Proxy Statement for Annual Meeting of Stockholders to Be Held on June 7, 2006

GENERAL INFORMATION

What is this document? This is the Notice of our 2006 Annual Meeting of Stockholders of iParty Corp. (iParty), combined with our Proxy Statement which provides important information for your use in voting your shares of our common stock, or our various series of convertible preferred stock, at the annual meeting.

Who can vote? You can vote your shares of common stock or your shares of convertible preferred stock if our records show that you owned the shares at the close of business on April 10, 2006, which is the record date for the annual meeting. Shares representing a total of 37,143,709 votes are eligible to vote at the meeting.

Common Stock. You are permitted one vote for each share of common stock you owned at the close of business on April 10, 2006, including (1) shares held in your name as a stockholder of record, and (2) shares held in street name for you as the beneficial owner through a broker, trustee, or other nominee, such as a bank. Thus, as of April 10, 2006, there are 22,547,487 votes eligible to vote at the meeting associated with 22,547,487 shares of common stock. The enclosed proxy card shows the number of shares you can vote.

Preferred Stock. You are permitted one vote for each whole number of shares of our common stock into which the shares of convertible preferred stock are convertible. Thus, as of April 10, 2006, the number of votes eligible to vote at the meeting are 5,686,692 votes associated with 473,901 shares of Series B convertible preferred stock (you are permitted twelve (12) votes for each share of Series B convertible preferred stock), 1,300,000 votes associated with 100,000 shares of Series C convertible preferred stock (you are permitted thirteen (13) votes for each share of Series C convertible preferred stock), 3,500,000 votes associated with 250,000 shares of Series D convertible preferred stock (you are permitted fourteen (14) votes for each share of Series D convertible preferred stock), 2,966,670 votes associated with 296,667 shares of Series E convertible preferred stock (you are permitted ten (10) votes for each share of Series E convertible preferred stock), and 1,142,860 votes associated with 114,286 shares of Series F convertible preferred stock (you are permitted ten (10) votes for each share of Series F convertible preferred stock). In each such case, the number of votes is calculated based on the number of shares you owned at the close of business on April 10, 2006, including (1) shares held in your name as a stockholder of record, and (2) shares held in street name for you as the beneficial owner through a broker, trustee, or other nominee, such as a bank. The enclosed proxy card shows the number of shares you can vote.

Special Voting Rights of Series C and Series D Preferred Stock. The Series C convertible preferred stock is entitled to vote alone for the election of a Series C Director. The Series D convertible preferred stock is entitled to vote alone for the election of a Series D Director. On all other matters, our common stock and our various series of convertible preferred stock vote together as one class on all matters presented at the annual meeting.

How do I vote by proxy? Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back in the enclosed envelope. The proxy holders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxy holders will vote for you on that proposal. Unless you instruct otherwise, the proxy holders will vote in accordance with the Board of Director's recommendation below.

How does the board of directors recommend that I vote on the proposal? The Board of Directors recommends that you vote:

FOR the election of all seven nominees to serve as directors.

FOR the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2006.

What if other matters come up at the meeting? The matters described in this proxy statement are the only matters we know that will be voted on at the meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares in their discretion.

Can I change my vote after I return my proxy card? Yes. At any time before the annual meeting, you can change your vote either by sending our Secretary, Mr. Patrick Farrell, a written notice revoking your proxy card or by signing, dating, and returning to us a new proxy card. We will honor the proxy card with the latest date.

Can I vote in person at the meeting rather than by completing the proxy card? Although we encourage you to complete and return the proxy card even if you plan to attend the meeting to ensure that your vote is counted, you can always vote your shares in person at the meeting.

Who will count the votes? The votes cast by holders of shares of our common stock and our various series of convertible preferred stock will be counted, tabulated and certified by the transfer agent and registrar of our common stock and Series B convertible preferred stock, Continental Stock Transfer & Trust Co. Mr. Patrick Farrell, our Secretary, will serve as the inspector of elections at the annual meeting.

