Item 1.01. Entry into a Material Definitive Agreement.

On October 1, 2012, the Company entered into an Aircraft Purchase Agreement in Respect of One (1) Erickson S-64F Aircraft Manufacturer's Serial Number 64095 (the Agreement) with San Diego Gas & Electric Company (SDG&E), pursuant to which the Company will purchase one Erickson model S-64 Airplane and associated inventory and accessories from SDG&E for a total purchase price of \$21.75 million. The S-64 Airplane that was the subject of the Agreement was originally purchased by SDG&E from the Company in 2009. As a result of this transaction, SDG&E's put option right with respect to the S-64 Airplane, which would have been exercisable by SDG&E in July of 2013, was extinguished. Additionally, the Agreement terminated a preexisting cost per hour contract between the Company and SDG&E related to support of this S-64 Airplane. The Company and SDG&E have made certain customary representations, warranties and covenants in the Agreement.

The description of the Agreement provided above does not purport to be complete and is qualified in its entirety by reference to the full and complete terms of the Agreement, which will be filed as an exhibit to the Company's Annual Report on Form 10-K for the year ending December 31, 2012.

Item 8.01. Other Events.

On October 5, 2012, the Company issued a press release announcing the entry into the Agreement. A copy of the Company's press release is furnished herewith as Exhibit 99.1.
