Item 1.01 Entry into a Material Definitive Agreement.

Effective February 13, 2013, MGM Resorts International, a Delaware corporation (the "Company"), the New Jersey Division of Gaming Enforcement (the "DGE"), Marina District Development Company LLC and Boyd Gaming Corporation ("Boyd") entered into an amendment with respect to the Company's Stipulation of Settlement with the DGE (the "Amendment").

The Amendment allows the Company to re-apply to the New Jersey Casino Control Commission ("CCC") for licensure in New Jersey.

Prior to the Amendment, the settlement agreement mandated the sale of the Company's 50% economic interest in Borgata Hotel Casino & Spa ("Borgata"), which is held in trust, by March 2014. The Company had the right to direct the sale through March 2013 (the "Divestiture Period"), subject to approval of the CCC, and the trustee was responsible for selling the trust property during the following 12-month period (the "Terminal Sale Period"). The Amendment defers expiration of these periods pending the outcome of the licensure process. If the CCC denies the Company's licensure request, then the Divestiture Period will immediately end, and the Terminal Sale Period will immediately begin, which will result in the Company's Borgata interest being disposed of by the trustee pursuant to the terms of the settlement agreement. Boyd owns the other 50% of Borgata and also operates the resort.

All other material terms of the settlement agreement remain unchanged.
