduce borrowings under ACL's senior credit facility, and approximately \$58.5 million of ACL's outstanding senior notes to ACL Holdings in connection with the transaction.

In connection with these transactions, the Company completed an approximately \$43.5 million rights offering to its existing security holders, the proceeds of which were used to fund the Company's cash contribution for the recapitalization and deal expenses and the remainder will be available for general corporate purposes.

Management Changes

It is anticipated that there will be significant changes to the management of the Company shortly after the Annual Meeting. It is presently the intent of Martin Whitman to resign as Chief Executive Officer of the Company, and it is believed that Samuel Zell will be appointed Chief Executive Officer by the newly constituted Board. It is also anticipated that the other executive officers of the Company will resign and be replaced by individuals to be chosen by the newly constituted Board. Upon their resignations, Messrs. Barse, Carney and Hall will receive cash bonuses in the amounts of \$300,000, \$100,000, and \$75,000, respectively, and options previously granted to these individuals will vest upon their resignation and remain exercisable for a period of two years (in Mr. Barse's case, this period will begin upon his departure from the Board). These executive officers will receive no additional compensation or benefits from the Company (except insofar as they provide any future service as a Director or otherwise). Four other employees or consultants of the Company who are anticipated to resign or terminate their responsibilities with the Company will receive cash bonuses in the aggregate amount of \$275,000 upon their resignations. All of these employees are also employed by M.J. Whitman, Inc., an affiliate of the Company. In addition, Directors who do not stand for reelection will have their options vest upon the completion of their service and all of their options will be exercisable for a period of three years. The newly reconstituted Board will appoint new members for the Audit and Compensation Committees and there have been discussions about the possibility of a committee to consider environmental matters.

PROPOSAL 1

ELECTION OF DIRECTORS

A board of nine Directors will be elected at the Annual Meeting by the holders of Common Stock, to hold office until their successors have been elected and qualified. A tenth board seat will remain vacant with the intention that if the California Commissioner of Insurance seeks to have board representation, the other members of the Board will have the ability to appoint a suitable candidate proposed by the Commissioner for that role. It is intended that, unless authorization to do so is withheld, the proxies will be voted "FOR" the election of the Director nominees named below. Each of the nominees currently is a Director of the Company with the exception of Michael C. Hagan, Richard L. Huber, Joseph P. Sullivan and Clayton Yeutter, who are first-time nominees. Each nominee has consented to be named in this Proxy Statement and to serve as a Director if elected. However, if any nominee shall become unable to stand for election as a Director at the Annual Meeting, an event not now anticipated by the Board, the proxy will be voted for a substitute designated by the Board or, if no substitute is selected by the Board prior to or at the Annual Meeting, for a motion to reduce the membership of the Board to the number of nominees available.

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

The nominees are listed on the following pages with brief statements of their principal occupation and other information. A listing of the nominees' beneficial ownership of Common Stock, if any, appears below. All of the nominees for Director, other than Mr. Hagan, Mr. Huber, Mr. Sullivan, and Mr. Yeutter, were elected to their present terms as Directors by the stockholders at the Annual Meeting of Stockholders of the Company held on September 4, 2001. The term of office of each Director will continue until the election of Directors to be held at the next Annual Meeting of Stockholders or until his successor has been elected. There is no family relationship between any nominee for election as a Director and any other nominee for election as a Director or executive officer of the Company. The information set forth below concerning the Directors has been furnished by such Directors to the Company.

The Company, Martin J. Whitman and SZ Investments, LLC ("SZ") have an agreement dated April 14, 1999 pursuant to which, as long as SZ continues to directly or indirectly own at least 1,000,000 shares of Common Stock, (i) SZ will have the right to continue to nominate two members of DHC's Board of Directors (which nominees are currently Samuel Zell and William Pate) and (ii) Mr. Whitman has agreed to vote and use his best efforts to cause to be voted the shares of Common Stock owned or controlled by him in favor of SZ's designees. In addition, SZ has agreed that, so long as Mr. Whitman directly or indirectly owns 500,000 shares of Common Stock and continues to be affiliated with Third Avenue Funds in the same or substantially similar manner as his current affiliation (so long as such entities continue to exist), SZ will vote the shares owned by it for the election of Mr. Whitman and one other designee of Mr. Whitman (which nominee is currently David Barse).

 1 Mr. Hagan received 90,293 shares of restricted Common Stock and Mr. Huber received 20,000 shares of restricted Common Stock pursuant to the recapitalization of ACL. Mr. Sullivan was granted 60,000 options to purchase Common Stock at market value pursuant to written unanimous consent of the board of directors for his role in the business review and financial assessment of ACL.

The Board of Directors unanimously recommends that the stockholders vote "FOR" the nominees listed below:

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors, each of whom is independent as defined by the American Stock Exchange listing standards. The Audit Committee operates under a written charter approved by the Board of Directors. A copy of the charter is attached to the 2001 Proxy Statement and on file with the Securities and Exchange Commission.

Management is responsible for the Company's internal controls and financial reporting process. KPMG LLP, the Company's independent accountants for 2001, are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committees responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and KPMG LLP to review and discuss the December 31, 2001 financial statements. The Audit Committee also discussed with KPMG LLP the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosure from KPMG LLP

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with KPMG LLP the firms independence.

Based upon the Audit Committees discussions with management and KPMG LLP, and the Audit Committees review of the representations of management and KPMG LLP, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2001, that was filed with the Securities and Exchange Commission.

Board of Directors Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors (the "Committee"), during 2001, was comprised of three independent (i.e., non-employee) directors. The Committee provided the following report on executive compensation during 2001 as required by applicable securities regulations:

"The Committee's overriding goal continues to be to structure compensation in a way that will attract and retain highly qualified executives who will conduct the business of the Company in a manner that will maximize stockholder value.

The annual base salary of each of the Company's executive officers for 2001

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

remained the same as for 2000 and 1999, \$200,000 for Mr. Whitman, \$75,000 each for Messrs. Barse and Carney. Mr. Hall received \$50,000. The Company continues to try to balance its desire not to take significant additional cash out of the Company in the form of executive compensation while searching for opportunities to meet its goal of maximizing stockholder values with the reality of the extensive efforts which each of these executives undertakes in overseeing the Company's operations as well as identifying and negotiating potential opportunities on behalf of the Company. The Company is able to retain these executives at their current levels of base compensation in part because they are also employed by affiliates of the Company, and the Committee continues to believe that it was appropriate to maintain these compensation levels for its executive officers. The Committee will continue to review bonus compensation in light of the Company's achievements in any given year and the role the executives play in those achievements.