Will my vote be kept confidential? Yes, your vote will be kept confidential and we will not disclose your vote, unless (1) we are required to do so by law (including in connection with the pursuit or defense of a legal or administrative action or proceeding), or (2) there is a contested election for the Board of Directors. The inspector of elections will forward any written comments that you make on the proxy card to our Board of Directors and Chief Executive Officer without providing your name, unless you expressly request disclosure on your proxy card.

What do I do if I am a beneficial owner and my shares are held in street name ? If your shares are held in the name of your broker, a bank, or other nominee, that party will give you instructions for voting your shares, which should be enclosed with this document.

What constitutes a quorum? In order for business to be conducted at the meeting, a quorum must be present. The presence, in person or by proxy, of the holders of a majority of the shares of each class of common stock issued and outstanding and entitled to vote at the annual meeting is necessary to constitute a quorum at the annual meeting.

Shares of common stock and convertible preferred stock represented in person or by proxy (including broker non-votes, if any, and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for the purpose of determining whether a quorum exists. Broker non-votes are those shares that are held in street name by a broker, bank, or other nominee that indicates on its proxy that it does not have discretionary authority to vote on a particular matter. We do not believe that there are any such matters to be voted upon at this year's meeting.

If a quorum is not present, the meeting will be adjourned until a quorum is obtained. Under our bylaws, notice need not be given of any such adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, our stockholders may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, our by-laws require that a notice of the adjourned meeting

be given to each stockholder of record entitled to vote at the meeting.

What is the voting requirement to approve each proposal? In the election of directors, the persons receiving the most number of FOR votes at the meeting will be elected. Holders of shares of Series C convertible preferred stock alone are entitled to cast votes in respect of the election of the Series C Director. Holders of shares of Series D convertible preferred stock alone are entitled to cast votes in respect of the election of the Series D Director. The proposal to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2006 requires the affirmative vote of a majority of the votes cast at the meeting by the holders of outstanding shares of all classes of our stock entitled to vote thereon who are present at the meeting either in person or by proxy.

Votes withheld for a particular director nominee and broker non-votes, if any, will have no effect on the outcome of the election of directors. Neither abstentions nor broker non-votes, if any, will have an effect on the voting of the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm.

What are broker non-votes ? If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from you, as the beneficial owner. We do not believe that there are any such matters to be voted upon at this year's meeting. Thus, broker non-votes will not affect the outcome of any matter being voted at the meeting, assuming that a quorum is obtained.

Where can I find the voting results? We will report the voting results in our Quarterly Report on Form 10-Q for the second quarter of fiscal 2006, which we expect to file with the Securities and Exchange Commission (SEC) in August 2006. The results will be contained in Part II, Item 4 of that Quarterly Report, which will be available via Internet on the Investor Relations page of our licensed website at www.iparty.com and on the SEC's website, www.sec.gov.

Who pays for this proxy solicitation? We do. In addition to sending you these materials, one of our officers, directors or employees may contact you by telephone, by mail, or in person. None of these persons will receive any extra compensation for doing this.

Where can I get directions to the meeting? The meeting will be held in the offices of Posternak Blankstein & Lund LLP on the 33rd floor of the Prudential Tower, 800 Boylston Street, Boston, MA. Directions to the meeting location are available at www.pbl.com.

How and when may I submit a stockholder proposal for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors? You may submit proposals, including director nominations, for consideration at future stockholder meetings.

Stockholder Proposals: If you are interested in submitting a proposal for inclusion in our proxy statement for next year's annual meeting, or would like to recommend a nominee for director, we must receive your written proposal at our principal executive offices no later than December 21, 2006, which is the 120th calendar day before the one-year anniversary of the proxy statement we are releasing to our stockholders for this year's annual meeting. If the date of next year's annual meeting (or special meeting in lieu of the annual meeting) is moved more than 30 days before or after the anniversary date of this year's meeting, the deadline for inclusion of proposals in our proxy statement will instead be a reasonable time before we begin to print and mail our proxy materials next year. Such proposals also will need to comply with SEC regulations under Rule 14a-8 regarding the inclusion of shareowner proposals in company-sponsored proxy materials. Any proposals should be addressed to:

All directors have access to this e-mail address. Communications intended for our non-management independent directors should be directed to the attention of Mr. Frank Haydu at frankhaydu@yahoo.com.

