You are receiving these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at the 2011 Annual Meeting of Stockholders.

If your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, as of the close of business on April 29, 2011, you are considered a stockholder of record, and we have sent you this Notice of Annual Meeting and Proxy Statement, together with the enclosed proxy card and our 2010 Annual Report.

If your shares were held in the name of a bank, brokerage account or other nominee as of the close of business on April 29, 2011, you are considered a beneficial owner of the shares held in street name. Your bank, broker or other nominee has sent you this Notice of Annual Meeting and Proxy Statement, together with the enclosed vote instruction form and our 2010 Annual Report.

You have the right to direct your bank, broker or other nominee on how to vote your shares by completing and returning the vote instruction form or by instructing your bank, broker or other nominee by following the telephone or Internet voting instructions provided.

What am I voting on?

You are voting on the three proposals summarized below. Further details of each proposal are included in the next section entitled "Matters to Be Considered at the Annual Meeting."

§Proposal 1: To elect one Class II director (nominee Robert E. Cauley) to serve until the 2014 Annual Meeting of Stockholders and until his successor is duly elected and qualified;

§Proposal 2: To approve the 2011 Long Term Incentive Compensation Plan; and

§Proposal 3: To ratify the selection of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2011.

What are the recommendations of the Board of Directors on how I should vote my shares?

The Board recommends that you vote your shares as follows:

§Proposal 1: FOR the election of the Class II director nominee to serve until the 2014 Annual Meeting of Stockholders and until his successor is duly elected and qualified;

§Proposal 2: FOR approval of the 2011 Long Term Incentive Compensation Plan; and

§Proposal 3: FOR the ratification of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2011.

What are my choices when voting?

§Proposal 1: You may cast your vote in favor of the election of the Class II director nominee or you may elect to abstain from voting your shares.

§Proposal 2: You may cast your vote for or against approval of the 2011 Long Term Incentive Compensation Plan or you may elect to abstain from voting your shares.

§Proposal 3: You may cast your vote in favor of the ratification of BDO USA, LLP or you may elect to abstain from voting your shares.

How will my shares be voted if I do not specify how they should be voted?

The Board of Directors is asking for your proxy. Giving your proxy means that you authorize us to vote your shares at the meeting in the manner you direct. If you sign and return the enclosed proxy card, but do not specify how to vote, your shares will be voted as follows:

§Proposal 1: FOR the election of the Class II director nominee to serve until the 2014 Annual Meeting of Stockholders and until his successor is duly elected and qualified;

§Proposal 2: FOR approval of the 2011 Long Term Incentive Compensation Plan; and

§Proposal 3: FOR the ratification of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2011.

How do I vote?

You may grant a proxy to vote your shares by any one of the following methods:

§By mail: Mark your votes, sign and return the proxy card or vote instruction form in the postage paid envelope provided.

§By Internet: Log onto the website indicated on your proxy card or vote instruction form and follow the instructions provided.

§By telephone: Call the toll-free number shown on your proxy card or vote instruction form and follow the voice prompts.

Alternatively, you may attend the Annual Meeting in person and use a ballot to cast your vote. If you grant a proxy by the Internet or by telephone to vote your shares, you do not need to send in the proxy card or vote instruction form. The deadline for Internet and telephone proxy authorization will be 11:59 PM, Eastern Time, on Thursday, June 9, 2011. If your shares are held in the name of a bank, broker or other nominee, and you wish to vote your shares at the Annual Meeting, you will need to contact your bank, broker or other nominee to obtain a legal proxy form that you must bring with you to the meeting to exchange for a ballot.

What vote is needed for the proposals to be adopted?

As of the close of business on the record date, April 29, 2011, there were 9,842,099 shares of the Company's Class A Common Stock and 31,938 shares of the Company's Class B Common Stock issued and outstanding, representing the only classes of voting stock of the Company issued and outstanding as of such date. Each holder of Class A Common Stock and each holder of Class B Common Stock is entitled to cast one vote per share of Class A Common Stock or Class B Common Stock held on each matter that properly comes before the Annual Meeting. Holders of shares of Class A Common Stock and Class B Common Stock vote together as one class in all matters, except that matters that

would adversely affect the rights and preferences of only one class must be separately approved by the holders of the adversely affected class.

§Quorum: In order to conduct the Annual Meeting, the presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting is required. This is referred to as a quorum. If you submit a properly executed proxy card or authorize a proxy by telephone or by Internet, you will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum. Proxy cards marked as abstaining and broker non-votes on any proposal to be acted on by stockholders will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum.

§Proposals: The vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of directors. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. The affirmative vote of a majority of all of the votes cast at a meeting at which a quorum is present is required to approve the 2011 Long Term Incentive Compensation Plan and to ratify the appointment of BDO USA, LLP. For purposes of the vote on each of these two proposals, abstentions and broker non-votes will have the same effect as votes against the proposal.

Who will count and certify the votes?

Representatives of Broadridge Financial Solutions, Inc. and the inspector of elections (our controller) will count the votes and certify the election results. The results will be published in a current report on Form 8-K to be filed after the Annual Meeting.

What does it mean if I receive more than one proxy card?

It means you have multiple accounts registered with our transfer agent or with stock brokers or other nominees. Please complete and provide your voting instructions for all proxy cards and vote instruction forms that you receive.

Will my shares be voted if I do not sign and return my proxy card?

Possibly. If your shares are held in street name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may either use its discretion to vote your shares on “routine matters” or leave your shares unvoted. For any “non-routine matters” considered at the meeting, your broker or other nominee would not be able to vote on such matters. We encourage you to provide instructions to your nominee by completing the vote instruction form or proxy card that you have received. This will ensure that your shares are voted at the Annual Meeting as you direct.

How can I change my vote?

You have the right to revoke your proxy at any time before the Annual Meeting. If you are a holder of record, you may contact our corporate secretary and request that another proxy card be sent to you. Alternatively, you may use the Internet or the telephone to authorize a new proxy and revoke your old proxy, even if you previously mailed in a proxy card. The latest-dated, properly completed proxy that you submit, whether through the Internet, by telephone or by mail will count as your vote. Please note that if you submit a later proxy authorization by mail, your re-authorization will not be effective unless it is received by our corporate secretary prior to the start of the Annual Meeting. If your shares are held in street name, you must contact your bank, broker or other nominee and follow their

procedures for changing your vote instructions.

How can I attend the Annual Meeting?

