Item 1.01 Entry Into a Material Definitive Agreement.

Purchase Agreement

On October 16, 2012, HCP, Inc. (HCP), a Maryland corporation, entered into a definitive purchase agreement (the Purchase Agreement) with Emeritus Corporation (Emeritus) and a joint venture (the Joint Venture) between Emeritus and Blackstone Real Estate Partners VI, an affiliate of The Blackstone Group, to acquire 133 senior housing communities (the Communities) (the Acquisition). The Communities, which are located in 29 states, encompass 10,350 units and represent a diversified mix of 61% assisted living units, 25% independent living units, 13% memory care units and 1% skilled nursing units. The closing of the Acquisition is subject to obtaining regulatory approvals and other customary closing conditions. HCP expects the Acquisition to close in phases beginning mid to late November 2012. However, there can be no assurance that the Acquisition will close or, if it does, when such closing will occur. The total cash consideration payable by HCP under the Purchase Agreement is \$1.73 billion. HCP expects to acquire the Communities substantially unencumbered by pre-paying substantially all of the in-place secured debt.

The parties have made customary representations, warranties and covenants to each other in the Purchase Agreement. In addition, subject to certain limitations, each of HCP and the Joint Venture has agreed to indemnify each other for losses arising out of breaches of its representations, warranties and covenants. The Purchase Agreement may be terminated under certain circumstances, including by either HCP or the Joint Venture if the consummation of the Acquisition has not occurred by March 31, 2013.

Guaranteed Master Lease

Upon closing of the Acquisition, Emeritus will enter into a new triple-net master lease with HCP in respect of 129 of the Communities (the Master Lease), and individual leases in respect of four of the Communities encumbered with assumed debt (the Ancillary Leases and, together with the Master Lease, the Leases). Emeritus will continue to operate the Communities. The Leases, to the extent they are entered into with a subsidiary of Emeritus, will be guaranteed by Emeritus. The Leases will provide for contractual base rent in the first year of \$105.5 million. The contractual base rent will increase annually by the greater of the percentage increase in the Consumer Price Index (CPI) or 3.7% on average over the initial five years and then by the greater of CPI or 3.0% for the remaining portion of the initial lease term. At the beginning of the sixth year, base rent on 34 of the Communities (characterized as non-stabilized assets) will be increased to the greater of the percentage increase in CPI or to fair market, subject to a floor of 103%, and a cap of 130%, of the prior year's rent. In addition, Emeritus has committed to investing an additional \$30 million in the Communities, representing \$2,900 per unit, to continue improving the operating performance. The Master Lease will be grouped into three comparable pools of properties with initial terms of between 14 and 16 years. Emeritus will be provided with two options to extend the Master Lease, which, if exercised, would extend the lease to terms of between 30 and 35 years.

Emeritus Loan

Concurrently with the closing of the Acquisition, Emeritus will purchase nine additional senior housing communities from the Joint Venture. HCP will provide such entity with \$52 million of debt financing with a four-year term (the Loan). The Loan will be secured by the properties to be purchased by Emeritus and is pre-payable at Emeritus's option. The interest rate payable on the Loan will be equivalent to the yield on the Master Lease, including the annual increases to maturity, and the Loan will be repayable by Emeritus at its option.