Does iParty have a policy regarding the attendance of directors at the meeting? Our by-laws do not mandate that members of the Board of Directors must attend the annual meeting of stockholders and we have no separate policy regarding such attendance.

How many directors attended last year's annual meeting? Six of our seven directors were present in person at last year's meeting.

Does iParty have a code of conduct applicable to all directors, officers, and employees? Yes. In accordance with Section 406 of the Sarbanes-Oxley Act, Item 406 of SEC Regulation S-K, and Section 807 of the

enhanced corporate governance rules of the American Stock Exchange, we have adopted a code of business conduct and ethics that is applicable to all our directors, officers and employees and is available on the Investor Relations page on our licensed website at www.iparty.com. Our written code of business conduct and ethics provides for an enforcement mechanism and requires that waiver of its provisions for any of our directors or officers must be approved by our Board of Directors. We are required to disclose any such waivers on a Form 8-K within four business days.

Is the code of conduct publicly available? Yes. Our code of business conduct and ethics is available on the Investor Relations page on our licensed website at www.iparty.com.

(2) The number of shares beneficially owned by each entity, person, director or named executive officer is determined under SEC rules, particularly Rule 13d-3, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, each entity or individual is considered the beneficial owner of any shares as to which they have the sole or shared voting power or investment power. Such persons and entities are also deemed under the same rules to beneficially own any shares that they have the right to acquire within sixty (60) days of April 10, 2006 (i.e., June 9, 2006) through the conversion of convertible preferred stock, the exercise of stock options or warrants or other similar rights. This stock ownership information is based upon information furnished to us by the persons named in the table. The percentage of class is calculated in accordance with Rule 13d-3 and is based on 22,547,487 shares outstanding as of April 10, 2006 plus, as to each holder thereof and no other person, the number of shares (if any) that the person has the right to acquire on or prior to June 9, 2006, through the exercise of stock options or warrants or other similar rights.

(3) Mr. Lessin beneficially owns (1) 2,474,100 shares of common stock, (2) 250,000 shares of common stock that may be acquired upon the exercise of presently exercisable options, (3) 273,268 shares of common stock that may be acquired upon the exercise of presently exercisable warrants, (4) 1,608,750 shares of common stock that may be acquired upon the conversion of 125,000 shares of presently convertible Series B convertible preferred stock, and (5) 2,762,398 shares of common stock which may be acquired upon the conversion of 266,667 shares of presently convertible Series E convertible preferred stock. Consequently, each of Messrs. PROPOSAL 1

ELECTION OF DIRECTORS

The entire Board of Directors, to consist of seven members, will be elected at the annual meeting. The directors elected will serve until re-elected or their successors are elected, which should occur at our next annual meeting in accordance with our by-laws. Our Board of Directors currently consists of Messrs. Perisano, Jevon, Haydu, De Wolf, Schindler, Vassalluzzo and Mrs. Vest. The Board of Directors intends to invite Mr. Lessin a former director, to participate in its meetings as an observer and to invite Mr. Farrell to participate in its meetings by virtue of his position as our President and Chief Financial Officer, but they will not participate in the deliberations of the Board of Directors or its respective committees.

Recommendation of the Board of Directors

The Board of Directors, including each director deemed independent under applicable rules and regulations of the SEC and American Stock Exchange and each member of the Nominating Committee, recommends that the stockholders vote FOR each of the nominees for director named below.

Vote Required

Directors are elected by a plurality of the votes cast. Unless a stockholder withholds authority, a properly signed and dated proxy will be voted FOR the election of the persons named below, unless the proxy contains contrary instructions. Votes withheld will not affect the outcome of the voting with respect to the election of any nominee.