In addition to the cash compensation of its executives, the Company granted stock options during the year under its 1995 Stock and Incentive Plan (the "1995 Plan"). On December 11, 2001, the Committee granted options to purchase an aggregate of 332,500 shares of the Company's Common Stock at an exercise price of \$3.37 per share (the mean of the high and low prices of the Common Stock on the American Stock Exchange on the date of grant). The options were granted to employees of the Company (including Messrs. Barse, Carney and Hall), as well as to certain key independent contractors. Of these options, 100,000 were granted to Mr. Barse, 25,000 were granted to Mr. Carney, and 10,000 were granted to Mr. Hall. The Committee believed that these option grants were reasonable, particularly in light of the extensive efforts undertaken by these executives compared to their limited cash compensation levels.

In making determinations regarding compensation, the Committee does not rely upon quantitative measures or other measurable objective indicia, such as earnings or specifically weighted factors or compensation formulae. In light of the fact that the Company, at the parent-company level, is a holding company with a small staff responsible for numerous and diverse areas of the Company's business and management, and given the high level of awareness each executive has of the others' activities and contributions, the Committee evaluates executive performance and reaches compensation decisions based, in part, upon the recommendations of the Company's executives.

Finally, the Committee notes that Section 162(m) of the Internal Revenue Code, in most circumstances, limits to \$1 million the deductibility of compensation, including stock-based compensation, paid to top executives by public companies. None of the 2001 compensation paid to the executive officers named in the Summary Compensation Table exceeded the threshold for deductibility under Section 162(m)."

Performance Graph

The following graph sets forth a comparison of the semiannual percentage change in the Company's cumulative total stockholder return on Common Stock with the Standard & Poor's 500 Stock Index* and the NASDAQ Financial Sub Index.** The foregoing cumulative total returns are computed assuming (i) an initial investment of \$100, and (ii) the reinvestment of dividends at the frequency with which dividends were paid during the applicable years. The Company has never paid any dividends on shares of Common Stock. The graph below reflects comparative information for the five fiscal years of the Company beginning with

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

The Company shares certain personnel and facilities with several affiliated and unaffiliated companies (including M.J. Whitman Holding Corporation and EQSF Advisers, Inc., for both of which Mr. Whitman is the Chairman, Mr. Barse is the President, Mr. Carney is the Chief Financial Officer and Mr. Hall is the General Counsel and Secretary), thus certain expenses are allocated among the various entities accordingly. Personnel costs are allocated based upon actual time spent on the Company's business or upon fixed percentages of compensation. Costs relating to office space and equipment are allocated based upon fixed percentages. Inter-company balances are reconciled and reimbursed on a monthly basis. Total expenses allocated to DHC from affiliated entities in 2001 was \$1,334,189.

The Company has also entered into a non-exclusive investment advisory agreement dated April 14, 1999 with Equity Group Investments, L.L.C., ("EGI"), an affiliate of Mr. Zell, pursuant to which EGI has agreed to provide, at the request of the Company, certain investment banking services to the Company in connection with potential transactions. For these services, DHC pays an annual fee of \$125,000 to EGI. In the event that a transaction is consummated for which the Acquisition Committee of DHC's Board of Directors determines that EGI provided material services, DHC will pay to EGI a fee in the amount of 1% of the aggregate consideration in connection with such transaction (including indebtedness assumed or outstanding). In the case of the acquisition of ACL described in more detail above, the Company and EGI agreed that the fee for EGI's services was \$3 million. DHC has also agreed to reimburse, upon request, EGI's out-of-pocket expenses related to services provided under the investment advisory agreement. For providing a standby commitment to purchase any Company shares that were unsubscribed in the rights offering conducted as part of the acquisition of ACL, the Company has paid SZ a fee of \$1,000,000. Mr. Zell and Mr. Pate are members of the Acquisition Committee, along with Mr. Whitman and Mr. Barse.

PROPOSAL 2

CONFIRMATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

At present, the Company has selected KPMG LLP as independent certified public accountants to audit the books and records of the Company for the current fiscal year and recommends that the stockholders confirm such selection. In the event of a negative vote, the Board of Directors will reconsider its selection. A representative of KPMG LLP is expected to be present at the Annual Meeting, to have the opportunity to make a statement and to respond to appropriate questions

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

from stockholders. The Company is actively considering whether it is advisable to change auditing firms given the fact that the Company has recently acquired a large operating subsidiary engaged in businesses different from the Company's traditional areas. Management has solicited information and bids from other auditing firms, and the newly formed Audit Committee of the reconstituted Board will consider these bids. In the event that the new Audit Committee decides to engage a firm other than KPMG, the Company will make a timely disclosure of that fact.

The Board of Directors unanimously recommends that the stockholders vote "FOR" confirmation of KPMG LLP as independent certified public accountants for the current fiscal year.

PROPOSAL 3

APPROVAL OF AMENDMENTS TO 1995 STOCK AND INCENTIVE PLAN

The Board of Directors has approved, and the stockholders are being asked to approve and ratify, an amendment (the "Amendment") to the Company's 1995 Stock and Incentive Plan (the "1995 Plan"). The purpose of the Amendment is to permit the Company to fulfill its obligations under the ACL recapitalization agreement. Under the terms of the recapitalization agreement, the Company has agreed to solicit stockholder approval for a stock plan pursuant to which 6% of the shares of Common Stock on a fully diluted basis (or 1,936,273 shares) will be reserved for issuance to members of ACL management, including Mr. Hagan, who is currently the President and Chief Executive Officer of ACL and a Board nominee. The Amendment therefore provides that (i) an additional 1,936,273 shares of Common Stock shall be reserved for issuance under the 1995 Plan, (ii) that such shares will be reserved for initial issuance in connection with awards made under the 1995 Plan to members of ACL's management, and (iii) the per share exercise price of the initial option grant under the 1995 Plan will be permitted to be \$5.00 even if the fair market value of the Common Stock exceeds such amount on the date that such options are granted. In connection with the recapitalization, an initial grant of options with respect to 1,620,000 shares has been agreed upon, such options to have a per-share exercise price of \$5.00, which was the Rights Offering exercise price, subject to approval of this proposal. If this proposal is not approved, the Company is committed under the recapitalization plan to grant Stock Appreciation Rights with similar economic benefit to ACL management. In addition, the Amendment also provides for an increase in the total number of options available for grants to Non-Employee Directors by 500,000. This will not change the number of options to be granted to an individual Director joining the Board, but will allow greater flexibility to expand the Board or to extend a departing Director's options. It is presently anticipated that certain Directors who are not standing for reelection will have their options extended.