Admission to the Annual Meeting is limited to stockholders who are entitled to vote or their authorized representatives. If you are a holder of record and wish to attend the Annual Meeting, tear off the Admission Ticket attached to the top half of your proxy card and bring it and a photo ID with you to gain admission to the meeting.

If your shares are held in the name of a bank, broker or other nominee, and you wish to attend the Annual Meeting, you must bring other proof of ownership, such as an account statement, that clearly shows that you held Bimini Capital Management, Inc. common stock on the record date, or a legal proxy obtained from your bank, broker or other nominee. You must also bring a photo ID. Alternatively, you may obtain an admission ticket by sending your request and a copy of your proof of ownership to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963 provided that your request is received by the Company by Thursday, June 9, 2011.

No cameras, recording equipment, cell phones, electronic devices, large bags, backpacks, briefcases or packages will be permitted in the meeting room or adjacent areas. All items will be subject to search.

How do I obtain a copy of materials related to corporate governance?

Our Corporate Governance Guidelines, the charters of each standing committee of our Board of Directors, our Code of Business Conduct and Ethics, our Code of Ethics for Senior Financial Officers and other materials related to our corporate governance are published on the Corporate Governance section of our website at www.biminicapital.com. Who are the proxy solicitors and what are the solicitation expenses?

Our Board of Directors is asking for your proxy and we will pay all of the costs of asking for stockholder proxies. We can ask for proxies through the mail or personally by telephone or the Internet. We have hired Georgeson Inc. as a proxy solicitor and will pay them fees between \$16,000 and \$24,000 for their services. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of the Company's common stock held of record by them. Broadridge Financial Solutions, Inc. assists us with certain administrative functions related to the distribution of the proxy, but is not acting as a solicitor.

How can I submit a proposal for consideration at the 2012 Annual Meeting?

To be considered for the 2012 Annual Meeting of Stockholders, stockholder proposals must be submitted in writing to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. No proposal can be included in our proxy statement for the 2012 Annual Meeting of Stockholders unless it is received by our corporate secretary no later than December 31, 2011 (120 days prior to April 30). The proposal must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholder proposals.

Any stockholder whose proposal is not included in our proxy statement relating to the 2011 Annual Meeting of Stockholders and who intends to present a matter for consideration at such meeting must give notice to our corporate secretary in accordance with Section 1.11 of our Amended and Restated Bylaws and such matter must otherwise be a proper matter for stockholder action. For our 2012 Annual Meeting of Stockholders, any such notice must be received

by our corporate secretary no later than April 16, 2012, and no earlier than March 16, 2012.

How can I recommend someone as a candidate for director?

A stockholder who wishes to recommend a candidate for director of the Company may write to Chair, Corporate Governance and Nominating Committee of the Board of Directors, c/o Corporate Secretary, Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

To be effective for consideration at the 2012 Annual Meeting of Stockholders, the recommendation must be received by our corporate secretary no later than April 16, 2012, and no earlier than March 16, 2012 and must include information about the nominating stockholder and the nominee that is required to be included in a proxy statement under the rules of the Securities and Exchange Commission.

PROPOSAL 2: TO APPROVE THE BIMINI CAPITAL MANAGEMENT, INC.
2011 LONG TERM INCENTIVE COMPENSATION PLAN.

Since 2004, the Company has had two incentive and bonus plans, the Bimini Capital Management, Inc. 2003 Long Term Incentive Compensation Plan (the “2003 Plan”) and the 2004 Bonus Compensation Plan (the “Bonus Plan”). The purpose of these plans is to attract key employees, directors and consultants to the Company, induce key employees, directors and consultants to continue employment with, or service to, the Company, and to provide incentives to make the Company’s business more successful.

The Board of Directors believes the 2003 Plan has been effective in accomplishing its objectives. The 2003 Plan is scheduled to expire in 2014, and as of April 15, 2011, there were approximately 500,072 shares available for grant under the 2003 Plan (but subject to the 2003 Plan limitation that the total grants cannot exceed 10% of the total outstanding shares). The Company is therefore proposing the adoption of a new plan, the Bimini Capital Management, Inc. 2011 Long Term Incentive Compensation Plan (the "2011 Plan") which the Board of Directors adopted on April 28, 2011, subject to the approval of stockholders. The 2011 Plan is a long term incentive compensation plan containing terms that are similar to those in the 2003 Plan. If the 2011 Plan is approved by stockholders, then no new awards will be granted under the 2003 Plan. If stockholders do not approve the 2011 Plan, then the 2003 plan will remain in effect and the 2011 plan will not be implemented.

No awards have been made under the Bonus Plan in recent years and the Board of Directors believes that the Bonus Plan has not been effective in accomplishing its objectives. As a result, on April 1, 2010 the Board of Directors terminated the Bonus Plan. At this time the Company does not intend to replace the Bonus Plan.

The proposed 2011 Plan is attached as Exhibit A to this proxy statement. The more significant features of the 2011 Plan are summarized below. This summary is qualified in its entirety by reference to the full text of the 2011 Plan. To the extent there is a conflict between this summary and the 2011 Plan, the 2011 Plan shall govern. Capitalized terms not defined herein are used as defined in the 2011 Plan.

Administration of the 2011 Plan

The 2011 Plan will be administered by the compensation committee of the Board of Directors, except that the 2011 Plan will be administered by the Board of Directors with respect to awards made to directors who are not employees. This summary uses the term "administrator" to refer to the compensation committee or the Board of Directors, as applicable. The administrator will approve all terms of awards under the 2011 Plan. The administrator will also approve who will receive grants under the 2011 Plan and the number of shares of common stock subject to each grant.

Eligibility

All employees of the Company and employees of its affiliates are eligible to receive grants under the 2011 Plan. In addition, members of the Board of Directors and individuals who perform services for the Company and its affiliates may receive grants under the 2011 Plan. The 2011 Plan defines the term "affiliate" as any entity which controls, is controlled by, or is under common control with the Company. For this purpose, "control" means ownership of 50% or more of the total combined voting power or value of all classes of shares or interests in the entity or the power to direct the management and policies of the entity.

As of April 29, 2011, there were 8 individuals eligible to receive grants under the 2011 Plan, 3 of whom were directors and 5 of whom were employees who were not directors.

