EXPLANATORY NOTE

This Amendment No. 1 on Form 10-K/A (this Amendment) amends the Registrant's Annual Report on Form 10-K for the year ended September 30, 2008, which the Registrant previously filed with the Securities and Exchange Commission on December 2, 2008 (the Original Filing). The Registrant is filing this Amendment solely to add the stock performance graph required pursuant to Item 5 of Form 10-K, which was inadvertently omitted from its annual report to stockholders. In addition, as required by Rule 12b-15 under the Securities Exchange Act of 1934, new certifications by our principal executive officer and principal financial officer are filed as exhibits to this Amendment. Except as described above, the Original Filing has not been amended, updated or otherwise modified.

PART II

Item 5. Market for Registrant's Common Equity, Related Stockholder Matters and Issuer Purchases of Equity Securities

Performance Measurement Comparison (1)

The following graph shows the cumulative total stockholder return on an investment of \$100 in cash on September 30, 2003 for (i) our common stock, (ii) the Standard & Poor's 500 Index (the S&P 500) and (iii) our peer group. Our peer group is composed of Allied Capital Corporation and American Capital Strategies, Ltd. We are primarily a mezzanine lender that focuses on investments in senior, senior subordinated, and junior subordinated debt as well as warrants and other equity-like instruments. The companies that we have selected for our peer group are also business development companies and engage in similar investment activity; however, they have a higher focus on equity investments and buyout transactions than we do. We wish to include companies that share a more closely aligned focus in their investment activities in our peer group, and believe that companies such as Ares Capital Corporation and Apollo Investment Corporation more closely share our investment focus. However, due to the fact that these companies have less than five years of history as publicly traded companies, we did not have sufficient data available to include these companies in our peer group. Thus, our peer group has not been modified. The returns of each company assume reinvestment of dividends and have been weighted according to their respective stock market capitalization for purposes of arriving at a peer group average.

(1) This section is not soliciting material, is not deemed filed with the Securities and Exchange Commission, and is not to be incorporated by reference in any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date hereof and irrespective of any general incorporation language contained in any such filing.