The summary of the Amendments that appears below is qualified in its entirety by reference to the full text of the Amended 1995 Plan attached hereto as Appendix A. Capitalized terms not otherwise defined herein have the same meaning ascribed to them in Appendix A.

SUMMARY OF ORIGINAL 1995 PLAN PROVISIONS

The Company's stockholders approved the 1995 Plan at their meeting on April 25, 1995, effective as of March 21 1995. The 1995 Plan provides for the following awards that can be made in order to implement the purposes of the 1995 Plan: (1) stock options, including incentive stock options (within the meaning of Section 422 of the Internal Revenue Code) and non-qualified stock options; (2) stock appreciation rights, whether in tandem with stock options or freestanding; (3) restricted stock; (4) incentive awards; and (5) performance awards. Directors of the Company and employees and independent contractors of the Company and its subsidiaries are eligible to participate in the Plan. The

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

1995 Plan is administered by the Compensation Committee of the Board of Directors (the "Committee"). The 1995 Plan grants the Committee broad flexibility in establishing the terms and restrictions for particular awards as facts and circumstances warrant. Subject to the terms of the 1995 Plan, the Committee has authority (i) to select the individuals who will receive awards, (ii) to determine the timing, form, amount or value and terms of grants and awards (provided that no incentive stock option may be exercisable more than ten years after its date of grant), and the conditions and restrictions, if any, subject to which grants and awards will be made and become payable under the 1995 Plan, and (iii) to construe the 1995 Plan and to prescribe rules and regulations with respect to the administration of the 1995 Plan. In the event of a change in control of the Company (within the meaning of the 1995 Plan), all awards will become immediately vested and fully exercisable. Each award under the 1995 Plan is evidenced by an agreement in such form and containing such provisions not inconsistent with the provisions of the 1995 Plan as the Committee from time to time approves.

The 1995 Plan does impose certain significant limitations on the discretion of the Committee. First, the exercise price per share of Common Stock under an option may not be less than the fair market value of the share on the date of grant of the option (except as may be required with respect to certain grants of options to be made to members of ACL Management). Second, non-Employee Directors may be granted awards only in accordance with Section 7.07 of the Plan. Section 7.07 provides for a grant of an option covering 40,000 shares of Common Stock to a non-Employee Director at the first annual meeting of the Company stockholders upon or following the Director's election to the Board of Directors at an exercise price equal to the stock's fair market value on the date of grant. Any options granted pursuant to Section 7.07 to a non-Employee Director (i) have a term of ten years, (ii) vest one-third per year on each of the first three anniversaries of the date of grant, and (iii) cease to be exercisable three months following termination of the optionee's service as a Director (or one year in the case of death), unless modified or extended by the Board. In 2001, Section 7.07 was amended to allow the grant of an additional 40,000 options to the Directors then serving and also to adopt and extend certain options granted to certain Directors under a previous plan.

Shares are deemed to be issued under the 1995 Plan only to the extent actually issued pursuant to an award or settled in cash. To the extent that an award lapses or is forfeited, any shares subject to such award are made available again for grant. In the event of any increases or decreases in the number of issued and outstanding shares of Common Stock pursuant to stock splits, mergers, reorganizations, recapitalizations, stock dividends or other events described under the terms of the 1995 Plan, the Committee will make appropriate adjustments to (i) the aggregate number of shares available for issuance under the 1995 Plan and the number of shares subject to outstanding grants or awards, (ii) the exercise price per share of outstanding stock options and (iii) the number and kinds of shares which may be distributed under the 1995 Plan. The terms of stock options, stock appreciation rights, restricted stock, and incentive and performance awards are also subject to adjustments by the Committee to reflect changes in the Company's capitalization.

No awards may be granted under the 1995 Plan after March 21, 2005. The 1995 Plan will remain in effect until all awards have been satisfied or expired. The 1995 Plan may be terminated by the Board of Directors, but any such termination will not affect awards made prior to termination. The Board of Directors may at any time terminate or amend the 1995 Plan in any respect, except that the provisions of Section 7.07 regarding grants to non-Employee Directors generally may not be amended more than once every six months and the Board may not, without approval of the stockholders of the Company, amend the 1995 Plan so as to (i) increase the number of shares of Common Stock which may be issued under the 1995 Plan (except for adjustments in the number of shares permitted with respect to certain stock splits, stock dividends, mergers, reorganizations or

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

recapitalizations as described above); (ii) change the option exercise price (except for adjustments in the number of shares permitted with respect to certain stock splits, stock dividends, reorganizations or recapitalizations as described above); (iii) modify the requirements as to eligibility for participation; (iv) materially increase the benefits accruing to participants under the 1995 Plan; or (v) extend the duration of the 1995 Plan beyond March 21, 2005.

The relevant federal income tax effects applicable to options are summarized below. The following is a brief summary only, and reference is made to the Internal Revenue Code and the regulations and interpretations issued thereunder for a complete statement of all relevant federal tax consequences. This summary is not intended to be exhaustive and does not describe state, local or foreign tax consequences.

With respect to non-qualified options, an optionee generally will not be subject to tax at the time the option is granted. Upon exercise of the option, the optionee generally must include in ordinary income at the time of exercise an amount equal to the excess, if any, of the fair market value of the stock at the time of exercise over the exercise price, and will have a tax basis in such shares equal to the cash paid upon exercise plus the amount taxable as ordinary income to the optionee. The Company generally will be entitled to a deduction in the amount of an optionee's ordinary income at the time such income is recognized by the optionee. Income and payroll taxes are required to be withheld on the amount of ordinary income resulting from the exercise.

With respect to incentive stock options, generally no taxable income is realized by an optionee upon grant of the option. If shares of stock are issued to the optionee pursuant to the exercise of the option and the optionee does not dispose of the shares within the two-year period after the date of grant or within one year after the receipt of such shares (a "disqualifying disposition"), then, generally (i) the optionee will not realize ordinary income upon exercise and (ii) upon sale of such shares, any amount realized in excess of the exercise price paid for the shares will be taxed to such participant as capital gain (or loss), and the Company will not be entitled to any deduction in connection with the option. If shares acquired upon the exercise of an incentive stock option are disposed of in a disqualifying disposition, the optionee generally will include in ordinary income in the year of disposition an amount equal to the excess of the fair market value of the shares at the time of exercise (or, if less, the amount realized on the disposition of the shares) over the exercise price paid for the shares, and the Company generally will be entitled to a deduction in the amount of an optionee's ordinary income at the time such income is recognized by the optionee. Subject to certain exceptions, an option that otherwise qualifies as an incentive stock option generally will not be treated as an incentive stock option if it is exercised more than three months following termination of employment, in which case it will be treated instead as a non-qualified option (as discussed above).