We have no reason to believe that any of the nominees will not be a candidate or will be unable to serve as a director. However, in the event any nominee is not a candidate or is unable or unwilling to serve as a director at the time of the election, the Board of Directors (on recommendation of the Nominating Committee) may either propose to reduce the number of directors or propose a substitute nominee.

The holders of Series C convertible preferred stock are entitled to vote alone for the election of a Series C Director. Mr. Jevon is the designee of the holders of the Series C convertible preferred stock.

The holders of Series D convertible preferred stock are entitled to vote alone for the election of a Series D Director. Mrs. Vest is the designee of the holders of the Series D convertible preferred stock.

Director Independence

Our Board of Directors has determined that each of the seven director-nominees is an independent director as defined under applicable rules of the SEC and American Stock Exchange, except for (1) Mr. Perisano, who serves as our Chief Executive Officer, (2) Mr. Jevon, who is an employee of Boston Millennia Partners, LP, which beneficially owns all of the outstanding shares of our Series C convertible preferred stock, which is entitled to designate the Series C Director, and (3) Mrs. Vest, who is an employee of HM Capital Partners LLC, which beneficially owns all of the outstanding shares of our Series D convertible preferred stock, which is entitled to designate the Series D Director. As a result, the Board of Directors has determined that a majority of the director-nominees are independent under applicable rules of the SEC and American Stock Exchange.

Board Committee Matters

Our Board of Directors has three principal committees: the Audit Committee, the Compensation Committee, and the Nominating Committee. All of the members of each of these committees are independent directors as defined under applicable American Stock Exchange rules and rules of the SEC, including, in the case of the Audit Committee, the additional independence criteria for determining eligibility for director service on audit committees under applicable American Stock Exchange and SEC rules.

In addition to the principal committees described above, our Board of Directors also has a Real Estate Committee, consisting of Messrs. Perisano and Vassalluzzo, which considers, from time to time, certain store location and store lease issues in conjunction with our senior management. Our Board of Directors also has a Finance Committee consisting of Messrs. De Wolf, Haydu, and Vassalluzzo, which considers from time to time certain financing alternatives and strategic opportunities in conjunction with our senior management.

Our Board of Directors has adopted certain corporate governance guidelines which are available on the Investor Relations page on our licensed website at www.iparty.com.

Director Compensation

Section 3(b) of our Amended and Restated 1998 Incentive and Non-Qualified Stock Option Plan (the Stock Option Plan) provides that each non-employee director shall be granted, on the effective date of the commencement of his term as director, options to purchase 25,000 shares of

Edgar Filing: IPARTY CORP - Form DEF 14A

our common stock. It further provides that each of our directors who is not an executive officer shall be granted, on an annual basis on the last trading date in August of each year, options to acquire 25,000 shares of common stock, at an exercise price equal to the fair market value of the underlying common stock on the date of grant.

Pursuant to Section 14(b) of the Stock Option Plan, beginning in 2004, our Board of Directors has voted that, in lieu of the stock option grants described in the preceding paragraph, only independent directors shall be eligible to receive stock options by virtue of their service as directors in amounts to be determined annually by the Board of Directors. Accordingly, at a meeting held on June 8, 2005 our Board of Directors (on recommendation of the Compensation Committee) voted that each independent director (determined to be each of Messrs. De Wolf, Haydu, Schindler and Vassalluzzo) would be granted an option on June 8, 2005 exercisable for the purchase of 40,000 shares of our common stock in respect of his service as a director, plus an additional 20,000 shares for serving on one committee of our Board of Directors, and 10,000 additional shares for service on each additional Board committee. The Board of Directors approved the Compensation Committee's recommendation that each such option would vest in full on December 10, 2005. As a result of these determinations, each of Messrs. De Wolf, Haydu, and Schindler was granted an option exercisable for 80,000 shares (in respect of their service as directors and, in each case, their service on the Audit, Compensation, and Nominating committees). Mr. Vassalluzzo was granted an option exercisable for 70,000 shares (in respect of his service as a director and his service on the Nominating and Real Estate committees). Each of these stock option grants were made pursuant to the Stock Option

Plan, at an exercise price equal to the market price of our common stock at the close of business on the grant date.