Share Authorization

The maximum aggregate number of shares of Class A Common Stock that may be issued under the 2011 Plan is 4,000,000 shares. In connection with stock splits, dividends, recapitalizations and certain other events, the Board of Directors will make adjustments that it deems appropriate in the aggregate number of shares of Class A Common Stock that may be issued under the 2011 Plan, the terms of outstanding awards and the individual grant limit (described below). If any options or stock appreciation rights terminate, expire or are canceled, forfeited, exchanged or surrendered without having been exercised or paid or if any stock awards, performance units or other equity-based awards are forfeited, the shares of Class A Common Stock subject to such awards will again be available for purposes of the 2011 Plan. Shares of Class A Common Stock tendered or withheld to satisfy the exercise price of an option or

for tax withholding are not available for future grants under the 2011 Plan.

Individual Award Limit

The 2011 Plan limits the awards that any individual may be granted in a calendar year. The limit states that no individual may be granted awards covering more than 250,000 shares of Class A Common Stock in any calendar year. The limit applies to options, stock awards, stock appreciation rights, performance units, other equity-based awards and certain incentive awards. (The limit applies to incentive awards that are granted with reference to shares of Class A Common Stock or that may be settled in Class A Common Stock. A separate limit, described below, applies to incentive awards that are not granted with reference to shares of Class A Common Stock and that will be settled in cash.)

Options

The 2011 Plan authorizes the grant of incentive stock options (under Section 422 of the Code) and options that do not qualify as incentive stock options (non-qualified stock options). The number of shares subject to an option will be determined by the administrator. The exercise price of each option will be determined by the administrator, provided that the price cannot be less than 100% of the fair market value of the shares of Class A Common Stock on the date on which the option is granted (or 110% of the shares' fair market value on the grant date in the case of an incentive stock option granted to an individual who is a "ten percent stockholder" under Sections 422 and 424 of the Code). The exercise price for any option is generally payable (i) in cash, (ii) by certified check, (iii) by the surrender of shares of Class A Common Stock (or attestation of ownership of shares of Class A Common Stock) with an aggregate fair market value on the date on which the option is exercised, equal to the exercise price, or (iv) by payment through a broker in accordance with procedures established by the Federal Reserve Board. The term of an option cannot exceed ten years from the date of grant (or five years in the case of an incentive stock option granted to a "ten percent stockholder").

Stock Awards

The 2011 Plan also provides for the grant of stock awards and the administrator will determine the number of shares subject to each stock award. A stock award is an award of shares of Class A Common Stock that may be subject to restrictions on transferability and other restrictions as the administrator determines in its sole discretion on the date of grant, including the satisfaction of goals or objectives stated with reference to the performance measures discussed below. The restrictions, if any, may lapse over a specified period of time or through the satisfaction of conditions, in installments or otherwise, as the administrator may determine. Unless otherwise specified in the applicable award agreement, a participant who receives a stock award will have all of the rights of a stockholder as to those shares, including, without limitation, the right to vote the shares and the right to receive dividends or distributions on the shares. During the period, if any, when stock awards are non-transferable or forfeitable, (i) a participant is prohibited from selling, transferring, pledging, exchanging, hypothecating or otherwise disposing of his or her stock award shares, (ii) the Company will retain custody of the certificates and (iii) a participant must deliver a stock power to the Company for each stock award.

Stock Appreciation Rights

The 2011 Plan authorizes the grant of stock appreciation right and the administrator will determine the number of shares subject to each stock appreciation right. A stock appreciation right provides the recipient with the right to receive, upon exercise of the stock appreciation right, cash, shares of Class A Common Stock or a combination of the two. The amount that the recipient will receive upon exercise of the stock appreciation right generally will equal the excess of the fair market value of the shares of Class A Common Stock on the date of exercise over the shares' fair market value on the date of grant. Stock appreciation rights will become exercisable in accordance with terms determined by the administrator. Stock appreciation rights may be granted in tandem with an option grant or as independent grants. The term of a stock appreciation right cannot exceed ten years from the date of grant or five years

in the case of a stock appreciation right granted in tandem with an incentive stock option awarded to a “ten percent stockholder.”

Performance Units

The 2011 Plan also authorizes the grant of performance units and the administrator will determine the number of performance units that will be granted. Performance units represent the participant's right to receive an amount, based on the value of a specified number of shares of Class A Common Stock, if the terms and conditions prescribed by the administrator are satisfied. The administrator will determine the requirements that must be satisfied before performance units are earned, including but not limited to any applicable performance period and performance goals. Performance goals may relate to the Company's financial performance or the participant's performance or such other criteria determined by the administrator, including goals stated with reference to the performance measures discussed below. If performance units are earned, they will be settled in cash, shares of Class A Common Stock or a combination thereof.

Incentive Awards

The 2011 Plan also authorizes the administrator to make incentive awards. An incentive award entitles the participant to receive a payment if certain requirements are met. The administrator will establish the requirements that must be met before an incentive award is earned and the requirements may be stated with reference to one or more performance measures or criteria prescribed by the administrator, including goals stated with reference to the performance measures discussed below. An incentive award that is earned will be settled in a single payment which may be in cash, shares of Class A Common Stock or a combination thereof. The administrator will determine the amount that may be earned under an incentive award except that the 2011 Plan provides that no participant may receive more than \$500,000 in any calendar year under incentive awards that are not granted with reference to a number of shares of Class A Common Stock and that will be settled in cash.

Other Equity-Based Awards

The administrator may grant other types of stock-based awards as other equity-based awards under the 2011 Plan and the administrator will determine the number of other equity-based awards that will be granted. Other equity-based awards are payable in cash, shares of Class A Common Stock or other equity, or a combination thereof, as determined by the administrator. The terms and conditions of other equity-based awards will be determined by the administrator.

Dividend Equivalents

The administrator may grant dividend equivalents in connection with the grant of performance units and other equity-based awards. Dividend equivalents may be paid currently or accrued as contingent cash obligations (in which case they may be deemed to have been invested in shares of common stock) and may be payable in cash, shares of common stock or other property dividends declared on shares of Class A Common Stock. The administrator may prescribe that dividend equivalents will be accumulated and paid when, and to the extent that, the related performance units or other equity-based award is earned. The administrator will determine the terms of any dividend equivalents.

