**CBS CORPORATION**

April 27, 2007

This filing is being made to correct an error contained in the Company's proxy statement dated April 13, 2007 relating to the Company's 2007 Annual Meeting of Stockholders to be held on May 23, 2007. The Company mistakenly characterized amounts related to a director's business use of the Company aircraft as personal use and, as a result, incorrectly listed compensation under the "All Other Compensation" column of the "Outside Director Compensation During 2006" table set forth on page 23 of the proxy statement, which was further described in footnote (6) on page 25 of the proxy statement. The erroneously reported compensation has been deleted and the corrected table and the deletion of footnote (6) are reflected on the following revised pages 23 and 25 which are incorporated into the Company's proxy statement by reference. Page 24 of the proxy statement, which does not contain any revisions, is also included for convenience.

(1) Reflects cash amounts earned in 2006 for the annual board retainer, committee chair retainers, and meeting fees for board and committee meetings, including a committee chair retainer and meeting fees for a special litigation committee that met 4 times during 2006. For 2006, Messrs. Andelman, Califano, Cohen, Gifford and Mses. Redstone and Reese deferred these amounts under the CBS Corporation Deferred Compensation Plan for Outside Directors.

(2) Amounts reflect the 2006 compensation expense associated with stock-based awards (RSUs) granted in 2006 and in prior years. However, in accordance with SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions, which would otherwise be taken into account under SFAS No. 123 (revised 2004) Share-Based Payment (SFAS 123R). These amounts reflect the Company's accounting expense for these awards and may not correspond to the actual value recognized by the director. Differences in the amounts shown among Board members largely reflect differences in length of service. The expense is calculated in accordance with SFAS 123R. See RSUs and Restricted Shares in Note 12 to the audited 2006 consolidated financial statements on pages II-69 II-70 in the Company's Form 10-K for the fiscal year ended December 31, 2006, for a discussion of the assumptions made in calculating these amounts.

Edgar Filing: CBS CORP - Form DEFA14A

(b) Amounts reflect the aggregate number of stock awards outstanding as of the date of the indicated director's departure as noted in footnote (4) below. An award of 2,105 RSUs for this director was forfeited as a result of his or her leaving the Board during 2006 prior to the vesting of the RSUs.

(3) Amounts reflect the 2006 compensation expense, calculated in accordance with SFAS 123R, associated with stock option awards made in 2006 and in prior years. However, in accordance with SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions, which would otherwise be taken into account under SFAS 123R. These amounts reflect the Company's accounting expense for these awards and may not correspond to the actual value recognized by the director. Differences in the amounts shown among Board members largely reflect differences in length of service. See "Stock Options" in Note 12 to the audited 2006 consolidated financial statements on pages II-66 II-69 in the Company's Form 10-K for the fiscal year ended December 31, 2006, for a discussion of the assumptions made in calculating these amounts.

The outstanding option awards held by each of the directors named in the table as of the end of fiscal year 2006 (except as otherwise noted), and the fair value of the option awards granted during 2006 on the date of grant using the Black-Scholes option-pricing model, are as follows:

- (b) Amounts reflect the fair value, in accordance with SFAS 123R, of options to purchase 5,093 shares of the Company's Class B Common Stock granted pursuant to annual grants awarded to directors on January 31, 2006.
- (c) Awards of options to purchase 5,093 shares of the Company's Class B Common Stock granted on January 31, 2006, to each director indicated, and options to purchase 12,734 shares of the Company's Class B Common Stock granted on January 3, 2006, to Ms. Reese and Spriester, were forfeited as a result of such director's leaving the Board during 2006. Amounts reflect the aggregate number of option awards outstanding as of the date of the indicated director's departure as noted in footnote (4) below.
- (4) The following directors left the Board during 2006: Philippe P. Dauman, effective September 6, 2006; Ann N. Reese, effective October 30, 2006; Judith A. Spriester, effective December 13, 2006; and Robert D. Walter, effective May 26, 2006.
- (5) Mr. Dauman formerly served as an executive officer of Former Viacom. The present value as of December 31, 2006 of all pension benefits accrued in connection with this service is \$1,529,098, which represents a change of -\$12,798 from December 31, 2005. The present value is reduced, even though the monthly annuity remains the same, due to the fact that he has not yet started to receive payments and would, based on the current mortality tables, receive fewer total payments over his expected lifetime.