At that same meeting held on June 8, 2005, the Board of Directors also voted to accept the Compensation Committee's recommendation that Mr. Haydu be paid a \$10,000 cash payment for serving as Chairman of the Audit Committee. Mr. Haydu recused himself from this vote. In addition, the Compensation Committee recommended to the Board of Directors that it accept our management's proposal to engage Mr. Vassalluzzo as a part-time consultant to our company for a one-year period at an annual fee of \$60,000. The Board of Directors voted in favor of the Compensation Committee's recommendation and our management's proposal in this regard.

Certain Reports; Compliance with Section 16(a) of the Exchange Act

No person who, during the fiscal year ended December 31, 2005, was a director, officer or beneficial owner of more than ten percent of our common stock (which is the only class of our securities registered under Section 12 of the Exchange Act), failed to file on a timely basis, reports required by Section 16 of the Exchange Act during the most recent fiscal year, except for (1) late filings on Form 4 in respect of stock option grants made on June 8, 2005 to each of Mr. De Wolf, Mr. Haydu, Mr. Schindler and Mr. Vassalluzzo, which were filed on August 9, 2005. The foregoing is based solely upon our review of Forms 3 and 4 during the most recent fiscal year as furnished to us under Rule 16a-3(d) under the Act, and Forms 5 and amendments thereto furnished to us with respect to our most recent fiscal year.

EXECUTIVE COMPENSATION

The following report and the stock performance graph on page 19 do not constitute soliciting materials and are not considered filed or incorporated by reference into any other filing we make with the SEC, unless we state otherwise.

Report of the Compensation Committee

This report sets forth the duties of the Compensation Committee and the current strategy and components of iParty Corp. s (iParty) compensation programs for our executive officers. This report also describes the basis on which the committee made compensation determinations with respect to our executive officers for the year ended December 31, 2005.

Compensation Committee Participation. The Compensation Committee, currently composed of three non-employee directors who qualify as independent under applicable SEC and American Stock Exchange rules, is responsible for the review and recommendation to the full Board of Directors of the compensation of iParty s Chief Executive Officer, review and approval of the compensation of our other executive officers pursuant to employment agreements between iParty and such executive officers, and review and approval of other employee benefit plans. The Committee also reviews and makes recommendations to the full Board regarding compensation arrangements involving iParty s directors. We are aware of no interlocking compensation committee relationships between our directors and executive officers and the directors and executive officers of any other public company. The Committee s goals are to:

provide compensation competitive with similar companies;

reward executives consistent with the performance of iParty;

recognize individual performance;

retain, attract and motivate qualified executives and directors; and

encourage our executives and directors to increase stockholder value by aligning their interests with the interests of our stockholders.

Edgar Filing: IPARTY CORP - Form DEF 14A

To achieve these goals, the Committee considers three basic elements in determining total compensation for iParty's executive officers: base salary, annual cash bonus, and stock options. The Committee intends to review its compensation policies from time to time in order to take into account factors which are unique to iParty.

Base Salary. The base salaries of our executive officers are set forth in employment agreements entered into by iParty and our executive officers. In considering the appropriate base salaries in connection with such agreements, the Committee considers competitive industry salaries, the nature of the officer's position, the officer's contribution and experience, and the officer's length of service. Base salaries are conservatively pegged to a level we subjectively believe to be competitive with the average levels of base salary in organizations of similar size.

Annual Cash Bonus. The Committee did not approve cash bonuses to executive officers relating to their 2005 performance.

Stock Options. The Committee assists the Board in administering iParty's Stock Option Plan, which rewards executives, other employees and directors for delivering long-term value to our stockholders. The goals of our stock option plans are to:

reward executives, other employees, and directors for long-term strategic management and the enhancement of stockholder value through appropriate equity ownership in iParty;

support a performance-oriented environment that rewards plan participants for improving the iParty's financial performance; and

attract, retain and motivate key executives, other employees and directors critical to iParty's long-term success.