Change in Control

If the Company experiences a change in control, the administrator may, at its discretion, provide that all outstanding options, stock appreciation rights, stock awards, performance units, incentive awards or other equity-based awards that are not exercised or vested prior to the change in control will be assumed by the surviving entity, or will be replaced by a comparable substitute award of the same type as the original award and that has substantially equal value granted by the surviving entity. The administrator may also provide that all outstanding options and stock appreciation rights will be fully exercisable on the change in control, restrictions and conditions on outstanding stock awards will lapse upon the change in control and performance units, incentive awards or other equity-based awards will become earned in their entirety. The administrator may also provide that participants must surrender their outstanding options and stock appreciation rights, stock awards, performance units, incentive awards and other equity-based awards in exchange for a payment, in cash or shares of Class A Common Stock or other securities or consideration received by stockholders in the change in control transaction, equal to (i) the entire amount that can be earned under an incentive award, (ii) the value received by stockholders in the change in control transaction for each share subject to a stock award, performance unit or other equity-based award or (iii) in the case of options and stock appreciation rights, the amount by which that transaction value exceeds the exercise price.

In summary, a change in control under the 2011 Plan occurs if:

- a person, entity or affiliated group (with certain exceptions) acquires, in a transaction or series of transactions, more than 50% of the total combined voting power of the Company's outstanding securities;
- the Company merges into another entity unless the holders of the Company's voting securities immediately prior to the merger have more than 50% of the combined voting power of the securities in the merged entity or its parent;
- the Company sells or disposes of all or substantially all of its assets other than a sale or disposition to any entity, more than 50% of the combined voting power and common stock of which, is owned by the Company's stockholders; or
- during any period of two consecutive years, individuals who, at the beginning of such period, constitute the Board of Directors together with any new directors (other than individuals who become directors in connection with certain transactions or election contests) cease for any reason to constitute a majority of the Board of Directors.

The Internal Revenue Code (the "Code") has special rules that apply to "parachute payments," i.e., compensation or benefits the payment of which are contingent upon a change in control. If certain individuals receive parachute payments in excess of a safe harbor amount prescribed by the Code, the payor is denied a federal income tax deduction for a portion of the payments and the recipient must pay a 20% excise tax, in addition to income tax, on a portion of the payments.

If the Company experiences a change in control, benefits provided under the 2011 Plan could be treated as parachute payments. In that event, the 2011 Plan provides that the plan benefits, and all other parachute payments provided under other plans and agreements, will be reduced to the safe harbor amount, i.e., the maximum amount that may be paid without excise tax liability or loss of deduction, if the reduction allows the recipient to receive greater after-tax benefits. The benefits under the 2011 Plan and other plans and agreements will not be reduced, however, if the recipient will receive greater after-tax benefits (taking into account the 20% excise tax payable by the recipient) by receiving the total benefits. The 2011 Plan also provides that these provisions do not apply to a participant who has an agreement with us providing that the individual is entitled to indemnification from us for the 20% excise tax.

Amendment; Termination

The Board of Directors may amend or terminate the 2011 Plan at any time, provided that no amendment may adversely impair the rights of participants under outstanding awards. The Company's stockholders must approve any amendment if such approval is required under applicable law or stock exchange requirements. The Company's stockholders also must approve any amendment that materially increases the benefits accruing to participants under the 2011 Plan, materially modifies the eligibility requirements of the 2011 Plan or materially increases the aggregate number of shares of Class A Common Stock that may be issued under the 2011 Plan, reduces the option price of an outstanding option or reduces the base or initial price of an outstanding stock appreciation right (in each case other than on account of stock dividends, stock splits, or other changes in capitalization as described above). Unless terminated sooner by the Board of Directors or extended with stockholder approval, the 2011 Plan will terminate on April 27, 2021 (but awards granted before the termination or expiration of the 2011 Plan will remain in effect in accordance with their terms).

Performance Measures; Section 162(m) of the Code

Section 162(m) of the Code provides that the Company generally cannot claim a federal income tax deduction of more than \$1 million on account of compensation paid to each of its Chief Executive Officer or three other most highly compensated officers (other than the Company's Chief Financial Officer). Compensation that qualifies as "performance based compensation" under Section 162(m) of the Code is deductible without regard to this limitation.

The 2011 Plan is designed so that options and stock appreciation rights can qualify as performance based compensation under Section 162(m). The 2011 Plan is also designed so that stock awards, performance units, other equity-based awards and incentive awards can qualify as performance-based compensation under Section 162(m). Those awards, i.e., awards other than options and stock appreciation rights, can satisfy Section 162(m) if the vesting or payment under the award is conditioned upon meeting goals or objectives based on performance measures authorized under the 2011 Plan.

The performance measures authorized under the 2011 Plan, which may relate to the Company or an affiliate, are: (i) return on equity, (ii) total earnings, (iii) earnings growth, (iv) return on capital, (v) return on capital employed, (vi) the fair market value of the Company's common stock, (vii) appreciation in the fair market value of the Company's Class A Common Stock, (viii) capital raised in the sale of common equity of the Company, (ix) net interest margin, (x) comparison of Class A Common Stock performance with market indices or peer groups, (xi) earnings per share, (xii) dividends per share, (xiii) income from continuing operations or core earnings, i.e., net interest income less direct operating expenses and general and administrative expenses but disregarding items specified by the Committee (e.g., items related to discontinued operations, extraordinary items, non-recurring items, the effects of changes in tax laws or regulations or changes in applicable accounting standards), (xiv) assets under management (with or without leverage limitations prescribed by the administrator), (xv) book value per share of or growth in book value per share of Class A Common Stock or (xvi) maintenance of book value per share of Class A Common Stock.

In accordance with Section 162(m) of the Code and as stated above, the 2011 Plan provides that no participant can receive awards during any calendar year covering more than 250,000 shares of Class A Common Stock and no participant can receive more than \$500,000 in any calendar year with respect to incentive awards that are not granted with reference to a number of shares of Class A Common Stock and that will be settled in cash.

2011 Plan Benefits

All awards under the 2011 Plan will be made at the discretion of the administrator. Accordingly, the benefits or amounts that may in the future be received by or allocated to participants under the 2011 Plan cannot be determined at this time. Likewise, the benefits or amounts that would have been received by or allocated to participants during the

last completed fiscal year had the 2011 Plan been in effect cannot be determined.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of certain expected U.S. federal income tax consequences under current law relating to awards under the 2011 Plan. This description is not intended to be complete in all respects and the consequences may vary depending on the personal tax circumstances of the participant.

