**ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS**

On June 18, 2004, Perficient, Inc. ( Perficient ) consummated the acquisition of Meritage Technologies, Inc. ( Meritage ), a Delaware corporation, by merging our wholly owned subsidiary, Perficient Meritage, Inc., a Delaware corporation with and into Meritage. Meritage survived the merger as our direct wholly owned subsidiary under the name Perficient Meritage, Inc.

Perficient paid approximately \$7.1 million to the selling shareholders consisting of approximately \$2.9 million in cash and up to \$4.2 million worth of Perficient common stock subject to certain post-closing adjustments. A portion of the shares of common stock issued in the merger are subject to certain conditions in the first three years following the closing of the transaction. Perficient will also assume \$2.4 million of debt, \$1.5 million of which is related to an accounts receivable credit facility that will be retired upon the closing of the acquisition. The operating management of Meritage will receive only Perficient common stock and Perficient stock options in the transaction. The shares of common stock issued in connection with the merger were ascribed a value of \$3.595 per share, which was the average closing price of the Company's common stock for the 23 consecutive trading days ending on June 15, 2004. The merger was funded in part by a private placement of Perficient common stock and in part by an expansion of our credit facility with Silicon Valley Bank.

Prior to the acquisition, the assets of Meritage were used to provide information technology consulting services to its customers. The Company intends to continue such uses for the assets of Meritage.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Meritage Agreement and Plan of Merger, a copy of which is included herein as Exhibit 2.1.

In connection with the acquisition, on June 16, 2004 Perficient raised approximately \$2.5 million through a private placement of 800,000 shares of Perficient common stock at \$3.09 per share to a group of institutional investors led by Tate Capital Partners. The investors were also issued warrants for the purchase of an additional 160,000 shares of Perficient common stock, exercisable over the next 24 months at a purchase price of \$4.64 per share. The additional estimated proceeds to Perficient if all warrants are exercised is expected to be approximately \$742,400. A copy of the full text of the Securities Purchase Agreement is included herein as Exhibit 10.1.

In addition, Perficient entered into a Loan Modification Agreement effective June 8, 2004 with Silicon Valley Bank to establish a new acquisition credit facility. Funds drawn under the acquisition facility will be used to finance the cash portion of accretive acquisitions. The new facility increases the total size of the Company's Silicon Valley Bank credit facilities from \$6 million to \$10 million. The Company has drawn \$2.5 million under the new acquisition credit facility in connection with the acquisition of Meritage. A copy of the full text of the Loan Modification Agreement is included herein as Exhibit 10.2.

The press release announcing the acquisition and the related financing is included herein as Exhibit 99.1 to this Form 8-K.
