Item 1.01. Entry Into A Material Definitive Agreement.

Merger Agreement

On December 1, 2010, Insmmed Incorporated, a Virginia corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with River Acquisition Co., a Delaware corporation and a wholly owned subsidiary of the Company (“Merger Sub”), Transave, LLC, a Delaware limited liability company and a wholly owned subsidiary of the Company (“LLC Sub”), Transave, Inc., a Delaware corporation (“Transave”), and TVM V Life Science Ventures GmbH & Co. KG, in its capacity as the stockholders’ agent. The Merger Agreement and the transactions contemplated thereby have been approved by the boards of directors of the Company, Merger Sub and Transave and by the sole member of LLC Sub. Immediately following the execution and delivery of the Merger Agreement, Transave delivered to the Company and Merger Sub the irrevocable written consent of certain of the stockholders of Transave representing approximately 89% of the issued and outstanding Transave Capital Stock (as defined below) on an as converted to Transave Common Stock (as defined below) basis and approximately 92% of the Transave Preferred Stock (as defined below) voting as a separate class on an as converted to Transave Common Stock basis. Following receipt of such written consent of the Transave stockholders, upon the terms set forth in the Merger Agreement, Merger Sub merged with and into Transave, with Transave continuing as the surviving corporation (the “First Merger”) and, immediately thereafter as a part of an integrated plan, Transave, as the surviving corporation of the First Merger, merged with and into LLC Sub, with LLC Sub continuing as the surviving company and as a wholly owned subsidiary of the Company (the “Second Merger,” and together with the First Merger, the “Mergers”).

Under the terms of the Merger Agreement, (i) the Transave stockholders holding shares of Series A Preferred Stock, par value \$0.001 per share, of Transave (“Series A Preferred Stock”), shares of Series B Preferred Stock, par value \$0.001 per share, of Transave (“Series B Preferred Stock”), shares of Series C Preferred Stock, par value \$0.001 per share, of Transave (“Series C Preferred Stock”), or shares of Series D Preferred Stock, par value \$0.001 per share, of Transave (“Series D Preferred Stock,” and collectively with Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock, the “Transave Preferred Stock”), received an aggregate of (A) 25,938,818 newly issued shares of the common stock, par value \$0.01 per share, of the Company (the “Company Common Stock”) and (B) 91,745,892 shares of newly created Series B Conditional Convertible Preferred Stock, par value \$0.01 per share, of the Company (the “Company Preferred Stock”), the terms of which are described below, and (ii) the Transave stockholders holding shares of common stock of Transave, par value \$0.001 per share (“Transave Common Stock,” and collectively with Transave Preferred Stock, “Transave Capital Stock”) received an aggregate of approximately \$561,280 in cash. Collectively, the shares of the Company Common Stock and the Company Preferred Stock (on an as converted basis) issued in connection with the Mergers represent approximately 46.7% of the capital stock of the Company on a fully diluted basis. In connection with the closing of the Mergers (the “Closing”), the Company paid off Transave’s existing debt facility totaling approximately \$8 million.

Transave has made customary representations and warranties in the Merger Agreement relating to, among other things, its (and its subsidiaries’) respective capital structure and organization, financial condition and business, operations, absence of material adverse effects, permits, licenses and assets. Similarly, the Company has made customary representations and warranties in the Merger Agreement relating to, among other things, its capitalization, financial statements, absence of material adverse effect, permits, licenses and the Company’s public filings with the Securities and Exchange Commission. Under the terms of the Merger Agreement, the Company agreed to use reasonable best efforts, including filing a proxy statement with the Securities Exchange Commission, to obtain, following the consummation of the Mergers, the Company’s shareholders’ approval of the conversion of the Company Preferred Stock (as described below).

Of the 91,745,892 shares of the Company Preferred Stock issued in the Mergers, an aggregate of 17,652,707 shares of the Company Preferred Stock was retained by the Company as security for any indemnification payments required

pursuant to the terms of the Merger Agreement. (the “Holdback Shares”). Such shares will be delivered to Transave stockholders that have not perfected appraisal rights under the Delaware General Corporation Law and that are otherwise entitled to Merger Consideration (“Eligible Stockholders”), with necessary adjustments made for indemnity claims, on the distribution dates specified in the Merger Agreement.

