Item 1.01. Entry into a Material Definitive Agreement.

On April 10, 2013, Protective Life Insurance Company (Protective Life), a wholly owned subsidiary of Protective Life Corporation (Protective), entered into a Master Agreement (the Master Agreement) with AXA Financial, Inc. (AXA) and AXA Equitable Financial Services, LLC. Pursuant to the Master Agreement, Protective Life has agreed to acquire the stock of MONY Life Insurance Company (MONY) from AXA and to enter into a reinsurance agreement (the Reinsurance Agreement) pursuant to which it will reinsure on a 100% indemnity reinsurance basis certain business (the MLOA Business) of MONY Life Insurance Company of America (MLOA). The aggregate purchase price for MONY is expected to be approximately \$693 million, subject to a monthly reduction of \$2.5 million for each month that elapses between July 1, 2013 and the closing date of the acquisition. The purchase price includes approximately \$303 million of adjusted statutory capital and surplus and approximately \$60 million of deferred tax assets, and will be subject to a customary post-closing adjustment. The ceding commission for the reinsurance of the MLOA Business is expected to be approximately \$373 million, subject to a monthly reduction of \$1 million for each month that elapses between July 1, 2013 and the closing date of the acquisition, and will be subject to a customary post-closing adjustment. The entry into the Reinsurance Agreement will occur at, and is conditioned on the concurrent consummation of, the closing of the acquisition of the shares of MONY.

The transaction, which is expected to close in the second half of 2013, is subject to receipt of insurance regulatory approvals and satisfaction of other customary closing conditions. Prior to the closing, AXA will cause MONY to transfer its subsidiaries, MLOA, U.S. Financial Life Insurance Company, MONY International Holdings, LLC and MONY Financial Services, Inc., none of which are being sold to Protective Life as part of the acquisition, to another subsidiary of AXA, and to effect certain other pre-closing restructuring transactions.

The Master Agreement contains customary representations and warranties as well as covenants by each of the parties. The representations and warranties in the Master Agreement are the product of negotiation among the parties to the Master Agreement and are for the sole benefit of such parties. Any inaccuracies in such representations and warranties are subject to waiver by such parties in accordance with the Master Agreement without notice or liability to any other person. In some instances, the representations and warranties in the Master Agreement may represent an allocation among the parties of risk associated with particular matters, and the assertions embodied in those representations and warranties are qualified by information disclosed by one party to the other in connection with the execution of the Master Agreement. Consequently, persons other than the parties to the Master Agreement may not rely upon the representations and warranties in the Master Agreement as characterizations of actual facts or circumstances as of the date of the Master Agreement or as of any other date. Each of Protective Life and AXA has agreed to indemnify the other for breaches or inaccuracies of its representations, warranties, and covenants as well as for certain other specified matters.

At the closing of the transaction, Protective Life will enter into an administrative services agreement with MLOA, which will govern the ongoing administration of the MLOA Business by Protective Life, and a transition services agreement with AXA, pursuant to which AXA and its affiliates will make available to Protective Life and its affiliates, for a limited period of time, certain services required for the operation of the business following the closing.

The above description of the Master Agreement and the agreed forms of the related agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the Master Agreement and such forms of related agreements, copies of which will be filed as an exhibit to Protective Life's quarterly report on Form 10-Q for the quarter ended June 30, 2013.
