On September 12, 2007, the Board of Directors elected Mary Dillon and Derica W. Rice as directors of Target Corporation.

Ms. Dillon is Executive Vice President and Global Chief Marketing Officer of McDonald's Corporation. Ms. Dillon was also named to the Executive Committee and the Corporate Governance Committee of the Board, and has been designated as a Class III director. Her initial term will expire in 2009.

Mr. Rice is Senior Vice President and Chief Financial Officer of Eli Lilly and Company. Mr. Rice was also named to the Executive Committee and the Corporate Governance Committee of the Board, and has been designated as a Class II director. His initial term will expire in 2008.

Also on September 12, 2007, the Board of Directors approved amendments to certain of our deferred compensation plans in connection with our efforts to bring these plans into compliance with Section 409A of the Internal Revenue Code. The amendments include the addition of a feature that allows participants to elect to receive their deferred compensation balances on fixed future dates, including while still actively employed, with such distribution dates beginning as early as calendar year 2008. The plans previously permitted distribution only following termination of employment. These amendments do not change the amount of benefits to participants under the plans.

The effected plans are the Amended and Restated Deferred Compensation Plan Senior Management Group, the Amended and Restated SMG Executive Deferred Compensation Plan and the Amended and Restated Director Deferred Compensation Plan.
