Item 1.01 Entry into a Material Definitive Agreement.

On June 19, 2012, CubeSmart (the *Company*) and CubeSmart, L.P. (the *Operating Partnership*) executed and delivered an underwriting agreement (the *Underwriting Agreement*), by and among the Company, the Operating Partnership, and Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC, as representatives of the several Underwriters named in Exhibit A thereto (the *Underwriters*), relating to the public offering by the Operating Partnership of \$250 million aggregate principal amount of the Operating Partnership's 4.80% senior notes due July 15, 2022 (the *Notes*). The Company has fully and unconditionally guaranteed the payment of principal, the make-whole premium, if any, and interest on the Notes (the *Guarantee*). The offering is expected to close on June 26, 2012, subject to customary closing conditions. Under the terms of the Underwriting Agreement, the Company and the Operating Partnership have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the *Securities Act*), or to contribute payments that the Underwriters may be required to make because of any of those liabilities. The Underwriting Agreement contains customary representations and covenants. The offer and sale of the Notes and related Guarantee were registered with the Securities and Exchange Commission (the *Commission*) pursuant to a registration statement on Form S-3 (File No. 333-176885) (as the same may be amended and/or supplemented, the *Registration Statement*), under the Securities Act.

The Notes and the Guarantee will be issued pursuant to a base indenture dated as of September 16, 2011, between the Company, the Operating Partnership, and U.S. Bank National Association as trustee, as supplemented by a first supplemental indenture expected to be dated as of June 26, 2012. The Operating Partnership intends to use the net proceeds from this offering to reduce outstanding borrowings under its unsecured revolving credit facility and for general corporate purposes, including acquisitions, investments in joint ventures and repayment or repurchase of other indebtedness. Affiliates of each of the Underwriters act as lenders and/or agents under the Company's unsecured revolving credit facility and those affiliates therefore may receive a portion of the proceeds from the offering of the Notes and related Guarantee through the repayment of those borrowings.

The foregoing is not a complete discussion of the Underwriting Agreement and is qualified in its entirety by reference to the full text of the Underwriting Agreement attached to this Current Report on Form 8-K as Exhibit 1.1 and incorporated herein by reference.
