Executive Officer Changes

On June 1, 2012, CubeSmart (the Company) announced that Dean Jernigan, its current Chief Executive Officer, notified the Company's Board of Trustees that he intends to retire as CEO and as a member of the Company's Board upon the expiration of his current employment agreement on December 31, 2013.

Christopher Marr, currently the Company's President and Chief Investment Officer, has been named to the additional position of Chief Operating Officer. Mr. Marr's promotion was made effective by the Company's Board of Trustees on May 30, 2012.

A copy of the Company's press release announcing these changes is filed as Exhibit 99.1 to this Form 8-K and incorporated by reference herein.

Grant to Dean Jernigan

On May 30, 2012, the Company's Board of Trustees awarded Mr. Jernigan an equity-based performance award in the form of Performance Share Units or PSUs. Each PSU represents the right to earn common shares of the Company, subject generally to Mr. Jernigan's continued service with us through December 31, 2013 (the Retirement Date). The number of common shares issued for each PSU will be determined based on the 30-day average price of the Company's common shares on June 30, 2014 (the Post-Retirement Measurement Date). The Board structured the award to promote the Company's retention and succession planning activities and to solidify an effective leadership transition as well as be aligned with long-term shareholder interests. Mr. Jernigan was granted 274,668 PSUs, which had a grant date fair value of \$11.07 for each PSU. The number of common shares, if any, to be issued to Mr. Jernigan will equal the product of (i) 274,668 multiplied by (ii) a conversion factor (not to exceed 1.50) equal to the average closing price of the Company's common shares for the 30-trading days preceding the Post-Retirement Measurement Date (the Average Price) divided by \$11.32, provided that if the Average Price is less than \$5.66 then no shares will be issued. In the event of Mr. Jernigan's death, disability, termination without cause or for good reason, or upon a change of control prior to the Post-Retirement Measurement Date, then the conversion factor shall be fixed at one. The Company retains the right to settle the award in cash based on the market price of the common shares at the settlement date.

The foregoing description of the PSUs is qualified in its entirety by reference to the Performance Share Unit Award and Agreement, a copy of which is filed as Exhibit 10.1 to this Form 8-K and incorporated by reference herein.
