Item 9. Regulation FD Disclosure

On April 8, 2003, Sabre Holdings Corporation (the Company) issued the news release attached hereto as Exhibit 99.1 (news release).

The news release describes the Company's financial results for the quarter ended March 31, 2003.

Item 12. Results of Operations and Financial Condition

The information under this caption is furnished by the Company under Item 9 in place of Item 12 of Form 8-K in accordance with interim guidance provided by the Securities and Exchange Commission in Release No. 33-8216 issued March 27, 2003.

The news release describes the Company's financial results for the quarter ended March 31, 2003. In the news release, the Company utilized non-GAAP financial measures to describe earnings per share and first-quarter revenue. The Company's management believes that excluding the non-GAAP special items described in the attached news release from its earnings per share and revenue estimates is meaningful to investors because these estimates provide a measure of the cash-generating nature of the on-going business by removing items that do not represent the on-going costs of doing business. The Company's management uses these adjusted earnings and revenue measures for the same purpose.