On June 20, 2002, the closing price of the Company's Common Stock as reported on the American Stock Exchange was \$5.75 per share.

PROPOSED AMENDMENTS

Shares Subject to the Amended 1995 Plan

The Amendment provides for an increase in the aggregate number of shares of Common Stock which may be issued under the 1995 Plan, or as to which options, stock appreciation rights or other awards may be granted, to a total not to exceed 4,976,273, increased from 2,540,000. Of this amount, 1,936,273 shares will be reserved for initial issuance of awards to members of the management of ACL, in accordance with the terms of the recapitalization agreement. Also, the Amendment provides for an increase of 500,000 in the total number of options available for grants to non-employee Directors, for a total amount not to exceed 1,040,000 shares. This will not change the number of options available for any individual Director joining the Board, but will allow greater flexibility to expand the Board or to extend a departing Director's options. It is anticipated that certain Directors who are not standing for reelection will have their options extended.

Grants Allowed in the Money

The present Plan provides that the per-share exercise price applicable to options awarded under the Plan may not be less than the fair market value of the underlying Common Stock on the date of grant of the option. The Amendment provides that options with respect to an aggregate of 1,620,000 shares of Common Stock to be granted to members of ACL's management may have a per share exercise price of \$5.00 even if the fair market value of the Common Stock exceeds such amount on the date that such options are granted.

The Board of Directors Unanimously recommends that the stockholders vote "For" the approval and ratification of the Amendment to the Company's 1995 Stock and Incentive Plan.

ADMINISTRATION

Section 4.01. Composition of the Committee. The Plan shall be administered by a Committee which shall be (i) appointed by the Board; (ii) constituted so as to permit the Plan to comply with Rule 16b-3; and (iii) constituted solely of "Outside Directors" within the meaning of Section 162(m) of the Code and applicable interpretive authority thereunder. Except for Awards described in Article VII, Section 7.07, or permitted for disinterested persons under Rule 16b-3(c)(2), no member of the Committee shall be eligible to receive an Award under the Plan or shall have received an Award or been granted or awarded equity securities pursuant to any other plan of the Company or any of its affiliates in the year preceding the date of any service on the Committee.

Section 4.02. Powers. Subject to the provisions of, and except as otherwise provided by, the Plan, the Committee shall have sole authority, in its discretion, to determine which Employees or Independent Contractors shall receive an Award, the time or times when such Award shall be made, what type of Award shall be granted, the number of shares of Common Stock which may be issued under each Option, Stock Appreciation Right or Restricted Stock Award, and the value of each Performance Award and Incentive Award. In making such determinations, the Committee may take into account the nature of the services rendered by the respective individuals, their present and potential contribution to the Company's success and such other factors as the Committee in its

discretion shall deem relevant.

Section 4.03. Additional Powers. The Committee shall have such additional powers as are delegated to it by the other provisions of the Plan. Subject to the express provisions of the Plan, the Committee is authorized to construe the Plan and the respective agreements executed thereunder, to prescribe such rules and regulations relating to the Plan as it may deem advisable to implement the Plan, and to determine the terms, restrictions and provisions of each Award, including such terms, restrictions and provisions as shall be requisite in the judgment of the Committee to cause designated Options to qualify as Incentive Stock Options, and to make all other determinations necessary or advisable for administering the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in any agreement relating to an Award in the manner and to the extent it shall deem expedient to implement such agreement. The determinations of the Committee with respect to the matters referred to in this Article IV shall be conclusive and binding.

Section 4.04. Liability Limitation. Neither the Board nor the Committee, nor any member of either, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan (including, without limitation, any Award or Award Agreement), and the members of the Board and the Committee shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors' and officers' liability insurance coverage which may be in effect from time to time.

ARTICLE V.

GRANT OF OPTIONS, STOCK APPRECIATION RIGHTS,
RESTRICTED STOCK AWARDS, PERFORMANCE AWARDS,
AND INCENTIVE AWARDS; SHARES SUBJECT TO THE PLAN

Section 5.01. Stock Grant and Award Limits. The Committee may from time to time grant Awards to one or more individuals determined by it to be eligible for participation in the Plan in accordance with the provisions of Article VI. Subject to Article XII, the aggregate number of shares of Common Stock that may be issued under the Plan (other than such shares that may be issued under Section 7.07) shall not exceed 3,936,273 shares (such shares are hereinafter referred to as the "General Plan Shares"); the aggregate number of shares of Common Stock that may be issued under Section 7.07 shall not exceed 1,040,000 shares. Shares shall be deemed to have been issued under the Plan only (i) to the extent actually issued and delivered pursuant to an Award, or (ii) to the extent an Award granted under Article VII, VIII, IX, X, or XI is settled in cash. To the extent that an Award lapses or the rights of its Holder terminate, any shares of Common Stock subject to such Award thereupon shall be available again for the grant of an Award. No Award shall be granted under the Plan after March 21, 2005. Separate stock certificates shall be issued by the Company for those shares acquired pursuant to the exercise of any Option which does not constitute an Incentive Stock Option. Notwithstanding any provision in the Plan to the contrary, the maximum number of shares of Common Stock that may be subject to Awards of Options and Stock Appreciation Rights under Article VII or Article VIII hereof granted to any one individual during any calendar year, including 1995 and thereafter, is 300,000 shares (subject to adjustment in the same manner as provided in Article XII with respect to shares of Common Stock subject to Awards then outstanding). The limitation set forth in the preceding sentence shall be applied in a manner which is designed to permit compensation generated in connection with the exercise of Options and Stock Appreciation Rights to constitute "performance-based" compensation for purposes of Section 162(m) of the Code, including, without limitation, counting against such maximum number of shares, to the extent required under Section 162(m) of the Code and applicable interpretive authority thereunder, any shares subject to Options or

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

Stock Appreciation Rights which are canceled or repriced. A total of 1,936,273 of the General Plan Shares shall be reserved for initial issuance with respect to Awards to employees of American Commercial Lines Holdings LLC, and its direct and indirect subsidiaries.

Section 5.02. Stock Offered. The stock to be offered pursuant to the grant of an Award may be authorized but unissued Common Stock or Common Stock previously issued and outstanding and reacquired by the Company.

ARTICLE VI.