Non-Qualified Stock Options

No income will be recognized by a participant at the time a non-qualified stock option i.e., an option that is not an Incentive Stock Option, is granted. Ordinary income generally will be recognized by a participant at the time a non-qualified stock option is exercised in an amount equal to the excess of the fair market value of the Class A Common Stock on the exercise date over the exercise price. The tax basis of the shares acquired upon the exercise of any non-qualified stock option will be equal to the sum of the exercise price of the non-qualified stock option and the amount included in income with respect to the option. The Company generally will be entitled to a deduction for U.S. federal income tax purposes in the same amount as the ordinary income recognized by the option holder upon exercise of the non-qualified stock option. Gain or loss on a subsequent sale or other disposition of the shares acquired upon the exercise of a non-qualified stock option will be measured by the difference between the amount realized on the disposition and the tax basis of such shares, and generally will be long-term or short-term capital gain depending on the holding period involved.

Incentive Stock Options

In general, neither the grant nor the exercise of an Incentive Stock Option will result in taxable income to a participant or a deduction for the Company. To receive special tax treatment as an Incentive Stock Option under the Code, a participant must not dispose of the shares within two years after the Incentive Stock Option is granted nor within one year after the transfer of the shares to the option holder pursuant to exercise of the option. In addition, the option holder must be an employee of the Company or a subsidiary at all times between the date of grant and the date three months (or one year in the case of disability) before exercise of the option. (Special rules apply in the case of the death of the option holder.) If the holding period is satisfied, any gain on the sale of shares of the Company's Class A Common Stock received upon the exercise of an Incentive Stock Option will be treated as long-term capital gain, but the Company will not be entitled to a tax deduction. The exercise of an Incentive Stock Option may affect the participant's liability for alternative minimum tax.

If the holding period rules noted above are not satisfied, all or part of the gain recognized on the disposition of the shares acquired upon the exercise of an Incentive Stock Option will be characterized as ordinary income. The ordinary income generally will be equal to the difference between the exercise price and the fair market value of the shares at the time of exercise. (Special rules may apply to disqualifying dispositions where the amount realized is less than the value at exercise.) The Company generally will be entitled to a deduction equal to the amount of ordinary income recognized by participant. Any excess of the amount realized upon such disposition over the fair market value at exercise generally will be long-term or short-term capital gain depending on the holding period involved.

Stock Appreciation Rights

No income will be recognized by a participant at the time a stock appreciation right is granted. Ordinary income generally will be recognized by a participant at the time a stock appreciation right is exercised in an amount equal to the fair market value of any Class A Common Stock and cash, as applicable, paid in settlement of the stock appreciation right. The tax basis of any shares received in settlement of the stock appreciation right will be equal to the shares' fair market value on the date of exercise. The Company generally will be entitled to a deduction for U.S. income tax purposes in the same amount as the ordinary income recognized by the participant. Gain or loss on a subsequent sale or other disposition of shares received under a stock appreciation right will be measured by the

difference received in the disposition and the tax basis of the shares and generally will be long-term or short-term capital gain depending on the holding period involved.

Stock Awards

Unless a participant makes an "83(b) election" (as discussed below), a participant will recognize ordinary income on account of a stock award on the first date that the shares are no longer subject to a substantial risk of forfeiture or is transferable. Dividends paid on unvested shares generally will be treated as compensation income for U.S. federal income tax purposes (unless an 83(b) election has been made, as discussed below). Generally, when the restrictions are lifted, the participant will recognize ordinary income, and the Company will be entitled to a deduction, equal to the difference between the fair market value of the shares at that time and the amount, if any, paid for the shares. Subsequently realized changes in the value of the stock generally will be treated as long-term or short-term capital gain or loss, depending on the length of time the shares are held prior to disposition of the shares. In general terms, if a participant makes an 83(b) election (under Section 83(b) of the Code) upon the award of restricted stock, the participant will recognize ordinary income on the date of the award of restricted stock, and the Company will be entitled to a deduction, equal to (i) the fair market value of the restricted stock on the date of grant, minus (ii) the amount, if any, paid for the restricted stock. If an 83(b) election is made, there will generally be no tax consequences to the participant upon the lifting of restrictions, and all subsequent appreciation after the date of grant generally would be eligible for capital gains treatment. In the event of a forfeiture after an 83(b) election is made, no deduction or loss will be available, other than with respect to amounts actually paid for the stock.

Performance Units

In general, the grant of performance units will not result in taxable income to a participant or a deduction for the company. When performance units are earned and a payment is made, the participant generally will recognize ordinary income, and the Company would generally be entitled to a deduction, equal to the fair market value of the Class A Common Stock and cash, as applicable, received in settlement of the performance units.

Other Stock-Based Awards

A participant will recognize ordinary income on account of the transfer of Class A Common Stock or other property under an Other Stock-Based Award on the first date that the shares or other property are no longer subject to a substantial risk of forfeiture or is transferable. A participant who receives Class A Common Stock or other property under an Other Stock-Based Award may elect to have the federal income tax consequences of the transfer determined as of the date of grant by making an 83(b) election as described above. The amount of income recognized by a participant is equal to the (i) the fair market value of the Class A Common Stock, other property or cash on the applicable tax date minus (ii) the amount, if any, paid for the Class A Common Stock or other property. The Company will be entitled to a deduction equal to the amount of ordinary income recognized by the participant.

Other Stock-Based Awards that do not involve a transfer of Class A Common Stock or other property generally will not result in taxable income to a participant until payment is made. When payment is made, the participant will recognize ordinary income, and the Company will be entitled to a deduction, equal to the amount paid pursuant to the other stock-based award.

Incentive Awards

In general, the grant of an incentive award will not result in taxable income to the participant or a deduction for the Company. When the incentive award is earned and a payment is made, the participant generally will recognize ordinary income, and the Company generally would be entitled to a deduction, equal to the fair market value of the Class A Common Stock and cash, as applicable, received in settlement of the incentive award.

Dividend Equivalents

There generally will be no tax consequences as a result of the award of a dividend equivalent. When payment is made, the holder of the dividend equivalent generally will recognize ordinary income, and the Company will be entitled to a deduction, equal to the amount received in respect of the dividend equivalent.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR
THE BIMINI CAPITAL MANAGEMENT, INC.
2011 LONG-TERM INCENTIVE COMPENSATION PLAN.

