**Item 2.02 Results of Operations and Financial Condition.**

Attached and incorporated herein by reference as Exhibit 99.1 is a copy of a corrected press release of Baltic Trading Limited (the Company), dated August 9, 2010, reporting the Company's financial results for the second quarter ended June 30, 2010. The corrected press release corrects a clerical error in the amounts reported for weighted average shares outstanding diluted as described therein, which were correctly reported in the Company's Quarterly Report on Form 10-Q filed on August 9, 2010. The amounts of earnings per share and dividends per share as reported in the original press release for the Company's financial results for such quarter are unchanged.

The information set forth under Item 2.02 Results of Operations and Financial Condition, including the Exhibit attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, as amended, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.