ELIGIBILITY

Awards made pursuant to Articles IX, X, and XI may be granted only to persons who, at the time of grant, are Employees or Independent Contractors. Awards made pursuant to Articles VII, VIII, and XII may be granted only to persons who, at the time of grant, are Employees, Independent Contractors, or (only as set forth in the following sentence) Directors. Except as set forth in Article VII, Section 7.07, Awards under this Plan may not be granted to any Director who is not an employee of the Company. In no event is any individual other than an Employee eligible to receive any Incentive Stock Option under the Plan. An award may be granted on more than one occasion to the same person and, subject to the limitations set forth in the Plan, such Award may include an Incentive Stock Option or an Option which is not an Incentive Stock Option, a Stock Appreciation Right, a Restricted Stock Award, a Performance Award, an Incentive Award or any combination thereof.

ARTICLE VII.

STOCK OPTIONS

Section 7.01. Option Period. The term of each Option shall be as specified by the Committee at the date of grant.

Section 7.02. Limitations on Exercise of Option. An Option shall be exercisable in whole or in such installments and at such times as determined by the Committee; provided, however, that no Incentive Stock Option shall be exercisable after ten years after the date of grant of such Incentive Stock Option.

Section 7.03. Special Limitations on Incentive Stock Options. To the extent that the aggregate Fair Market Value (determined at the time the respective Incentive Stock Option is granted) of Common Stock with respect to which Incentive Stock Options granted after 1986 are exercisable for the first time by an individual during any calendar year under all incentive stock option plans of the Company and its subsidiaries exceeds \$100,000, such Incentive Stock Options shall be treated as options which do not constitute Incentive Stock Options. No Incentive Stock Option shall be granted to an individual if, at the time the Option is granted, such individual owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or its subsidiaries, within the meaning of Section 422(b)(6) of the Code unless (i) at the time such Option is granted the option price is at least 110 percent of the Fair Market Value of the Common Stock subject to the Option and (ii) such Option by its terms is not exercisable after the expiration of five years from the date of grant.

Section 7.04. Option Agreement. Each Option shall be evidenced by an Option Agreement in such form and containing such provisions not inconsistent with the provisions of the Plan as the Committee from time to time shall approve, including, without limitation, provisions to qualify an Incentive Stock Option under Section 422 of the Code. An Option Agreement may provide for the payment of the option price, in whole or in part, by the delivery of a number of shares

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

of Common Stock (plus cash if necessary) having a Fair Market Value equal to such option price. Each Option Agreement shall provide that the Option may not be exercised earlier than six months from the date of grant and shall specify the effect of termination of employment on the exercisability of the Option. In the case of an Independent Contractor, the Option Agreement may provide for limitations on the exercisability of the Option and shall specify the effect on the exercisability of the option of a termination of the Independent Contractors services to the Company or any of its subsidiaries. Moreover, an Option Agreement may provide for a "cashless exercise" of the Option by establishing procedures whereby the Holder, by a properly executed written notice directs (i) an immediate market sale or margin loan respecting all or a part of the shares of Common Stock to which such Holder is entitled upon exercise pursuant to an extension of credit by the Company to the Holder in the amount of the Option price, (ii) the delivery of the shares of Common Stock from the Company directly to a brokerage firm, and (iii) the delivery of the Option price from sale or margin loan proceeds from the brokerage firm directly to the Company. Such Option Agreement also may include, without limitation, provisions relating to (a) subject to the provisions hereof accelerating vesting on a Change of Control, vesting of Options, including a provision that Options shall continue to vest and remain exercisable for so long as a Holder who terminates employment with the Company remains an employee of any Company subsidiary or affiliate of the Company, (b) tax matters (including provisions covering any applicable employee wage or other withholding requirements and requiring additional "gross-up" payments to Holders to meet any excise taxes or other additional income tax liability imposed as a result of a Change of Control payment resulting from the operation of the Plan or of such Option Agreement), and (c) any other matters not inconsistent with the terms and provisions of this Plan that the Committee shall in its sole discretion determine. The terms and conditions of the respective Option Agreements need not be identical.

Section 7.05. Option Price and Payment. The price at which a share of Common Stock may be purchased upon exercise of an Option shall be determined by the Committee, but, except as set forth in the subsequent sentence, such purchase price (i) shall not be less than the Fair Market Value of a share of Common Stock on the date such Option is granted, and (ii) shall be subject to adjustment as provided in Article XII. Notwithstanding the foregoing, the per share exercise price for Options to be granted to members of management of American Commercial Lines LLC with respect to an aggregate of 1,620,000 shares shall be \$5.00 per share (such Options, hereinafter, the "Initial ACL Options"). The Option or portion thereof may be exercised by delivery of an irrevocable notice of exercise to the Company. The purchase price of the Option or portion thereof shall be paid in full in the manner prescribed by the Committee. Separate stock certificates shall be issued by the Company for shares acquired pursuant to the exercise of an Incentive Stock Option and for shares acquired pursuant to the exercise of any Option which does not constitute an Incentive Stock Option.

Section 7.06. Stockholder Rights and Privileges. The Holder shall be entitled to all of the privileges and rights of a stockholder only with respect to such shares of Common Stock as have been purchased under the Option and for which certificates of stock have been registered in the Holder's name.

Section 7.07. Fixed Grants to Non-Employee Directors. Each non-employee Director shall receive, on the date of the first annual meeting of stockholders of the Company upon or following his election to the Board during the period commencing on January 1, 1995 and ending upon the expiration or termination of the Plan, an Option to purchase 40,000 shares of Common Stock at the Fair Market Value thereof on the date of grant. In addition, each non-employee Director serving in such capacity as of December 12, 2000 shall also receive, as of the grant date of December 12, 2000, an Option to purchase 40,000 shares of Common Stock at the Fair Market Value thereof on the date of the grant. Also, Expiring Director Options are hereby incorporated under this Plan and this Section 7.07 and

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

extended for ten years from December 12, 2000. The Expiring Director Options shall be construed pursuant to the Option Agreements issued at the time of the grant, except insofar as there may be any conflict between the terms of such agreement and this Plan, in which case the provision of the Plan, as amended, shall control. Each Option granted under this Article VII, Section 7.07, shall (i) not constitute an Incentive Stock Option, (ii) not have Stock Appreciation Rights granted in connection therewith, (iii) have a term of ten years (except as otherwise herein provided with respect Expiring Director Options), (iv) vest one-third per year on each of the first three anniversary dates of grant subject to acceleration and vesting pursuant to Article XII, Section 12.03, and (v) cease to be exercisable after the date which is three months after the termination of such individual's service as a Director (provided, however, that such exercise period shall be extended to one year in the event of the death of the non-employee Director). Any non-employee Director holding Options granted under this Section 7.07 who is a member of the Committee shall not participate in any action of the Committee with respect to any claim or dispute involving such non-employee Director. Notwithstanding the terms and provisions of Article XIII hereof, the terms and provisions of this Section 7.07 shall not be amended more than once every six months, other than to comport with changes in the Code, the Employee Retirement Income Security Act, the Exchange Act, or other applicable law, or the rules under any of the foregoing.