Under the terms of the Merger Agreement, the Eligible Stockholders are obligated to indemnify the Company for all losses resulting from breaches of Transave’s representations and warranties or Transave’s breach or failure to perform its covenants under the Merger Agreement. Similarly, the Company is obligated to indemnify the Eligible Stockholders for all losses resulting from breaches of the Company’s representations and warranties and the Company’s breach or failure to perform its covenants under the Merger Agreement. The Company’s indemnification claims are limited to and must be satisfied out of the Holdback Shares. The Company’s indemnification liability is limited to \$12,558,136. In each case, indemnification claims are required to be asserted within 18 months following the Closing of the Mergers.

A copy of the Merger Agreement is filed with this Current Report on Form 8-K as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Merger Agreement is qualified in entirety by reference to the full text of the Merger Agreement filed with this Current Report on Form 8-K.

The terms, rights, obligations and preferences of the shares of the Company Preferred Stock issued in connection with the Mergers are set forth in the Articles of Amendment to the Articles of Incorporation of the Company (the “Articles of Amendment”) which was filed with the State Corporation Commission of the Commonwealth of Virginia on the closing date of the Mergers. The terms of the shares of the Company Preferred Stock include the following:

Liquidation Preference: Each share of Company Preferred Stock has a liquidation preference equal to the greater of (x) \$0.7114 per share (“Stated Value”) plus an amount equal to any accrued and unpaid dividends on such shares of the Company Preferred Stock or (y) the value of the shares of the Company Common Stock that would be issued in respect thereof upon conversion of such share of the Company Preferred Stock (regardless of whether the Company’s shareholders have approved the conversion of the shares of Company Preferred Stock).

Dividend: Shares of the Company Preferred Stock are entitled to receive any dividends payable on the Company Common Stock. In addition, shares of the Company Preferred Stock will accrue dividends at a rate of 12.5% per annum at the end of each six month period following the earlier of (i) December 1, 2011 or (ii) the date upon which at least 50 patients have been given at least one dose in Phase III clinical trials for ARIKACETM, but in no event earlier than September 1, 2011. Accrued dividends will be paid in cash except that the board of directors of the Company may pay such dividends in kind by increasing the Stated Value by the amount of such dividend.

Mandatory Conversion: Shares of the Company Preferred Stock will automatically convert into shares of the Company Common Stock upon receipt of shareholder approval of the conversion feature.

Conversion Rate: Each share of the Company Preferred Stock will be convertible into the number of shares of the Company Common Stock equal to the number obtained by dividing (x) the Stated Value plus the accrued but unpaid dividends on such shares by (y) \$0.7114 (subject to customary adjustments for changes in the Company’s capital structure).

Redemption: In the event shareholder approval has not been obtained, on or after the fifth anniversary of the Closing, the holders of at least 62.5% of the then outstanding shares of the Company Preferred Stock may cause the Company to redeem all, but not less than all, of the outstanding shares of the Company Preferred Stock by written election, provided that the redemption date will be at least 180 days after delivery to the Company of such written election. In the event that less than all of the Series B Preferred Stock is redeemed within 30 days after the date set for redemption, any shares remaining outstanding shall accrue interest on the Series B Redemption Price at a rate of 15% per annum.

Voting: Shares of the Company Preferred Stock will be non-voting, except that for as long as at least 10% of the Company Preferred Stock issued on the closing date of the Mergers remain outstanding, the Company may not alter the rights, preferences, power or privileges of the shares of the Company Preferred Stock, increase or decrease (other than by conversion) the total number of authorized or issued shares of Company Preferred Stock, authorize or issue, or obligate itself to issue, any equity security having a preference over or on parity with the Company Preferred Stock with respect to dividends or liquidation, redeem, purchase or otherwise acquire any shares of junior stock or any series of preferred stock other than the Company Preferred Stock or declare, pay or set aside for payment any dividends on the Company Common Stock without the approval of the holders of at least 62.5% of the then outstanding shares of the Company Preferred Stock. In addition, for as long as at least 10% of the Company Preferred Stock issued on the closing date of the Mergers remain outstanding, the Company must obtain the approval of the holders of at least a majority of the then outstanding shares of the Company Preferred Stock in order to liquidate the Company or to effect a change of control, provided that such voting rights will expire when the holders of the Company Preferred Stock as of the Closing no longer beneficially own at least a majority of the outstanding shares of the Company Preferred Stock.