PROPOSAL 3: TO RATIFY THE SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Our Audit Committee has selected the accounting firm of BDO USA, LLP to serve as our independent registered public accounting firm for the year ending December 31, 2011, subject to ratification of this appointment by our shareholders. Action by shareholders is not required by law in the appointment of an independent registered public accounting firm, but this appointment is submitted by the Board of Directors in order to give the shareholders a voice in the designation of auditors. If the appointment is not ratified by the shareholders, the Board of Directors will reconsider its choice of BDO USA, LLP as our independent registered public accounting firm. BDO USA, LLP has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in our company or any of our subsidiaries in any capacity. BDO USA, LLP has served as our independent registered public accounting firm since April 17, 2008 and audited our consolidated financial statements for the years ended December 31, 2008, 2009, and 2010.

The Company anticipates that a representative of BDO USA, LLP will be present at the annual meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

THE BOARD RECOMMENDS A VOTE FOR
THE RATIFICATION OF THE SELECTION OF BDO USA, LLP
AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

CORPORATE GOVERNANCE

Board Composition

The Company's business, property and affairs are managed under the direction of the Board of Directors. The Board is currently comprised of three directors divided into three classes, with one director representing each class. Terms of the classes are staggered, with one class standing for election each year. The Board is elected by stockholders to oversee management of the Company in the long-term interests of all stockholders.

Director Independence

Pursuant to Item 407(a)(1)(ii) of Regulation S-K of the Securities and Exchange Commission, the Board is required to affirmatively determine and disclose the independence of each director, and nominee for election as a director, based on the director independence standards of a national securities exchange or an inter-dealer quotation system having certain director independence requirements notwithstanding that the Company is not currently listed on any such exchange and the Company's securities are not currently quoted in any such inter-dealer quotation system. The Board has determined to use the definition of "independent director" as set forth in the Marketplace Rules of The Nasdaq Stock Market, LLC. Based on such definition, the Board has affirmatively determined that the following directors are "independent" within the meaning of Rule 5605(a)(2) of the Marketplace Rules and have no relationship with the Company which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director:

Robert J. Dwyer
Frank E. Jaumot

Notwithstanding the determination described above, the Board has determined that Mr. Jaumot is not "independent" under the stricter definition of that term that is contained in Rule 5605(c)(2) of the Marketplace Rules and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934. That stricter definition of "independent" is applied for purposes of service on the Company's Audit Committee. Services provided to the Company by Ahearn, Jasco & Company, P.A., a CPA firm in which Mr. Jaumot is a shareholder, cause Mr. Jaumot to not be "independent" for Audit Committee purposes. In addition, the Board has determined that Robert E. Cauley is not "independent" for purposes of the Marketplace Rules because he is an officer and employee of the Company.

Board Meetings and Committees

The Board currently has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The charter of each Board committee is available on the Corporate Governance section of the Company's website at www.biminicapital.com and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. The following table reflects the composition of each of the Board's standing committees as of April 30, 2010:

Audit Committee	Compensation Committee	Corporate Governance and Nominating Committee
Robert J. Dwyer*+	Robert J Dwyer*	Robert J. Dwyer*
	Frank E. Jaumot	Frank E. Jaumot

* Current Committee Chair.

+ Audit Committee Financial Expert.

21

During 2010, the Board held 6 meetings, the Audit Committee held 5 meetings, the Corporate Governance and Nominating Committee held 2 meetings and the Compensation Committee held 3 meetings. During 2010, no incumbent director attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which such person was a director) and the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served). It is the Company's policy for Board members to attend the Annual Meeting of the Stockholders. In 2010, all three Board members attended the Annual Meeting of the Stockholders.

Board Structure and Role in Risk Oversight

Board Leadership Structure

The Board has not separated the positions of Chairman of the Board and Chief Executive Officer. Robert E. Cauley holds these positions and he leads the Company's Board meetings. The Company's lead independent director is Robert J. Dwyer. Mr. Dwyer is the chair of the Company's existing Board Committees. Given the nature and scope of the Company's current operations, the Company's small management team and the limited number of Company employees, the Board has determined that the Company's current leadership structure is appropriate.

Board Role in Risk Oversight

The Board as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board Committees. The Audit Committee oversees management of financial risks and risks relating to potential conflicts of interest, the Compensation Committee is responsible for overseeing the management of risks relating to compensation arrangements, and the Nominating and Corporate Governance Committee manages risks associated with the size, composition and independence of the Board. These Committees provide reports periodically to the full Board. The oversight responsibility of the Board and its Committees is supported by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, compensation, legal and compliance, and other risks. The management reporting process includes regular reports from the Chief Executive Officer, which are provided with input from senior management team.

Audit Committee

The Audit Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee will be comprised of at least one director as appointed by the Board, whom shall meet the independence and audit committee composition requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the Committee.

The functions of the committee are primarily to review with our independent registered public accounting firm their reports concerning audit findings related to the Company's annual and quarterly financial statements, internal controls and procedures and disclosure controls and procedures. The committee also appoints our independent registered public accounting firm and assists the Board in oversight of our compliance with legal and regulatory requirements related to financial reporting matters.

The Board has determined that the Chair of the committee, Mr. Robert J. Dwyer, is an "audit committee financial expert" within the meaning of the applicable rules and regulations of the Securities and Exchange Commission and an Independent Director according to the Marketplace Rules of The Nasdaq Stock Market, LLC. Mr. Dwyer is also independent in accordance with the applicable law and stock exchange listing standards.

Service Fees Paid to the Independent Registered Public Accounting Firm

The Audit Committee has selected BDO USA, LLP as its independent registered public accounting firm for 2011 and such firm has audited the Company's annual consolidated financial statements for 2008, 2009 and 2010. The Company anticipates that representatives of BDO USA, LLP will be present at the Annual Meeting and, while they do not plan to make a statement (although they will have the opportunity to do so if they desire), they will be available to respond to appropriate questions from stockholders.

Fee Disclosure

The following table lists the fees for services rendered by BDO USA, LLP, our independent registered public accounting firm for the years ended December 31, 2010 and 2009:

Tax Fees ³	-	-
All Other Fees	-	-
Total	\$ 450,000	\$ 425,000

- 1 Fees related to the audit of the consolidated financial statements, consents, quarterly reviews, consultations concerning financial accounting and reporting standards arising during the audits.
- 2 Audit-related fees consist of Sarbanes Oxley compliance review and consultation.
- 3 Tax services consist of tax compliance and tax planning and advice.

Pre-Approval Policies and Procedures of our Audit Committee

Our Audit Committee must pre-approve, to the extent required by applicable law, all audit services and permissible non-audit services provided by our independent registered public accounting firm, except for any de minimis non-audit services. All of the fees reflected above were approved by our Audit Committee.

