Item 1.01 Entry into a Material Definitive Agreement.

On December 22, 2006, Vista Gold Corp. (Vista) announced that, subject to a number of conditions, it has agreed to loan up to \$200,000 by way of a 90 day term loan, bearing interest at a rate of 12% per annum, to Luzon Minerals Ltd. (Luzon) for Luzon to pay down debts already incurred and ongoing expenses in connection with the Amayapampa Project and Luzon 's Lipichi project both located in Bolivia. The loan is to be secured by a general security agreement in favor of Vista. In addition, Vista recently entered into a letter of understanding with Luzon and Republic Gold Limited (Luzon 's strategic partner) to reconstitute the affairs of Luzon to ensure that Luzon 's strategic development is advanced in the best interest of its shareholders. As part of Luzon 's reconstitution, Michael Richings, the President and Chief Executive Officer of Vista, has agreed to be appointed as a director of Luzon. As previously announced, Vista and Luzon are parties to an agreement pursuant to which Vista agreed to sell its interest in the Amayapampa Project to Luzon. The sale of the project has yet to be completed and Vista continues to hold its interest in the project pending completion of this transaction.

The above-referenced loan agreement and related general security agreement are filed as Exhibits 10.1 and 10.2, respectively, to this Form 8-K and are incorporated herein by reference. The description of the material terms of the loan agreement is qualified in its entirety by reference to such exhibits.