ARTICLE VIII.

STOCK APPRECIATION RIGHTS

Section 8.01. Stock Appreciation Rights. A Stock Appreciation Right is the right to receive an amount equal to the Spread with respect to a share of Common Stock upon the exercise of such Stock Appreciation Right. Stock Appreciation Rights may be granted in connection with the grant of an Option in which case, the Option Agreement will provide that exercise of Stock Appreciation Rights will result in the surrender of the right to purchase the shares under the Option as to which the Stock Appreciation Rights were exercised and such other conditions as may be required by applicable income tax laws. Alternatively, Stock Appreciation Rights may be granted independently of Options in which case each Award of Stock Appreciation Rights shall be evidenced by a Stock Appreciation Rights Agreement which shall contain such terms and conditions as may be approved by the Committee including without limitation all applicable matters set forth with specificity in Article VII, Section 7.04, with respect to Option Agreements. The terms and conditions of the respective Stock Appreciation Rights Agreements need not be identical. The Spread with respect to a Stock Appreciation Right may be payable either in cash, shares of Common Stock with a Fair Market Value equal to the Spread or in a combination of cash and shares of Common Stock. With respect to Stock Appreciation Rights that are subject to Section 16 of the Exchange Act, however, except as provided in Article XII, Section 12.03 hereof, the Committee shall retain sole discretion (i) to determine the form in which payment of the Stock Appreciation Right will be made (i.e., cash, securities or any combination thereof) or (ii) to approve an election by a Holder to receive cash in full or partial settlement of Stock Appreciation Rights. Each Stock Appreciation Rights Agreement shall provide that the Stock Appreciation Rights may not be exercised earlier than six months from the date of grant and shall specify the effect of termination of employment on the exercisability of the Stock Appreciation Rights.

Section 8.02. Exercise Price. The exercise price of each Stock Appreciation Right shall be determined by the Committee, but such exercise price (i) shall not be less than the Fair Market Value of a share of Common Stock on the date the Stock Appreciation Right is granted (or such greater exercise price as may be required if such Stock Appreciation Right is granted in connection with an Incentive Stock Option that must have an exercise price equal to 110 percent of the Fair Market Value of the Common Stock on the date of grant pursuant to Article VII, Section 7.03), and (ii) shall be subject to adjustment as provided

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

in Article XII.

Section 8.03. Exercise Period. The term of each Stock Appreciation Right shall be a specified by the Committee at the date of grant.

Section 8.04. Limitations on Exercise of Stock Appreciation Right. A Stock Appreciation Right shall be exercisable in whole or in such installments and at such times as determined by the Committee.

ARTICLE IX.

RESTRICTED STOCK AWARDS

Section 9.01. Restriction Period. At the time a Restricted Stock Award is made, the Committee shall establish a period of time (the "Restriction Period") applicable to such Award. Each Restricted Stock Award may have a different Restriction Period, in the discretion of the Committee. The Restriction Period applicable to a particular Restricted Stock Award shall not be changed except as permitted by Article IX, Section 9.02 or Article XII.

Section 9.02. Other Terms and Conditions. Common Stock awarded pursuant to a Restricted Stock Award shall be represented by a stock certificate registered in the name of the Holder of such Restricted Stock Award. If provided for by the Award Agreement, the Holder shall have the right to receive dividends during the Restriction Period, to vote Common Stock subject thereto and to enjoy all other stockholder rights, except that (i) the Holder shall not be entitled to delivery of the stock certificate until the Restriction Period shall have expired, (ii) the Company shall retain custody of the stock during the Restriction Period, (iii) the Holder may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the stock during the Restriction Period, and (iv) a breach of the terms and conditions established by the Committee pursuant to the Restricted Stock Agreement, shall cause a forfeiture of the Restricted Stock Award. At the time of such Award, the Committee, in its sole discretion, may prescribe additional terms, conditions or restrictions relating to Restricted Stock Awards, including but not limited to, rules pertaining to the termination of employment or service as a Director (by retirement, disability, death or otherwise) of a Holder prior to expiration of the Restriction Period. Such additional terms, conditions or restrictions shall be set forth in a Restricted Stock Agreement made in conjunction with the Award. Such Restricted Stock Agreement may also include, without limitation, provisions relating to: (a) subject to the provisions hereof accelerating vesting on a Change of Control, vesting of Awards (including a provision continuing such vesting after a Holder has terminated employment with the Company provided such employee remains an employee of any subsidiary or affiliate of the Company), (b) tax matters (including provisions (x) covering any applicable employee wage withholding requirements, (y) prohibiting an election by the holder under Section 83(b) of the Code and (z) requiring additional "gross-up" payments to Holders to meet any excise taxes or other additional income tax liability imposed as a result of a Change of Control payment resulting from the operation of the Plan or of such Restricted Stock Agreement), and (c) any other matters not inconsistent with the terms and provisions of this Plan that the Committee in its sole discretion shall determine.

Section 9.03. Payment for Restricted Stock. The Committee shall determine the amount and form of any payment for Common Stock received pursuant to a Restricted Stock Award, provided that in the absence of such a determination, a Holder shall not be required to make any payment for Common Stock received pursuant to a Restricted Stock Award, except to the extent otherwise required by law.

Section 9.04. Agreements. At the time any Award is made under this Article IX, the Company and the Holder shall enter into a Restricted Stock Agreement setting

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

forth each of the matters contemplated hereby and such other matters as the Committee may determine to be appropriate. The terms and provisions of the respective Restricted Stock Agreements need not be identical.

ARTICLE X.

PERFORMANCE AWARDS

Section 10.01. Performance Period. The Committee shall establish, with respect to and at the time of each Performance Award, a performance period over which the performance of the Holder shall be measured.

Section 10.02. Performance Awards. Each Performance Award shall have a maximum value established by the Committee at the time of such Award.

Section 10.03. Performance Measures. A Performance Award shall be awarded to an employee contingent upon future performance of the Company or any subsidiary, division or department thereof by or in which such employee is employed (if applicable) during the performance period. The Committee shall establish the performance measures applicable to such performance prior to the beginning of the performance period but subject to such later revisions as the Committee shall deem appropriate to reflect significant, unforeseen event or changes.

Section 10.04. Award Criteria. In determining the value of Performance Awards, the Committee shall take into account an individual's responsibility level, performance, potential, other Awards and such other considerations as it deems appropriate.