Transactions with Related Persons

Pursuant to its committee charter, the Audit Committee of the Board of Directors is responsible for reviewing and approving related person transactions. Related person transactions include those transactions required to be disclosed by Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended. As the Company is currently a "smaller reporting company" within the meaning of Regulation S-K, Item 404 requires disclosure of any transaction, since the beginning of the Company's fiscal year immediately preceding the Company's last fiscal year, or any currently proposed transaction, in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company's total assets at year end for the last two completed fiscal years, and in which a related person had or will have a direct or indirect material interest. The term "related person" is defined in Item 404 and includes the Company's directors, nominees for director, executive officers and each of their respective immediate family members, as well as any person that beneficially owns more than 5% of any class of the Company's voting stock and each such person's immediate family members, where applicable.

In fulfilling its responsibility, the Audit Committee will review the relevant facts of each related person transaction or series of related transactions and either approve, ratify or disapprove such transaction or transactions. The Audit Committee will take into account such factors as it deems necessary or appropriate in deciding whether to approve, ratify or disapprove any related person transaction, including any one or more of the following:

- §The terms of the transaction;
- §The benefits to the Company of the transaction;
- §The availability of other sources for comparable products or services;
- §The terms available to unrelated third parties or to employees generally; and
- §The impact on a director's independence in the event that such director is a party to the transaction or such director, an immediately family member of such director, or an entity in which such director is an executive officer or has a direct or indirect material interest is a party to the transaction.

No director may participate in any consideration or approval of a related person transaction with respect to which such director or any of such director's immediate family members is the related person or has a direct or indirect material interest. Related person transactions will only be approved if they are determined to be in, or not inconsistent with, the best interests of the Company and its stockholders.

On an annual basis, the Company solicits information from each of the Company's directors and executive officers to identify related person transactions. If a related person transaction that has not been previously approved or previously ratified is identified, the Audit Committee will promptly consider all of the relevant facts. If the transaction is ongoing, the Audit Committee may ratify or request the rescission, amendment or termination of the related person transaction. If the transaction has been completed, the Audit Committee may seek to rescind the transaction where appropriate and may recommend that the Board or the Company take appropriate disciplinary action where warranted. In addition, the Audit Committee will generally review any ongoing related person transactions on an annual basis to determine whether to continue, modify or terminate such related person transactions.

Mr. Jaumot is the Director of Accounting and Auditing and a shareholder of the certified public accounting firm Ahearn, Jasco & Company, P.A. Ahearn, Jasco & Company, P.A. has provided tax, accounting, and SEC consulting services to the Company since its founding in 2003 and is expected to continue providing such services in the future. Among other things, the charter provides that the committee will be comprised of at least one director as appointed by the Board, each of whom shall meet the independence requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the committee. The Compensation Committee reviews and establishes or recommends to the Board the compensation and benefits of all of the Company's executive officers, administers the Company's incentive compensation plans and establishes and reviews general policies relating to compensation and benefits of the Company's employees. Recommendations regarding compensation of other non-executive officers are made by our Chief Executive Officer.

The Compensation Committee has the sole authority under its charter to select, retain and terminate a compensation consultant and to approve the consultant's fees and other retention terms. The Compensation Committee did not engage any compensation consultants during 2010. Rather, the Compensation Committee reviewed certain publicly

available information, as well as information provided by the Company.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was at any time during 2010 an officer or employee of the Company or any of the Company's direct or indirect subsidiaries nor is any such person a former officer of the Company or any of the Company's direct or indirect subsidiaries. Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee shall be comprised of at least one director as appointed by the Board, each of whom shall meet the independence requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the committee. The charter also provides that the committee shall be responsible to identify and recommend to the Board of Directors persons to be nominated by the Board to stand for election as directors at each Annual Meeting of Stockholders and persons to be elected by the Board to fill any vacancy or vacancies in its number. The committee also recommends to the Board actions to be taken regarding the structure, organization and functioning of the Board, and the persons to serve as members of the standing committees of, and other committees appointed by, the Board. The charter gives the committee the responsibility to develop and recommend corporate governance guidelines to the Board, and to recommend to the Board the process and criteria to be used in evaluating the performance of the Board and to oversee the evaluation of the Board.

In identifying potential candidates for Board membership, the Corporate Governance and Nominating Committee may consider candidates proposed by management, but is not required to do so. The committee also relies on suggestions and recommendations from current directors and stockholders and does not distinguish nominees recommended by stockholders from other nominees. A stockholder who wishes to recommend a candidate for director of the Company may write to Chair, Corporate Governance and Nominating Committee of the Board of Directors, in care of our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

In evaluating candidates for members of the Board, the Corporate Governance and Nominating Committee has not established specific minimum qualification standards, but rather takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The nominee for the board of directors in this proxy was nominated by the Corporate Governance and Nominating Committee.

The Board has adopted Corporate Governance Guidelines. These guidelines are revised from time to time to better address new or changing needs and regulatory requirements. COMPENSATION OF DIRECTORS

Overview

Directors who are not also employees of the Company are paid compensation in exchange for their service as a director. Director compensation is reviewed periodically by the Board to ensure such compensation is reasonable and appropriate.

Annual Retainer

During 2007, each of the Company's non-employee directors were entitled to an annual retainer of \$95,000. Effective as of the 2008 Annual Meeting, the annual retainer was reduced to \$70,000. Except for directors who own, through direct ownership or voting control, 5,000 shares or more of the Company's Class A Common Stock, a minimum of one-half of the compensation paid to the Company's non-employee directors is required to be paid in the form of shares of the Company's Class A Common Stock. In addition, each of the Company's non-employee directors may elect to receive all or a portion of the balance of their director compensation in the form of shares of the Company's Class A Common Stock. Directors who are also employees of the Company are not separately compensated for their service as directors.

The Company has agreed to compensate Mr. Jaumot on a different basis than the other non-employee director. Mr. Jaumot is compensated for his board service on an hourly basis using the standard hourly rate used in his CPA practice. During 2010, Mr. Jaumot's hourly rate was \$365 per hour. Mr. Jaumot's current hourly rate is \$395.

Additional Retainers

In addition to the annual retainer for each non-employee director, non-employee directors were entitled to the following additional retainers during 2010:

Nature of Retainer	Retainer Amount
Audit Committee Chair	\$ 25,000
Corporate Governance and Nominating Committee Chair	\$ 10,000
Compensation Committee Chair	\$ 10,000

During 2010, Mr. Dwyer served as Chair of each of the Committees listed above.

