Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Item 8.01 Other Events.

On September 29, 2005, we and certain of our subsidiaries entered into an amendment (the Amendment) to our third amended and restated credit agreement with General Electric Capital Corporation, as administrative agent, Merrill Lynch Capital, a division of Merrill Lynch Business Financial Services Inc., as documentation agent, a co-syndication agent and a co-lead arranger, UBS Securities LLC, as a co-syndication agent, and GECC Capital Markets Group, Inc., as a co-lead arranger (the Credit Facility). The Amendment increases the total amount of credit available to us under the Credit Facility, which consists of two revolving lines of credit, from \$80,000,000 to \$100,000,000, subject to continued covenant compliance.

The Amendment also included the consent of our lenders under the Credit Facility to completion of our acquisitions of Thermo BioStar Inc. (BioStar) and Innogenetics Diagnostica Y Terapeutica, S.A.U. (IDT), both of which closed on September 30, 2005. We acquired BioStar, a leading developer and manufacturer of high-performance, rapid diagnostic tests, including tests for the detection of infectious diseases, from Thermo Electron Corporation for \$52.5 million in cash. IDT, a Spanish distributor of diagnostic products, was acquired from Innogenetics NV for approximately \$11.8 million (or 9.76 million) plus a working capital adjustment payment to be determined and paid during the 4th quarter of 2005 estimated to be approximately \$7.2 million in cash. Our press release describing the acquisitions, which were financed with funds available to us under the Credit Facility, as amended, is attached hereto and incorporated herein by reference.