Section 10.05. Payment. Following the end of the performance period, the Holder of a Performance Award shall be entitled to receive payment of an amount, not exceeding the maximum value of the Performance Award, based upon the achievement of the performance measures for such performance period, as determined by the Committee. Payment of a Performance Award may be made in cash, Common Stock or a combination thereof, as determined by the Committee. Payment shall be made in a lump sum or in installments as prescribed by the Committee. Any payment to be made in Common Stock shall be based on the Fair Market Value of the Common Stock on the payment date.

Section 10.06. Termination of Employment. A Performance Award shall terminate if the Holder does not remain continuously in the employ of the Company or in service as a Director at all times during the applicable performance period, except as may be determined by the Committee or as may otherwise be provided in the Award at the time of grant.

Section 10.07. Agreement. At the time any Award is made under this Article X, the Company and the Holder shall enter into a Performance Award Agreement setting forth each of the matters contemplated hereby and, in addition, such matters as are set forth in Article IX, Section 9.02, as the Committee may determine to be appropriate. The terms and provisions of the respective Performance Award Agreements need not be identical.

ARTICLE XI.

INCENTIVE AWARDS

Section 11.01. Incentive Awards. Incentive Awards are rights to receive shares of Common Stock (or cash in an amount equal to the Fair Market Value thereof), or rights to receive an amount equal to any appreciation in the Fair Market Value of Common Stock (or portion thereof) over a specified period of time, which vest over a period of time or upon the occurrence of an event (including without limitation a Change of Control) as established by the Committee, without payment of any amounts by the Holder thereof (except to the extent otherwise

required by law) or satisfaction of any performance criteria or objectives. Each Incentive Award shall have a maximum value established by the Committee at the time of such Award.

Section 11.02. Award Period. The Committee shall establish, with respect to and at the time of each Incentive Award, a period over which or the event upon which the Award shall vest with respect to the Holder.

Section 11.03. Awards Criteria. In determining the value of Incentive Awards, the Committee shall take into account an individual's responsibility level, performance, potential, other Awards and such other considerations as it deems appropriate.

Section 11.04. Payment. Following the end of the vesting period for an Incentive Award, the Holder of an Incentive Award shall be entitled to receive payment of an amount, not exceeding the maximum value of the Incentive Award, based upon the then vested value of the Award. Payment of an Incentive Award may be made in cash, Common Stock or a combination thereof as determined by the Committee. Payment shall be made in a lump sum or in installments as prescribed by the Committee in its sole discretion. Any payment to be made in Common Stock shall be based upon the Fair Market Value of the Common Stock on the payment date. Cash dividend equivalents may be paid during or after the vesting period with respect to an Incentive Award, as determined by the Committee.

Section 11.05. Termination of Employment. An Incentive Award shall terminate if the Holder does not remain continuously in the employ of the Company or in service as a Director at all times during the applicable performance period, except as may be determined by the Committee or as may otherwise be provided in the Award at the time of grant.

Section 11.06. Agreement. At the time any Award is made under this Article XI, the Company and the Holder shall enter into an Incentive Award Agreement setting forth each of the matters contemplated hereby and, in addition, such matters as are set forth in Article IX, Section 9.02, as the Committee may determine to be appropriate. The terms and provisions of the respective Incentive Award Agreements need not be identical.

ARTICLE XII.

RECAPITALIZATION OR REORGANIZATION

Section 12.01. Proportionate Adjustment of Awards. The shares with respect to which Awards may be granted are shares of Common Stock as presently constituted, but if, and whenever, prior to the expiration or distribution to the Holder of an Award theretofore granted, the Company shall effect a subdivision or consolidation of shares of Common Stock or the payment of a stock dividend on Common Stock without receipt of consideration by the Company, the number of shares of Common Stock with respect to which such Award may thereafter be exercised or satisfied, as applicable, (i) in the event of an increase in the number of outstanding shares, shall be proportionately increased, and the purchase price per share shall be proportionately reduced, and (ii) in the event of a reduction in the number of outstanding shares, shall be proportionately reduced, and the purchase price per share shall be proportionately increased.

Section 12.02. Recapitalization. If the Company recapitalizes or otherwise changes its capital structure, thereafter upon any exercise or satisfaction, as applicable, of an Award theretofore granted, the Holder shall be entitled to (or entitled to purchase, if applicable) under such Award, in lieu of the number of shares of Common Stock then covered by such Award, the number and class of shares of stock and securities to which the Holder would have been entitled pursuant to the terms of the recapitalization if, immediately prior to such recapitalization, the Holder had been the holder of record of the number of

Edgar Filing: DANIELSON HOLDING CORP - Form DEF 14A

shares of Common Stock then covered by such Award.

Section 12.03. Change of Control. In the event of a Change of Control, all outstanding Awards shall immediately vest and become exercisable or satisfiable, as applicable. The Committee, in its discretion, may determine that upon the occurrence of a Change of Control, each Award outstanding hereunder, other than any Award made under Section 7.07, shall terminate within a specified number of days after notice to the Holder, and such Holder shall receive, with respect to each share of Common Stock subject to such Award, cash in an amount equal to the excess of (i) the higher of (x) the Fair Market Value of such share of Common Stock immediately prior to the occurrence of such Change of Control or (y) the value of the consideration to be received in connection with such Change of Control for one share of Common Stock over (ii) the exercise price per share, if applicable, of Common Stock set forth in such Award; provided, however, that upon the occurrence of a Change in Control, any Award made under Section 7.07 shall terminate and be cashed out in accordance with the foregoing formulation. The provisions contained in the preceding sentence shall be inapplicable to an Award granted within six months before the occurrence of a Change of Control if the Holder of such Award is subject to the reporting requirements of Section 16(a) of the Exchange Act. If the consideration offered to stockholders of the Company in any transaction described in this paragraph consists of anything other than cash, the Committee shall determine the fair cash equivalent of the portion of the consideration offered which is other than cash. The provisions contained in this paragraph shall not terminate any rights of the Holder to further payments pursuant to any other agreement with the Company following a Change of Control.

Section 12.04. Other Adjustments. In the event of changes in the outstanding Common Stock by reason of recapitalization, reorganizations, mergers, consolidations, combination, exchanges or other relevant changes in capitalization occurring after the date of the grant of any Award and not otherwise provided for by this Article XII, any outstanding Awards and any agreements evidencing such Awards shall be subject to adjustment by the Committee at its discretion as to the number and price of shares of Common Stock or other consideration subject to such Awards. In the event of any such change in the outstanding Common Stock, the aggregate number of shares available under the Plan may be appropriately adjusted by the Committee, whose determination shall be conclusive.

