Issuer Free Writing Prospectus dated September 24, 2009

Relating to Preliminary Prospectus Supplement dated September 22, 2009

Registration Statement Nos. 333-157751 and 333-162056

Incyte Corporation

18,000,000 Shares of Common Stock

The following information relates only to the securities described below and should be read together with the preliminary prospectus supplement dated September 22, 2009, including the documents incorporated by reference therein and the accompanying prospectus dated April 16, 2009 and the documents incorporated by reference therein relating to these securities. The following information supplements and updates the information contained in the preliminary prospectus supplement and accompanying prospectus.

Issuer:	Incyte Corporation, a Delaware corporation
Ticker / Exchange:	INCY / The NASDAQ Global Market
Title of Securities:	Common stock, \$.001 par value per share, of the Issuer (Common Stock)
Shares Offered and Sold:	18,000,000 shares of Common Stock (or 20,700,000 shares if the underwriters exercise their option to purchase additional shares in full).
	As part of this offering, the underwriters are selling an aggregate of 2,000,000 shares of Common Stock to entities affiliated with Julian C. Baker, one of the Issuer's directors and principal stockholders.
Last Reported Sale Price of Common Stock on The NASDAQ Global Market on September 24, 2009:	\$6.88
Initial Price to Public:	\$6.75
Use of Proceeds:	The Issuer estimates that the net proceeds from the sale of the 18,000,000 shares of Common Stock in the offering will be approximately \$114.7 million, after deducting the underwriting discount and estimated offering expenses, or approximately \$132.0 million if the underwriters exercise their option to purchase additional shares in full.

Edgar Filing: INCYTE CORP - Form FWP

The Issuer intends to use the net proceeds from this offering for general corporate purposes, including research and development purposes.

Concurrently with this offering, the Issuer is offering \$350,000,000 principal amount of its 4.75% Convertible Senior Notes due 2015 (the Notes) (or a total of \$400,000,000 principal amount if the initial purchasers in that offering exercise in full their option to purchase additional Notes) in a separate private offering to qualified institutional buyers. The Notes will be convertible into shares of Common Stock, or shares of preferred stock, \$.001 par value per share, of the Issuer (Preferred Stock) in lieu of Common Stock, at

an initial conversion rate of 113.9601 shares of Common Stock per \$1,000 principal amount of Notes (subject to adjustment in certain circumstances), which represents an initial conversion price of approximately \$8.78 per share. As part of that offering, the initial purchasers are selling an aggregate of \$160,000,000 principal amount of the Notes to entities affiliated with Julian C. Baker, one of the Issuer's directors and principal stockholders. The Issuer estimates that the net proceeds from its concurrent private offering of the Notes will be approximately \$338.8 million, or \$387.3 million if the initial purchasers' option to purchase additional Notes is exercised in full. The Notes and the Common Stock, or shares of Preferred Stock in lieu of Common Stock, issuable upon conversion of the Notes have not been and will not be registered under the Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from registration.

The Issuer intends to use the net proceeds from the concurrent offering of Notes to repurchase or otherwise retire outstanding debt, including its 3½% Convertible Senior Notes due 2011 and 3½% Convertible Subordinated Notes due 2011, through open market transactions, negotiated transactions or otherwise, and, to the extent not used to repurchase or otherwise retire outstanding debt, for general corporate purposes. The Issuer has agreed to repurchase \$38.3 million aggregate principal amount of its 3½% Convertible Senior Notes due 2011 and \$59.1 million aggregate principal amount of its 3½% Convertible Subordinated Notes due 2011 from entities affiliated with Julian C. Baker, one of the Issuer's directors and principal stockholders, and expects to repurchase, upon the closing of this offering, an additional \$48.0 million aggregate principal amount of its 3½% Convertible Senior Notes due 2011 and an additional \$40.9 million aggregate principal amount of its 3½% Convertible Subordinated Notes due 2011 pursuant to privately negotiated transactions with other holders, and intends to use a portion of the net proceeds from the offering of Notes for these repurchases.
