-

**Explanatory Note**

This report on Form 8-K/A hereby amends and restates, in its entirety, the Company's report on Form 8-K originally filed with the Securities and Exchange Commission on March 6, 2008 to reflect a revision to paragraph 2 of Item 8.01 Other Events which incorrectly described the Company's convertible notes as Secured rather than Subordinated.

**Item 8.01. Other Events**

1. Repayment of Senior Secured Note

Photonic Products Group, Inc. (PPGI, the Company), announced that it will prepay its Senior Secured Promissory note dated to mature on December 31, 2008. This note was originally issued on June 30, 2003 and is held by Clarex Limited, a major investor in the Company. Repayment of the \$1,700,000 principal and accrued interest totaling \$477,444 will be made on or about March 7, 2008. With the repayment of this secured note, the Company will have no other secured debt or borrowings secured by a general lien or security interest on its assets.

2. Extension of Maturity Date on Outstanding Convertible Notes

The Company also announced that the maturity dates of the Company's \$1,000,000 and \$1,500,000 Subordinated Convertible 6% Promissory Notes were extended by mutual agreement between the Company and the holder of the notes, Clarex Limited, from December 31, 2008 to April 1, 2009.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, hereunto duly authorized.

Date: March 7, 2008
