**ITEM 8.01 OTHER EVENTS**

On March 18, 2005, Crompton Corporation ( Crompton or the Company ) announced that it entered into a definitive agreement to sell certain assets and assign certain liabilities of its Refined Products business to Sun Capital Partners Group, Inc. (Sun) for \$80 million. The consideration that the Company will receive is subject to adjustment based on the change in certain transferred assets and liabilities of the Refined Products business between December 31, 2004 and the closing date, and to adjustments for retained accounts receivables and accounts payables. The Company currently expects that these adjustments will reduce the proceeds by approximately \$20 to \$25 million. The transaction is subject to regulatory approval and the negotiation of certain ongoing tolling arrangements, and is expected to close during the second quarter of 2005. At closing, the Company will also pre-pay a portion of the manufacturing costs for certain petroleum additives products that will be tolled for the Company by Sun.

The Company has reviewed its accounting treatment of the Refined Products business and determined that the assets of the Refined Products business met the held-for-disposal criteria under FASB Statement No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets, as of March 31, 2005. Accordingly, the Company classified the operations of its Refined Products business as earnings from discontinued operations (net of tax) and the estimated carrying amount of the assets being sold and the liabilities being transferred have been reflected as assets held for sale and liabilities held for sale, respectively, for all periods presented in the Company's March 31, 2005 Form 10-Q. The Company also provided additional disclosures regarding its Refined Products business in the Discontinued Operations footnote included in the Notes to Consolidated Financial Statements. This classification not only affects the March 31, 2005 presentation of financial results, but also the presentation of the financial results of all prior periods. Included herein in Exhibit 99.1 of Item 9.01 are restatements of Items 6 and 8 of Crompton's December 31, 2004 Form 10-K, reclassified to present the Refined Products business as a discontinued operation. This document does not otherwise update or amend any other information included in Items 6 or 8 of Crompton's December 31, 2004 Form 10-K.