The Committee did not grant any stock options to our executive officers in 2005. On the Committee's recommendation, on June 8, 2005 the full Board of Directors granted stock options exercisable for an aggregate of 310,000 shares of iParty's common stock to our independent directors, as more fully described in page 11 of this year's proxy statement to our stockholders.

On the Committee's recommendation, on September 21, 2005, the Board approved the full acceleration of the vesting of each otherwise unvested stock option that had an exercise price of \$0.69 or greater granted that were currently held by employees and officers. As a result, options to purchase approximately 1.0 million shares, including approximately 615,000 options held by our executive officers became immediately exercisable.

Compensation of Chief Executive Officer. At the beginning of fiscal 2005, Sal Perisano, our Chief Executive Officer, was paid at an annualized base salary rate of \$275,000, which increased on March 31, 2005 to \$287,500 pursuant to the terms of our employment agreement with Mr. Perisano, dated May 14, 2004. Under this agreement, Mr. Perisano's annualized base salary rate was further increased to \$300,000 on March 31, 2006.

Compensation of Other Executive Officers. At the beginning of fiscal 2005, Patrick Farrell, our President and Chief Financial Officer, was paid at an annualized base salary rate of \$175,000, which increased on March 31, 2005 to \$185,000 pursuant to the terms of our employment agreement with Mr. Farrell, dated May 14, 2004. Under this agreement, Mr. Farrell's annualized base salary rate was further increased to \$195,000 on March 31, 2006. At the beginning of fiscal 2005, Dorice Dionne, our Senior Vice President, Merchandising and Marketing, was paid at an annualized base salary rate of \$165,000, which increased on March 31, 2005 to \$172,500 pursuant to the terms of our employment agreement with Ms. Dionne, dated May 14, 2004. Under this agreement, Ms. Dionne's annualized base salary rate was further increased to \$180,000 on March 31, 2006.

Indemnification of Directors and Executive Officers

Our certificate of incorporation, as amended, and bylaws provide that iParty shall indemnify all of its directors and officers to the fullest extent permitted by the Delaware General Corporation Law. Under our certificate of incorporation, as amended, and bylaws, any director or officer, who in his or her capacity as such is made or threatened to be made, party to any suit or proceeding, will be indemnified. A director or officer will be indemnified if it is determined that the director or officer acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, iParty's best interests. Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and persons controlling iParty pursuant to the foregoing provision, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy and is, therefore, unenforceable.

We maintain a directors' and officers' liability insurance policy covering certain liabilities that may be incurred by directors and officers in connection with the performance of their duties. We pay the entire premium for the liability insurance. We have key-person life insurance policies on the lives of each of Mr. Perisano and Ms. Dionne in the amount of \$2,000,000 each.

Certain Relationships and Related Transactions

For information concerning our employment agreements with each of our three executive officers and a one-year part-time consulting agreement with one of our directors, see the discussion beginning on page 15 above under the heading "Employment and Consulting Agreements". In connection with Mr. Perisano's first employment agreement with us, on August 26, 1999 we granted Mr. Perisano options to purchase a total of 434,730 shares of our common stock pursuant to our Stock Option Plan with an exercise price of \$2.00, which was below the then-current market price of \$3.38. OPTION GRANTS IN FISCAL 2005

The Company did not grant stock options to Mr. Perisano, Mr. Farrell or Ms. Dionne in fiscal 2005.

On September 21, 2005, the Board approved the full acceleration of the vesting of each otherwise unvested stock option that had an exercise price of \$0.69 or greater that were then held by employees and officers. As a result, options to purchase approximately 1.0 million shares of our common stock, including options for the purchase of 306,666 shares held by Mr. Perisano, options for the purchase of 153,333 shares held by Mr. Farrell and options for the purchase of 153,333 shares held by Ms. Dionne became immediately exercisable.

OPTION EXERCISES AND YEAR-END VALUE

Mr. Perisano, Mr. Farrell, and Ms. Dionne did not exercise stock options in fiscal 2005. The following table sets forth information concerning the value of unexercised options they held as of the end of fiscal 2005 on December 31, 2005.