Section 12.05. Corporate Powers Not Affected. The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of debt or equity securities ahead of or affecting Common Stock or the rights thereof, the dissolution or liquidation of the Company or any sale, lease, exchange, or other disposition of all or any part of its assets or business or any other corporate act or proceeding.

Section 12.06. Stockholder Approvals. Any adjustment provided for in Sections 12.01, 12.02, 12.03 and 12.04 shall be subject to any required stockholder action.

Section 12.07. No Other Effect on Prior Awards. Except as hereinbefore expressly provided, the issuance by the Company of shares of stock of any class or securities convertible into shares of stock of any class, for cash, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares of obligations of the Company convertible into such shares or other securities, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to the number of shares of Common Stock subject to Awards theretofore granted or the purchase price per share, if applicable.

ARTICLE XIII.

AMENDMENT AND TERMINATION OF THE PLAN

The Board in its discretion may terminate the Plan at any time with respect to any shares for which Awards have not theretofore been granted. The Board shall have the right to alter or amend the Plan or any part thereof from time to time; provided, however, that no change in any Award theretofore granted which would impair the rights of the Holder may be made without the consent of such Holder (unless such change is required in order to cause the benefits under the Plan to qualify as performance-based compensation within the meaning of Section 162(m) of the Code and applicable interpretive authority thereunder); and provided, further, that, without approval of the stockholders, the Board may not amend the Plan so as to:

- (a) Increase the maximum number of shares which may be issued on exercise or surrender of an Award, except as provided in Article XII;
- (b) Change the Option price, except as provided in Article XII;
- (c) Change the class of individuals eligible to receive Awards or materially increase the benefits accruing to employees and Directors under the Plan;
- (d) Extend the maximum period during which Awards may be granted under the Plan;
- (e) Modify materially the requirements as to eligibility for Participation in the Plan; or
- (f) Decrease any authority granted to the Committee hereunder in contravention of Rule 16b-3.

ARTICLE XIV.

MISCELLANEOUS

Section 14.01. No Right to Receive Award. Neither the adoption of the Plan by the Company nor any action of the Board or the Committee shall be deemed to give an employee, Independent Contractor, or any Director any right to be granted an Award to purchase Common Stock, a right to a Stock Appreciation Right, a Restricted Stock Award, a Performance Award, or an Incentive Award or any of the rights hereunder except as may be evidenced by an Award or by an Award Agreement duly executed on behalf of the Company, and then only to the extent and on the terms and conditions expressly set forth therein. The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of funds or assets to assure the payment of any Award.

Section 14.02. No Employment Rights Conferred. Nothing contained in the Plan shall (i) confer upon any employee, Independent Contractor or Director any right with respect to continuation of employment with or other rights to receive any compensation from the Company or any subsidiary or (ii) interfere in any way with the right of the Company or any subsidiary to terminate such individual's employment or other service (or service as a Director, in accordance with applicable corporate law) at any time.

Section 14.03. Other Laws; Withholding. The Company shall not be obligated to issue any Common Stock pursuant to any Award granted under the Plan at any time when (i) the shares covered by such Award have not been registered under the Securities Act of 1933 and such other state and Federal laws, rules or regulations as the Company or the Committee deems applicable and, in the opinion of legal counsel for the Company, there is no exemption from the registration

requirements of such laws, rules or regulations available for the issuance and sale of such shares, or (ii) the Company has been advised by tax counsel that such issuance may jeopardize the existence, restrict the use, or otherwise adversely affect the full availability, of the Company's net operating tax loss carryforwards (including, without limitation, the Company's ability to issue additional shares of Company stock). No fractional shares of Common Stock shall be delivered, nor shall any cash in lieu of fractional shares be paid. The Company shall have the right to deduct in cash (whether under this Plan or otherwise) any taxes required by law to be withheld in connection with all Awards and to require any payments to enable it to satisfy its withholding obligations. In the case of any Award satisfied in the form of Common Stock, no shares shall be issued unless and until arrangements satisfactory to the Company shall have been made to satisfy any withholding tax obligations applicable with respect to such Award. Subject to such terms and conditions as the Committee may impose, the Company shall have the right to retain, or the Committee may, subject to such terms and conditions as it may establish from time to time, permit Holders to elect to tender, Common Stock (including Common Stock issuable in respect of an Award) to satisfy, in whole or in part, the amount required to be withheld.

Section 14.04. No Restrictions on Corporate Action. Nothing contained in this Plan shall be construed to prevent the Company or any subsidiary from taking any corporate action which is deemed by the Company or such subsidiary to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan or any Award made under the Plan. No Employee, Independent Contractor, beneficiary or other person shall have any claim against the Company or any subsidiary as a result of any such action. Further, nothing in this Plan shall be construed to require the Company to register the shares of Common Stock underlying any Option or other Award granted under this Plan, or any other shares of Company stock under the Securities Act of 1933, as amended, or under any applicable state securities or "blue sky" law.

Section 14.05. Restrictions on Transfer. An Award (other than an Incentive Stock Option) shall not be transferable except (i) by will or the laws of descent and distribution, or (ii) by gift to any member of the Holder's immediate family or to a trust for the benefit of such immediate family member, if permitted in the applicable Award Agreement. An Award may be exercisable during the lifetime of the Holder only by such Holder or the Holder's guardian or legal representative unless it has been transferred to a member of the Holder's immediate family or to a trust for the benefit of such immediate family member, in which case it shall be exercisable only by such transferee. For the purpose of this provision, a Holder's "immediate family" shall mean the Holder's spouse, children and grandchildren. Notwithstanding any such transfer, the Holder will continue to be subject to the withholding requirements provided for in Section 14.03 hereof. In no case shall an Incentive Stock Option be transferable by a Holder otherwise than by will or the laws of descent and distribution, and any such Incentive Stock Option shall be exercisable only by the Holder.

Section 14.06. Section 162(m). Except as may be required to grant the Initial ACL Options at the exercise price indicated in Section 7.05 hereof, it is intended that the Plan comply fully with and satisfy all of the requirements of Section 162(m) of the Code so that Options and Stock Appreciation Rights granted hereunder with an exercise price not less than Fair Market Value of a share of Common Stock on the date of grant shall constitute "performance-based" compensation within the meaning of such section. If any provision of the Plan would disqualify the Plan (other than those dealing the Initial ACL Options) or would not otherwise permit the Plan to comply with Section 162(m) as so intended, such provision shall be construed or deemed amended to conform to the requirements or provisions of Section 162(m); provided, however, that no such construction or amendment shall have an adverse effect on the economic value to a Holder of any Award previously granted hereunder.