The following table sets forth the compensation paid to non-employee directors during 2010:

Directors Compensation Table

Frank E. Jaumot ³	\$	\$ 45,337	\$	\$	\$	\$	\$ 45,337

Except as described in note 3 below, during 2010 director fees included an annual retainer of \$70,000 and additional committee chair retainers. The chair of the Audit Committee received an additional annual retainer of \$25,000, while the chairs of the Compensation Committee and the Corporate Governance and Nominating Committee each received an additional annual retainer of \$10,000. These retainer fees were paid quarterly and directors were entitled to elect to receive shares of the Company's Class A Common Stock in lieu of all or any portion of their retainer fees that would otherwise be payable in cash. In addition, except for directors who own, through direct ownership or voting control, 5,000 shares or more of the Company's Class A Common Stock, a minimum of one-half of the compensation paid to the Company's non-employee directors is paid in the form of shares of the Company's Class A Common Stock. - 1 Amounts in this column represent the number of shares of the Company's Class A Common Stock that are issuable upon vesting of phantom shares that were granted under the Company's 2003 Long-Term Incentive Compensation Plan and that remain unvested as of December 31, 2010. These phantom shares are subject to certain vesting requirements and forfeiture provisions prior to vesting, but are not subject to any performance-based vesting criteria. The balance, 140,000 and 125,000, respectively, shall vest on March 15, 2015. Mr. Cauley and Mr. Haas have no other unvested securities.
 - 2 Market value is based on the \$0.78 closing price of the Company's Class A Common Stock on December 31, 2010, and assumes that the time-based vesting criteria of all phantom shares unvested as of December 31, 2010, will be satisfied.

Executive Retirement Benefits

The Company does not maintain any tax-qualified or nonqualified defined benefit pension plans, supplemental executive retirement plans or nonqualified deferred compensation plans in which any of the named executive officers participate. The Company does maintain a tax qualified defined contribution plan in which Messrs. Cauley and Haas participate. Under these defined contribution plans, Messrs. Cauley and Haas received certain matching contributions as set forth in the Summary Compensation table above.

POTENTIAL PAYMENTS UPON TERMINATION OR A CHANGE OF CONTROL

Mr. Cauley and Mr. Haas entered severance agreements with the Company on December 18, 2008. Those agreements were replaced by new agreements entered into on June 30, 2009. Mr. Cauley's agreement and Mr. Haas' agreement contain substantially the same terms and conditions. The term of each new agreement expires June 30, 2012, but is automatically extended by additional twelve month periods each July 1 unless the Company provides notice otherwise or in the event of a change of control during the term of the agreement.

The qualitative and quantitative information below reflects the amount of compensation payable to Mr. Cauley and Mr. Haas under their respective agreements with the Company in the event of termination of such executive's employment under several different circumstances. Amounts disclosed assume that such termination is effective as of December 31, 2010, and thus include amounts earned through such time and are estimates of the amounts that would have been payable to the executives had their employment terminated effective December 31, 2010. The actual amounts, if any, to be paid out under the executive's respective agreement can only be determined at the time of such executive's separation from the Company. Upon expiration of these agreements, the termination payment provisions contained in the agreements, as described below, will automatically terminate and will have no further force or effect.

Potential Payments and Benefits upon Termination without Cause or for Good Reason

Under the agreements, if the Company terminates an executive's employment without "cause," or an executive terminates his employment for "good reason," or an executive's employment terminates due to death or disability, then the executive will be entitled to receive the following payments and benefits from the Company, subject to the terms and conditions of the severance agreements:

- Payment of any accrued but unpaid salary from the Company through the date that employment terminates;
- Payment of any bonus that has been approved by the Compensation Committee of the Board but which remains unpaid as of termination of employment;
- Reimbursement for any expenses that the executive incurred on behalf of the Company prior to termination of employment to the extent that such expenses are reimbursable under the Company's standard reimbursement policies;
- Payment for the cost of continued health plan coverage for the executive and his qualified beneficiaries through the term of the agreement;
- Payment for any benefits or payments that the executive is entitled to receive under any employee benefit plans or other arrangements or agreements that cover executive;
- Nonvested phantom shares or restricted stock, stock options and other stock-based awards will become automatically vested on the date of the executive's termination of employment;
- Indemnification if certain liabilities are incurred by the executive pursuant to Internal Revenue Code Section 4999; and
- A severance benefit equal to the amount described in either (i) or (ii) below, as applicable:
 - (i) If the Company terminates the executive's employment without Cause within six months before or after a change of control or the executive resigns from the Company within six months after a change of control with Good Reason, the executive will receive a severance benefit equal to three times his "current cash compensation," which shall be equal to

- one year of the executive's annual base salary from the Company as in effect on the date the executive's employment terminates and the average of the annual cash bonuses, excluding extraordinary bonuses, paid to the executive for the Company's two fiscal years ending before the date the executive's employment with the Company terminates; or
- (ii) If the executive's employment terminates but the requirements specified in (i) above are not satisfied, the severance benefit payable is equal to the executive's current cash compensation multiplied by the quotient of (a) the number of days remaining in the term of the agreement and (b) 365.

Had the employment of Mr. Cauley or Mr. Haas been terminated effective as of December 31, 2010, without Cause or for Good Reason, the severance payment would have been \$2,175,000 or \$1,086,507 for Mr. Cauley, depending on whether subpart (i) or (ii) applied, and \$1,500,000 or \$749,315 for Mr. Haas, depending on whether subpart (i) or (ii) applied. In addition, the fair market value as of December 31, 2010, of unvested equity-based awards (the vesting of which would have been accelerated under such circumstances) would have been \$148,200 and \$136,500, respectively, for Mr. Cauley and Mr. Haas.

Any adjournment may be made from time to time by approval of the holders of a majority of the shares present in person or by proxy at the Annual Meeting (whether or not a quorum exists) without further notice other than by an announcement made at the Annual Meeting. If the Annual Meeting is adjourned or postponed for any reason, all proxies will be voted at the reconvened Annual Meeting in the same manner as such proxies would have been voted at the original convening of the Annual Meeting (except for proxies that have, at that time, effectively been revoked or withdrawn). The Company does not currently intend to seek an adjournment of the Annual Meeting.
