**Item 8.01 Other Events.**

PetroLogistics LP (the Partnership ) announced today that it will temporarily bring down its propane dehydrogenation facility commencing on Saturday, June 8, 2013 for repairs pertaining to two of the eight reactors at the plant. While the facility is down, we will also complete certain other maintenance items. The Partnership believes that all necessary work can be completed in approximately 2 weeks and at a cost of less than \$5 million. The Partnership will declare a force majeure event. Provided the plant resumes operations by June 20, 2013, we anticipate total second quarter sales of approximately 260 million pounds of propylene.
