***In connection with the proposal to be voted on by Seagate s shareholders to approve the Option Exchange Program, Seagate has filed a preliminary proxy statement with the SEC and intends to file other relevant materials with the SEC, including a definitive proxy statement. Seagate shareholders are advised to read such materials as and when they become available and before making any decisions regarding the Option Exchange Program, because they will contain important information about the proposal to be voted on by shareholders with respect to the Option Exchange Program.***