Name	Stock Acquired on Exercise	Value Realized (1)	Number of Unexercised Options at Fiscal Year End		Value of Unexercised In-the- Money Options at Fiscal Year End (2)	
			Exercisable	Unexercisable	Exercisable	Unexercisable
Sal Perisano			3,451,875		\$	223,157
Patrick Farrell			1,160,087		\$	80,420
Dorice Dionne			1,901,113		\$	137,553

(1) The value realized upon the exercise of an option is determined by multiplying the number of options exercised by the difference between the market price of the common stock on the date of exercise of the options and the exercise price of the options exercised.

(2) The value of unexercised in-the-money options at the end of fiscal 2005 is determined by multiplying the number of options held by the difference between the market price of the common stock underlying the options on December 31, 2005 (\$0.39 per share, which was the closing price per share of our common stock on the last trading day of our fiscal year, December 30, 2005) and the exercise price of the options.

The Russell 2000 Index is an index of 2,000 small cap domestic equities that rank in capitalization below the 1,000 largest public companies in terms of market capitalization. PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected the independent registered public accounting firm of Ernst & Young LLP (E&Y) to examine and audit our financial statements for the year ending December 30, 2006. E&Y has no direct or indirect financial interest in iParty.

E&Y audited and reported upon our financial statements for fiscal 2005. In connection with that audit, E&Y also reviewed our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, quarterly financial statements for the fiscal quarters ended March 26, 2005, June 25, 2005, and September 24, 2005, and our filings with the SEC, and consulted with management as to the financial statement implications of matters under consideration. We expect that one or more representatives of E&Y will be present at the annual meeting. They will be afforded an opportunity to make a statement at the annual meeting if they desire to do so and to respond to appropriate questions by stockholders.

Our Board of Directors has appointed an Audit Committee, comprised of Mr. Frank Haydu (Chairman), Mr. Daniel De Wolf, and Mr. Eric Schindler. Each member of our Audit Committee is independent as defined under applicable rules of the SEC and the American Stock Exchange. Our Board of Directors has also determined that each of Messrs. Haydu, De Wolf and Schindler is an audit committee financial expert as defined by applicable regulations promulgated by the SEC pursuant to Section 407 of the Sarbanes-Oxley Act.

Vote Required

The proposal to ratify the selection of E&Y as our independent registered public accounting firm for fiscal 2006 requires the affirmative vote of a majority of the votes cast at the meeting by the holders of outstanding shares of all classes of our stock entitled to vote thereon who are present at the meeting either in person or by proxy. Broker non-votes, if any, are not deemed to represent shares entitled to vote on the matter and will thus have no effect on the outcome of the vote. Abstentions will not be counted as votes cast in favor of or in opposition to the selection of E&Y and will thus have no effect on the voting with respect to this matter.

Recommendation of the Board of Directors

The Board of Directors and the Audit Committee each recommend a vote FOR the ratification of the Audit Committee's selection of E&Y as our independent registered public accounting firm for the fiscal year ending December 30, 2006. Stockholder ratification of the selection of E&Y is not required. However, if the stockholders do not ratify the selection, the Audit Committee will take that into account in future deliberations. The Audit Committee will retain the ultimate discretion to appoint or terminate the appointment of our independent registered public accounting firm, irrespective of the outcome of this proposal.

Report of the Audit Committee

The following report does not constitute soliciting material and is not considered filed or incorporated by reference into any other filing we make with the SEC, unless we state otherwise.

The Audit Committee hereby states that it:

Has reviewed and discussed the audited financial statements as of and for the year ended December 31, 2005 with iParty's management;

Has discussed with iParty's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as may be modified or supplemented;

Has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with the independent auditors the independent auditors' independence; and

Based upon the above mentioned reviews and discussions, has recommended to the Board of Directors of iParty that the audited financial statements be included in iParty's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

The Audit Committee is solely responsible for the selection, compensation and oversight of the work of the independent registered public accounting firm for the purpose of preparing and issuing an audit report.

