### **Issuance of Eurobond**

Portugal Telecom announces that it has successfully completed the issuance of a Euro 1,000 million Eurobond with a maturity of 7 years, through its wholly-owned subsidiary PT International Finance BV. The coupon of this issue will be 4.625%.

This transaction further enhances PT's financial flexibility by extending debt maturities that, in the current environment, substantially reduces financial risks.

Bank of America Merrill Lynch, BNP Paribas, Caixa BI, Espírito Investment Bank and HSBC were the book-runners of this transaction.

PT has a rating of Ba2/negative by Moody's, BB/negative by S&P and BBB/negative by Fitch.

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