Management has primary responsibility for iParty's financial statements and the overall reporting process, including iParty's system of internal controls.

The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of iParty in conformity with generally accepted accounting principles and discuss with us any issues they believe should be raised with us.

Edgar Filing: IPARTY CORP - Form DEF 14A

The Audit Committee oversees the financial reporting process on behalf of the Board of Directors, reviews iParty's financial disclosures, and meets privately, outside the presence of management, with the independent auditors to discuss internal accounting control policies and procedures. These discussions address the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in iParty's financial statements. The Audit Committee reports on these meetings to the Board of Directors.

Pursuant to applicable American Stock Exchange rules, the Audit Committee certifies that it has adopted a formal written Audit Committee Charter and that the Audit Committee has a policy in accordance with said rules of the American Stock Exchange of reviewing and reassessing the adequacy of the Audit Committee Charter on an annual basis.

During 2005, iParty paid no fees to Ernst & Young LLP for consulting work outside of the review and audit of their financial statements and related tax research and compliance tax return preparation.

The members of the Audit Committee believe that they are each independent as defined under applicable rules and standards including, without limitation Section 121(A) and 803(e) thereof of the American Stock Exchange's current listing standards, although such standards are subject to future change. The Board of Directors has determined that each of Messrs. Haydu, De Wolf and Schindler qualifies as an audit committee financial expert under applicable SEC rules.

Based on its review and discussions, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that iParty's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2005, which was filed with the SEC on March 30, 2006.

Fees to Registered Independent Public Accounting Firm for Fiscal 2004 and 2005

The following table represents fees for professional services rendered by E&Y for the audit of our annual financial statements for fiscal 2004 and fiscal 2005 and fees billed for audit-related services, tax services, and all other services by E&Y in fiscal 2004 and fiscal 2005.

	Fiscal 2004	Fiscal 2005
Audit Fees	\$ 235,737	\$ 243,500
Audit Related Fees	0	0
Tax Fees	78,550	30,500
All Other Fees	0	0

Audit Fees

These are fees related to professional services rendered in connection with the audit of our annual financial statements included in our Annual Report on Form 10-K for fiscal 2004 and fiscal 2005, the audit of management's assessment of our internal control over financial reporting, the reviews of the financial statements included in each of our Quarterly Reports on Form 10-Q, and accounting consultations that relate to the audited financial statements and are necessary to comply with generally accepted auditing standards. E&Y expresses its views concerning, but does not audit, and is not required to audit, our internal control over financial reporting.

Audit-Related Fees

We did not pay E&Y for any audit-related fees in fiscal 2004 or fiscal 2005. Audit-related fees would be fees for things such as assurance and related services, such as audits of employee benefit plans.

Tax Fees

These are fees for professional services related to tax return preparation services and tax compliance services.

Audit Committee's Pre-approval Policy and Procedures

The Audit Committee of our Board of Directors has adopted policies and procedures for the pre-approval of audit and non-audit services for the purpose of maintaining the independence of our independent auditors. We may not engage our independent auditors to render any audit or non-audit service unless either the service is approved in advance by the Audit Committee or the engagement to render the service is entered into pursuant to the Audit Committee's pre-approval policies and procedures. The Audit Committee may pre-approve services that are expected to be provided to iParty by the independent auditors during the following 12 months. At the time such pre-approval is granted, the Audit Committee must (1) identify the particular pre-approved services in a sufficient level of detail so that management will not be called upon to make judgment as to whether a proposed service fits within the pre-approved services and (2) establish a monetary limit with respect to each particular pre-approved service, which limit may not be exceeded without obtaining further pre-approval under the policy. At regularly scheduled meetings of the Audit Committee, management or the independent auditors must report to the Audit Committee regarding each service actually provided to iParty.

During fiscal 2005, no services were provided to iParty by E&Y other than in accordance with the pre-approval policies and procedures described above, except for services provided by E&Y related to the preparation of iParty's 2004 tax extensions and tax returns. These services, estimated of \$30,000, were subsequently approved by the Audit Committee.
